THE FIRST DISTRICT COUNCIL

By **ROBERT J. STARK Jr., W. A. G.**

AFTER a lapse of many years, Massachusetts Alpha acted as host to the First District Council April 21-23, 1939. As a whole the meetings and social affairs were a great success and the twenty-two official delegates, gathered at Amherst from the seven chapters of the District, thoroughly enjoyed themselves and profited by the constructive criticisms offered at the meetings by the officers and various committees.

The Council was fortunate in having Charles E. Strickland and Andrew G. Truxal, national president and vice-president, respectively, to aid them. A large delegation from the Boston Alumni Association as well as numerous guests from the various chapters swelled the registration and added much to the success of the Council.

At the first session held on Friday morning, April 21st, the following were elected as permanent officers, upon the recommendation of Archon Eugene C. Batchelar Jr.:

W. V. G. P.—John H. Williams, New York Beta;

W. P.—F. William Hutchinson, Massachusetts Alpha;

W. A. G.—Robert J. Stark Jr., Massachusetts Alpha;

W. B. G.—J. Russell Fowler, Massachusetts Alpha;

W. S. G.—Scott Rogers, New Hampshire Alpha;

W. Hod.—Lloyd Ohlin, Rhode Island Alpha;

W. Hier.—Nicholas McManus, New York Gamma;

W. Phu.—Hugh Irish, New York Epsilon.

Immediately following, Worthy Archon Batchelar appointed the various committees and the morning session was adjourned.

In the afternoon, Lloyd Ohlin of Rhode Island Alpha presented a paper on The One Payment Plan, and rec-

ommended its adoption by the First District. Considerable discussion followed and after each chapter had presented its reactions a vote was taken and Brother Ohlin's recommendation was defeated, three chapters voting against the motion and two abstaining from voting. Many good points were brought up in the discussion, however, and it proved that the Council was vitally interested in this problem even though it was against the adoption of a one payment plan.

On Saturday morning, Worthy Archon Batchelar pointed out the vulnerable points of each chapter and urged that the delegates convey these to their respective chapters and recommended that everything possible be done to correct the various faults.

Bob Stark, Massachusetts Alpha, reporting for the Committee on Extension, stated that the committee had unanimously recommended the granting of a charter to the local fraternity Phi Phi Delta at Hobart College, Geneva, N. Y. The committee based their recommendation on the fact that Phi Phi Delta is the top ranking fraternity at Hobart and worthy of becoming a chapter of Phi Kappa Psi. The committee also recommended that the question be turned over to the Fraternity's Committee on Collegiate Information and Development, to investigate Hobart College and report on their findings prior to the convening of the 1940 Grand Arch Council. Should Hobart be found a satisfactory college in which to have a chapter of our Fraternity the committee recommended that the First District approve the granting of a charter to Phi Phi Delta. The Council passed the motion after a brief but lively discussion. The reports of the Committee on the next District Council and the Committee on the Constitution and

By-Laws, submitted by Brothers McDowell and Irish, respectively, were accepted by the Council and the third meeting was adjourned.

The fourth and last meeting of the Council proved to be the longest and most successful of the weekend and was called to order by the Worthy Archon at 3:45 P. M. on Saturday. Bob Gouldin's report on the State of the District, an excellent piece of work, was accepted unanimously by the delegates. It was found from this report that the First District was in good shape in most respects but that the general scholarship of the District was only average and the committee recommended that each chapter strive to bring up its average. The committee also made the following resolutions:

"Resolved: The card catalogue must contain chapter officers, college honors, and noteworthy facts of the brother, as well as the consecutive number, address, date of initiation, and relations in the fraternity.

"Resolved: Each chapter must have a representative each year at the initiation banquets of at least two other chapters in the District."

Both resolutions were accepted unanimously along with Brother Gouldin's report.

William Dixon, New York Alpha, reporting for the Committee on Finance, made the resolution that national Fraternity expenses to the undergraduate should be reduced and also resolved that a permanent committee be established in the First District to investigate this possibility and that a report should be submitted by the Executive Council of the Fraternity to each chapter regarding the possibilities of a reduction and also that a copy of the resolution should be sent to each chapter of the Fraternity. After a long, heated discussion participated in by all present, Brother

Dixon's report was accepted and his resolution was passed unanimously.

Nicholas McManus submitted the report of the Committee on Scholarship and Education and the report was accepted. This committee also recommended that the chapters try to improve their scholarship rating.

The closing business was the election of Archon and after Brother Stark had withdrawn his name from the ballot, John H. Williams, New York Beta, was unanimously elected. Williams, the son of Past President Howard C. Williams (1926-28), is from Shaker Heights, Ohio, and succeeds Gene Batchelar as Archon of the First District. Batchelar is to be congratulated on the fine work he has done during the past two years and especially on the way he conducted this year's District Council.

The District Council Banquet was held on Friday evening at the Hotel Drake in Amherst and proved to be a huge success. The main speaker was Walter A. Dyer, Mass. Alpha '00, who gave an interesting and humorous talk dealing with the difficulties which the first members of the Amherst chapter had in getting organized. The other speakers included President Strickland and Elbridge R. Anderson of Boston, both of whom gave speeches which will long be remembered by those who attended the banquet. Bill Hutchinson of the Amherst delegation acted as toastmaster and did an excellent job in making the banquet a success.

On Saturday night an informal dance was held at the chapter house and was attended by a group of enthusiastic jitterbugs. Sunday morning was taken up by a soft ball game on the front lawn in which a large number of the delegates and visitors participated.

The 1941 First District Council is to be held at New York Beta, and it is hoped that many of those who attended this year's council will also be present when the delegates convene two years hence.

THE SECOND DISTRICT COUNCIL

By HAROLD B. MONTGOMERY Jr., A. G., Pa. Iota

THE meeting is adjourned! With these words, Archon Fred B. Zoll concluded one of the most successful Councils in the history of the Second District. Aided by such Phi Psi luminaries as Past President "Lev" Lyon, Treasurer Harry Gorgas, and Secretary Dab Williams, the convention, held in Charlottesville, Va., the home of Virginia Alpha at the University of Virginia, ran in clock-like fashion and was officially concluded at a banquet on Saturday evening, May 6th, at the famous Farmington Country Club.

Getting under way on the morning of May 4th, with the singing of Noble Fraternity, the officers and committees were appointed, and their efficiency was in no way impaired by the overzealous activities of the brethren in their strictly informal evening sessions.

Worthy Archon Fred B. Zoll named the following who were installed as permanent officers of the Council:

- W. V. G. P.—Barry Marshall, Virginia Alpha;
- W. A. G.—Peter E. Reed, North Carolina Alpha;
- W. B. G.—Joseph Ashbrook, Maryland Alpha;
- W. P.—David L. Parke, Pennsylvania Theta;
- W. Hier.—T. H. McCutcheon, Virginia Beta;
- W. Hod.—John Sonneborn, Pennsylvania Kappa;
- W. Phu.—Robert Flinchbaugh, Pennsylvania Epsilon.

The petition for a chapter charter by a local fraternity at Hobart College was deferred until the G.A.C. convenes in 1940. The One Payment Plan proposal was defeated.

Lee Sheppard, N. Y. Alpha '29, of Philadelphia, read a paper concerning the secrets of the Fraternity considered as a Lecture on the Ritual, which was accepted in toto by the delegates.

The elections ran off very smoothly, and, by a fortunate coincidence, Fred

B. Zoll, Pennsylvania Iota, was unanimously reelected for another term. A few words of wisdom were volunteered by our distinguished guests and the business phase of the convention was adjourned.

Most of the social activities of the session centered around a tourist camp on the outskirts of the town where the various delegations had taken cabins. It was at this camp that the ability of the brethren to cope with almost any situation was ably demonstrated, for the dates which the host chapter had arranged to get for the dance, were either forewarned or frightened off, and the prospects for a stag dance seemed exceedingly good, but when the night of the dance arrived, Charlottesville's "fairest" were in evidence everywhere gathered from the highways and byways of this busy little metropolis. No report of the social activities would be complete without mentioning the humorous little incidents, such as the party held in the Penn Iota cabin after the smoker when the spirit of competition was developed in a game known as Putting out the Torch.

The convention was duly honored at its banquet on Saturday, May 6th, when Judge Ernest H. Van Fossen, N. Y. Gamma '10, of the U. S. Board of Tax Appeals, gave an inspired talk, and the wisdom of his remarks will be remembered for many years by those present. The entire success of the convention was due to the brothers of Virginia Alpha, and particularly to Art Tuthill, George Balsley, and Barry Marshall who were directly responsible for the arrangements. Archon Zoll is to be congratulated on his reelection which was merited by the fine manner in which he conducted the Council, and Virginia is to be congratulated for its fine university, Charlottesville, and its proximity to Sweet Briar.

THE THIRD DISTRICT COUNCIL

By J. WILLIAM SCHMIDLEY, A. G., Pa. Alpha

ON Thursday evening, March 30th, the registration desk of Pennsylvania Alpha, host chapter, was busy receiving members, delegates, alumni and guests of the Third District Council. Council delegates and visitors were housed in the George Washington Hotel, where all business and social functions were held. The hotel took on the appearance of a huge fraternity house. The Council seemed like a miniature G.A.C.

The Third District Council extended from March 31 to April 2. Archon Harry T. Vallery, Ohio Delta, who was reelected to succeed himself, presided at all business sessions most of which were constructive and thought-provoking. Representing the Executive Council were Vice President Andrew G. Truxal and Scholarship Director Howard L. Hamilton. On hand also was the Fraternity's popular veteran, Sion B. Smith, of Pittsburgh, who, despite his almost sixty years of active Phi Psi work, again became one of the "boys".

During sessions on Friday and Saturday the following papers were presented and discussed at length: Freshman Training, by Bob Craig, Ohio Delta; The One Payment Plan, by Charles Hughes, Pennsylvania Lambda; the Pro-rata System of Handling Chapter Accounts, by Harry Hopkinson, Ohio Epsilon; Collecting Accounts Receivable from Undergraduate Members, by Bob Hamilton, West Virginia Alpha; Alumni Indebtedness, by Ohio Beta; Freshman Edu-

cation, by Richard Kelting, Ohio Delta.

After considerable discussion, the report recommending The One Payment Plan of taxation was adopted. Council delegates went on record as favoring the petition of Phi Phi Delta, a local fraternity, for a chapter charter at Hobart College, Geneva, N. Y. The Council, upon recommendation of a special committee, voted to reject a plan to erect a plaque or marker on the house in Canonsburg, Pa., in which the Fraternity was founded, owing to the fact that the property is on the market for sale.

The social program included a smoker in the English Room of the hotel, Friday evening, which proved that when Good Fellows Get Together a good time is had by one and all; and by a Council banquet the following night, at which Judge Howard W. Hughes, of the Common Pleas Court of Washington County (Pennsylvania), was guest speaker.

The following permanent officers, recommended by Worthy Archon Vallery, were installed shortly after the opening of the initial meeting, Friday morning:

W. V. G. P.—Harry Hughes, Pennsylvania Lambda;

W. P. —Walt Shearer, Pennsylvania Alpha;

W. A. G.—Richard Kelting, Ohio Delta;

W. B. G.—Dave Illingworth, Ohio Beta;

W. S. G.—Clark Saylor, Pennsylvania Beta;

W. Hod.—John Conrad, Ohio Epsilon;

W. Phu.—Ernest Hutton, West Virginia Alpha;

W. Hier.—Harry W. Evans, Ohio Alpha.

THE FOURTH DISTRICT COUNCIL

By A. R. MUELLER, Archon

A DEFINITE movement was launched at the Fourth District Council, April 28-30, 1939, to reestablish the ramifications of the Fraternity in the South, where such glorious groups as Virginia Gamma, Delta and Epsilon; South Carolina Alpha; Mississippi Beta; Tennessee Alpha, Beta and Gamma; and Kentucky Alpha are rapidly fading memories. Five delegates were named members of a permanent committee to work out concrete plans for southern extension.

The Fourth District Council was held at Minneapolis, Minn., with Minnesota Beta acting as host, in a most gracious, efficient and interesting manner. Presiding at all the business meetings was Archon Alfred R. Mueller, Illinois Delta, who was re-elected at the closing meeting of the Council. President Charles E. Strickland represented the Executive Council. On hand also was Edward H. Knight, Ind. Gamma '93, of Indianapolis, a veteran of more Grand Arch Councils and District Councils than the average undergraduate can even contemplate. Both were of material help to the Council.

Upon the recommendation of Worthy Archon Mueller, the following were named permanent officers of the Council:

W. V. G. P.—Warren J. Hancock, Minnesota Beta;
W. A. G.—Richard B. DeMars, Indiana Delta;
W. B. G.—Gaston Jones, Mississippi Alpha;
W. S. G.—Harold M. Bondhus, Illinois Beta;
W. P.—William Jernegan, Wisconsin Gamma;
W. Hier.—Bob Daly, Illinois Alpha;
W. Hod.—Giltner Twist, Illinois Delta;
W. Phu.—Don Fisher, Wisconsin Alpha.

Worthy Archon Mueller appointed Dwight Strain, Mississippi Alpha;

Algie Choate, Tennessee Delta; Giltner Twist, Illinois Delta; James Erdmann, Indiana Alpha and Max Freeman, Illinois Beta, members of a Permanent District Extension Committee.

Rev. E. J. Randall, N. Y. Delta '89, of Chicago, who made a great personal hit at the Edgewater Beach Hotel G.A.C. in 1938, was in attendance and told delegates about Hobart College, where the Fraternity was represented, 1881-91, and Phi Phi Delta, a local fraternity at that college, now petitioning for a chapter charter. The Council went on record as favorable towards the Hobart petitioners.

In addition to a spirit of extension, the delegates took back to their chapters the solution keys to a good many maintenance problems, including the adaptability of the cooperative buying plan; the house-mother plan; the pro-rata system with its dual advantages of financing bad accounts and fostering cooperative responsibility. The details of these plans, complete and definitive, can be found in the Council minutes, copies of which have been distributed among all twelve chapters in the District. Some real pointers on student-faculty relationship improvement are contained therein. Pledge captains will find in them, too, a score of tested recipes for giving merited A's on pledge examinations.

But more than merely problems and hints, delegates took back to their chapters something of the spirit of the "stout fellas" who are carrying on at Wisconsin in spite of Alpha's depression tragedy. They are giving lip-service, too, to the Council's call-to-arms of Fourth District men to colonize Wisconsin.

Congratulations are in order to Minnesota Beta, our genial host, on the everything-we-have-is-yours spirit

of their hospitality, and, incidentally, on their baseball playing. The Council watched them trounce Phi Delta Theta at softball to the tune of 19-3. Our Minnesota brothers know the cream of the co-educational crop, according to the emphatic testimony of delegates after their blind-date ex-

periences at the Saturday night formal. The delegates were welcomed at the St. Paul Country Club where approximately 150 Phi Psis congregated for the District Council banquet. A pre-Council smoker served to better acquaint the delegates before the business was at hand.

THE FIFTH DISTRICT COUNCIL

By **RICHARD C. McROBERTS, Past Archon**

AN energetic group of Iowa Alphans gave the initial impulse to the Fifth District Council in the cordial refreshing atmosphere of the Iowa Alpha Chapter house, early Thursday evening, April 13, 1939. Among alumni in attendance were President Charles E. Strickland, Past President H. L. Snyder and Director of Fraternity Education W. R. Tate.

The following morning, twenty-two delegates from eight chapters had their shoulders to the wheel adding momentum to a District Council that will be remembered as a great success. Archon Richard C. McRoberts presided at all business sessions.

The following officers were elected by the Council:

W. V. G. P.—Robert Fowler, Missouri Alpha;
W. P.—Arch Ross Jr., Texas Alpha;
W. A. G.—John Philpott, Colorado Alpha;
W. B. G.—Fred Stiner, Nebraska Alpha;
W. S. G.—William Gray, Kansas Alpha;
W. Hod.—William Wagner, Iowa Beta;
W. Hier.—Richard Hoak, Iowa Alpha;
W. Phu.—Allie Peoples Jr., Oklahoma Alpha.

Archon McRoberts appointed the following as chairmen of the District Council committees:

H. L. (Jack) Snyder, W. Va. Alpha '20, Chairman of the Committee on the State of the District.

W. R. Tate, Kansas Alpha, Committee on Finance.

Arch Ross Jr., Texas Alpha, Committee on Credentials.

William Gray, Kansas Alpha, Committee on the Constitution.

Clark Paul, Iowa Beta, Committee on Fraternity Education and Scholarship.

Larry Winn, Kansas Alpha, Committee on Rushing.

A. V. Peoples Jr., Oklahoma Alpha, Committee on Photograph.

Robert Fowler, Missouri Alpha, Committee on Extension.

Robert Miller, Nebraska Alpha, Committee on Model Initiation.

Richard Hoak, Iowa Alpha, Committee on Place of next D.C.

John Philpott, Colorado Alpha, Committee on Dispatch of Business.

The last mentioned committee composed of members from Colorado Alpha, Missouri Alpha, Iowa Beta and Iowa Alpha synchronized the convention machinery very well. Consequently each chapter delegate was busy, thus providing maximum opportunity for exchange of criticisms, ideas and suggestions . . . the essence of problem solving.

In addition to the discussions concerned with the recommendations of all committees, two meetings were devoted to the following topics: Extracurricular activities, The One Payment Plan, Systematic Summer Rushing, Hell Week Practises, Stimulation of Alumni Interest, Fraternity By-Laws and Freshman Education. The delegates from Colorado Alpha persuasively recommended that outgoing G. P.'s and rushing chairmen should

file with their chapter a record of their experiences while in office, in order to provide future chapter officers with valuable information vital to efficiency in chapter control.

Paramount was the model initiation which was presented by capable delegates and criticized by Brothers Strickland, Tate and Snyder, who gave the correct interpretation of the Fraternity Ritual.

Past President H. L. Snyder, upon receiving news of the death on April 11, 1939, of Dan G. Swannell, a former president of Phi Kappa Psi, offered the following resolution in memory of that devoted and sincere brother:

"Be it resolved that the Fifth District of the Phi Kappa Psi Fraternity record its last tribute to the memory of a great man; that we feel a keen sense of loss in the death of one whose whole life was such that his memory can never be erased from our record; that while it is depressing to reflect that a warm heart has been forever stilled by the cold sickle of the Grim Reaper, it is helpful to remember that his soul lives on, and that his mind, and the impression it made on the Fraternity, will always serve as a stimulative example to those who knew him; that in his passing our Frater-

nity has lost one of its finer gentlemen."

Dominant in the memory of those who attended the District Council is the banquet held at the Jefferson Hotel the evening of April 14, 1939. Excellent speakers, a clever symposiarch, soothing dinner music, tasty food and ravenous appetites made it the outstanding stroke of the host chapter.

Talks were presented by President Charles E. Strickland, Director of Fraternity Education Win Tate, Past President H. L. Snyder, and President of the S.U.I. Alumni Association, Ben Butler, who successively reiterated and exalted in the minds of each and every Brother the cardinal values of the Fraternity.

The Fifth District is deeply indebted to these leaders whose tireless efforts have repeatedly borne fruit throughout the Fraternity.

As the District Council came to a close, Arch Ross Jr., Texas Alpha, was elected to the office of Archon on the first ballot, whereupon the delegates joined in singing "The Eyes of Texas Are Upon You." Brother Ross beamed.

Following adjournment, many of the delegates parted with promises to meet again at Missouri Alpha, the host to the Fifth District in 1941.

THE SIXTH DISTRICT COUNCIL

By GORDON STEPHENS, W. A. G.

SIXTH District Council delegates met in a three-day, bang-up convention April 13-15, at Stanford, Calif. Hospitality was at its highest as G. P. Herbert Sumner and George Jedenoff gave the California Beta chapter house completely over to the men from the Pacific Coast's extremities. Archon William W. Chambreau Jr., Oregon Alpha, conducted the business sessions with his customary efficiency.

In attendance as a representative of the Executive Council was Secretary-

Editor Dab Williams, who had contacted all six chapters in the District in the fortnight preceding the opening of the Council.

Glorious California sunshine poured down on the Stanford campus so that swimming, golfing, hiking, and the like were at an optimum point of utility. No one, not even the eastern representatives, was able to deny the splendor of California weather.

Worthy Archon Chambreau opened the Council by recommending the in-

stallation of the following as permanent officers:

W. V. G. P.—Deputy Archon Coalson C. Morris, California Delta;
W. P.—George Jedenoff, California Beta;
W. A. G.—Gordon Stephens, California Epsilon;
W. B. G.—Fred Hichens, Oregon Alpha;
W. S. G.—Gilmore Kirkman, Washington Alpha;
W. Hod. — Ed Bucklin, California Gamma;
W. Phu.—Bill Simons, California Delta.

JAMES L. MORRIS
able Archon of District VI

After installation ceremonies, Worthy Archon Chambreau appointed the several committees, with the following as chairmen: A. C. (Tom) Platt, Southern California A. A., the State of the District; Major J. A. Habegger, Northern California A. A., the Constitution; Dick Jenson, California Epsilon, Finance; Daniel Mulrine, Washington Alpha, Extension; Coalson Morris, California Delta, Scholarship; John Morrill, California Beta, Photograph.

The following action was taken:
1) The Committee on the State of the

District recommended the memorization of the Ritual and the inspection of The Rose Ceremony as presented by the delegates of California Delta.

2) The Committee on Extension recommended the investigation of the possibilities of Phi Psi founding chapters at Oregon State and Washington State universities.

3) The Committee on the Constitution reminded California Gamma and Oregon Alpha of their duty to post, in their proper places, the amendments to Article XV, Section 7 of the By-Laws as adopted by the 1938 G. A. C.

The closing meeting saw the reading of the reports and the election of the new Archon. It was commented by Major J. A. Habegger that never before had he heard more-finely presented committee reports.

Washington Alpha was handed the honor of contributing the new Archon in the person of Jack Samuelson. From all indications he is going to make a first-rate representative for the Sixth District. (Jacob A. Samuelson, Wash. Alpha '36, was compelled to resign as Archon in September, when he completed plans to enter the graduate school of Massachusetts Institute of Technology. James L. Morris, Calif. Epsilon '37, who has two Phi Psi brothers, Allen A. '32, and Coalson C. '35, both of California Delta, has been appointed Archon of District VI to succeed Brother Samuelson.—Ed.)

On the first night of the Council, G. P. Herbert Sumner directed a smoker with entertainment provided by a Stanford Phi Gam and Zete. Proof that the hand is quicker than the eye was offered in the form of card and handkerchief tricks and a talk explaining the kiss from a social, chemical, economic, and political point of view drew many a chuckle.

On the next night delegates enjoyed a festive banquet. G. P. Sumner presided and Past President Shirley E. Meserve, Calif. Gamma '08, acted as toastmaster. Not only was the food delicious, but the speaker of the evening proved to be extremely effective.

Dean J. Hugh Jackson of the Stanford School of Business spoke on, "Looking Forward."

Brother Meserve introduced to the delegates several Phi Psis from the corners of the United States including Tom Platt of California Delta, Al. Emery of California Beta, Tom Story of California Beta, Major Habeggar of Iowa Alpha, and Andrew A. Leiser Jr. of Pennsylvania Gamma who were only a few of the eminent men in attendance.

As a finale to the smoothly run banquet and a tribute to his brother-in-law, Brother Meserve presented, in the memory of J. A. Whittemore who was graduated from the Stanford chapter in the Class of '11, a full set of officers' regalia and a finely fin-

ished altar cloth to the lads of California Beta. To say that our Brothers at Stanford appreciated the tokens would be putting it mildly.

The last day of the convention was spent in traveling about the Stanford and Berkeley campi and in enjoying the Fair at San Francisco. Representatives of the various chapters then packed bag and baggage and started for their native lands, reluctant to get back in the old study grind.

Thanks are extended to Brother Chambreau for his willing services and to California Beta for their cordial hospitality, and congratulations and good luck to Brother Samuelson as new Archon of the Sixth District. May the next session in 1941 be as successful as that at Palo Alto.

DR. LEVERETT S. LYON ACCEPTS CHICAGO POST

● Past President Leverett S. Lyon, Ill. Beta '10, Executive Vice President of Brookings Institution, has accepted the position of Chief Executive Officer of the Chicago Association of Commerce. The Association believes that the time has arrived when great metropolitan centers like Chicago must give serious and continuous attention to fundamental economic and social problems as well as to industrial and commercial development. Accordingly, the Association has outlined a program involving industrial, economic and social research, the results of which will be put to practical use with the cooperation of other civic agencies. As Chief Executive Officer of the Association, Dr. Lyon will be charged with responsibility for the initiation, development, and application of this program, as well as the regular work of the Association.

The Executive Committee of the Institution has expressed the hope that Brother Lyon will some time return to the Institution, and as an indication of this hope have granted him an indefinite leave of absence.

UZ McMURTRIE NAMED UNIVERSITY TRUSTEE

● Uz McMurtrie, Ind. Beta '02, widely known Indianapolis business man, on October 6th was chosen by the State Board of Education of Indiana to be a trustee of Indiana University to serve the unexpired term of Albert Raab, deceased.

McMurtrie is among the most prominent Indiana U. alumni and Phi Psis in Indiana, and is the first Phi Psi to be elected or appointed to the Board of Trustees of the state university in recent years.

McMurtrie has kept alive his interest in his alma mater ever since graduation. He has served two terms as president of the Indiana University Alumni Association. With Mr. Raab, Mr. McMurtrie was one of the founders of the Indiana University Foundation, an educational and holding corporation, and is one of the present directors of that organization.

He served two terms as treasurer of Grant County and two terms as State Treasurer of Indiana. He is the father of William H. McMurtrie, N. H. Alpha '35, associated with the Columbia Broadcasting System in Los Angeles, Calif.

ANSWER SUMMONS OF ALMIGHTY ARCHON

J. H. R. ROBERTS

JOHAN H. R. ROBERTS, Pa. Gamma '10, exceedingly active in the affairs of the Fraternity the last quarter century, died August 3rd, 1939, in Philadelphia. He was a member of S. C., with a Grand Arch Council attendance record of eleven, which began while he was an undergraduate. He was past president of the Philadelphia Alumni Association.

His wife, Ann Gring Roberts, and their daughter, Miss Marjorie, both of whom survive, are known to many members of the Fraternity, having attended numerous Phi Psi functions with Brother Roberts. Jack Roberts always was drafted for service on the more important G. A. C. committees. His convictions were backed by a rare courage and a fighting heart, both of which endeared him to an unusually large host of admiring friends.

Brother Roberts was born May 26th, 1888. He attended Philadelphia

schools and Albright College before entering Bucknell University. He was admitted to the bar in 1928. During recent years he was a director and vice president of the Pennsylvania Indemnity Co., with offices in Philadelphia. During World War I, he was a first lieutenant in the ordnance department.

DR. JAMES HENRY MORGAN, Pa. Zeta '74, three times president of Dickinson College, died October 17th, 1939, at Carlisle, Pa. All Dickinsonians knew and loved Dr. Morgan as an educator, a scholar, a wise counselor and a true friend.

DR. JAMES HENRY MORGAN

Dr. Morgan first became president of the College in 1915. He served with distinction until 1928. In 1931 and again in 1933, he was recalled to the presidency. During his first term, Dr. Morgan wiped out an indebtedness of

INDIANA BETA'S SCHOLARSHIP RECOVERY

TRACED TO SELECTIVITY ON GRADE BASIS

By HOWARD L. HAMILTON, Scholarship Director

WHEN the scholastic record of Indiana Beta fell below the all-men's average of Indiana University for the first time in 1937-38, the Chapter and its advisors decided to do something about it! It would be imprudent, it was agreed, to await a prolonged period of unsatisfactory standing before attempting to regain the long and well-established position of high scholarship on the campus. *The Shield* for January, 1937, offered a graph showing this splendid record over a period of years. The chapter stood second in twenty on the Indiana campus in 1935-36; the next year it stood fourth in twenty. Then came the drop in scholarship interest which put the chapter in the position of twelfth in nineteen, the lowest point in its history.

Instead of trying to rationalize the situation, the chapter decided to make improvements in the place where the benefits would be the most lasting, viz., in the next pledge class. The results were delightfully surprising. The excerpts from a letter received from Brother Croan Greenough, assistant to the president, Indiana University, explain the methods used and the results obtained:

"The fine record made by the freshmen of Indiana Beta during the past school year can be traced directly to one factor. The rush committee last summer checked carefully with high school principals, found each rushee's high school scholastic record, and made this information available to the chapter in pledging. As a general rule, no person was pledged who stood below the half-way mark in high school scholarship.

"The chapter made this move after analyzing carefully the results of the previous year's pledging, when high school grades were not taken into ac-

count and when over half the class was lost through scholastic difficulty.

"The effectiveness of this measure is seen by the fact that twenty-one members of a class of twenty-four were initiated; ten members maintained over a B average; three members were initiated into Phi Eta Sigma; and the class won the University freshman scholarship cup. The twenty-one initiated members had a total of 84 hours of A; 128 hours of B; 112 of C; 3 of D, and none of F. It is not much of an exaggeration to say that the class the year before, pledged without regard to high school performance, had grades just the opposite of the above. The members of the class who were initiated, however, have been a fine addition to the house.

"Of the three pledges who did not make their grades for initiation during the first semester, one made them the second semester; another made above the requirements set by the University but below the requirements of Indiana Beta, and the third alone failed to make his grades.

"The chapter rush committee is carrying out the same procedure this year. The chapter is convinced that high school scholarship is a valid, though, of course, not infallible, indication of probable college performance.

"There were other contributing factors, of course, such as strict study hours during parts of the day, and disciplinary measures developed entirely without the paddle in any form."

Some of the contributing factors were alumni members of the faculty who gave time and energy and valuable advice. In addition to Croan Greenough, John E. Stempel, head of the Department of Journalism, and

JOE CONLON AND HUGH TREMAINE WIN \$500 PHILIP MORRIS SCHOLARSHIP AWARD

THE winners of the Phi Kappa Psi \$500 scholarship award for 1938-39, open to all juniors and sponsored by Philip Morris & Co., Ltd., Inc., New York, N. Y., American manufacturer of cigarets, are:

**Joseph Paul Conlon, Pa. Gamma '39,
of Miners Falls, Pa., and**

**Hugh Stewart Tremaine, Wash. Alpha '37,
of Spokane, Wash.**

Each will receive \$250 from the Fraternity, through a fund provided by Philip Morris & Co. which recently notified Treasurer Harry S. Gorgas that the \$500 award has been renewed for the current academic year, 1939-40. To Conlon and Tremaine go the congratulations of their Fraternity, their families and their universities. To Philip Morris & Co. go the thanks and appreciation of the Phi Kappa Psi Fraternity.

Members of the Fraternity award committee, Past President Leverett S. Lyon, Lester S. Kellogg and Scholarship Director Howard L. Hamilton, divided the Fraternity into two groups, the first including the twenty-six chapters in Districts I, II and III, and the second the twenty-six chapters in Districts IV, V and VI.

Prospective candidates were notified, through a series of letters addressed by the committee to each chapter, that awards of \$250 each would go to the two juniors in the two groups whose scholarship records showed the greatest improvement, on a weighted ratio basis, over the previous academic year. The contest for 1939-40 will be conducted on a similar

basis which gives every junior in the Fraternity an equal opportunity to win the award. It is hoped that the contest will attract every chapter this year.

On a weighted ratio basis of competition, Joseph Conlon's transcript reflected an improvement of 178 points, and that of Hugh Tremaine, 125.33 points. Only thirty-three juniors, representing twenty-two (less than 50 per cent) of our chapters entered the 1938-39 contest. They are: Arnold T. Olena, Mass. Alpha; Robert Wetherill III, N. Y. Alpha; Richard W. Cooney, N. Y. Beta; Harry E. Maynard, N. Y. Epsilon; Joseph A. Reid Jr., Pa. Gamma; Joseph P. Conlon, Pa. Gamma; Frederick C. Hamilton, Pa. Epsilon; Katsuhiko Kono, Pa. Epsilon; Frank C. Pope, Pa. Eta; Frederick R. Wint, Pa. Eta; Homer D. Jones Jr., Va. Beta; Everitt A. Carter, N. C. Alpha; William L. Arthur, Pa. Alpha; Walter M. Shearer, Pa. Alpha; Bartlett S. Archer, Pa. Alpha; Charles C. Liggett, Pa. Beta; Robert A. Sherman, Pa. Eta; Richard C. Bittenbender, Ohio Beta; Lawrence L. Law, Ohio Beta; John H. Gardiner, Ohio Delta; Ross Williams, Ohio Delta; William L. Rau, Ohio Epsilon; John S. Sprenger, Ill. Alpha; Chester Wetmore, Ill. Alpha; Walter Young, Ill. Beta; Alfred R. Mueller, Ill. Delta; Gaston C. Jones, Miss. Alpha; Carl D. Strain, Miss. Alpha; Edward N. DeGroot, Wis. Alpha; Warren F. Wilhelm, Wis. Gamma; Hugh S. Tremaine, Wash. Alpha; Marsh E. Hoffman, Ore. Alpha.

Thomas A. Cookson, University Registrar, and James J. Robinson, director of the Indiana University of Criminal Law and Criminology, were very active. In the chapter, Joseph B. Davis and John H. Brown supplied much of the motive power

needed to establish the healthful attitude towards scholarship which helped so much in achieving scholastic success.

Needless to say, morals can be drawn from all this and there is nothing to prevent other chapters from following such a good example.

THE NINETEEN-FORTY GRAND ARCH COUNCIL

THE MOORE AND LETTERMAN boys are going back to the New York-Philadelphia sector next June to hold their Forty-first Grand Arch Council. They haven't convened nationally in New York City since 1894, when 164 loyal sons met at the Hotel Savoy to hear President William Clayton Wilson, largely responsible for our present form of government, bring the first meeting to order, to see the sights of the Big City, to lay the groundwork for extension in the East, to outlaw all forms of horseplay in connection with initiations, to talk (but do nothing) about adopting a Phi Psi hand clasp for women and to start the late great Walter Lisle McCorkle on what proved to be a four-year term as president. He was the only man to serve the Fraternity as president more than one term. William Mowry Thatcher, Kans. Alpha '80, a small town newspaper editor who later made good as a lawyer in New York, was S. W. G. P. of the first and last G. A. C. to be held in the nation's largest city. It was Edward H. Knight's first G. A. C., but not his last. He hasn't missed one in forty-five years.

Clara wore our colors in '98

● Four years later, April 13-17, 1898, when William Randolph Hearst was wildly excited about our war with Spain, the Phi Psi boys met at Philadelphia in the Aldine Hotel, a famous family hostelry, for what proved to be the "biggest and best" convention in the annals of the Fraternity up to that time. Attendance: 268. Also in convention assembled in the City of Brotherly Love were members of Chi Psi, another great old-line Greek-letter organization.

The twentieth G. A. C. at Philadelphia, the second* and last to be held in that city, was a notable one.

*The first was in 1876, with Andrew Albright Leiser as S. W. G. P.—Ed.

President Walter Lisle McCorkle had the pleasure of introducing the late William Cameron Sproul, Pa. Kappa '89, as S. W. G. P. A state senator at that time, his mind was on the sinking of the Battleship Maine and the situation in Cuba; as governor of Pennsylvania during World War I, his war-worries were increased immeasurably. His son, John R. Sproul, Pa. Kappa '13, Archon of District II, 1916-17, was among the hundreds of young Phi Psis to serve in France.

Symposiarch at the banquet was the late A. Mitchell Palmer, Pa. Kappa '89, Attorney General of the United States under Woodrow Wilson, Va. Alpha '79, war-time President. Robert Lowry, the Grand Old Man of Phi Kappa Psi, was one of the banquet speakers. The Phi Kappa Psi Burial Ritual, written by Henry T. Scudder, N. Y. Gamma '73, was adopted. Billy Wilson's original Constitution was dressed up a bit by a committee headed by Henry Pegram who was to become the Fraternity's first Attorney General. A membership certificate, still in use, was adopted. And the debt on the Grand Catalogue was paid off! Most of the G. A. C'ers saw Clara Lipman in *The Telephone Girl* at the Walnut Street Theater. Clara received a couple of beautiful bouquets from the Phi Psi *beau brummels*. All female members of the cast wore the colors of the Fraternity. Such recognition was not uncommon during the Gay Nineties.

NEW HAMPSHIRE ALPHA

Dartmouth College

● New Hampshire Alpha turned its every thought to rushing the first week, and, at the expense of a few lost assignments, brought in a delegation of twenty-one outstanding sophomores, who are: Chet Jones, a member of the freshman basketball and baseball teams; Bob Gorman, a member of the freshman football team who also set an indoor record for the broad jump as a member of the freshman track team; John de la Montagne, a numeral man in skating; Lowell Peterson and Ben Paige, heelers in the D. C. A. C. managerial competition; Bill Donovan, a member of the freshman track team; John Storrs, member of the '42 football and swimming teams; Charlie Kingsley, Jack Chandler, and Bill Scott, all members of the band (Scott was also a member of the track team); Bob Dewey, a basketball and baseball player, and a member of the Vigilantes Committee; Dick Bolton, a member of the swimming team; Dick Higgins, a member of the swimming and tennis teams and now playing J. V. football; Paul Torian, a member of the freshman basketball team; Diet Lamade, captain of the freshman gym team and a member of the *Dartmouth* business competition; Bud Maynard; Jim Doerr; George Liskow, member of the freshman swimming and soccer teams and a Vigilante; Ted Schoonbeck, a member of the freshman basketball and golf teams and a Vigilante; Bate Ewart, a member of the Glee Club and a member of the *Dartmouth Business* board; and Jim Thomison.

The sophomores do not have all the honors in the house by a long shot. Five brothers are members of Paleopitus, the senior governing body and highest student office on campus. They are: G. P. Dave

Davenport, who is also president of the Interfraternity Council; Elmer Browne, president of the Dartmouth Outing Club; Scott Rogers, senior hockey manager; Eb Cockley, senior swimming manager and Don Fox, who is top man in the Forensic Union and president of Paleopitus.

New Hampshire Alpha is off to a good start and wishes the other chapters of Phi Kappa Psi good luck for the coming year.

MASSACHUSETTS ALPHA

Amherst College

● Starting with hopes for maintaining the high position which previous delegations have won for Mass. Alpha on the Amherst campus, the house looks forward to a big year for Phi Psi. The rushing season under the able leadership of Joe Fall, aided by Bob Stark, brought in one of the finest bunches of freshmen pledges in recent years.

The additions: John F. Andrews, Walpole, Mass.; Paul O. Avery, Charlemont, Mass.; Randolph Doty, Torrington, Conn.; John W. Eckley, Amherst, Mass.; John C. Goodridge, Bristol, Conn.; Franklin O. Houghton, Waban, Mass.; Ernest A. Holthausen Jr., Lebanon, N. J.; Walter F. McNiff, Amherst, Mass.; Alexis P. Nason, New Haven, Conn.; Donald S. Pratt, New York City; Robert Reid and William R. Richard Jr., Brooklyn, N. Y.

But the real news comes in the surprise pledging of Dr. James T. Cleland, popular professor of religion. A bid extended four years ago by the senior delegation of 1936, was accepted at the pledge banquet, when, in the middle of an hilarious speech, he an-

• (With a minimum of trumpet fanfare we point with pride to this—the twenty-fifth consecutive issue of *The Shield* to offer newsletters from each of our chapters, a record which extends over six years,—1300 newsletters without a miss!) •

nounced his intention of embarrassing his hosts and calling our hand. Phi Psi is the envy of the other fraternities, for Dr. Cleland is one of the best-liked men on the faculty.

Looking forward, the house is as usual high in rank in activities and athletics. Although our scholastic average is still not what it should be, the brothers have shown an improvement over last year, and Phi Psi is not far down the list. Bob Barnes has been elected to Scarab, the highest honorary society in college, and is the vice president of the Student Council. Jim Ozanne and Denny Collins have won two of the most important managerial positions, baseball and track, respectively. Harry Trautman is the business manager of the *Student* with Fred Stafford, Bob Bravo, Randy Gilman, and Doug Twentyman on his board.

In the Amherst Press we have representatives in Dave Wilkinson and Fred Stafford, and Mass. Alpha sends a contingent of eleven to the Glee Club. With Denny Collins and Bill Marberger on the football team, and Arnie Olena, Dick Ward, and Bill Redeker out for soccer, Phi Psi is well represented on the field of sport, and even the freshmen are following along, with six, Richard, Reid, Andrews, and Holthausen out for soccer, and Bates, and Doty for football.

At home the reconstruction after the hurricane of last year goes into its last stage. The loss of the trees in back of the house had made relandscaping the entire section necessary and this was done during the summer. The driveway has been moved so that the entrance is more to the rear and the parking space has been enlarged. Now, after the lawn has grown up where the old driveway was, the brothers are taking up as a project the building of a new sidewalk in back to match the one in front, and are working vigorously. The grounds have fully recovered from the destruction of last September and the property looks better than ever.

Mass. Alpha is glad to face a new year. We look back with pride at the record of the chapter in the last decades, but still expect to go up, not down. With a fine new freshman delegation, a rejuvenated house, and a top position already won on the Amherst campus, we are more optimistic than ever.

The initiation banquet comes on November 10th. The house hopes for a large number of returning alumni.

RHODE ISLAND ALPHA

Brown University

● Rhode Island Alpha returned this year with an almost unprecedented low mortality rate. We lost only two members, one by transfer and the other by lack of finances. The returning undergraduates found many needed repairs, additions, and alterations to the property, including a remodeled porch and redecorated living room.

Phi Psis are unusually active on the campus. In the opening football game with Rhode Island State, three Phi Psis, Bones Stepczyk, Lou Deusing, and Charlie Blount, made four out of the five touchdowns. Person, Stepczyk, Deusing, and Palmer were elected to Brown Key, junior honorary. Dick Struble and Phil Knesal were elected to the Cammarian Club, senior governing body. George Palmer has been appointed assistant basketball manager, John Brigleb basketball manager, and Dick Struble manager of football. Robert M. Smith was elected president of the Owl and Ring Society, and Sam Anderson was named secretary of the Interfraternity Governing Board.

Phi Psi placed second in eighteen in the intramural competitions for 1938-39.

We have the pleasure of announcing the pledging of Francis Gilbane '42, of Providence, R. I.

The following were elected last May: Charlie Blount, G. P.; Dick Uhle, V. G. P.; Bob I. Smith, B. G.; Phil Porter, A. G.; Hugh Gibson, S. G.; Lloyd Ohlin, Phu.; Stan Hanse, Hi.; Jim Lukens, Hod.

Rushing is off to a vigorous start under Sam Anderson, last year's rushing chairman. Sam will appreciate the names of any prospects you may give him. Under I. G. B. regulations we can take only fifteen and we are determined that these shall be among the best on the campus.

NEW YORK ALPHA

Cornell University

● New York Alpha extends a hearty greeting to Phi Psis everywhere, and hopes that each chapter will have a most successful year, internally and externally.

Upon our return we were pleasantly surprised to find that the house had undergone some needed repairs during the summer. New floors were laid in the dining rooms, and three luxurious rugs on the hall space.

In the library there has been added some new lamps, thanks to the generosity of Bob Wetherill '40. A new tin roof has replaced the perforated arrangement, which was supposedly sheltering the senior dining room.

To date we have pledged these thirteen, all A-1: Alfred Bobst, Schenectady, N. Y.; William Bucher, Summit, N. J.; Robert Crocker, Cortland, N. Y.; Robert Dinegar, New York City; Albert Egger, Maplewood, N. J.; John Furrow, Guthrie, Okla.; John German, Pittsburgh, Pa.; John Hersey, Shaker Heights, O.; Cleaveland Judd, Erie, Pa.; John Routh, Rockville Centre, N. Y.; David Taylor, Plainfield, N. J.; Clinton Thomas, Cleveland, O.; Trevor Wright, Coatesville, Pa. We still have room for a few more, and so will be making contacts for a while.

Bob Wetherill, rushing chairman, wishes to thank every Phi Psi who contributed some prospect or similar aid to our rushing campaign. Our results prove how effective contributions can be.

Our scholastic standing for the past year improved considerably. As indicated on the "Scholastic Standing of Fraternities" list issued early this fall, we climbed up to a ranking twelve houses higher than our previous standing.

Particularly active in outside activities are Al Kelley, regular left end on the Big Red team, and a prospective All-America; G. P. Bill Dixon, who is capably managing the soccer team; six who are out for fall crew practise; Phil Astry and Walt Gamble who are competing for places on the 150-lb. football team, and Doc Springer and Hugh Stevenson playing polo.

Many have become interested in flying, principally because we have two boys who already have earned their solo licenses.

We are glad to have with us Bill Kleppinger, Illinois Delta, who is enrolled as a sophomore in the arts college. Bill wishes to say hello to all fellow Deltans.

Our Homecoming week-end is scheduled for November 4th, when we play Columbia. We hope to make this a successful affair by having as many alumni and their friends back as possible.

NEW YORK BETA Syracuse University

● Starting off with the pledging of a freshman class of twenty-three, largest delegation on the campus, Syracuse Beta inaugurated

a program which includes the winning of the new intramural trophy, six managerships, high scholarship rating, and good fellowship with all the brothers in our various chapters throughout the country.

In our ambitious undertaking we are supported by our entire membership. John O'Byrne, president of the Orange Key Society, junior honorary, is bringing recognition to his chapter as a member of the business staff of the *Daily Orange*, and as assistant manager of the basketball team.

First social event will be the annual pledge dance November 4th at the Sedgwick Farm country club. In sports our house soccer team won its first game over the Sigma Alpha Epsilons 1-0 and the football eleven defeated Phi Delta Theta 25-0. Last year we won the all-around intramural trophy permanently. It is now resting in the new trophy case donated by the Phi Psi Mothers club of Syracuse.

Members of the freshman class who began their pledge training last week under Dick Cooney, V. G. P. are: Robert Atmore, Kenmore, N. Y.; John Bisgrove, Marcy, N. Y.; Stephen Garahan, Schenectady, N. Y.; James Gilroy, Utica, N. Y.; James Griffin, Albany, N. Y.; John MacIver, Newtonville, Mass.; Donald Phelps, Rockville Center, N. Y.; John Potter, Poughkeepsie, N. Y.; Homer Smith, Skaneateles, N. Y.; John Vandewater, Woodhaven, L. I.; Donald Cobb, George Connor, Joseph Dixon, Thomas Farmer, Norman Gouldin, Walter Iles, David Jones, Logan Love, John Lynch, Donald Martin, Jack O'Connor, Richard Wiles, and Bruce Wright, all of Syracuse. William Westover, junior, of Syracuse, was also pledged.

Gene Hopkins, sophomore, is playing stellar ball in the backfield for Coach Ossie Solem's gridiron forces. Rated as the finest back possibility in recent years, Hopkins is certain of wide acclaim. Jack Hinkle, regular back ace, is finishing his football career as chief blocker and defense man in the backfield for the Orange and Blue.

Officers for this semester are: Robert Gouldin, G. P.; Richard Cooney, V. G. P.; Donald Clark, B. G.; and William Fiske, P. Syracuse, N. Y.

NEW YORK GAMMA Columbia University

● New York Gamma, basing hopes for a banner year upon the renewed spirit of the twenty-five returning actives and the addition of two new brothers, and two pledges

acquired last May, looks ahead with great expectations to the new school year. We feel that Joseph Brady, manager of the freshman swimming team, and Louis Cartwright, vice president of the sophomore class, will make excellent Phi Psis. Our new pledges, both upperclassmen, are Jim Cronenberg, honor scholarship man from El Paso, Texas, and Justin McIntyre, varsity football tackle from La Grange, Ill.

Officers, chosen in the spring election, are: G. P., George Ambrose; V. G. P., Bill Johnston; Hod., Don Janelli; B. G., Walt Waite; Heir., Dick Howe; Phu., Rod Reeder; A. G., Jim Shanley. Bob Loy has returned from the University of Paris after a one year transfer scholarship, and has thus far not only aided many brothers with their French, but has also entertained and enlightened us concerning current occurrences in Europe.

In keeping with Gamma's reputation as a go-getter we have many active in school affairs. G. P. George Ambrose, intramural wrestling champ at 145 lbs., teams with your correspondent as tumblers on the cheerleading squad. Jack Beaudouin, last year's A. G., is in line for editorship of our daily, *The Columbia Spectator*. John Montgomery, varsity freestyler, Jim Shanley, varsity diver, and Dick Howe, valuable freshman freestyler from last year's team, are representing Phi Psi on the swimming team. Pledge Art Wellington appears to have won a position on this year's cross-country team, and Chuck Webster is Gamma's representative on the crew.

Tom Clark, now in Columbia Med. School, and George Rogers are new co-managers of Varsity Show, Columbia's venture into the realm of dramatics. Dick Howe was one of fifteen sophomores elected to the Van Arman Society, while politicians Jim Shanley and Lou Cartwright were elected to class officerships in last spring's elections.

Scholastically, Phi Psi showed her strength when three Gammans were included in the first selection of new students in the College of Physicians and Surgeons. Landing three of the twelve appointments. Justin Callahan, Tom Clark and Willard Faihling brought an honor to Phi Psi seldom claimed by any house on the Columbia campus.

Last year's G. P.'s, McManus and Huey, returned from an extensive trip in the West, and report among other things of great interest, that the cordiality extended by California Delta was a highlight that helped make the trip a huge success.

We were happy to have several out-of-town brothers stay with us while in New York

visiting the Fair this past summer, and we take this opportunity to say that the door is open to those planning to be in the Big City this year.

● New York Epsilon opened the school year with high hopes that the strong pledge delegation of nineteen who joined us last spring will help keep the Phi Psi house at Colgate one of the leading groups on the campus.

The nineteen pledges are: Jack Allen, Snyder, N. Y.; John Crocker, Hank Murphy and Bill Worden, Brooklyn, N. Y.; Charlie Engasser, Eggertsville, N. Y.; Dave Hennigar, Kenmore, N. The Red Raiders opened their football season on the new athletic field against a strong N. Y. U. team with Trey Coley seeing regular service at the signal call position. Dave Hennigar is also doing some fine work for Coach Kerr and hopes to break into the regular lineup before the season is over.

Bob Sherman is one of the outstanding players on the varsity soccer team, scoring more than half of the goals for Colgate's current undefeated team. *The Banter* has four sophomores with Ted Fisher and Jim Mortimer scrubbing the editorial board and Lou Rich and Rufus Perkins, the business board.

Phi Psis are making a strong bid for intramural golf championship. Of the sixteen qualifiers seven are Phi Psis. Low medalist honor went to Pledge Perkins.

Chuck Light is manager of freshman football and hockey. Doug Lamb is manager of track and swimming. He is also president of the Pan-Hellenic Council. Will Perlee is expected to lead the debate team through another successful year. He is also manager of debate and editor of the *Colgate Handbook*. G. P. Newcomb is president of the Student Association and president of the Student Senate. These four were elected

members of the Konosioni, senior honorary society.

Karl Mayers is associate editor of the *Salmagundi*, assistant manager of soccer and track, and a member of the Maroon Key Club, a junior honorary society.

Next week, October 14th, we honor the

alumni in connection with Colgate Alumni Day. On that day the football team plays Brown University and we hope to have many Rhode Island Alphans as our guests.

● With rush week over, Penn. Gamma is looking forward to a great year, having replenished its ranks with these thirteen outstanding pledges from the class of 1943: Daniel Reinhardsen, Mt. Vernon, N. Y.; Thomas Burns, Harrisburg, Pa.; Albert Hoopes, West Chester, Pa.; Stewart Whitam, Langhorne, Pa.; Herbert Schubert, Fort Wadsworth, Staten Island, N. Y.; Edward Deifenbach, Collingswood, N. J.; William Robinhold, Birdsboro, Pa.; John Wickerham and Earle Wickerham, Wilkesburg, Pa.; Clinton Cowles, Floral Park, Long Island, N. Y., and Edward Dadson '42, Sea Cliff, Long Island, N. Y.

Three initiates entered the secret portals October 3rd, after a formal dinner which started the ceremony. They are: Conrad Graham '41, George Egan '42, and Herbert Heaney '42.

Plans are completed for the annual Pledge Dance, October 14th.

Throughout last year, this chapter climbed steadily in its ranking in all campus activities, and 1939-40 is certain to show Penn. Gamma on the top of the fraternity heap. Strong in athletics, Penn. Gamma captured the scholastic prize for the past semester by having the highest average of the national fraternities on the campus. While the average for the chapter was 75.42, the nearest runner-up among the leading nationals was 72.90.

No one in the active chapter was unable to return to Bucknell, and every freshman in the past year's pledge class of twenty-three successfully made the required grade and was eligible for initiation.

Joseph Donnelly '39, and James Ramsay '38, have returned to study for their Master's Degree in English and History, respectively.

Robert Gunter '39, John Stevens, ex-'40, Howard Scott '39, Frederick Yohn '39 and Frederick Campman '39, returned last week to help Phi Psi during rushing.

Joseph Quick '38, and Mary Bachman '38, were married in August. Joe was a varsity soccer player for the Orange and Blue, while Mary was prominent in social affairs on the campus. We wish them success and happiness, always!

Charles Laubacher '38, past G. P., has resigned as manager of the Lewisburg Hotel and has taken up political work in the State Capitol, Harrisburg.

● Now that the height of the open season has passed, Penn. Epsilon is happy to report the following ten wearers of the pin: Robert Weaver, sophomore; G. Thomas Miller, son of Dr. George (Boley) Miller, Pa. E. '19 and Samuel Daley, all of Gettysburg; Henry Bowman and Horace Wolf, Harrisburg; Byron Miller, Altoona, Pa., (nephew of the Rev. Chester Simonton, Pa. E. Other prospects are good. In sports Penn. Epsilon occupies a prominent place at G-burg. On the varsity football squad are Al Hill, Hank Burman, Joe Bratten, Al McCleneghan, Fred Hamilton, and Bob Flinchbaugh. On the varsity are Pledge Brothers Bill Emanuel and Joe Stock.

In fields of endeavour other than athletic, the representation from the chapter is large. Fred Hamilton is president of the Student Council and Bob Flinchbaugh is president of the senior class. In the sophomore class Gale Flinchbaugh is president. The legislative members of the house are Kats Kono, on the Tribunal, and Bull Stoner and Kent Gilbert, on the Interfraternity Council. The

scribes in the chapter are also active in the sports department of the *Gettysburgian*. They are George Hanawalt, Jarvis Shaffer, and Kent Gilbert, who is the editor.

Social events of the year started off with the pledge dance, Saturday, October 7th. The affair was well handled by Boyson, chairman of the social committee.

Many alumni will be glad to hear that Warren B. Gilbert, Pa. E. '36, is back at the house pursuing studies which will lead to graduate work.

The additions to the house are now in full progress. A powder-room for the convenience of feminine guests and a sun-porch are being erected.

Penn. Epsilon is proud to report that its scholarship rating on the campus is definitely on the upswing with prospects even brighter for the future.

Brothers at G-burg hope to see Brothers, both old and new, at Homecoming, November 4th.

● Rushing is over and Penn. Zeta has emerged successfully. A total of seventeen were pledged. The ceremony took place on Tuesday evening, October 3rd. An occurrence that was most gratifying to the actives was the fact that a number of prominent alumni were present. Those pledged are: John Esaias '41, Baltimore, Md.; Frederick T. Cadmus III, Pottstown, Pa.; Frederick H. Dautel, E. Harvey Lenderman and Edward L. Rice Jr., Wilmington, Del.; Edward M. Griffith, Wilkes Barre, Pa.; Perrin C. Hamilton, Philadelphia, Pa.; Larry Houck and Norman R. Olewiler, York, Pa.; Horace L. Jacobs III, Orlando, Fla.; Samuel F. Melcher, Montclair, N. J.; Alan B. Miller, Oxford, Pa.; Walter H. Marshall, Collingswood, N. J.; Val D. Sheaffer Jr., Carlisle, Pa.; Wellford H. Ware, Woodbury, N. J.; A. Jackson Warner, Aberdeen, Md.; James Kent, Bangor, Pa.

We owe our successful season largely to our able rushing chairman, C. Blair Kerchner.

Ken Tyson, Russel Tyson, John I. Jones and Don Williams are supporting our interests on the gridiron. John Esaias and Bill Gunter are playing varsity soccer. With the support of the Frosh, we intend to capture the intramural cups not already in our pos-

session. Ken Tyson and Howard Williams were elected members of the Raven's Claw, senior honorary. Howard Williams was elected to Omicron Delta Kappa. John I. Jones was honored by membership to the junior organization, Skull and Key.

Our officers are: Cortland Pusey, G. P.; Kenneth Tyson, V. G. P.; John I. Jones, P.; Harry W. Speidel, B. G.

We are now turning our efforts towards keeping Phi Psi on the top of the heap at Dickinson.

PENNSYLVANIA ETA

Franklin and Marshall College

● Rushing has been deferred a week, so it is impossible to present a list of freshman pledges. However, Pennsylvania Eta is proud to announce the pledging of Robert Walters, Mannheim, Pa., who transferred from Catawba. Back with us are Bob Todd, of Carlisle, and Sammy La Torre, both pledges. Sammy should be 135-pound varsity wrestler this year.

Spring elections resulted in Jack Davenport becoming G. P. Other officers are: V. G. P., Milt Eby; P., Walter Boyce; A. G., Bob Butler; B. G., Larry Knier; Hod., Rufus Wint; Hier., Horace Stevens; S. G., Waldo Vail, and Phu., Bob Haveron.

Rufus Wint was elected vice-prexy of the senior class. Steed was taken into the Post Prandial Society. Dick Wissler won both the Junior Oratorical and the Diagneothen Literary Society Oratorical Contests. Anderson and Wissler are active in the Green Room Club. Andy's the *present* stage manager. Wint completed a successful year by becoming football manager and by being elected to Blue Key.

Steed, Ross Bridenbaugh, and Cibere received letters in track. Wint, Farkas, and Knier, came through to give us another trophy in intramural wrestling. Farkas and Wint took first places and Knier a third to give the team second place.

We regret that Giffy Bridenbaugh couldn't return this year because of the death of his father.

Bob Hobbins is to be married this month. He is not in school. Somewhere east of the Mississippi should be Prince Henry Berlin of Haiti, no longer with us.

Of the graduating class, Wagner and Cibere are teaching. Zinkham is taking post-graduate work at Dartmouth. Jim Davis is

at Hahnemann Med School in Philadelphia. Laddie Holman and Hackman landed good positions. Joe Myers is the accountant at the local Y. M. C. A. cafeteria, visits us every day, and has been of great aid in rushing.

Jim Perrine, Rhode Island Alpha, is with us. Jim's a swell golfer, and should be on the college team this spring.

PENNSYLVANIA THETA

Lafayette College

● Looking forward to an outstanding year, Pennsylvania Theta returned to Lafayette, full of the old-time pep. Mason Parke is back in school. We miss Neil Sherman and Long Carl Ettlinger in addition to last year's senior class. Rumor has it that Pledge Brother Sherman succumbed to that little rascal, the love bug.

Officers elected last May for this semester are: G. P., John West; V. G. P., Allan Slocum; A. G., John G. Hamilton; S. G., William Budke; Phu., Howard Hufford; P., Henry Cox; B. G., William Sloan; Hod., Robert Stuhler; Hier., Paul B. Heisey.

For the past week the campus has been tense with the excitement of rushing. Two more days are left before the silence period, and tomorrow a trip to the Lafayette-Penn game in Philadelphia has been arranged with some of the outstanding freshmen as guests of the house. Rushing Chairman John West is handling the assignment efficiently, and all are looking forward to what we are sure will be excellent results.

Archie Sparks is president of the Student Council and Pledge Brother Johnson is a sophomore member.

Sparks is president and Henry Cox secretary of K. R. T., senior honorary.

Jake Quinn and Jack Hamilton are Maroon Key members.

Henny Cox is treasurer and Jack Hamilton a member of the Interfraternity Council.

Pledge Brother Quinn is doing a good job as one of the new cheerleaders.

The house is well represented in varsity athletics with Hunter Jaggard starring at guard on the football team. Bill Sloan, is one of the sophomore managers. In addition to his other activities, Archie Sparks is captaining the cross-country team. Candybone Heisey is taking a crack at soccer. Out for 150-lb. football are Otto Alden, Bud Ellis, Jack Quinn, and Steele Sellers. The swim-

ming team has begun its daily outdoor workouts with Hamilton wearing himself away.

Five Thetans are singing in the college choir, with a hold on the second tenor section.

In chapel today, we received the Intramural Athletic Trophy for last year (the second straight). Several stars were lost last June, and filling their shoes is no easy job. However, the general outlook is not so bad and, as usual, we'll enter a fighting team in every intramural sport.

PENNSYLVANIA IOTA

University of Pennsylvania

● One swallow may not make a spring, but, practically speaking, the first football game opens our college year at Pennsylvania; once again, on the occasion of the Penn-Lafayette tussle, the first game this fall, we see Fraternity Row break out its bunting and show in effulgence rare. Yes, once again the sons of the Cardinal and Green turn to things academic.

In welcoming Bill Adamson and R. B. Fox, transfer students, the former initiated into Penn. Alpha and the latter into Penn. Zeta, Penn. Iota is fortunate. Also we are seeing quite a bit of Brothers Gilmore, Heilbraun and Pope, each of whom is doing graduate work at Penn.

Undoubtedly, each of us loves a parade; moreover, each of us, secretly yearns to lead a parade. This thrill came to the members of the chapter, vicariously, between halves of the Penn-Lafayette game, when we saw Austin Frick, decked in shako and gaudy coat, swing out ahead of one-hundred Pennsylvania bandmen.

Intramural activities will occupy us soon; football and badminton, handball and volleyball are to be supported this fall. The varsity track team seems to practise incessantly. Certainly from among us come three of the team's most diligent performers: Bob Huebner, Dick Belyea, and Ed Junghans. Spiritedly our sophomores enter into competitions. They run the gamut of managerials, heeling for positions in all things from football to crew and Mask and Wig to soccer.

Internally, Penn. Iota is functioning well. G. P. Bill Woodring and his administrators are guiding the chapter effectively. However, Muke has us in the thrall of his effi-

ciency. The utilities will suffer gravely if our house-manager (and Gestapo) continues this reign of terror. Because of Nutting's activity, we shall have an ivy-clothed house, once more. Hartley has the yard and vines in fine shape.

We remind the alumni of Penn. Iota and the brothers generally, in the Philadelphia area, of the tea at the chapter house, following the Penn-Cornell set-to Saturday, November 30th. At this, formerly, Thanksgiving Day game, we anticipate even more playing than has been done with the calendar. Certainly these two events, the tea and the game, portend of an auspicious occasion; (to the tea) cordially we invite you all.

Our rushing chairman asks for any information you might impart concerning freshmen at Pennsylvania. Since rushing season is deferred until the second semester, this information will not be late if it is received during the post-Christmas holidays. Abel and his committee welcome your thoughts and suggestions.

PENNSYLVANIA KAPPA

Swarthmore College

● Pennsylvania Kappa is back in the ball game after a decidedly interesting and varied summer spent by each of our thirty-four present members. Hats off to our president, Rob McCormack, who arranged and mimeographed our summer Round Robin letter giving each an opportunity to keep tabs on the whereabouts and doings of the other fellow. Needless to say, we had highly enlightening and most amusing commentaries.

Phi Psi is well represented in both major sports, football and soccer. In the former are Huhn, a senior, Ramsey, a junior, and Griffin, Johnson, and Jones, sophomores, hitting the line. In soccer we have six carrying on in our Saturday games,—Reller, a senior, Thatcher, Buckman, McNeil and Shaw, juniors, and Cope, a sophomore. We have had the good fortune of having Ray Coffman chosen as treasurer of the senior class and Grant Heilman elected as president of the junior class.

As we look over the last issue of *The Shield* we notice that no mention was made of the three members of our group, out of a total of seven, who were selected last spring, for membership in the honorary society, Book and Key—Charles Brader, Richard

Angel and William Reller. This organization commands the greatest respect on our campus. Cope is treasurer of the sophomore class and Brader president of the student body of the college. Several Junior Brothers have been chosen for Honor work.

This year's freshman class probably presents one of the most versatile groups in many years. With several fine legacies to work with as a nucleus, we have hopes of pledging some splendid fellows. The past few weeks have been spent with dances and informal get-together groups as part of a strenuous rushing program. In order to keep the log rolling we are learning some new songs, have some fine new equipment in our Lodge and hope to make this year a banner one. May all other chapters have the best success.

MARYLAND ALPHA

Johns Hopkins University

● Once more the Maryland Alpha chapter, hungry and thirsty for knowledge, has assembled at Hopkins. Our number has been decreased by four; ex-Czar Lamble and Uncle Joe Ashbrook having graduated. Don Andrews, a pledge of last year, is now going to school in Virginia, and Gordon Faunt le Roy is conquering the business world. However, we have a few good prospects in the freshman class. Our main object this year is to pledge some out-of-town fellows since everyone in our active chapter is a Baltimorean. Wish us luck.

Our hearty thanks go to our brothers of New York Gamma of Columbia for entertaining those of us who made trips to the World's Fair. We all enjoyed their hospitality and hope that we can sometime return their kindness.

Phi Psis who didn't loaf this past summer made very good librarians, ice men, salesmen, life guards, coal heavers, electrical engineers, boon dogglers, and cow boys not to mention summer school students.

Except for Mickey Pardew and Ed Spilman, who are again on the football team, we are destitute of athletes.

Since we began school only two weeks ago nothing important in rushing or meetings has occurred. We're still settling down and getting used to the idea of going to school.

VIRGINIA ALPHA

University of Virginia

● We at the University of Virginia are doing well so far this year. A few of our members, Anderson, Fay, Nalle and Lazenby, did not return, and, because of the delayed rushing put into effect this year, we have no pledges, but look forward to a fine season of rushing to come.

Some great improvements have been made on our house and we are giving a party this week-end for all the fraternities at the University to formally re-open the house.

Many of our members are active in extra-curricular work, especially on the staffs of the yearbook. Arthur Tuthill, our G. P., is building a machine through which it is possible to photograph the diffusion of molecules through a liquid, the third of its kind in the country.

We are going to have a small alumni gathering at opening dances in the early part of November, and hope any brother who is down this way will drop in to see the fun.

VIRGINIA BETA

Washington and Lee University

● Excellent rush week results and highly-pleasing political developments gave Phi Psi a flying start in its eighty-fourth year on the Washington and Lee campus.

Thirty-two old men returned early in September to set the rush week machinery into motion, and we are pleased to list the sixteen freshmen who received buttons at our formal ceremony, September 16th: Ross Beason, Miami, Fla.; Frank Bell, Charleston, W. Va.; Alfred Bruch, Washington, D. C.; Don Crawford, Philadelphia, Pa.; Tommy Dodd and Les Weller, Asbury Park, N. J.; Sam Graham, Far Rockaway, N. Y.; Bob Hancock, Jim LaPlante and Morrison Nelson, Louisville, Ky.; Hudson Millar, West Orange, N. J.; Lyn Murdock, Glen Cove, L. I., N. Y.; Bud Robb, Minneapolis, Minn.; Charles Sardeson, Oak Park, Ill.; Ernie Smith, Staten Island, N. Y., and Bob Wagg, Lambertville, N. J.

Lou Robinson was initiated on October 4th, and we are also glad to have with us Bill Dabney, a transfer from Virginia Alpha.

School had hardly begun when senior class elections rolled around, and both Phi Psi's

candidates came out on top. Frank Nichols was elected president of the senior academic class and Tom McCutcheon was named vice president of the senior commerce class. And Allen Snyder has been named vice president of next winter's Fancy Dress Ball.

Those successes enabled Virginia Beta to pick up where she left off last spring, when several choice campus positions were won by Phi Psis. Snyder was elected to the University executive committee as the publications board's representative; Nichols was elected president of the "13" Club, junior honorary society, and Francis Sugrue, who is currently earning his third varsity football letter, was named editor of the *Southern Collegian*, W. & L. literary magazine, president of the Troubadors, University dramatic society, and vice president of the publications board. Also named heads of organizations were Jack Peacock, who was elected president of the Camera Club, and Al Overton, who became president of the Forensic Union.

Virginia Beta's officers for the current semester are: G. P., Francis Sugrue; V. G. P., Charlie Gilbert; P., Bill Fittipoldi; A. G., Bud Levy; B. G., Art Koontz; S. G., Alex Simpson; Hier., Al Overton; Hod., Mac Howard.

The chapter had the extreme pleasure today of having as a visitor Edwin Truman Coman, Va. Beta '89. Brother Coman, who resides in San Rafael, Calif., was outstanding on the W. & L. campus during his years here, and together with John W. Davis constituted one of the chapter's most distinguished classes. His continuity of interest well illustrates the Phi Psi spirit.

Lexington's biggest weekend in years is set for November 10-12. Among other things it's to be Homecoming, and the chapter hopes that every alumnus who can will pay us a visit and look over our new house.

NORTH CAROLINA ALPHA

Duke University

● We are off to a flying start with a grand new group of officers: Richard Johantgen, G. P.; Ira Jackson, V. G. P.; James Snow, B. G.; James Moody, P.; Thomas Freeman, S. G.; Robert Cochran, Phu.; Jack Waldron, Hod., and Edward Habberset, Hier.

The entertainment committee, under Chairman Bob Lose, has begun its important work. On September 30th we had a success-

ful stag cabin party with steaks, beer, and all the trimmings. Last Saturday we had a closed buffet supper and dance after the Colgate game. We are now preparing for an open dance in December.

We are pleased to welcome Bruce Barackman, Pa. Beta '37, who is taking graduate law work at Duke.

We have had unexpected exchange with Penn. Beta, for this year we lost Fred McCullough to them. As much as we regret losing him, we know that he will prove a valuable asset to our chapter at Allegheny.

This past weekend we played Colgate in football, and since there were no New York Epsilon members on hand we played host to three Phi Gamma Deltas for they have no

chapter at Duke, and we were very happy to entertain our Jeffersonian brethren.

We are pleased to announce that by the time you have received this letter we will be initiating Eugene Vidal of Springdale, N. Y., and William Keagy of Altoona, Pa.

James Wieth has just returned from a short visit to the hospital. He had the ill fortune to have some acid burn his face.

Best of luck to all our chapters in their rushing. Although we do not rush until the second semester, we would like to take this opportunity to offer many thanks for the recommendations we have received so far.

Besides last year's seniors, we miss Bart Scott and Bill Adamson, who are continuing their studies, Scotty in journalism at the University of Missouri, and Bill in business administration at Wharton School of Finance. Gordon Leech '39, has entered Princeton Theological Seminary and Bill Kehl '38, is doing graduate work at Iowa State.

Paul Seyler directed our rushing program which resulted in an excellent pledge class, without doubt among the finest on the Jay campus. The pledges are: Raymond C. Provost Jr. and Lane Blackburn Jr., Washington, Pa.; James J. Faran IV, Glendale, Ohio; Maxwell W. Hunter Jr., Hollidaysburg, Pa.; James W. Hepplewhite III, East Liverpool, Ohio, and Gordon I. Norton Jr., Tidionte, Pa. In their honor the social committee, headed by Ray Elliot, is planning a pledge dinner-dance for October 21st, to be held in the Terrace Oval of the George Washington Hotel.

We maintained our high scholarship rating last semester, with Jim Ebert and Dave Holden averaging among the first ten in the freshman class.

Many of our fellows are leading in extracurricular activities. Bill Montgomery and Dave Holden, as backs, are carrying the pigskin on the varsity squad, and Al Skinner and Art Marston are on the line. Ned Doscher and Bill Schmidley are secretaries of the Student Service Union and the Student Council, respectively. PENNSYLVANIA LAMBDA

Pennsylvania State College

● Back to the old grind with another rushing season in the books. Thirteen have been added to our ranks: Charles Brachbill, Williamsport; Fred Elliott, Ridgway; Ralph Ervin, Wyncote; Bob Fisher, Meadville; Martin Fulton, Johnstown; Bill Good, Middletown; Larry Hawes, Tunkhannock; Ed Husted, Wellsboro; Bob Lyman, Coudersport; Roy McDonald, Erie; Jack Schatz, Perkaspie; Charles Slep, Johnstown; Jim Smith, Bolivar, N. Y.

Dad's Day was a huge success at the Phi Psi house. Parents of more than half of the brothers were at the house Saturday and Sunday. Topping the program was the defeat of the Bucknell football team by State, 13-3, in a thriller, and a smoker at the house in the evening. Ed Schoemmell, social chairman, did a wonderful job.

We take this means of welcoming Brothers to Pitt weekend, November 24-26. The program includes Soph Hop Friday, with the Pitt game Saturday.

Newly-elected chapter officers include: G. P., Fletch Byrom; V. G. P., George Leydic; A. G., John Fritz; B. G., Bob Shoemaker; S. G., Maynard Bloom; Hod., Bill Garrett; Hier., Charlie Parkin; and Phu., John Hunsicker.

Last spring George Leydic was elected track manager, thus gaining a position in Skull and Bones, senior honorary, which also claims Ed Bastian, Fletch Byrom, and Frank Gleason. Ben Kline and Will Salberg were initiated into Blue Key, junior honorary, by virtue of their first assistant managerships in swimming and boxing, respectively. Bloom is wearing a Blue Key pledge pin, having made out in late spring elections as first assistant in golf.

Robert Hoffer is on the sophomore staff of the *Collegian*. John Strand is a second assistant manager in cross country. Bill Good is a wrestling "second," and Charles Brachbill, a la crosse "second."

Frank Gleason is shaping up to defend his Eastern Inter-Collegiate 135-lb. wrestling title, and Dave Welsh is getting ready to hold down his position on the varsity swimming team. Bill Garrett, the only freshman to make the Hershey trip with the new Penn State hockey team last year, and a numeral man in track, is getting ready for action.

George Leydic and Jim Smith are in the State Blue Band.

Hoffer, Dick Eckert, and Ed Moore are in Glee Club and Choir. Charles Shinnamon is in Glee Club, having declined an invitation to sing with the Choir. Eckert and Moore will participate in the Glee Club's swing version of Gilbert and Sullivan's "Pinafore."

The house boasts a quartet of its own, known, benevolently enough, as the Four Stately Stinkers. It is comprised of Hoffer, Eckert, Shinnamon, and Moore, with Pat Fulton providing the accompaniment.

We take pleasure in announcing the marriage of Alan Jones of Blossburg to Miss Eleanor Ridge.

WEST VIRGINIA ALPHA

West Virginia University

● West Virginia Alpha announces the formal pledging on October 3rd of these seventeen: Paul Hutchinson, Thomas Courtney, Ralph Weekley, Charles Reitz, Harry Colburn, Fairmont; Jim Bobbitt, Bill Cotton, Charleston; Wesley Brashear, Bob Brock, Jim Cole, Morgantown; Charles Caudill, Wheeling; Roland Turman, Huntington; Watson McCoy, Lost Creek; Jim Laulis, Clarksburg; Ray Hale, Pittsburgh, Pa.; Jim Marsteller, Phil Williams, Elkins.

Thomas Courtney is the brother of Bud Courtney; Jim Cole, the brother of Dorsey Cole; Charles Caudill, the brother of Jake Caudill, and Bob Brock is the son of Robert Brock Sr.

Among those who are with us after an absence of one year are Texas Dick Johnson, E. P. Smith, Dick Davis and Tom Smith. Dick Johnson, an employee of the Plymouth Oil Co. of Texas, is on a ten-month furlough in order that he may complete his senior year at the University. Dick Davis spent the preceding year in Germany as the exchange student from the chapter to Germany. We are glad to have them back.

The advent of the Pitt game finds practically all planning to attend the fracas and the various entertainments after the game. It's going to be a swell weekend even if the Pitt Panther should happen to devour the Mountaineer. Clarence Smith and Dick Welch are on the squad which makes our interest in the game even greater.

Progress on our house is going forward steadily. The prominence of location and the fine architectural design make it the most conspicuous building on the hill. When it is completed about the last of December, it will be the finest fraternity house on the campus and we will be justly proud of this distinction. At present, we are living in temporary quarters convenient to the campus.

Officers are: Ernest Hutton, G. P.; Cecil Highland, V. G. P.; William Nutter, P.; Jack Murrill, A. G.; Louis Robb, B. G.; Harold Piggott, S. G.; Bob Parrish, freshman advisor and Hod.; Dorsey Cole, Phu., and Bob Pierce, Hi.

OHIO ALPHA

Ohio Wesleyan University

● Ohio Alpha looks forward to another successful year with a promising pledge class of these eighteen: Bill Watkins and Howard Denny, Delaware, Ohio; John Shelton and Dick Bohr, Portsmouth, Ohio; Hillis Shieber, Bucyrus, Ohio; Richard Snider, Yuma, Ariz.; Ashel Bryan and Dave Weaver, Cleveland Heights, Ohio; William Trutner, Freeport, N. Y.; Donald Snyder, Clyde, Ohio; Duke Elliot, Elyria, Ohio; George Glock, Snyder, N. Y.; James Moulton, Euclid, Ohio; Clem Beals, Springfield, Ohio; James Smith, Roland Eastwood, and Robert Kelling, Westhampton, N. Y., and Pledge president Don Tahsler, Lakewood, Ohio.

With the chapter's amazing scholastic jump from eleventh to second, among the thirteen fraternities on the campus, Ohio Alpha has forged into leadership in practically every campus activity. Co-captain, Jimmy Rieser was one of the four brothers who started the first football game this fall. Jimmy plays a spectacular game at one end while Bud Geitgey holds down the other end post. Walt Oberer started at tackle and Ralph Monroe at a halfback position. Sophomores Jud Wehman, Dick Patten, Harry Gillis and Roy Morse, are seeing plenty of service and have an excellent chance of making letters this season.

Five of the eight intramural trophies presented last year are now resting on the mantle above our fireplace, and our present teams, headed once more by "All Intramural" Bailey, show lots of promise. They have been undefeated in both fall volleyball and football.

Earl Keyes is practising diligently for the Wesleyan Players' production, *Our Town*, in which he has been assigned a leading role.

Bob Dumm has been busy as head of the University chapel committee and business manager of the *Ohio Wesleyan Transcript*.

G. P. Gordon Dale presided at the recent interfraternity council, which met for the first time with the new President of the University.

Brandt Rardin arranged and directed the annual frosh-sophomore flag rush in which Pledge John Shelton succeeded in lowering the flag of the haughty sophs.

Improvements to the house include a new radio-Vic, new tables, lamps, and other well selected pieces of furniture.

OHIO BETA

Wittenberg College

● After a successful rushing season, Ohio Beta is pleased to announce its pledge class of nineteen: Joseph Gray, Kenneth Otstot and Robert Selock, Springfield, Ohio; Martin Rini and Ray Davis, Shaker Heights, Ohio; Charles Kieffer, John Henderson, Robert Edgington and William Ginn, Findlay, Ohio; William Renz, Lima, Ohio; Charles Tornabene, Pittsburgh, Pa.; Donald Rhodes, William Snyder, (brother of Edgar Snyder, Ohio Beta '39), Van Wert, Ohio; James Peck, Cleveland, Ohio; John Plank, Creston, Ohio; Frank Evans, (brother of Earl Evans, Ohio Beta '29), Canton, Ohio; John Parsons, Mechanicsburg, Ohio; Theodore Howell, Dayton, Ohio; Robert Daugherty, Shelby, Ohio.

Six of our pledges are out for freshman football and several are in debate, choir and dramatics.

Wittenberg opened her football season against Carnegie Tech. Phi Psi has been proud of the fine work done by Lawrence (Bud) Law, and John Schiedemantle, both second-year varsity men. They are under Head Coach Billy Stobbs, Pa. Alpha '14.

Ohio Beta is right up on top in scholarship and campus activities. Dick Bittenbender, G. P., is not only busy with fraternity work but is also co-editor of the campus humor magazine the *Witt*. Dick Chesrown has been elected editor of our *Wittenberg* annual for 1940. Bill Snyder is president of the freshman class.

Initiation was held Sunday, October 8 for Clark Scholl, Springfield, Ohio.

Plans for Homecoming, November 4th, are being made. We are looking forward to seeing all the old brothers over that weekend.

For the first time Wittenberg is offering a course in aviation. Five of the brothers are enrolled and are looking forward to their experience with much enthusiasm. To them all we wish happy landings.

OHIO DELTA

Ohio State University

● With a top-ranking pledge class of thirty, Ohio Delta looks forward to a great year, one that will commemorate the sixtieth anniversary of her existence at Ohio State. The following Columbus boys were pledged on

October 2nd: John Applegate, Bob Bradford, Charles Carlson, Mike Fluhrer, Keith Forrest, Ray Foster, Joe Harold, Reed McClelland, Bob Mettler, Paul Nash, Jack O'Neil, Bob Reed, William Richards, Pete Sayers, William Schultz, Bob Slatter, and Danny Sims. Other pledges are: James Burrows, Nampa, Idaho; Tom Cloyes, Cleveland Heights; Richard Cole, Springfield; Bower Corwin, James Nordholt, John Robinson, Toledo; John Duley, Cincinnati; Dave Morgan, Shaker Heights; Don Hanover, Fostoria; Stan Palmer, Greenville; Kent Snyder, Kenton; Jack Wright, Salem, and Dick Rosemurgy, Peoria, Ill. Congratulations to Ted Stewart, the rush chairman superb!

Highlight of rush week was a buffet dinner given by the alumni at the Wallick Tower suite. Several noted alumni were present: Fred Machetanz, author and illustrator; Herbert Duffy, former attorney general of Ohio, and Howard Hamilton, Secretary of Arts College and national scholarship director for the Fraternity. Guest of honor, Secretary Dab Williams, climaxed the evening's program with an informal talk at the chapter house. This evening was one of the best rush week investments made by the chapter, and was in a great part responsible for Delta obtaining the pick of the campus.

Delta starts off the anniversary year well represented in campus affairs. Dick Kelting '38, is head cheerleader, and is the man behind the 2500 seat organized cheering section. Harry Vallery, Third District Archon, is president of Sphinx, the senior men's honorary. George Packer, also elected to Sphinx, and past chairman of the first National Greek Week, is a luminary of the Fraternity Affairs office. Tom Packer, Richard Greiser, and William Goss were elected to Romophos, the sophomore men's honorary in May. Another gold cup came home to roost on the Louis Room mantel when the golf team of the Ferguson brothers, Brindle, Goss and Greiser defeated the ATO's to sweep the interfraternity golf matches. Bill Ferguson came back to school for another year so he could tell people about the cup.

The lawn surrounding the house for many years represented a cross between the steppes of Siberia and the Sahara. Last summer the alumni association financed an entirely new lawn, complete with colored caretaker. The garage in the rear of the house is being turned into a valuable asset with a library downstairs and a chapter room upstairs. The old chapter room in the basement of the house has been converted into a card room.

Officers this year are: George Packer, G. P.; Ted Stewart, V. G. P.; Bob Ferguson, B. G.; Fred Exline, A. G.; Al Robinson, P.; Bill Goss, Phu.; Charles Weed, Hier., and Tom Packer, Hod. Jim (Der Fuehrer) Brindle is the new housemanager-steward, and on his shoulders rests the bed and board of the house for the year. Another addition is the little pup (140 pounds) "Mike," a coal black Great Dane, with an enormous appetite and bad habits.

The first football dance was held October 7th under direction of John Kelley, new social chairman, and the 14th will see the first big dance after the Northwestern game. In parting, a word to Michigan Alpha. We're all a-comin', ninety strong on the twenty-fifth of November. Thanks to F. D. R. and his new Thanksgiving, this will be just about the largest punitive expedition sent out by Ohio State to do battle with the Wolverines. Don't take as long to send us the silver pitcher as we did last year!

OHIO EPSILON

Case School of Applied Science

● We feel confident that we are starting one of the most successful years Ohio Epsilon ever experienced, and she has had more than her share. Due to the efforts of the Ohio Epsilon Company, the Mothers' Club and the actives our house is really looking tip top.

Rushing season started off with a bang! As a result of plenty of hard work we have rounded up these fifteen new rough riders:

John Snell, Toledo; Dan Ellidge, Painesville; Rudd McAllister and Roger Hoener, Akron; Bill Hartley, Fredonia; Bill Powell and Bernie Fobes, Elyria; Bert Grow, Cleveland; Karl Yuengling, Lakewood; Dick Smail, Dave Raymond, Ed Cockrell, Jim Climo and George Russell, Cleveland Heights; Jim Nassau and Bob Kidd, East Cleveland.

Last spring Phi Psi captured a number of key positions. Harvey Neville is following in his brother Bob's footsteps. Harvey was elected to lead the Blue Key during his senior year. Ohio Epsilon has seven other members in Blue Key: Bill Hoffman, Bill Rau, Ned Kuenhold, Bill Heckman, Ray Obenchain, Bill Newell and Jack Findeisen.

Ray Obenchain was elected to editor of the *Case Differential*, (Yearbook). G. P. Ned Kuenhold is student editor of the *Case Alumnus* and Harvey Neville received another honor by becoming the associate editor of the *Case Tech* (weekly publication).

Bill Newell is the student head of the Board of Managers and Ned Kuenhold has been elected senior intramural manager. Jack Findeisen is the senior football manager, a key position.

Officers for this semester are: Ned Kuenhold, G. P.; Harvey Neville, V. G. P.; Harry Hopkinson, P.; Evan Nord, A. G.; Bill Rau, B. G.; Ed Wright, S. G.; Merrill Schaffer, Hod.; Ray Obenchain, Hier.; Dean Mathew, Phu.

Our social activities started out on Saturday evening with an informal rushing dance at the house. On Saturday, September 30, we installed a loud speaker system, which is to take the place of small bands, by having a dance in honor of our pledges.

MICHIGAN ALPHA

University of Michigan

● Rushing formally closed October 6th, and Michigan Alpha is happy to introduce an excellent class numbering fifteen. The pledging is scheduled to take place at a banquet in the chapter house, October 9th. Names and homes of the pledges follow: William Candler, D. William Daron, John Fauver, Robert Fife, James Funk Jr. and William Kelly, Detroit; Edward G. Chase and Frank Curto, Chicago; James Hoff, Howell; James Kennedy, Saginaw; Thomas Matthews, Lud-

ington; Peter Olmsted, Ann Arbor; John Patton, Springfield, Ill.; Raymond Pittman, Toledo.

Everyone is now turning to the books which were somewhat neglected in the strenuous program of rushing, but the chapter feels its efforts well rewarded. A great deal of credit is due Jim Krieger, our able rushing chairman, and his assistant, Bill Sessions, and both wish to convey their thanks to the alumni who sent in names. They are largely responsible for our successful season.

Officers are: Dave Corlett, G. P.; Ellis Wunsch, V. G. P.; Henry Barnett, P.; John

Neerken, A. G.; Bill Sessions, B. G.; Dick Bennett, Phu.; John Bachman, Hod., and Cliff James, Hier.

Local Phi Psis are very enthusiastic over Michigan's chances in the Big Ten football race, and the chapter wishes to extend a cordial invitation to all brothers for luncheon before the games, or the dinner dances which follow.

● The ball is rolling merrily along at the Phi Psi house, four weeks after rush, and the following men comprise the class of '43:

Russ Downey, brother of Dixon Downey, ex-'40, South Bend, Ind.; Don Elliot and Jim Matthews, Kokomo, Ind.; Sheriden Glenn, Chicago; Jim Leash, Danville, Ill.; Ray Palmer, whose brother, George, is Chapter V. G. P., La Grange, Ill.; Don Peterson, Congress Park, Ill.; Bob Royse, Evanston; Dick Schaffer, a brother of George Schaffer, '40, and C. C. Winkler, Vincennes; Jordan Sheperd, Clayton, Mo., and H. C. Sheperd, Bronxville, N. Y.

Generally, the Brothers are feeling pretty sassy about the condition of the house. During the summer, George Palmer selected new light-toned rugs for the living room and halls and purchased some new chairs. Other new furnishings include two over-sized couches. All the rooms upstairs were painted, and the Chapter feels the house is in the best shape in several years.

This year's big jobs will be holding on to our high scholarship average and an attempt to sit on top of the pile in intramurals again. Right now it appears the speedball and tennis teams stand better than even chances to win these first two cups.

Offices include Jack Richard Pearce, G. P.; George A. Palmer, V. G. P.; B. A. Little, B. G.; Jim Erdmann, S. G. and Robert Brown, P.

Phi Psi again topped the other outfits at Recognition chapel last June. Jack Pearce, Bill Belshaw and Jim Erdmann were named to Gold Key, coveted junior recognition honorary. Ed Lindsay was awarded the Sigma Delta Chi cup as the most outstanding senior athlete and scholar. His victory was doubled when he received the Walker cup, as the senior to do the most for DePauw. This is the second year in succession Phi

Psi has had the majority in Gold Key, and also the Walker cup winner.

INDIANA BETA

Indiana University

● The close of rush week found Indiana Beta with eighteen outstanding pledges, who made excellent records in scholarship and activities while in high school. Instrumental in making rush week a success were Robert Denny and Richard Davis, assisted by the entire chapter and numerous alumni.

The pledge class is: William Bannon, Robert Duke, Richard Ellis, Robert McClure and Max Miller, Kokomo, Ind.; Herbert Cramer and William Fox, South Bend, Ind.; David Gray, Gosport, Ind.; Don Huckleberry, Salem, Ind.; Richard Land, Richmond, Ind.; Ray Marr, Columbus, Ind.; Robert Anderson, Darrel Miller and William Price, Marion, Ind.; Don Pell, Brazil, Ind.; William Simmerman, Lapel, Ind., and Robert Stevens, Anderson, Ind.

Phi Psi is well represented in various university athletics. Varsity track men are Ray King, pole vaulter, and Robert Denny, a high hurdler. Rex Wiseheart, sophomore from Anderson, is a member of Coach Bo McMillan's Fighting Hoosiers. Coach Billy Thom has two likely wrestlers in Nat Hill and Ben Wilson. Wilson won second place in the midwest last year when he competed at Chicago and also won the Indiana-Kentucky A. A. U. at Indianapolis. Wilson, only a sophomore, will meet some tough competition as a varsity member this year.

Basketball has as our representative Don Huckleberry who won his numerals last year. Steve Rose is our contribution to golf, and George Kempf is on the varsity swimming team. Phil Green has been made head cheerleader and Pledge Brother McClure has been selected as a yell leader. Heading the University intramural organization is Charles Feeger.

Robert Boughman is active in the Union Board, Blue Key, Sphinx Club, and Collegiate Chamber of Commerce of which he is a past president. *Bored Walk* (America's largest selling college comic), has on its staff John Fox as business manager. Fox is also circulation manager of the *Red Book*. Nat Hill finds time along with wrestling to work in the Collegiate Chamber of Commerce and to act as business assistant on the *Red Book*. John McFarlan, in his fourth year as a

member of Indiana's Marching Hundred, is president of Kappa Kappa Psi, national band fraternity.

Phi Eta Sigma, freshman scholastic honorary, has on its rolls John Springer, Truman Rose, and Jimmie Noland, who is president of the organization. The scholarship rating of the house which had been on the downgrade since 1936 has started an upward climb. Last year's freshman class led all other fraternities in first-year scholastic rating.

We are glad to have with us Paul Miller, a transfer from Indiana Delta. Miller and Pledge Brother Ellis play in a popular campus band.

Homecoming was observed September 30th, and the traditional freshman fights were held. October 14th found the members swinging to the music of an Indianapolis orchestra at a dance in honor of the pledges.

INDIANA DELTA Purdue University

● Indiana Delta has just completed fall rush, and succeeded in pledging the finest class we have had in recent years. The class is a little smaller than usual, fourteen, but this was done in order to leave room for Cary Hall men, of whom we hope to pledge several when restrictions upon them are lifted.

The pledges are: Bill Lewis, Tom Gates, and John Osborne, all of Indianapolis; Tom Baldwin, New Harmony, Ind.; Curt Green, Wilmette, Ill.; Wirt Farley, Winnetka, Ill.; Jim Fraser, Park Ridge, Ill.; Bill Rider, Oak Park, Ill.; Jim Baker, Alexandria, Ind.; Ewell O'Bryan, Terre Haute, Ind.; Charles Johnson, Frankfort, Ind.; John Shively, Spencer, Ind.; Bud Hoffer, Bob Moss, and Jim Burwell, all of Lafayette, Ind.

We are especially grateful to our alumni who so generously helped us.

We have more than our share of campus honors, having officers in many of the most important activities. John Van Horn was elected to Catalyst Club, a chemical honorary; Dan Fisher was pledged Gimlet, junior and senior men's honorary, and John Cochrun was elected to P. O. M. M., R. O. T. C. honorary.

In the recent elections, Bud Clevett '41 was elected to the office of Hod., Dick Shadford '42 to S. G., and Al Graf '42 to A. G.

Extensive repairs were carried on in the chapter house this summer, with complete

reconditioning of the heating system, dormitories, woodwork, and the informal lounge. The mothers aided the chapter in purchasing new blankets.

The intramural softball team has been highly successful thus far, and a few days ago administered an 8-7 defeat to the Beta's in a pitched battle. The touch-football season will begin soon, and we hope to have a good team on the field.

The only thing to mar the general well-being of the chapter is the plight of our general factotum, Charles R. Croom. It seems that Croom has been having trouble with his teeth, and is now the possessor of a toothless grin.

ILLINOIS ALPHA Northwestern University

● With the advent of another school year, two newsworthy events have transpired at Illinois Alpha. Firstly, there is the pledge class. We report these twenty young stalwarts and we are proud of every one of them: Charles Bevan, Bill Cooter, George Moore, Dana Morrison, Stuart Davis, Fred and William Pool, Judson Rollert, Robert Monninger, Myles Talor, William Walker, and Russ Wiscomb, all from Chicago and suburbs; Chase Fannon, Centerville, Iowa; Earl Hanway, Casper, Wyo.; Quentin Johnson, Waterloo, Iowa; Merton Walker, Peoria, Ill.; Bill Widdup, Des Moines, Iowa; Dick and Vance Wilkinson, Indianapolis, Ind., and Arnie McMillan, Decatur, Ill.

Second of the newsworthy events has been moving the house to a new location. To make room for the future construction of the Technological Institute at N. U., the University moved our four story structure a distance of fifty yards. With a new view of Lake Michigan, we are all happy with the new location. We boast a new basement, which is much more spacious than the old one. Whereas we did without a recreation room previous to the moving, we now have a new ping-pong and card room. The new kitchen is equipped with the most modern facilities, and the cooking and serving of meals is accomplished much more effectively than previously.

The Illinois Alpha House Association caught the swing of things and had the second floor completely redecorated and refurnished, thus making our living quarters much more comfortable. Specially designed furniture has been placed in every room.

House averages for the immediate past spring semester have been computed, and our house has a 4.02 point average, or a little better than a B— average. Although the University has not announced rankings, we expect to be near the top of the scholastic heap. There was a marked improvement of one grade over the house average of the previous semester.

Heartened because of our victory in the annual interfraternity sing late last spring (after the issuance of *The Shield*) we are working hard on our singing. We held one of the first sorority house serenades on the campus this fall. Winning the sing last spring was the first time in nineteen years that the house placed number one.

With football now in full swing, the house is expecting great work from its two varsity ends, Ted Grefe and Bob Daly. Both were on the starting line-up in the first game of the season with Oklahoma. Stuart Davis and Robert Monninger are out for freshman ball.

Social affairs have not been neglected during the early fall. The house has already sponsored two record parties in the new dining room and recreational hall. Plans are now being made for a get-together with the alumni of the Chicago district. The party is being sponsored by the alumni, and the actives and pledges are looking forward to an enjoyable evening with them.

● As all seasons must, summer ended September 25th for Illinois Beta Phi Psis, and the autumn began with freshman week orientation work. Many of the brothers assumed the responsibility of being upperclass counselors to the incoming men. And then, of course, classes began October 3rd.

Brown and calloused most of us returned from a summer of manual labor. There were, however, those who were merely brown. Collectively we laid pipe lines in Nebraska, logged wood in Wisconsin, loaded freight cars in Illinois, made roads in New Mexico, harvested wheat in Kansas, and loafed practically anywhere.

Leading us into what promises to be an excellent year are the following officers: Robert Reynolds, G. P.; William Macy, V. G. P.; Dayton Caple, P.; Walter Young, B. G.; William Caudill, A. G.; Robert Crow, S. G.; Bud Arquilla, Phu.; Ralph Moore, Hod., and Joseph Molkup, Hier.

Rushing looks particularly good in view of the fact that the freshman class is unusually promising, and that our summer rushing program, handled efficiently by Emil Weis, gives us the edge on the other houses on campus. This fall's rushing chairman is Dave Weidemann, who fits his large body into the varsity football line as tackle.

Intramurals are in everyone's hands (and feet) this quarter. Headed by Wally Beatty, as manager, we hope to finish first this year, as against last year's third place. Touchball practise is in progress, and the team looks better than it has in several seasons.

The chapter stands high in extracurricular activities. Student newspaper, *The Daily Maroon*, finds Harry Cornelius on the Board of Control and Bill Hankla on the editorial staff. Not to mention the presence of Chuck (please buy a suit) O'Donnell. Bob Reynolds runs the Student Social Committee, and Bill Macy holds a seat in the Interfraternity Council as secretary. Football takes Dave Weidemann, Chuck Banfe, and Bob Kibele.

The social season has lighted itself with several firesides. We have found that dates, red leather couches, and birch fires go well together. The first open house is October 9th, and our first open party swings out October 21st with a fourteen piece band. The Homecoming dance after the Ohio State-Chicago game will be November 10th, and the all important white-tie-and-tailed Interfraternity Ball presents itself November 22nd.

An appropriate epitome of the coming year might well be: "Phi Psi is terrific."

● Twenty-nine returned to Illinois Delta this fall and under the guidance of the Rushing Chairman Melvin Colwell, proceeded to pledge these sixteen who comprise the most spirited pledge class we have seen: Carl Johnson '43, and Edward Stuart '43, Evanston, Ill.; Barkley Bell '43, Bud Dodge '42, Norm Johnson '42, Charles Spencer '43, and Jere Sights '43, Chicago, Ill.; Edwin Gardner '43, Glen Ellyn, Ill.; Ward Fickie '42, Kansas City, Mo.; Gerald Elders '42, Christopher, Ill.; Dave Meserow '43, Oak Park, Ill.; John Reeder '43, Montezuma, Ind.; Bill Sherer '43, Park Ridge, Ill.; Dick Telander '43, La Grange, Ill.; Joe Hamlin '43 and Everett Herman '43, Champaign, Ill.

Accordingly, we are happy to announce that we have a full house. The redecorating of the reception room and the card room has improved the appearance and comfort of our house to the point where we feel it is tops on campus.

Turning our attention to varsity football squad we find Len Yonaite, Gordon McKenzie, and Red Elders. Johnny Reeder is making a fine showing in freshman football.

The Intramural season has just commenced and we have won our first softball game. Jack Webber is our ambitious manager.

In the Chalmers' Street pajama race, held last week, our freshmen captured second place, having been nosed out in the last lap.

Bud Mueller and Paul Moon are in the advanced R. O. T. C. and four of our freshmen are pledges to Pershing Rifles — Ed Stuart, Ed Gardner, Bill Sherer and Bud Dodge. Bill Bersback, who won his numerals in water polo, is with us this year, and our pledges are providing plenty of swimming material in Barkley Bell and Dick Telander.

Paul Moon is speaking for the Seniors in politics, Todd Meserow for the Sophomores, Chuck Spencer and Dave Meserow, Todd's brother, are the organizers of the Freshman Illini party. The Theater Guild has called Ralph Yeager who is seeking a part in the cast of *Our Town*, and Ed Gardner and Dick Telander are members of the *Illio* staff.

In freshman wrestling, Carl Johnson and Everett Herman seek positions on the squad, and Ed Stuart and Bill Sherer are out for the freshman fencing team.

First semester officers include: Bud Mueller, G. P.; Ralph Myers, V. G. P.; Everett Moore, A. G.; Bob Rote, B. G.; Todd Meserow, S. G.; Wm. Bersback, Phu.; Howard Edwards, Hod.

We are all looking forward to a successful pledge dance, October 21st, with music by Andy Hansen. The Homecoming game with Michigan will be November 4th.

TENNESSEE DELTA Vanderbilt University

● Tennessee Delta has just completed a successful rush week and, with a general good spirit prevailing, expects to accomplish many things during the coming school year. On returning to school the brothers were pleased to find that the proposed plan of the alumni to remodel the house had become a reality. Our alumni, under the splendid work of Phil Harrison '20 and Lisle Peters '20,

have raised more than \$4000 for this purpose.

The pledges are: President Sonny Baird, Pineville, Ky.; Leroy Leatherman, Anderson, La.; H. P. Jones, Statesboro, Ga.; Walter Jones, Joliet, Ill.; Warren McLaughlin, Wheaton, Ill.; Chester Kazymarek, Hamtramck, Mich.; Howard Ripy, Lawrenceburg, Ky.; Guy Zimmerman, Mt. Sterling, Ky.; Walter Stone, Nashville, Tenn.; Bill Managan, Lake Charles, La.; Clinton Wright, Chattanooga, Tenn.

During rush week the chapter was visited by Howard L. Hamilton, National Scholarship Director. His visit was extremely timely and he gave us many practical suggestions in adopting our program for the year.

With extracurricular activities getting well under way, the majority is seeking greater laurels, with G. P. George leading the way. Tennessee Delta and Vanderbilt University will wait many years before obtaining a man of Scott George's caliber. He is the campus leader in all activities. Editor of the *Masquerader*, campus humor magazine, member of the *Pursuit* staff, member of the Student Christian Association cabinet, ex-president of the Owl Club, ex-officer of the Ace Club, member of the Calumet Club, ex-president of the junior class, Delta Tau Phi honorary fraternity, varsity wrestler, O. D. K. member, —oh yes, Phi Beta Kappa and leading candidate for the Founders Medal of the University. Scott George is a potential candidate for Bachelor of Ugliness, the highest honor a Vanderbilt man can achieve.

Coffman is in the band, S. C. A., Glee Club, member of the *Masquerader* and *Commodore* staffs, and social jitterbug. Lodge is treasurer of the sophomore cabinet, member of the *Masquerader* and *Pursuit* staffs, the Glee Club, and the Ace Club. McGee is a member of the Glee Club, staff member of *Pursuit* and *Masquerader*, the S. C. A., and the Ace and Owl, honorary clubs. Beach is in Skull and Bones, a Pre-med fraternity. Wright and Leatherman are in the band and Glee Club. Stone is a member of the freshman cabinet. Mason is expected to hold down a tackle slot on the varsity.

Through the splendid work of P. Stubbs, the house is being run in great style. The brothers are well pleased that Sarah, "the best colored cook in the south," is with us for her tenth year.

Officers elected for the fall term are: George, G. P.; Beach, V. G. P.; Stubbs, P.; McGee, B. G.; Lodge, A. G.; Coffman, S. G.; Edge, Phu., and Adams, Hier.

With interfraternity football slated to start soon, we are practising daily. With

most of the regulars gone the team will depend upon the freshmen. Promising men are: triple-threater Baird, All-Kentucky, Jones, McLaughlin, and Ripy. Varsity men returning are: George, Lodge, and Edge. We are looking forward to a successful season—and a cup.

Delta's social activities open with a dinner in honor of the pledges, October 15th.

● Phi Kappa Psi at the University of Mississippi has begun what is expected to be its most successful season. We announce the pledging of the following twenty-three; all from Mississippi unless otherwise indicated: Willard Allred and Cliff Leggett, Hazelhurst; George Western, George Frizell, Phil Whittaker and Lucius Wilson, Brookhaven; Dewitt Shivers, Bogolusa, La.; James Haney, Pontotoc; Richard Callaway, Herman Taylor and Kenny Bratton, Oxford; Dallas Grant-ham, Corinth; Charles Daly, Meridian; Warren Larroux, Bay St. Louis; James Hailey, Memphis, Tenn.; Edward Harper, McComb; L. D. McCoy, Drew; Ben Lyford and Harry Wadsworth, Helena, Ark.; Tom Harris, Vicksburg; Roland Hawkins, Clarksdale; Griffin Ladiner, Ripley, and Aldron Davis, Merigold.

Our softball team defeated a faculty team last week by the score of 23-0.

We have just had a house party and are planning another for next Thursday night.

The University has an excellent football team this year and has defeated L. S. U. and Southwestern of Memphis. Brother Wright scored a touchdown in the last game.

Plans are under way for an alumni smoker, October 21st at Homecoming. We are expecting to entertain a large group.

Jones and Pledges Larroux and Taylor made the trip to Chicago with the band for the American Legion Convention. On the way back, they stopped at Champaign to visit Illinois Delta.

Mississippi Alpha and Tennessee Delta are planning a get-together in Memphis after the Ole Miss-Vanderbilt game on November 4th.

With the best pledge class in its history and with G. P. Cliff Schutz at the helm, Mississippi Alpha is off to a truly successful year.

● The old charter, which goes back to 1875, is still at Wisconsin. Unless it is stolen, "jerked" or involuntarily surrendered it will remain here—as long as we have a Phi Psi on hand to carry on. This statement is offered for any who have wondered about the situation at the University of Wisconsin. The outlook is not any too cheerful, but, as usual, we are hoping for the best. Plans to occupy a rented house had to be abandoned this summer, when the property was sold.

Wisconsin Alpha already has been honored by a visit from the District Archon, Bud Mueller, who took us completely by surprise a few weeks ago. We were not expecting an archonial visitation until spring, which seems to be the traditional time for these contacts. Our ears were red enough to infuriate any bull but we wound up by slinging the bull ourselves. (We had to sling it!)

Past history, also a surprise but nonetheless an honor, was the unexpected visit during the last final weekend of school last spring, of our Secretary, Dab Williams. Due to the press of final exams we were unable to fete him as was his due but again we hope to do better next time. (Wisconsin Alpha always was good at using that term,—"next time.")

Communications to this chapter should be addressed to: 1810 Vilas Ave., Madison, Wis.

We always are happy to contact other Phi Psis, so don't be bashful, Brothers, when coming to our city.

WISCONSIN GAMMA

Beloit College

● Another school year has started, and Wisconsin Gamma has jumped off to a good start by pledging these ten in the fall rushing campaign: Robert Burke, Antioch, Ill.; William Connon, Lake Forest, Ill.; Thomas Crossan, Rockford, Ill.; George Dalgety, Evanston, Ill.; John Gavin, Oak Park, Ill.; Harold Heinz, Aurora, Ill.; Richard Mallon, Janesville, Wis.; John Sokow, Kenosha, Wis.; Earl Van Galder, Beloit, Wis., and Jack Yule, Somers, Wis. Seven places remain for second semester pledging and with these filled the active and pledge membership will number sixty-one.

Phi Psi is again well represented in athletics. Wearing the Blue and Gold for Beloit College on the varsity football team

are Chadwick, Virgili, Zimonick, Duncan, Cox, Thomas, Atteberry, French, Morse, Vogel, Di Peso, and Manager Wiese. Phi Psi is proud to have six in the starting lineup of the Blue Devil team which boasts among its victories a 6-0 score over the University of Chicago.

Another fall sport monopolized by Chapinites is the cross country team all but one member of which is a Phi Psi. Those from the chapter on the Gold Harriers are: Bob and George Hartman, Phalen, Schwake, Maylahn, and Hank Smith.

John Michaels, a Phi Psi transfer from Dartmouth, has gained the leading role in the first Beloit College Player's production of the year, "Kind Lady." Ayres (Circus) Davies has forsaken the "Big Top" to appear in a minor but important role in the play. Ayres has been appointed to work on the College Homecoming committee for this fall.

The Round Table, the campus newspaper, is edited the first semester by Pledge Gurlholt, and it is to be passed into the capable hands of Editor Paul Klenk the second semester. Phil Volland is assistant sports editor.

Louis Toepfer, G. P., was notified of his election to Phi Beta Kappa a few days ago.

All the house rooms except two were painted and redecorated by the brothers before school started. Much discussion and rivalry has gone on as to whose room should receive the Blue Ribbon (not the one Pabst is proud of), for the finest work done on it. It was finally decided by Jernegan, Licht, and Toepfer that this award should go to Biester and Karcher without further question.

Prospects for continued Phi Psi supremacy in intramural sports look good with about fifteen members working out for the touch-football team, and most of the chapter entered in some individual sport.

The officers for the first semester are: Lou Toepfer, G. P.; Bruno Virgili, V. G. P.; Joe Jernegan, P.; Ken Karcher, A. G.; Bob Maylahn, S. G.; Don Schellinger, Hier.; Bruce Duncan, Phu., and John Law, Hod.

MINNESOTA BETA

University of Minnesota

● On October 2nd, Minnesota Beta swung into another year of fraternity activity determined to maintain its scholarship rating (we are, temporarily at least, the proud pos-

essor of the Fourth District scholarship chair), to increase its prestige in intramural athletics, and to get in a few good licks of effective rushing.

To briefly review the 1938-39 year, Minnesota Beta walked off with virtually every trophy handed out by the intramural athletic office, winning titles in every major sport and, roughly speaking, about four-fifths of the minor sports. In touchball, Phi Psi took the All-university cup, in basketball she won the academic fraternity title, and in diamondball she repeated this performance for a clean sweep in every major sport.

Scholastically, Phi Psi slid from fourth to eighth among academic fraternities which, though not a point to brag about, is still better than it appears since only one major fraternity is above that record. However, we are beginning to worry about the security of the Fourth District scholarship chair.

So far as pledging is concerned, things are relatively quiet. As you know the University uses a system of deferred rushing and no fraternity may pledge freshmen until after Christmas vacation. There are no rules about pledging advanced standing or transfer students so Minnesota Beta has been busy in this department. One new pledge has joined the fold, Ralph Leighton of Minneapolis, and a half dozen more are expected within the next week or two.

Minnesota Beta welcomes three Phi Psi transfers. From New Hampshire Alpha comes Dave Warner; from Penn Kappa, Don Parker, and from West Virginia Alpha, Charles Strider Jr. All three are ready to participate in our activities, social and otherwise.

Minnesota Beta's social activity has struck a new low, a situation that will be remedied and that without delay. Already the social chairman is prodding the individual and collective brains of his charges in an effort to uncover some party plan that will meet Phi Psi standards, a tough job in view of the fact that the D. C. dance and the annual summer house party were the last two social blowouts of the 1938-39 school year—a pair of parties, that caught the fancy—"and then some," of the entire chapter.

Bill Siebenthal is G. P.; John Rasmussen, V. G. P.; Harold Hitchcock, S. G.; Kenneth Kixmoeller, A. G., and Dick Schnurr, P. With these men backed by a starting chapter of thirty actives and pledges Minnesota Beta starts another campaign toward a successful year.

IOWA ALPHA

University of Iowa

● When the end of the first rush week under the new rushing plan at the University came to an end, Iowa Alpha relaxed from the tension with pride and expectations of a big year ahead. With the two men pledged last spring, Jim George of Dubuque and Louis Lapham of Charles City, and those pledged rush week, we have fourteen pledges, who are: Al Eddy and Joe Clark, Cedar Rapids; Ben Trickey, Marshalltown; Rus Conkling, Des Moines; Jack Hertzler and Arnold Klein, Burlington; Joe Grawe, Waverly; George Schmidt, Elkader; Loren York, Grinnell; Dick Bercunier, Art Deuse and Jim Robertson, Waterloo.

From the scholastic records of these men it looks as though we should have no trouble retaining the lead in scholarship which we have held the last three years. Last year, the records show, Iowa Alpha set an all-time high grade point for social fraternities here at Iowa. However, our pledges show a great deal of promise in a good many fields, Eddy, Bercunier and Trickey being all-state in football and Trickey also in basketball last year.

As a result of our unusually strong financial condition we were able last summer to purchase one of the newest and the finest houses on the campus. Much as some will regret to leave our old house on the bluff, we are all anxiously looking forward to next fall when we move in. We are certainly grateful to our alumni and especially to Brother George Nagle, our financial advisor, for their skillful and complete handling of this affair. We hope that they will give us every possible opportunity to repay them for the great help they have been to us.

At the intramural banquet just before school closed last spring, Phi Psi again walked off with a majority of the championships and the participation trophy. We are looking forward to another big year, with the Cross Country coming in a few weeks and touch football already started.

With Dr. Eddie Anderson and his "new era" here, we, along with the rest of the school, are backing the team 100 per cent and booming our own Nile Kinnick for All-America honors. With Indiana our first victim, we are looking forward with great hopes and many of the brothers are already planning on making the trip to Evanston to close the season with Northwestern.

The date for the annual Hard Times Party has been set for October 20th, and we are looking for the usual good time over at the City Park.

With G. P. Jim Hoak at the helm, Iowa Alpha is entering into one of its biggest years.

IOWA BETA

Iowa State College

● The 1939 rushing campaign, greatly aided by the cooperation of the Northern Iowa Alumni Club who entertained at a banquet at the Mason City Country Club, August 12th, and the Des Moines Alumni Club who were hosts at a dinner at Hyperion Country Club, September 1st, is now history.

Iowa Beta announces the pledging of these twenty-five: Ray Cummings, Montezuma; Curtis Walseth, Clear Lake, S. Dak.; Starr Coughlin, Sioux Falls, S. Dak.; Winston Henderson, Terre Haute, Ind.; John McKlveen, Prairie City; Worth Percival and Bob Johnson, Des Moines; Robert Geoffroy, Sterling, Ill.; Russ French, Tetonka; William Inman, Bakersfield, Calif.; Mason Vegors, Webster City; John Crabbe and Jim Kennedy, Mason City; Dick McLuen, Milwaukee, Wis.; Phil Smith, Clarion; Tom Hendrickson and Bud Barnes, Clinton; Brad Rockwood, Elmhurst, Ill.; Ted Johnston, Harry Skerry and Bill Lapp, Ames; Ed Waechter, Omaha, Nebr.; Ralph Russell, Waterloo; Tom Ludgate and Jim Rhodes, Fort Dodge.

Mrs. McKay, our housemother, is back after spending the summer in California.

Iowa Beta welcomes W. L. Cassell, Colo. Alpha '19, who had been stationed at the University of Colorado in Boulder. Appointed to the staff of the electrical engineering department of Iowa State College, he assumed his duties here in September.

New chapter officers elected at the first regular meeting are Jim Clapper, S. G., and Ed Sheridan, A. G.

More than a score of Phi Psis are claimed by extracurricular activities, and a generous share are competing in varsity athletics. Bob Morgan, assistant editor of *Sketch*, college literary publication, and chairman of *Sketch* publication board, is editorial assistant on the *Green Gander*, campus humor magazine.

Clair Parker is associate business manager of *Sketch*.

Representing Phi Psi in advanced military are Bailey, Morgan and Koch, senior R. O. T. C. officers; and Hughet, Parker, and Paul, junior officers. George Gitz, our trick riding specialist, is a member of Cossacks, Iowa State's mounted patrol.

Eby and Sheridan are staff members of the *Iowa Engineer*, while Eby is also a feature writer for the *Bomb*. On the *Iowa State Daily Student*, Bill Drozdowsky divides his time between the business office and the sports department.

At the opening meeting of the year G. P. Bob Wahl was elected treasurer of the Interfraternity Council. Named last year to membership in the Knights of St. Patrick, Nick Bailey is again active in this honorary engineering society. Nady, Parker, and McKlveen are band members. Weir is devoting his talents to the college orchestra.

Howard Buck, Phi Psis contribution to the football squad, is seeing plenty of action at left tackle on the Cyclone's forward wall. On the freshman football roster are Pledges McLuen and French. Rhodes and Ludgate are making a bid for the freshman wrestling team.

Larry Owens, Ill. Alpha '37, is affiliated with Iowa Beta. A letterman in tennis at Northwestern last year, we predict Larry will go far in Big Six competition. Pete Carrell and Bob Koos, veteran swimmers from last year, are making strong bids for starting position on the varsity squad, 1939 Big Six champions. Nady and Root are both active as managers with the track team. Walker is a basketball manager.

MISSOURI ALPHA

University of Missouri

● Rush week at Missouri was fairly successful. With the aid of our national president, Charles E. Strickland, who broke away from his work in Mason City, Iowa, we pledged the following eleven: John Gailbraith and Jack Landers, Kansas City; Fred Siscla, St. Louis; Scott Childress, and Gene Rogers, Houston, Texas; Junior Reser, Urbana; Charles Clark, Vandalia, Ill.; Herb Dennis, Paris, Ill.; Bob Bogard, Terre Haute, Ind.; Jim Mason, Toledo, Ohio; Bill Gogreve, New Orleans, La.

Jack Landers, after staying out of school a year, has landed a berth on the varsity

football team. Our sophomore pledge, Fred Siscla, is also playing varsity football. Bob Bogard assures us that he will surpass last year's record as runner-up for the University table tennis championship. Gene Rogers will follow in his brother's footsteps (Bob Rogers was last year's 120 lb. boxing champ.), as a fisticuffer. Jim Mason will probably return the golf trophy to the Phi Psi mantel. Junior Reser will land a spot on the freshman basketball team if he continues his hometown success. Charles Clark (son of Ernie Clark, Kans. Alpha '17), is the Interfraternity Pledge Council representative.

Officers are: Phillip T. Brinkman, G. P.; John F. Sicks, V. G. P.; Joseph F. Hughes, A. G.; Don Brinckmann, S. G.; Bob Rogers, Hi.; Ben Crawford, Hod.; Stacy Haines, Phu.

Stacy Haines has returned with his racquets with which he shall again pummel tennis balls at Missouri opponents.

Our ranks are swelled by two transfers. Bill Robb of Minnesota Beta, and B. F. Batts of Tennessee Delta.

After a lengthy sojourn in Arizona, Jack Mackay came back to old M. U. to peruse his studies and harangue the various campus cuties.

Art Griffin, my predecessor and our scholarship winner of last year, is the successful partner in a publishing house and the editor of *Valley Progress*, a growing young magazine on the Pacific coast.

Jim Crawford is now located at the Indiana State Penal Farms, doing some practical field work in the criminology profession.

Jack Duncan '37 is teaching physical education and coaching football at Brookfield High School, Brookfield, Mo. He resigned his freshman football coaching job at the U. to take that position.

Intramurals have begun. All have entered into the swing of things and the golf trophy is practically cinched. Our somewhat green football team could do no better than a scoreless tie Saturday morning.

Ben Bernie brought all the lads to town last Frinite and the University's social season opened with a bang. The lead trumpet player turned out to be a Phi Psi from N. Y. Beta.

We shall open the social season in hickish form next Sunday night with a hayride—wienies, cider, doughnuts, and all the fixin's. Our fall formal is scheduled for October 20th. We are importing a band from Kansas City to provide the inspiration.

TEXAS ALPHA

University of Texas

● The chapter finished a hectic spring by electing officers for the fall semester. Here they are: Bob Jewett, G. P.; Charles Fyfe, V. G. P.; Lyle Kendall, A. G.; Henry Sullivan, B. G.; John Jones, S. G.; Ben Duffie, Hod.; Bob Baxter, P.; Clyde Nicholson, Phu., and Bob Eades, Hi. After a stirring speech on the importance of freshman scholarship, Ray Coffin was elected Pledge Advisor.

Summer was longer, hotter and more humid than ever and all were enthusiastic concerning its end. This enthusiasm was followed by rush week. We rushed about madly for three days, witnessed Pledge Convocation, congratulated our new pledges, and then collapsed individually and collectively to sleep it off.

Our pledges are all clean-cut examples of the good American youth, and we are proud of them. Here they are, eighteen strong: Bill Browder and Brian Dillon, Amarillo; Truett Cook, brother of three other Phi Psi Cooks, Lufkin; Jimmy Cox and Conrad Vernon, Temple; Scranton Harrington, Joe Kendall (Phi Psi brother), Kermit Shimeall, and Edd Turner, all from Houston; Ed Taylor, Weimer Stratton, and Ray Powell, Austin; Arthur Head, San Antonio; Jack Keyes and Herbert Officer, Tulsa, Okla.; Tex Schramm Jr., a Phi Psi son, Alameda, Calif.; Holt Malone, Dallas, and Clint Pace, Vernon.

Truett Cook had three years at Annapolis, standing among the first ten in his class before he decided to forsake the Navy for the career of a lawyer. Jack Keyes, Brian Dillon, and Tex Schramm have earned places on the freshman swimming, basketball, and football teams, respectively. Tex Schramm Sr. used to play a lot of football for Texas back in the days when it was really rough and tough.

Conrad Vernon does the night-time announcing for one of the local radio stations.

Texas Alpha is back in the maelstrom of politics, and threatens to put Marshall Wells on the student council. Nelson Puett is securely anchored to his first string right half-back position on the varsity football team, which bids fair to overcome all opposition in the Southwest Conference.

Phi Psi seems to have one of its greatest intramural teams, having already won its bracket in softball and is looking forward to the all-intramural trophy with what amounts to bated breath.

Your correspondent sees fit to make com-

ment on the recent epidemic of pinnings in the chapter. Peterson, Hayward and Kendall have anchored themselves for life in as many weeks. Romance is rampant, and the full moon is probably fully responsible.

Last week the pledges took discipline into their own hands, and escorted Ross and Baxter for a long walk in the country. Now the brothers are afraid to venture out of the house except in large numbers.

Texas Alpha looks forward to one of its most prosperous years, and hopes the other chapters have the same.

KANSAS ALPHA

University of Kansas

● With rush week fading in the background Kansas Alpha's history is still in the making. Contributing to our already most successful years are the names of these seventeen: Larry Epperly, Lawrence; Otto Kiehl, Pittsburg; Bob Trump, Ottowa; Bill Ainsworth, (son of W. L. Ainsworth '12), Wichita; Mike Sheridan, (son of B. L. Sheridan '04), Paola; Bill Allen and Bill Hodge (brother of Campbell '32 and Russell '34), North Kansas City, Mo.; Harold (Bert) Dickerson, Phil (Spike) Robertson and Marvin Sollenberger, Hutchinson; Dan Nolan and Dick Miller (brother of Ralph Miller '37), Chanute; Steve Meade, Jack Horner and Kenneth Ray, Kansas City, Kans., and Dick Cassidy and Jack Parker, Kansas City, Mo.

The pledges are making names for themselves. Otto Kiehl has been elected to the Ku Ku's, a hill pep organization; is a member of the Modern Choir and the Men's Glee Club. The name of Steve Meade means power in the freshman football line, as does Dick Miller's in the backfield. Bob Trump, Mike Sheridan, and Marvin Sollenberger are excellent tennis players. Jack Parker has been chosen freshman cheerleader. In basketball we will have Marvin Sollenberger. Bert Dickerson is now working out for track.

Chapter officers are: Raymond Davidson, G. P.; Martin Thomen, V. G. P.; John Kline, P.; Chett Eckman, A. G.; Tom Arbuckle, B. G.; Cole Leverenz, S. G.; Bob White, Hod.; Douglas Miller, Hier.; Jack Webster, Phu.; Francis Franklin, Pledge Trainer, and Tom Higgins, intramural manager.

Last June, we held formal initiation for Jack Webster of Bartlesville, Okla., and Bob Gilliland, Hutchinson, Kans.

Our scholarship standing has climbed considerably and we are looking forward this term to even more scholastic achievements. At the end of last year we had two Phi Beta Kappas among us, Blaine Grimes and Tom Yoe. In the Pachacamac Inner Council, as its president, is Seth Gray. Jack Ledyard is the president of Delta Sigma Pi, local chapter of the national business fraternity. With the *Daily Kansan* is Larry Winn who is a member of the editorial staff, with Bob Trump taking an active interest in newspaper work.

We have no members playing varsity football at the moment because of injuries. Both of last year's lettermen, Ralph Miller, who had a knee operation, and Bill Lenhart, who injured his knee this fall are out but probably will see action before the season's over. In basketball, lettermen Miller, Kline and Allen, will be back, stronger this year than last.

We placed second among fraternities last year in intramural athletics, and will be fighting for first place this year. Our touch football team will begin operations next week. While we will have to fight to maintain the championship we won last year, we are confident we will reach this goal again.

NEBRASKA ALPHA University of Nebraska

● This past rush week Nebraska Alpha again came out tops due to the untiring efforts of Rush Chairman Bob Miller and the splendid cooperation of the brothers. Once more Nebraska Alpha has the best pledge class on the campus, no fooling. We take pride in announcing the following twenty-seven pledges: Al Busch Jr., Malcom Dow, Tom Grimes, Tom Kizer, Spencer Porter, Gordon Robertson and Bob Rydman, of Omaha; Gene Blankenship, Auburn; Tom Dredla, Crete; Charles Eggert, Aurora; Michael Flintjer, Sidney; Dick Harnsberger, Ashland; George Liggett, Utica; Jack Morrow, Scottsbluff; Hugh Sawyer, Pawnee City; Jack Senften, Genoa; Norris Swan, Kearney; Ben Brooks, Robert Guenzel, Tim Morse, Bob Osborne, Mike Philp, James Price, Carl Rohman, David Walcott, Lyle Wilson and Jack Zimmer, of Lincoln. We also report five who were pledged: Warren Radtke and Chester Bowers, Council Bluffs, Iowa; Dan Moravec, St. Paul, Neb.; Delbert Smith, Auburn, and Bill Sample, Omaha.

Mike Philp is the son of Major Philp, a Nebraskan Alphan of long standing. Tom Grimes and Bob Guenzel are both sons of Phi Psis. Dick Harnsberger has a father and a brother both Phi Psis. Norris Swan and George Liggett have active brothers in the Fraternity.

The following are officers for the first semester: G. P., Bob Miller; V. G. P., Louis Ball; P., Lee Liggett; A. G., George Yetter; B. G., Stanley Southwick; S. G., Bert Smith; Hi., Warren Jensen; Phu., Jim Selzer; Hod., Bernie Johnston.

Nebraska Alpha is looking forward to an exceptional year, internally and externally. The pledges are really hitting the books and we hope to be able to initiate all thirty-two of them.

George Seeman holds down the position of regular left end on the Cornhusker's football team. George is also heavyweight wrestler for Nebraska. Big Al Randall is again expected to be leading the Cornhuskers in basketball. Stan Southwick is one of the best gymnasts Nebraska has seen in a long time. Phi Psi as usual holds down tightly the positions of football managerships with Dick McClymont as this year's senior manager. Our hopes for next year are based upon Jack Meyer as junior manager. Jack Judy and George Yetter are sophomore managers and pledges George Liggett and Dick Harnsberger are freshman managers.

In intramural athletics our future is bright due to the large number of athletic freshmen.

Phi Psi has more active members and pledges in the important pep club, Corncobs, than any other fraternity on campus. Fred Stiner is an officer of the Innocents Society, highest reward for prominence in activities. Bro. Bob Miller is vice president of Corncobs. Carl Harnsberger is a member of both Corncobs and Kosmet Klub while Bob O'Connell is a member of Corncobs and assistant business manager of the *Cornhusker*, year book. Bert Smith and Jim Selzer are making a bid for activities fame as pledges to Corncobs. Jim has just been appointed fraternity editor of *The Cornhusker*. Lee Liggett and Harold Swan are members of the Business Administration Executive Council. Swan is Vice President of this organization.

Bob Moose, Dick McClymont, Bob Miller, Harold Swan, Lee Liggett, and Jack Meyer send their appreciation for hospitality shown them by Indiana Beta while visiting there. Also regards to Illinois Delta.

OKLAHOMA ALPHA

University of Oklahoma

● Hail, fellow Phi Psis! Heartiest greetings from Oklahoma Alpha.

After the clouds of dust had settled following rush activities, we came out with one of the best, all around pledge classes in several years.

They are: Jack Abrams, Miami; Tom Bartlett, Tulsa; Melvyn Dodson, Mangum; Joe Francis, Norman; George Labodie, Pawhuska; James Landrum, Dallas, Texas; Tom Lillard, Shawnee; King Montgomery, Perry; John Reeder, Amarillo, Texas; George Steinmeyer, St. Louis, Mo.; Jack Stuart, Oklahoma City; Carl Welch, Sapulpa. Reeder and Steinmeyer are hold over pledges, and Stuart is the brother of Dan Stuart, our present treasurer.

As in the past, we have another "jam up" softball team. We are planning to go places in intramurals and we are entering a team in every field.

The number of dances this year has been cut down by the Inter Fraternity Council, fraternities being allowed only four dances.

We feel blessed this year in having a new house mother, Mrs. O. N. Smith, and you can search far and wide but there is none better. Mrs. Smith's boys all love her and are proud of their "Mother Smith." In addition we are most fortunate in having Bill Paxson as our scholarship director. Bill comes to us from Ohio Alpha, and we feel that their loss is a great gain in our favor. His suggestions and cooperation are very noticeable around the house, so if Okla. Alpha can be made any better, he is as much a part of it as anyone else.

Officers for this semester are: G. P., A. V. Peoples; V. G. P., C. M. Beckett; P., Dan Stuart; A. G., J. W. Brindley; B. G., Bill Larson; S. G., Alan Cameron; Hod.; Morris Stephenson; Hier., J. W. Brindley; Phu., R. C. Hagens.

Last summer extensive painting was done on the outside of the house, and the interior is in excellent shape. Add the congenial atmosphere of the Brothers and you have one swell Chapter.

COLORADO ALPHA

University of Colorado

● Colorado Alpha has definitely started the year right by getting a good pledge class, both in numbers and quality. We have pledged these twenty-four: Herschell Bennett, Steamboat Springs, Colo.; Walter Blair and Jack (Snake) Liedike, Denver, Colo.; John Burr and Kenton Clarke, Hinsdale, Ill.; Severin Buschmann, Indianapolis, Ind.; Walter (Pat) Brandt, Menton, Kans.; William C. Cates Jr. and Wilbur Ford, Hutchinson, Kans.; William Cohenour, Albuquerque, N. M.; William Dobbs, Louviers, Colo.; Holmes Empson Jr., Neashi, Mo.; Russell Evans, Emerson, Iowa; Lee Knapp, Lysite, Wyo.; Arthur Macy, Upper Montcalm, N. J.; John (Barney) Oldham, Fort Hays, Kans.; Howard Piper, Greeley, Colo.; Thomas Sisson, La Junta, Colo.; Leslie Spicer, Casper, Wyo.; Robert Steele, Kewanee, Ill.; Don Stenback, Brush, Colo.; Jack Stong, Alamosa, Colo.; Charles Varner, Ovid, Colo.; Roger Saunders, Craig, Colo.

Several freshmen are participating in sports and activities. Pat Brandt and Les Spicer are out for freshman football. According to the coach's prediction, Les will be valuable to the varsity next year. Pat is also a wrestler of no mean repute. With him on the freshman wrestling team and Paul Dukes on the varsity, Phi Psi is well represented in that branch of the sports.

On the varsity football team are Charles Heebe and Morgan Davidson, back and lineman, respectively.

Bill Dobbs is working on the *Colorado Engineer* which is edited by Stan Applegate.

Howard Piper is working on the school paper, the *Silver and Gold*. He is eligible for the position of business manager next year.

In varsity basketball Phi Psi is strong. With Grove and Ravenscroft, regulars of last year, are Cates, Ford, Schmidt, McCloud, and Empson. Barney Oldham will be in the freshman basketball lineup.

According to John (Big Gate) Parker, our social chairman, we are holding our fall formal, November 11th. As is customary, this formal is in the nature of a costume dance. Since Gate is a drummer of Krupa inclinations, we at least ought to have a band which is plenty "solid".

WASHINGTON ALPHA

University of Washington

● Washington Alpha is off to another good start with these fourteen splendid pledges: Chuck Gilmer, A. Y. Baker, Chuck Herald, Bart Taro, Bill Harris, Bill McPherson, and Everett Ellis, Seattle; John Harris, brother of G. P. Guy Harris, and Lamont McDonald, Yakima; Wayne Garber, Kenewick, Wash.; Dick Knight, Mount Vernon; John Morganroth, Port Angeles; Roy Page and Ralph Cummings, Great Falls, Mont.

For the Washington-UCLA football game halfback Joe Dubsky was elected captain. Doug Graves is president of Malamutes, the University's undergraduate activity club. Working under Doug are Pledges Roy Page and Lamont McDonald who are trying out in hopes of being pledged in January.

Frank Hart and Morry Needham are junior and sophomore managers in swimming, respectively, Bill Brown, a captain of last year's frosh squad, trains for a berth on the varsity. On the golf links Jim Wingate and Pledge Bart Taro, runner up in the amateur Public Links Tournament at Cleveland two years ago, and Pledge Bill McPherson are doing well.

Pledge Ralph Cummings, after a good showing on the frosh basketball squad last year, expects to make the varsity, and Pledge Gilmer has good chances of making the frosh team. Frank Brennen sits in the stern of a shell on Lake Washington and has fine chances of becoming the varsity coxswain this year. In the frosh shells, Pledge MacDonald has hopes of becoming the frosh coxswain.

Pledge Wayne Garber asserts himself in debate. Pledge Ellis, a future Phi Bete, sings well in the glee club. Morry Needham, our music maestro, has definite plans for a band of his own, with Pledge Page at the piano.

Phi Psis are doing well in intramurals. Bob Rutherford is the junior manager in this department, and keeps things running smoothly. Our best chance probably will be in basketball. Last game Phi Psi won by 29-6 and the clicking combination of Mal Alexander, Paul Sather, and Pledges Cummings, Gilmer and Harris, really looks good. On the sidelines, Dan Mulrine, Pledge Page, and their board of strategy, make themselves responsible for this good showing.

In publications, Phi Psi is proud of Ed Murnen, business manager of *The Daily*.

Helping Ed are Don Raymond and Bud Hajek. Tommy Paddison has been playing in every show the Washington Show Boat Theater has put on.

Recent elections provide a splendid leadership and ability to keep the chapter running smoothly. Those elected are: Guy Harris, G. P.; Jack Parker, V. G. P.; Gilmore Kirkman, P.; Maurice Needham, B. G.; William Brown, A. G.; Bob Rutherford, S. G.; Tom Paddison, H.; Ed Marble, Phu.; and Dick Pollard, Hod.

Our social calendar is filled with a pledge dance next week end. The Homecoming game against Stanford with its floats and parades; the Oregon game which brings our brothers from Oregon Alpha; our endeavours in scholarship, and the many internal activities of the chapter will keep us busy.

OREGON ALPHA

University of Oregon

● The hustle and bustle of rush week is over, and Oregon Alpha has settled down to what promises to be a banner year. We have a fine pledge class of seventeen top men, and promises from our Alumni Holding Corporation of a new house sometime during spring term, so there is no reason why this chapter shouldn't really go places.

Our fine crop of pledges hails from all over the Pacific coast, and shows a great variety of interests in campus activities. From Portland we have Don Hoffman, brother of Marsh and George Hoffman, both actives, and Bill Forge and Cliff Willcox, both of whom are accomplished pianists. From West Linn are Ted McMurren and Bob Williams. Ted is out for freshman football. Jerry O'Callaghan, Eldridge Anderson and Joe Kennedy are from Klamath Falls. O'Callaghan has landed a newshawk job on the school paper. Dixon, California, claims Russ Rohwer, whose brother "Dutch" is a senior in the house, and Tom Hess. Jeff Willcoxon, an up-and-coming campus politician, is from Los Angeles. Paul Live-say and Phil Sinnot are from San Francisco, Paul being a transfer from San Mateo J. C. and an excellent intramural tennis man. Ralph Stevens, of San Jose, Calif. is also a transfer from Junior College. Terry Mullin,

a likely prospect for frosh tennis is from Beverly Hills, Calif. Craig Oelson, a transfer from Kemper Military Academy, is from Seattle, Wash. The only town man pledged is LeRoy Elliot.

Irving Johnson is our new G. P.; Pat Keller has been chosen V. G. P.; due to the failure of George Varoff to return to school, Harry Kettering takes his post as B. G.; and the writer is struggling along at the A. G.'s position. The officers are full of pep and the old Phi Psi spirit, and have vowed to make the school year of 1939-40 one of the finest that this chapter has ever seen.

CALIFORNIA BETA

Stanford University

● A new and even better year than last seems in the offing for California Beta. The first few weeks of living with our sophomore pledge class gives cause for congratulations to ourselves on their account, because every man in the class fits into the house as though he were a necessary part.

Our boys are once again taking their places as top-notch performers in almost every school activity. Sophomore Colin McClintock and Aubrey Austin are doing notably in their efforts to fill the shoes of big Pete Zagar and By West on the varsity football squad. "Cocky" Campbell Kelly, as a third quarter frosh, is making quite a showing out there in Freshman ball, and we are counting on Lloyd Pflueger as being next year's Senior football manager. In basketball, Eddie De Moss, 'Tillie' Denton, Dick Taylor (six foot seven of him and it all works together), and Morgan Noble are looking good out there during early practice sessions. Soccer is also well represented by Phi Psis Al Pellas, Grey Bryan, George La Nicca, George Egenoff, and Dick Compton.

Our autumn activities do not cease with athletics, either. We point with justifiable pride to the newly elected George Jedenoff as Tau Beta Pi president and Bob Richardson as Ace Society president. Jedenoff is in Missouri for a week of Tau Bete convention. Doug Bryan and Aubrey (whisper) Austin are prominent in dramatics, and we look to each for many fine things in this field. Grey Bryan and Morgan Noble are also active, each heading important committees in their respective classes.

Grey is our new rushing chairman, and he announces with pleasure the pledging of Jim

Adams, class of '41. Though official rushing does not start for several weeks, we have a swell line on a number of the more promising Frosh. Ray Stahl and George La Nicca should be thanked for this information, because each gave a summer rush party which I'm sure that no one present will ever forget. When it comes to getting a pledge class this year, just watch our smoke!

Merritt Prewett is sounding out many and varied suggestions concerning our annual Hobo Dance, one of the best dances on the campus every year. "Prod's" working hard, and he tells us to expect a bigger and better dance than ever before. Working in collaboration with "Prod" are the recently installed officers composed of Jerry Sparling, G. P.; Bob Richardson, V. G. P.; Merritt Prewett, B. G.; Elton Boone, A. G.; Robin Hood, Hier; Ray Stahl, Phu.

I can't afford to forget the way we are knocking 'em over in intramural football. Phi Psi I. led by last year's all-intramural blocking back, Robin Hood (So 'elp me, that's his name), kicked the daylights out of their first opposition by a score of 40-7. Phi Psi II, using Captain Leroy Fraser as their main threat, also won their first game 12-0. We are looking forward to the Intramural Championship being determined by a final game between teams I and II.

CALIFORNIA GAMMA

University of California

● August 16th saw the Cal Gamma crew returning to resume where they had left off last May. With Don Storch as rushing chairman, we obtained the following nine pledges: Ken Ables, Turlock; Jim Jurkovich, Fresno; Bob Baxter and Harold Wise, Sacramento; Gordon Hodgson and Jack Cleave, Los Angeles; Jack McConnell, Patterson; John Mouser, El Centro; and Leighton McGinty, Terrell, Texas.

During the summer several members made names for themselves. Among these was Les Still, Jayvee crew stroke, who led his shell in making their fine showing at Poughkeepsie, coming in third.

In athletics, Phi Psi is on top again, this year. With Paul Semmens and Morley Mathewson, right and left ends, respectively, the California Bears will shift into action with more pep and vigor. In the pledge class are Ken Ables, another of a Phi Psi family, demonstrating his skill at center; and Jim Jurkovich, an honor student holding three

state track records and All San Joaquin Valley backfield position in football.

Realizing that college life at its best is not wholly studying, Cal brothers have been entertaining outside activities. Dutch Rosenberger and Ed Saunders, junior managers of baseball and basketball, respectively, show what an outside activity can amount to. Ed Bucklin is a member of Beta Sigma Gamma, national honorary commerce organization; Bob Buckles is on the basketball sophomore manager list, and Bob Binkley is on the football sophomore manager roster, and is a member of Delta Phi Epsilon, national foreign service fraternity.

Socially, we have begun the season in appropriate manner. First came initiation, with the formal ritual on Sunday, September 17th, at which Leonard Rosenberger, William Murray, Gardiner Craft, and Warren Anderson were introduced to the mysteries of Phi Kappa Psi. On the 23rd was the pledge dance, in the form of a unique and novel South Seas Dance, with costumes made to blend with the atmosphere—bamboo, palm leaves, coconuts, and Hawaiian orchestra with hula dancers.

Scholastically the house rose .14 grade points in one semester, which is mark of improvement, and which will climb even higher this year.

Cal Gamma brothers, under Harley Leete, G. P., Les Still, V. G. P., Will Ingram, P., Dick Kilbourn, B. G., and Paul Semmens, the newly-elected P. for next semester, are attacking their problems with a genuine sincerity of purpose and are making a showing out on the campus of the world's largest university that Phi Kappa Psi can well admire.

● Our scholarship grades last term reflect a more healthful situation. Head Brain Truster is Bob Davis. He earned an A in every course but one, in which he got a B. Frank Swerles came through with a B average, despite his football activity.

Thirteen likely looking boys are wearing the old gravy bowl as a result of our rushing activities. They are: Bill and Wilbur Finch, brother and cousin of our crack mile runner, Shadow Finch; Howard Utman, brother of Footballer Gabby Utman; Chuck Kennedy, freshman quarter-miler; Ash Norris, freshman tackle from Oklahoma; Joe Zabani, basketball player; Jim Wagner,

Dick Williams, Chuck Carter, Stuart Garner, Kennedy Weatland, Chuck Blike and Leonard Andrews.

The Trojan varsity football team includes Phil Gaspar, tackle, and Bronco Bob Peoples, fullback,—both first-stringers. Five other husky Cal Deltans are on the squad and must be considered potential possibilities for the first-choice positions. They are: Carl Benson and Gerry O'Conner, guards; Leon Utman, center; Frank Bennett, tackle, and Frank Swerles, quarterback. All seven are hopeful of seeing Rose Bowl action.

Current officers are: Bob Hermann, G. P.; Frank Swerles, V. G. P.; Frank Bennett, P.; Jim Lytle, A. G.; Harry Call, B. G.; Ed Heizman, S. G.; Searles Tally, Hod.; Syd Barton, Hier. G. P. Hermann was captain of the golf team last year.

Winning its first three intramural football games by tremendous scores, Cal Epsilon seems well on its way to another championship. All-Interfraternity Center Lamberson and Tubbins Alshuler reap much personal glory.

John Cole was elected president of the senior class and Alshuler gained the like office for the sophomores.

FROM PHI PSI FRONTS

NEW YORK ALUMNI ASSOCIATION

● The job of handling the association affairs of 1500 metropolitan Phi Psis was passed on to a new set of officers who began their service January 1, 1939. Under the able leadership of Earl McKnight, the new crew entered into an active program pointing to the Founders Day Banquet. The center of activity was again in the offices of Gorgas and Thomas, and, with the frequent aid of the retiring president, Will Ward, and Howard Westman, favorable returns were received. On the night of February 17th some 150 of the brothers gathered in the paneled halls of the Commodore Hotel and allowed President McKnight to dispense with his Presidential Privilege. Harry S. Gorgas, Treasurer of the National Fraternity, acted as Symposiarch, and Leverett S. Lyon, past President of the National Fraternity, ably filled the guest speaker's chair.

Needless to say, the brothers all agreed as to the success of the affair. With such experience in back of them, the committee is now planning for the coming banquet, which from advanced predictions will reach a new high for attendance.

From then until the summer outing, which was held July 12th, Phi Psi activity was limited to monthly luncheons. These luncheons are divided into two groups geographically, The Uptowners and the Downtowners. Under the stimulus of Richard Ferguson the first group holds luncheons at the Commodore Hotel on the first Wednesday of each month; William Powell, by means of his card system, gathers together his financiers on the last Wednesday of each month and provides the cuisine of Oscar. During the winter months these meetings draw a rather good attendance and provide an excellent opportunity for old and new members of the association to renew the past.

(Ed's note: Even some insurance men attend!)

The summer outing, held this year within the spacious confines of the Sleepy Hollow

Country Club, was a most successful event. Not only was it successful because of its large attendance, but also because of its notable personages such as Ford Frick, Ind. Alpha '13. The brothers had two golf courses, a swimming pool, tennis courts, etc. at their disposal. Following a full day of sport the brothers joined the ladies for an evening of dining and dancing on the terrace of the club. Will Ward dutifully presented the prizes after the dinner. Outstanding was the prize given to the wife of Arthur Hill for her ability to master the intricate highways and turns from Darian to Sleepy Hollow. The setting, the music, the dinner, Earl McKnight's second Presidential Privilege, all blended together to make a splendid outing for the association.

NEWS NOTES:

Harold Halstead has made the headlines in the New York papers with his frequent "Star" boat victories. His racing has been associated with the Great South Bay Fleet.

Walter Pate has for the past two years been the non-playing captain of the United States Davis Cup Team.

Harry Gorgas is grooming the New York Association for the next Grand Arch Council to be held at Spring Lake, N. J., this coming June.

William A. Staats Jr., son of William A. Staats, New York Gamma and former Archon, and Stamford Meigs, son of Merrill C. Meigs, Illinois Beta, both pledged New York Epsilon last spring.

Howard C. Shepherd's son was pledged to Indiana Alpha.

Will Ward was spending a much needed vacation in England when the events leading to Hitler's Blitzkrieg forced him to these shores aboard the *Queen Mary*.

William Powell, a converted left-handed golfer, gave just one "right" swing and immediately joined the envied Hole-in-One club.

Art Atkinson was a semi-finalist in the Connecticut State Golf Championship and later a finalist in the New York State, but he was never a winner.

In the future the committee would greatly appreciate any correspondence or news that would be of interest to the association.

There is a possibility that there are residing within this district several Phi Psis who have not received notices of our events. In such a case we would like to have the names and addresses for our mailing list.

PHILADELPHIA ALUMNI ASSOCIATION

● Since the last previous newsletter, the following officers have been elected to serve until the annual meeting in May: President, James H. Little, Pa. Iota '16; 1st Vice President, Alfred W. Hesse Jr., Pa. Lambda '30; 2nd Vice President, Harry C. Tily II, Pa. Kappa '09; Secretary, Henry R. Dowdy Jr., Pa. Lambda '27; Treasurer, Lester C. Bosler, Pa. Iota '02.

This year the Alumni Association held two outings. The first was held in June at the Huntingdon Valley Country Club. At it the Association's two golf cups were up for award. John Batdorf retained the Tily cup, and Frank Lombard won the Halstead cup. The Fall outing was held at the Overbrook Country Club in September. No cups were up for award, but in the informal golf tournament, George Richards came out on top. In the evening, Bill Woodcock's bowling team met and overcame all competition, much to the chagrin of Franz Ralston and his team members.

The attendance at both outings was somewhat disappointing to members of the committees, but those attending certainly seemed to have pleasant evenings.

The next event on the activities calendar is the Founders Day banquet. This has always been considered an important affair by the Association, and President Little already has plans under way to make it the memorable day it should be. In accomplishing this, he will be aided by Lester Bosler, who has established a reputation for organizing successful Founders Day banquets. As a consequence we should have a program attractive to every Phi Psi.

Members of the Association still meet for weekly luncheons on Thursdays, between 12:15 and 2:00 o'clock at the Hotel Adelphia grille room. We are always happy to see a new face; if you're in Philadelphia on

a Thursday, be sure to lunch with us. And to those recently graduated brothers, we particularly appeal. Graduation from college is not graduation from Phi Psi. Join us.

Your correspondent is now connected with the legal department of the Reading Co., with offices at 415 Reading Terminal Bldg., this city.

CENTRAL NEW YORK ALUMNI ASSOCIATION

● Starting off another year of association with our brothers in the Syracuse area, the Syracuse alumni club will hold regular weekly meetings every Monday following the same practise we have had for the past several years.

We had many members of the Fraternity at our last Monday meeting from a large number of colleges in the eastern part of the United States. Each one of them is interested in aiding us in our Fraternity work in this section. We are looking forward to another successful year with the addition of those new men.

One of our new members is Breen Ringland, graduate of Amherst college, who is working for the Sinclair Oil Co. in Syracuse. Brother Reinhardt, Syracuse graduate, recently resigned from the General Motors Co. and is associated with the Syracuse Trust Co.

We are happy to welcome Warren R. Bentley as manager of the new times sales department of the First Trust and Deposit Co. in Syracuse. He will direct a new banking service which makes available time payment facilities for the financing of many undertakings.

Among the group of newcomers is Dick Dower, president of the 1936 senior class at Syracuse, who is the new president and general sales manager of the Russell Coal Co. Dick was head cheerleader and president of the local chapter.

Patch Giles, one of our outstanding alumni who has a son, Lake, in the undergraduate chapter, just recently accepted the promotion and advertising managership of the Hotel Syracuse.

Fritz Foster is the president of our alumni association, and he has been doing a great deal for the local chapter.

DISTRICT OF COLUMBIA ALUMNI ASSOCIATION

● We had one of the most interesting and enjoyable years ever experienced by the Phi Psis in and around the city of Washington. Our last year's president, Jim Pace, Miss. Alpha '35, arranged a banquet on last Founders Day, with Barge Hartz, Pa. Lambda '12, chairman, that will remain long in the memories of the attending brothers as a truly inspiring and joyous Phi Psi meeting. It was our great privilege on that occasion to have as guest of honor, Pierce Butler, Minn. Alpha '85, Associate Justice of the United States Supreme Court, who told us many interesting anecdotes about college life at Carlton College, Minnesota, from which he was graduated in 1885.

At the banquet the following officers were elected for the year: Leslie J. Reardon, president; James K. Pace, vice president; Frank M. S. Miller, secretary; William A. Semmes, treasurer, and S. Dean Caldwell, corresponding secretary. This fall we are changing our luncheon schedule from the first Tuesday of every month to the first Tuesday of every week. The luncheons will be at Lafayette Hotel, 16th and Eye Streets, Northwest. The change is being made with the expectation not so much that every brother can come every week, but that more brothers may be able to attend at least some weeks.

We are starting off with an evening party at the Lafayette Hotel on October 13th. Many brothers who are not able to attend luncheons, will welcome this chance for a little reunion, song and fellowship.

Any of you brothers who happen to be coming through Washington—we wish you would look us up in the telephone directory and give us a call. If it happens to be Tuesday, just come right into the Lafayette Hotel and have lunch with us.

PITTSBURGH ALUMNI ASSOCIATION

● The summer season has been uneventful at the Pittsburgh Alumni Association, with the exception of a very successful picnic held September 15th at Daniels' Farm, where thirty-one brothers held forth in a variety of entertainment, including the annual classic, the mushball game.

Don McCaskey has evidently learned enough about economic matters as treasurer

of the Association to feel competent to prepare a family budget, for he joined the ranks of the benedicts on August 30th when he married the former Miss Harriet Floyd of Trinidad, Colo.

We are sure that there are many brothers who have recently graduated from college who could attend our weekly luncheon meetings and we wish that they would join us. We still meet every Thursday at the Nixon Restaurant.

CINCINNATI ALUMNI ASSOCIATION

● The Cincinnati Alumni Association enjoyed two glorious events during the summer. On June 23rd a picnic was held at the Miami Boat Club. The annual ball game between Ohio boys and the World Team representing other than Ohio colleges was the feature. Ohio emerged victorious, her stars scintillating literally all over the place. Ran Darnell, the beer barrel poker, slammed out some long ones. Ells Enoch talked the best game on the field and off but played the best game off. The score resembled a Minnesota football victory but the World defense managed to keep it down to two figures. After the game a grand dinner was enjoyed and then some lighter indoor sports filled the evening. Some of the fellows complained of being a bit stiff and weary the day after the game. Others just couldn't be heard from at all. Tom McDonald recorded the day by movie camera.

As Cincinnati is a baseball town—or is it?—the second event of the summer was a game between our stalwarts and the Cincinnati Alumni of Phi Gamma Delta. Their chief claim to fame still remains the fact they were founded at the same college as Phi Psi for they came out on the short end of a 7-2 score. Dick Brown and Bob Stegner formed the air-tight battery. Stegner was aired; Brown was tight. Jack Reiter did some tricky work at third. Bud Richards poled the only home run. The ball was returned by parcel post. Dick Baker lost his shirt somewhere during the game but when he went into action at the evening pastimes he won the shirts off everyone's backs.

Jim Cochran, a welcome resident in Cincinnati during the past year, has departed for Akron, Ohio. Jack Hague has moved here from Chicago. Walter Murphey has joined us from Mississippi. Charley Stoup,

over in Connersville, has a new addition to his family.

Several years ago a few Phi Psis determined to make Cincinnati Alumni Association one of the most active. Today we have it. Remember to visit our luncheons when in Cincinnati.

CLEVELAND ALUMNI ASSOCIATION

● The Annual Rush Party was held September 1st at the Mid-Day Club. Approximately one hundred were present. Twenty of these were sub-freshmen. The actives were well represented as well as many leaders of professional and business life among our alumni.

The party afforded an opportunity for alumni, undergraduates and sub-freshmen to become acquainted. Likewise the sub-freshmen learn about fraternities in general and especially about Phi Kappa Psi.

Some of the alumni were cajoled into sitting at the speakers' table upon the express promise and inducement that they would not be asked to speak. The majority of the alumni preferred to be with the actives and the sub-freshmen.

The following alumni all took a bow after being appropriately introduced to the sub-freshmen and brothers present by our President, Blake Womer:

A. R. Ayres, N. Y. Alpha '98, General Manager of The New York, Chicago and St. Louis Railroad Co.; Samuel W. Emerson, Ohio Epsilon '06, President of The Sam W. Emerson Co.; Frederick C. Merrick, Ohio Alpha '92, President of The A. S. Gilman Co.; Albert B. Green, Ill. Alpha '05, Investment Broker; George A. Moore, Ill. Alpha '98, of George A. Moore & Associates, and one of the trustees of the Endowment Fund of The Phi Kappa Psi Fraternity; Karl O. Thompson, Mass. Alpha '00, Professor of English, Case School of Applied Science; John D. Marshall, Ohio Alpha '02, former Mayor of Cleveland; Jack C. Hibbert, Ohio Alpha '30, of New England Mutual Life Insurance Co.

The dining hall echoed and re-echoed with the singing of the old, familiar songs of the Fraternity. In fact we taught the sub-freshmen those songs so well that many of them were heard whistling the tunes when the gavel fell at the close of the party.

Wesley P. Sykes, Ohio Epsilon '12, laid aside his duties as metallurgical engineer

of The General Electric Co. and attended the meeting for the express purpose of presiding at the piano. Harold C. McArt, Ohio Epsilon '23, a high-powered salesman for The Aluminum Co. of America, and likewise an excellent vocalist, led the singing.

Dab Williams, Ill. Delta '06, rounded up the undergraduates but refused to sit at the speakers' table, speech or no speech. Dab did, however, make it a point to become acquainted with every sub-freshman guest.

The only speaker was Oliver T. Mansfield, Ohio Alpha '34, now a student at the Law School of Columbia University. Oliver outlined the illustrious past, the successful present and the promising future of Phi Kappa Psi. Everyone listened attentively to the words that fell from the speaker's lips in praise of the fraternity system as a whole and Phi Kappa Psi in particular.

The sub-freshmen were guests of the Association, and a feature of the lunch which should not be overlooked is that the treasury went in the hole \$35.00. Treasurer Jack C. Hibbert expects to absorb this deficit just as soon as the general financial situation becomes a little more stable and after Herr Hitler and Senator Borah have stopped making speeches.

The following bits of news have been gleaned from the society columns, the Chamber of Commerce reports and other estimable publications:

Harold Clark, N. Y. Epsilon '27, Robert B. Fiske, N. Y. Beta '34, Charles F. Negele, Ohio Epsilon '29, and Robert R. Elliott, Ohio Alpha '35, have recently joined the benedicts.

Leslie Reardon, Ohio Epsilon '24, now residing in Washington, D. C., recently attended our weekly luncheon. He is president of The Phi Kappa Psi Alumni Association of Washington, D. C.

Clarence W. Giles, N. Y. Beta '09, has taken a responsible position in Syracuse, New York, so that he can be near the athletic events of his beloved Alma Mater, Syracuse University.

Royale Wise, Ohio Epsilon '19, is now in business at Ann Arbor, Mich.

We have our weekly alumni lunch every Monday, except Labor Day, at high noon at the Russet Cafeteria, Hippodrome Building, 720 Euclid Avenue, Cleveland, Ohio. The management think so much of us that they have given us a private room, and cafeteria doesn't mean that you have to carry your own tray. If you are in Cleveland on any Monday, drop in to meet the brothers.

FINDLAY ALUMNI ASSOCIATION

● A recent meeting of the Findlay A. A. purged the "Rump Parliament" which had so long and tenaciously clung to office and elected Fort Flowers, president; Joe Wiseley, vice-president; and John Hollington, secretary and treasurer.

Information from the Chapters indicate that a record number of Findlay freshmen will be pledged.

Vital statistics of recent months include the marriage of Bob Swartz and the birth of twins to Bob and Mrs. Gore.

Spike Milligan of Massillon, Dick Jordan of Detroit, and Dick Hollington of Cleveland were here for a week end.

TOLEDO ALUMNI CLUB

● A postcard reminder mailed each Thursday has proved successful in securing an average attendance of twenty-five at our weekly luncheons held each Friday noon at the Commodore Perry Hotel. We extend a cordial invitation to all visiting Phi Psis to join us when possible.

In order to settle some of the loose talk about golf scores we held a tournament at the Toledo Country Club, August 11th. Several of the Findlay brothers came over for the occasion and carried off some of the prizes. Everyone had a good time and we have decided to make it an annual affair.

We recently published a directory of local alumni and find that we have close to ninety in Toledo. This does not include many undergraduates whose names will be added as they are located.

INDIANAPOLIS ALUMNI ASSOCIATION

● Phi Psis from Indiana and many who live beyond her borders will convene at the Claypool hotel in Indianapolis, Wednesday, November 22nd for the forty-sixth annual renewal of the widely known Thanksgiving eve banquet.

Edward C. Elliott, Neb. Alpha '95, president of Purdue University; Charles E. Strickland, Mason City, Ia., president, and C. F. (Dab) Williams, Cleveland, O., secretary of Phi Kappa Psi, representing the

Executive Council, have been invited as the guests of honor.

Dr. Andrew G. Truxal, vice-president and director of alumni associations, delivered the principal address at the 1938 banquet and the kindly philosophy and practical wisdom with which the beloved "gentleman from Dartmouth" characterized his talk made a lasting impression of the Fraternity's real ideals among Hoosier undergraduate members and alumni alike.

More than 275 alumni and undergraduates are expected to attend this year's gathering, including the entire memberships of the state's three fine chapters, Indiana Alpha, at DePauw; Indiana Beta, at Indiana, and Indiana Delta, at Purdue University.

In the Riley Room (where it has been held for more than thirty years) named for the Hoosier poet and Phi Psi, James Whitcomb Riley, the banquet will get under way. Special entertainment features are being planned for the 1939 meeting, in addition to the typical Fraternity song service, reports of achievements of the Indiana chapters, and the informal and unpredictable, yet always entertaining stunts of the Indiana Gamma alumni contingent. But ancient football rivalries are likely to dominate the conversations because this year's meeting precedes by only a little more than forty-eight hours the Purdue-Indiana Hoosier gridiron classic at Bloomington, and the traditional fight to the last whistle between the Old Golds of DePauw and the Little Giants of Wabash will have taken place on the preceding Saturday.

That the attendance at the 1939 banquet will be the largest in the long history of these affairs was the prediction of T. A. (Tom) McMahon, Ind. Delta '23, president of our association. In 1938, with sleet and ice covering roads and making most forms of travel hazardous, active members of the three Indiana chapters almost to a man and alumni from throughout the State, figuratively crawled their ways to Indianapolis. The attendance was 254.

"Every Phi Psi, wherever he lives and whatever his chapter, is welcome at this banquet," said McMahon. "We believe that it is a somewhat unique institution in the Fraternity, and we know that those who attend enjoy themselves and experience a renewal of their contact with and interest in Phi Kappa Psi which many would enjoy in no other way. That is the reason, we think, they have been so successful through their long history; only the World War ever served to stop the succession and then only for the year 1918.

"And this is one banquet that starts and stops on time. We'll have completed the program by not later than 9 o'clock so that everyone who desires to do so may get an early start for his Thanksgiving Day homecoming."

Edward H. Knight, Ind. Gamma '93, corporation counsel of the City of Indianapolis and former national treasurer of the Fraternity, has been appointed chairman of the speakers' committee, in addition to his self-imposed task of communicating with all alumni of Indiana Gamma with a view to filling up the "Gamma Table" which has been a feature of the banquets from the start.

Officers of the alumni association of Indiana for 1939, in addition to McMahon, include Joseph L. Weinland, Ind. Delta '24, of Lafayette, Ind., vice-president; Roscoe C. Clark, Ind. Alpha '16, treasurer, and Herman B. Gray, Ind. Beta '17, secretary, of Indianapolis.

CHICAGO ALUMNI ASSOCIATION

● And so rolls around another fall, and judging by the rushing activities of the Chapters in this locality, as well as the names of freshmen to be sent to Jack Hague and his Central Rushing Bureau, school must have started again.

One of the most delightful experiences your correspondent has had the pleasure of witnessing was the consecration of Brother Edwin Jarvis Randall as Suffragan Bishop of the Episcopal Church of Chicago. Brother Randall, N. Y. Delta '89, is one of the most glorious individuals one could ever meet and certainly he is worthy of the honor that has been bestowed upon him. This service had to have the Phi Psi touch so Clyde Joice, Ill. Beta '09, was in charge of the ushers.

Brookings Institution's loss is Chicago's gain, as Brother Leverett S. Lyon, Past President of the National Fraternity, comes to Chicago as the Chief Executive Officer of The Chicago Association of Commerce. Brother Lyon's job is the simple one of making Chicago a bigger and better city, and must, therefore, adjust the city to changing conditions. Quite obviously the problem will be answered and the job done completely, inasmuch as Lev is more than capable of tackling any job. We are mighty glad to have him back with us.

It is with considerable regret that we

make known that George Warner Swain, Colo. Alpha '14, has been ill for some time. This old Association doesn't have quite the same zip to it when George isn't around to make life merry for all of us. George will be back again and on the job in the near future, we are told, which is certainly good news for us.

Merrill C. (Babe) Meigs, Ill. Beta '08, is the publisher of the new *Chicago Herald American*, that paper being the result of a merger of the Chicago Evening American and the Chicago Herald & Examiner.

Fred Lind, Ill. Alpha '32, is one of the outstanding reasons for the success of the Chicago Rugby Club's record of no defeats in three years. Freddie, despite his size, continues to play the same fighting, brainy game that he displayed in football on the field for Northwestern University. And, if you haven't seen the game of Rugby played, you have missed plenty, as it is unquestionably one of the greatest spectacles one can observe. If you get a chance, by all means don't pass up seeing any Rugby game and particularly, the Chicago Rugby Club with Freddie Lind.

Chuck McGuire, Ill. Beta '22, still dominates the Chicago Bar Association by repeating again in winning the Association's golf tournament. This is old stuff to Chuck and he is not losing any of the name he made for himself as an All America football player at the University of Chicago.

The versatility of this Association is amazing. Witness the fact that we have two outstanding yachtsmen who own and sail their own boats in all of Chicago's championship races. Clyde Larish, Ill. Beta '23, with his *Winsong* and Eph Banning, Ind. Alpha '37, in his *Lord Jim IV*, are right in there week after week in the yachting events. Of course, Art Fellows, Wis. Gamma '01, is a sailor from way back when and still does his share of it. His competitive days apparently are a thing of the past.

Les Jaspersen, Wis. Alpha '35, and Shorty Olson, Ill. Beta '29, jumped on the marital bandwagon this summer. Don Birney, Ill. Beta '30, and Don Ewald, Ind. Delta '37, became proud pappies again for the third and first time, respectively. In Birney's case, it was the long hoped for boy to continue the athletic prowess of the Birney dynasty.

We wish more out-of-town brothers would stop in at our regular weekly luncheons held each Monday noon in the Interfraternity Club quarters of the Hotel LaSalle, at LaSalle & Madison Streets.

ST. LOUIS ALUMNI ASSOCIATION

● Since the last letter to *The Shield*, the former correspondent for the St. Louis Alumni Association, W. S. Brown Jr., has left our city. Bill received a promotion with A. T. and T. and with it transfer to the firm's Kansas City Branch. Our best wishes go with you Bill. The Kansas City Alumni Association receives a new member who is sure to be a valuable asset.

In an effort to create new interest in the weekly luncheons at Scruggs-Vandervoort-Barney each Friday, President Orsen Lee has inaugurated a new idea which has proved most successful. The first Friday of each month is designated as a special meeting. All St. Louis Phi Psis are asked to make an extra-special effort to be present at these luncheon meetings. In this way we have managed to fill our private room at Scruggs at least once each month. The brothers who have difficulty making the regular weekly meetings are assured of seeing a large number of old Phi Psi friends if they can manage to drop in at these special monthly meetings.

An old member of our St. Louis Alumni Association returns to the city about the same time Bill Brown leaves, thus offsetting the membership loss. Banks Hudson, receiving another promotion from MGM, has been transferred back to the St. Louis office. We're glad to have you with us again, Banks.

WESTERN OKLAHOMA ALUMNI CLUB

Oklahoma 23!

Northwestern 0!

● That's the score that redeemed the Oklahoma Sooners in the eyes of Ted Husing and many others who have had a hard time forgetting the Orange Bowl fizzle with Tennessee. Texas Longhorns, having defeated

Wisconsin 17-7, all eyes are pointing to the Oklahoma-Texas gridiron clash at Dallas on October 14th. The trek to Dallas looks as though it is going to be unanimous, and the North Texas Alumni Association had better have plenty of room for the Oklahoma brothers at the annual luncheon at the Baker Hotel before the game.

On September 30th, a reunion was held in the chapter house in Norman of members of Kappa Psi who were the charter members of the Oklahoma Alpha chapter in 1920. A goodly crowd gathered, and later witnessed the bad breaks and inexcusable fumbles so characteristic of an opening encounter, which resulted in the Oklahoma Sooners' 7-7 tie with S. M. U.

President Tom Hayward presided at the luncheon on October 6th, and meetings will be held regularly on the first Monday of each month at the Oklahoma Club in Oklahoma City. K. R. (Jack) Rone, who recently opened his own general insurance agency with Hank Moran in the Braniff building, has been designated to corral the brothers for the Homecoming luncheon November 3rd. These activities will be a preliminary to the regular Homecoming, to be held the next day at the chapter house in Norman where the gang is to have luncheon before the Sooner-Iowa State game.

A new addition to the Oklahoma City Phi Psi list is Dick Turner of Holdenville, who moved here to take charge as W. P. A. supervisor of a code revision project. Also welcomed back to Oklahoma is Robert R. Lockwood Jr., who has returned from New York to become associated with his father in Tulsa in the general insurance business.

Henry S. Griffing, prominent Oklahoma Alpha alumnus, and Attorney General for the Fraternity, has left his law firm and opened his own air-conditioned suite of offices on the twenty-seventh floor of the First National Building for the general practise of law. More power to you, Henry!

The Oklahoma City group misses this year the medical students who so faithfully attended their gatherings prior to their graduation in June. Dr. Neville Bowers married Theta Hallie Jane Smythe the day after he received his diploma, and took her with him to Washington, D. C., where they are living at 2222 Eye Street, N. W. Neville is associated with the Gallinger Municipal Hospital in Washington.

Dr. Harold Abernethy is now interning at Broadlawns, Polk County Public Hospital, in Des Moines, Iowa, and Dr. Eugene B. Ley, another O. U. Phi Psi, has gone to the Henry Ford Hospital in Detroit, Michigan.

A host of Phi Psis in Oklahoma City await you with outstretched hands. Let us know when you come this way.

NORTHERN IOWA ALUMNI CLUB

● During the past summer, the Northern Iowa Alumni Club was pleased at the large number of brethren who dropped in for a visit, especially during the State Golf Tournament which was held in Mason City; and from the list of entrants, could have been called a Phi Psi golf tournament.

Among the contestants we found Johnny Vavra, Iowa Beta, from Cedar Rapids; Jim and Dick Hoak, Iowa Alpha, of Des Moines; Dave Foerster, Iowa Alpha, of Iowa City; Syd Richardson, Illinois Alpha, of Creston, Iowa; Bob Saley, Illinois Alpha; Dick Graham of Waterloo, Iowa; and George Cook, Iowa Alpha, of Ottumwa, Iowa.

This really was a good week, not only in the accomplishments of the players, but in the reliving of the good times at school and in the Fraternity; although, I believe that we, of the Northern Iowa Alumni Club, had more fun out of having the brothers here than they could possibly have had being here. There seems to be a slight rumor that most of the brothers, during their stay, became devotees of Ritz Alpha. Although, of course, we did not see them there, nor did they see us (often).

Among other guests, we have been pleased to have Brother Ben Butler and son Wallace of Waterloo, and Brother Gus Lauterbach of Kansas Alpha, as well as the many who attended our annual rushing party.

Our annual rushing party was held Saturday, August 12, 1939, at the Mason City Country Club, Brother Strickland's cottage, half the boats on the lake, and unless I am mistaken, most of the places of amusement in the vicinity before the evening was over.

Bob Shepard, acting as master of ceremonies, came through with flying colors, which denoted him a true disciple of his illustrious father. We were favored by pertinent remarks from Dick Stevens for Iowa Alpha, President Wall for Iowa Beta, and Bill Wagner, chairman of summer rushing at Ames. The highlight of the talks, of course, was given by Charley Strickland, National President. The evening may well be considered a success from many standpoints, not the least of which was the later pledging

of our own Jim Wagner at California Delta, U. C. L. A.; John Crabb at Iowa Beta; and Jim Kennedy at Iowa Beta.

We wish to acknowledge our thanks to Dick Romey for his able chairmanship of this party; to Bill Sullivan, the faithful pack horse upon whom we always pile the work which no one else cares to do; and to Jim Addison who pulled a goodly representation from the Des Moines territory, and who since the inception of the Northern Iowa Alumni Club has proven as faithful a booster in our territory as he has always been in the Des Moines territory; and last but not least, to all the brothers for their cooperation in attending and bringing the fine bunch of rushees whom we had the pleasure of entertaining that evening. We feel that all fifty-six of those in attendance, thirty-four alumni and twenty-two rushees, entered into the spirit of things and helped make an enjoyable evening for all.

Since the last letter, Northern Iowa Alumni Club's own Richard E. Romey (Dick) has been named one of the directors of the State University of Iowa Alumni Association.

It is with great regret that we find ourselves in the position of losing the services of Don Gilbert as secretary. Due to the press of business matters he feels unable to carry the extra load which we imposed upon him, so we shall try to struggle along with this poor substitute until our annual election of officers provides a worthy successor.

NORTHERN CALIFORNIA ALUMNI ASSOCIATION

● Football, rushing, and the fall picnic are occupying a major part of the time of alumni in the Bay region. To date, both Stanford and California have been beaten twice, and Brothers find their main solace in the prospect of a toss-up Big Game. The annual Big Game luncheon, which consistently draws one of the largest turnouts of Phi Psis up and down the Pacific Coast, will be held on November 24th, the day prior to the Game. Details will be forthcoming in the near future, and we are looking forward to again seeing all the old friends. On the day of the Game, California Betas will entertain at open house.

Both California Beta and California Gamma report very successful initial rushing periods. We were happy to have Harley Leete, G. P., and Dick Kilbourne, both of

California Gamma with us at a recent Thursday luncheon.

The annual fall picnic, which brings together members of both Bay region chapters, will probably have been held before this is published. The picnic has been endorsed by both actives and alumni as one of the most enjoyable of the relationships of the two groups, and has provided a real impetus toward more frequent visits to the "house."

E. M. Pomeroy, Pa. Theta '93, was a recent visitor at a Thursday luncheon meeting. Ed Pomeroy is well known in Bay area Phi Psi circles having formerly been resident agent of the Pennsylvania Railroad in this territory. F. F. Hall, New York Alpha, who is visiting in San Francisco, has dropped in to break bread with us several times. Other luncheon visitors include Lloyd Donant, Sandy Murray, Len Pennick, and Harry Rethers, all of California Gamma, and Bob Clement, Holly Fitting, and George Latimer, of California Beta.

Bill Nugent has just returned from an extended business and pleasure trip during which he visited many eastern and southern states.

The Coakleys again have proved that they must live right. Mrs. Tom Coakley won two tickets to Panama at a recent San Francisco Junior League party.

Frank Tremaine, California Beta, who transferred to the New York office of the United Press a short time ago, was married to the former Miss Katherine Newlin of Pasadena. Kay was well known to many of Frank's classmates.

Many Southern California alumni of California Beta made San Francisco a point of call during the summer. Bob Buffum and Ed Lettunich stopped over on their return from Honolulu; Bob Harvey did the Fair while en route to Canada; Bob Latimer checked in for a visit, and Ray Todd was in town several days conventioning.

Jim and Barbara Savage are the proud parents of a baby girl.

We are glad to report that Sims de Veuve is rapidly getting back into shape after having been bed-ridden for several weeks.

Golden W. Bell, California Gamma, en route to take up his duties as Counsel for the Governor of the Philippine Islands, was guest of honor at a luncheon held by the Commercial Club in San Francisco.

We want to again extend an invitation to all actives and alumni in the Bay area to join us at lunch on Thursday at the Engineers Club.

SOUTHERN CALIFORNIA ALUMNI ASSOCIATION

● Two words that are synonymous practically all over the nation are fall and football. The Southern California Alumni Association is no exception to this rule and opened its fall luncheon season with a grand old football rally. About sixty brothers gathered around the festive board at the Los Angeles Stock Exchange Club on Thursday, October 5th, to hear Howard Jones, coach, and Brother Bill Hunter, director of Athletics at the University of Southern California, give some interesting comments on the great national pastime of chasing the porkhide.

Coach Jones was the principal speaker and it was indeed interesting to hear a nationally known coach comment on the ups and downs in the life of a football mentor. Several fired questions at Coach Jones but he proved himself just as capable at parrying questions behind a luncheon table as he is in figuring out football strategy from the players' bench. Here is to Coach Jones and his Southern California Trojans and to Brother Bill Hunter who arranged the luncheon.

At the beginning of summer a bunch of the brothers whooped it up at the annual field day held at the Hollywood Riviera Beach club and the Palos Verdes Golf club. Between golf, swimming and games on the beach everyone had a swell time during the afternoon. This was followed by dinner and the games of skill and chance during the evening. It is rumored that several of the brothers lingered on and made quite an im-

pression on some very nice young ladies who were entertaining with a dance at the club that evening. For further details on this you can get in touch with Johnnie Hanna and Garrett (Joe Doakes) Sargeant.

Rumblings from some of the brothers reveal that Bill Larrabee is still a slicker at bridge; Al Fisher is back in town and has been dropping around to the luncheons occasionally; Graeme Doane is the proprietor of a swanky resort hotel at Big Bear Lake and no doubt during the winter sports season many of the brothers will go up to see him; Hugo Burgwald is still paying for son Buck's luncheons whenever Buck can catch up with him; Ed Meserve, son of that old stalwart, Shirley Meserve, is permanently back in town and is engaged in the insurance business and is showing up quite regularly for the Thursday luncheons and there are rumors floating around that cupid is flinging a flock of arrows at young Ed; Roy and Bud Heinz came out of hibernation to attend the football luncheon; Glenn Berry of California Delta is a newcomer who is attending luncheons quite regularly.

Now that the vacation period is over and most everyone is settling down for the winter we earnestly hope that all brothers in this vicinity will schedule as one of their regular weekly events our luncheons now being held at the Los Angeles Stock Exchange Club, 612 South Spring Street. Everyone is welcome and we will guarantee you a swell time and a chance to make a lot of grand friends among your Phi Psi brothers.

CHAPTER ROLL

SEVENTY-FOUR chapter charters have been granted by the Phi Kappa Psi Fraternity since February 19, 1852, the date of our founding. Twenty-two charters have been surrendered, for one reason or another, leaving an active chapter roll of fifty-two. Only two chapters (New York Zeta at Brooklyn Polytechnic Institute and Pennsylvania Mu at Carnegie Institute of Technology), established in the last half-century, are on the inactive list. The following 220 pages are devoted to the membership rolls of each of the seventy-four chapters claimed by the Fraternity the last eighty-seven years.

It was not until four years after the Grand Chapter system of government was abolished in 1886 that any intelligent method of recording the Fraternity's personnel was adopted. Since 1890, when the late George Smart became Secretary, each Secretary has submitted an annual report, based upon comprehensive submissions of Chapter secretaries, covering undergraduate personnel, number of initiates, transfers, etc.

On March 1, 1939 (the end of the year covering chapter membership submissions), the Fraternity claimed 27,886 initiates, a trifle more than three times as many as were accounted for at the end of our first fifty years of existence. It was not until 1906 that our total membership passed the 10,000 mark. In that year our forty-three chapters accounted for 1,215 undergraduate members, including 421 initiates. In the year ended March 1, 1939, our undergraduate membership was 2,508, including 724 initiates.

Our twenty-fifth chapter grant was in 1868, when we claimed nineteen active chapters. Our fiftieth chapter charter was granted twenty years later, in 1888, thirty-six years after our founding, but it was not until 1927, our seventy-fifth year of existence, that we claimed fifty active chapters, although a total of seventy-two chapter installations had been recorded by that time.

Of the fifty-two chapters now existing under the banners of Phi Kappa Psi, eight were installed between 1852-1860; eleven between 1860-70; six in each of the next four decades; four between 1910-20; three between 1920-30, and two since 1930.

Following is a brief summary of the seventy-four chapter charter grants since 1852, the total chapter membership figures being those listed by the Secretary as of March 1, 1939:

SINCE the first of the season, many Phi Psis have been playing outstanding football for their alma maters. Some played on high ranking teams while others seldom broke into print. Like any All-America, All-Conference, or All-Phi Psi teams selected, many heated arguments may arise from our selections. But, one thing is sure, we are all glad to say that there are so many Phi Psis playing good, clean football over the country.

The most outstanding player on the selection is All-America Nile Clarke Kinnick of Iowa Alpha. Kinnick failed to make only one All-America first team over the country, and this was chosen during mid-season play. He received the John W. Heisman and Maxwell trophies for "the most outstanding player of the year", and the Chicago *Tribune* silver football award for being the most valuable player in the Big Ten colleges. This son of Iowa Alpha is treasurer of his chapter, has a 3.3 grade average and to top off all of these honors, he was elected captain of the Football Board's All-America team by members of that eleven.

The Fraternity is justly proud of her members who bring honor and glory to their alma maters through athletic prowess, scholastic achievements and extracurricular contributions. Unfortunately the writer, an undergraduate in a mid-western university, did not have access to many metropolitan papers during the football season just ended, making it impossible to follow the football records of numerous Phi Psis in attendance at the smaller colleges. *The Shield* for November merely offered a few peeps under the big tent.

Kinnick is The Man of the Year

● It is not often that one institution produces the country's most outstanding football coach and player in the same season, as was the case at the University of Iowa this fall. We are justly proud of Nile Kinnick, whose father was a star quarterback, and a fraternity man, at Iowa State College not so many years ago, and whose mother is a member of a prominent sorority. His grandfather, George Clarke, was a former governor of Iowa. With this splendid background,

it is not surprising that Nile literally scored an oral touchdown against members of the New York Downtown Athletic Club upon receiving the John W. Heisman Memorial trophy, when he said:

"I thank God I was born to the gridirons of the mid-west and not to the battlefields of Europe; this award means more to me than all the military crosses on earth."

Neither is it surprising that Nile should make some dignified reference to his own Fraternity, when called to the microphone in New York City for a few remarks. Kinnick takes his fraternity seriously. He is proud of his Iowa Alpha affiliation. He is not boastful. He attacks his college and fraternity life with a genuine sincerity of purpose. He is a potential Phi Beta Kappa. Boys who played against him this fall were happy to learn that he had won the Heisman and Maxwell memorial association awards as "the outstanding college player of 1939."

During the season just ended, Kinnick scored 41 points on his five touchdowns and eleven successful drop kicks for point after touchdowns. He passed, ran, punted, blocked, and was considered one of the finest defensive players in the Big Ten. Normally a left halfback, Kinnick showed his great versatility by switching to the right halfback position in order to run against the right side of the Notre Dame line. He ran the ball 106 times for a total of 374 yards, or an average of 3.5 yards per attempt. In addition to toting the ball, Kinnick threw 33 passes (only one against Notre Dame), and twelve of these were good for touchdowns, three coming in each of the South Dakota, Indiana and Wisconsin games, two against Minnesota and one against Michigan. During the season, Nile punted 73 times, averaging thirty-nine yards. Undoubtedly, this average would have been higher, were it not for the fact that many of his boots went out of bounds inside the 10 yard line, to the discouragement of the opposition. An iron man, he played sixty minutes in all but his last

game, when he was removed in the final quarter because of a bad shoulder injury.

"He is the best football player I ever coached," said Dr. Edward N. Anderson, head football coach at the University of Iowa.

California Delta Places Two

● Southern California was the only school to place two on the first All-Phi Psi team. Bob Peoples, 182 pound, plunging fullback, and Phil Gaspar, 210-pound, stellar tackle for the Trojans, are two mainstays of the Rose Bowl team. Both were mentioned on many All-America teams throughout the country.

Perhaps you wonder what Capt. Allen Bergner of the Navy is doing on this selection. Bergner, a four-letter man at Annapolis, was initiated at Northwestern where he played freshman football. He then transferred to the Navy and this year was outstanding on a fairly weak team. It was Bergner who opened the big holes in the Army line when the Middies defeated the Cadets, 10-0.

Wing Men are Numerous

● It was hard to choose the ends because of the surplus of fine talent in this department. It was necessary to choose Alva Kelley and George Seemann over James Reiser, Bob Daly, and Ted Grefe. Kelley received the right end position on the All-Eastern conference selection and was also mentioned on numerous All-Americans. Coach Carl Snively, of Cornell, said Kelley was the smartest end he had ever coached. Seemann was a great defensive end and really showed the Oklahoma Sooners that he was not just playing tag when Nebraska defeated Oklahoma. Jimmy Reiser of Ohio Wesleyan was chosen by the Associated Press on the Little All-America second team.

At guards, we have two who were stellar men on their teams and gave their all to these teams that received little recognition. Hunter Jaggard, Lafayette, started every game and

Morgan Davidson, Colorado, was named on the second team of the United Press All-Big Seven.

Trey Coley, Colgate quarterback, was sparking that team from the key position until he reinjured himself in the middle of the season and he did not play regularly after that. The same holds true to Colin McClintock, of Stanford, who started out playing bang-up ball for the Indians until he was injured early in the season. Center is the weakest position on the All-Phi Psi team this year.

Charles Blount, passed the Brown team into fame this year, with the help of his Brothers, Duesing and Stepezyk, also outstanding backs.

With two or three exceptions, our second team is as good as the first. Phi Kappa Psi is not an "athletic fraternity" in any sense of the word, but we believe we can muster as much gridiron talent this year as any contemporary. Some may ask why we didn't place Landers, of Missouri, and McIntyre, of Columbia, on the first or second teams. It is because they are pledgees, as is the case also of Hen-nigar, of Colgate, Heeb, of Colorado, and Buck, of Iowa State. Until one actually crosses the sacred portals of Phi Kappa Psi, he will not become eligible for our first or second all-Fraternity elevens.

WISCONSIN ALPHA SURRENDERS CHARTER

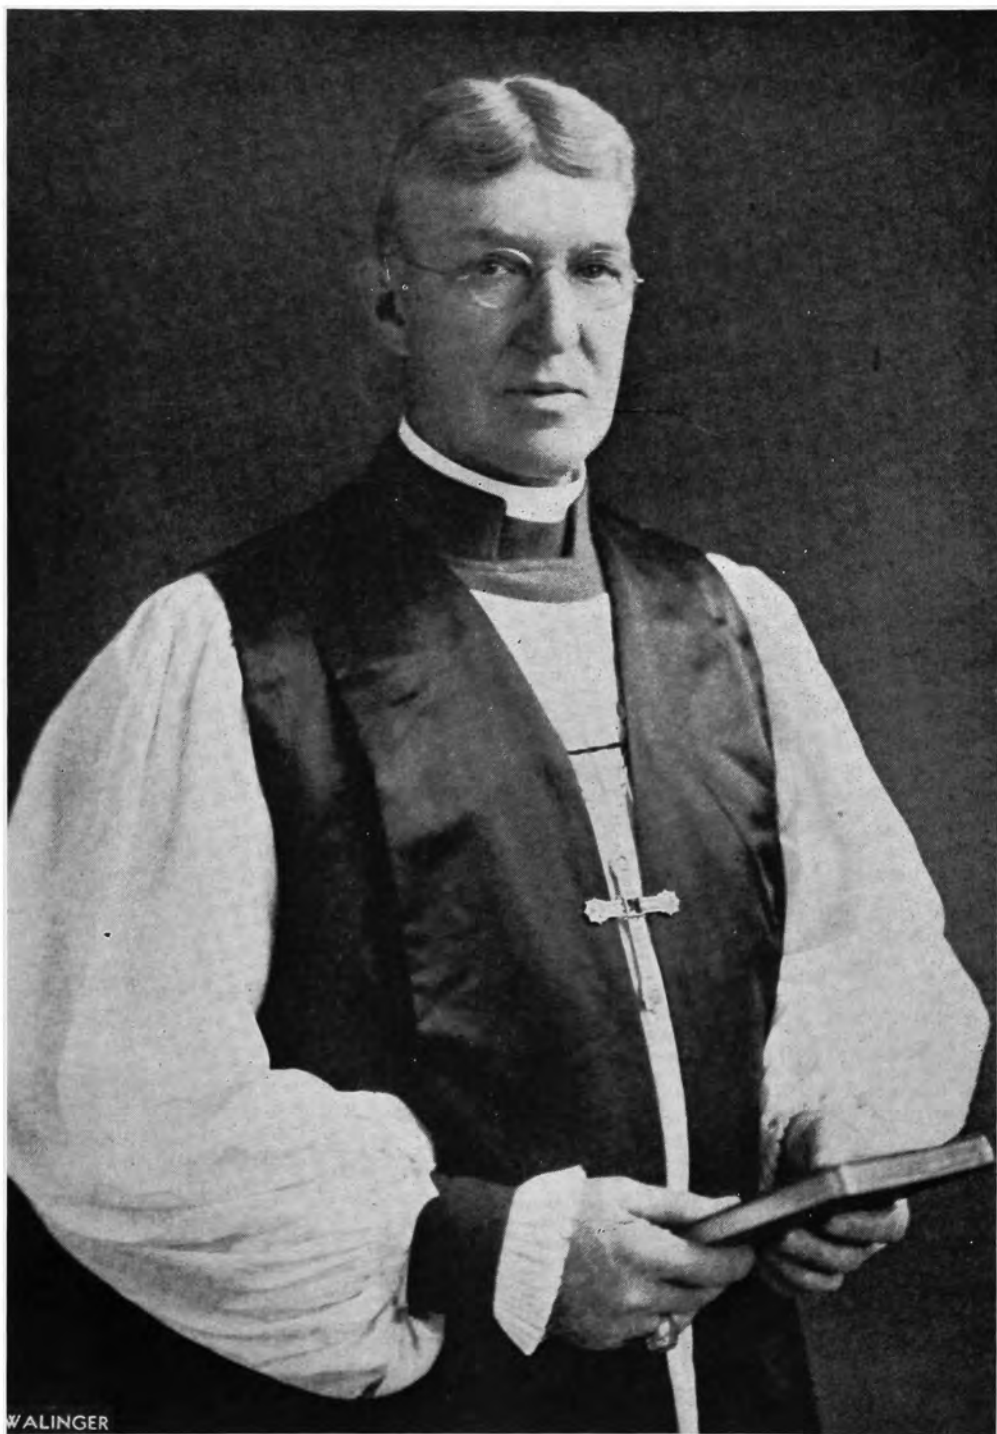

THE chapter charter of Wisconsin Alpha at the University of Wisconsin, regarded by many observers as a fraternity graveyard, was surrendered Dec. 29, 1939, to the Executive Council at the mid-winter meeting of that body, held in Chicago. More than ten national fraternities have withdrawn from the Wisconsin campus the last eight years.

Wisconsin Alpha, for many years one of the most outstanding chapters in the Fraternity had been declining since the late '20's, during which a \$100,000 house, carrying a \$45,000 mortgage, was constructed. Interest rates, taxes and a reduced personnel combined to make an unsurmountable obstacle. Enthusiastic alumni, aided by a few undergraduates, and members and especially appointed representatives of the Executive Council, rolled up their sleeves and did what they could to save the chapter. The house went to the mortgagor. It has since been acquired by the University.

Chapter members were scattered. They had no common meeting or eating place. Unwilling to continue the

operation of a chapter that did not meet the standards of the Fraternity, they decided to relinquish the chapter charter. That's the story, in a nutshell.

Wisconsin Alpha was informally established sixty-four years ago when a number of Wisconsin boys were initiated June 15, 1875, as honorary members of Indiana Beta. Later in the year, the Grand Chapter, Ohio Alpha, officially granted a charter to this group. The chapter became inactive in 1893 when numerous undergraduate and alumni members formed a local society which was to become an established chapter of a contemporary fraternity. These members were expelled from Phi Kappa Psi. On Jan. 16, 1897, Wisconsin Alpha was reestablished and for thirty-five years thereafter occupied a position second to none on the campus or in the Fraternity. Her roster includes the names of 595 initiates. President Charles E. Strickland expressed the feeling of the Executive Council when he said that the entire Fraternity hopes to see Wisconsin Alpha again in the fold at an early date.

The Right Rev. Dr. Edwin Jarvis Randall, N. Y. Delta '89, for many years active in the affairs of the Fraternity and currently interested in the reestablishment of his chapter at Hobart College, was consecrated Suffragan Bishop of the Episcopal Diocese of Chicago, Sept. 29, 1939.

IOWA ALPHA RETAINS FIRST PLACE IN UNSATISFACTORY SCHOLARSHIP RACE*

By **HOWARD L. HAMILTON**, Scholarship Director

FOR the third year in succession, Iowa Alpha stands first among the chapters of Phi Kappa Psi in scholarship. First on its campus among seventeen fraternities for three years, its members held a scholastic average of 2.576 out of a possible 4.00. Its average was 18 per cent. higher than the average of all the men on the campus, which was 2.281.

Also leading its campus for 1938-39 was Pennsylvania Alpha, whose average was 16 per cent. above the all-men's average. Each of these chapters has received a beautiful plaque awarded by the Executive Council to chapters placing first on their campus among fraternities.

These chapters and a few others have favorable reports to make, but the average for the entire Fraternity is the same as last year. This failure to improve the previous year's disappointing record is due to the fact that 27 of the 47 chapters included in our report are in the lower half of the fraternities on their respective campuses. Of the twenty chapters in the upper half, their average position is 67.6 per cent. or only 17.6 per cent. above the middle. The other 27 chapters average 29.8 per cent. or 20.1 per cent. below the midway point on their campuses.

The composite average of our Fraternity is 45.9 per cent. A passing mark for the Fraternity should be no less than 50 per cent., so for two years we have failed to measure up to even a minimum standard of performance. With awards offered in all of the six districts and the competition provided for juniors by the Philip Morris Scholarship, it was hoped that such

HOWARD L. HAMILTON

incentive would show improved results in relative chapter standings.

It is a pleasure to announce that two chapters are reported this year in addition to the forty-five previously reported. The University of Oregon and Cornell University are the newcomers. While their first appearance on our list is not at all auspicious, it is hoped that they can rise from the bottom to the top of the list in the next year or so. The University of Pennsylvania has also promised to supply information, so we may expect to include Pennsylvania Iota in the composite list next year. Pennsylvania Kappa, Maryland Alpha, Virginia Alpha, and Illinois Beta are not reported because data is not available from their universities.

Twenty-four Improve Positions

● Twenty-four of the chapters showed improvement in their relative standings. The best improvement was shown by the Indiana Delta chapter, which changed its rating by 41 points and rose from thirty-ninth place last year to eleventh, 28 places higher. Next best improvement was shown by Iowa Beta, with 40 points increase and rising from thirty-eighth to twelfth. Virginia Beta and California Delta each improved 37 points. Several other chapters made fine progress. Others need to increase their rate of improvement, notably Missouri Alpha and Oklahoma Alpha.

Iowa Alpha, Wisconsin Gamma, Ohio Alpha, Massachusetts Alpha and California Beta showed no change in their percentile. None of these chapters presents any particular scholastic problem, though the chapter at Leland Stanford University is below its usual place on the scholastic ladder.

Sixteen Take Nose Dive

● Concern should be felt for the remaining sixteen chapters, all of which lowered their centile ratings. Greatest loss of standing occurred at Rhode Island Alpha with a loss of 63 points and a drop from fifth in Fraternity standings to forty-first, a loss of 36 places. Other conspicuous losers are New York Epsilon, North Carolina Alpha, Texas Alpha, and California Delta with losses respectively of 46, 42, 35 and 23 points. For all the others, warning signals should flash and each of these sixteen chapters must pay close attention to their academic standards. "For as you honor yourself, you honor her," etc.

The Honor Roll of chapters is made up of those whose records placed them in the top fourth of the chapters on the campuses. The Scholarship Director in praising these chapters for their fine records regrets that the list contains so few chapter names.

District Standings and Awards

● The district standings are reshuffled considerably this time. The Fourth, Fifth and Sixth Districts retain their same relative position, but the Third District moves to first place from second; the Second District jumps from fifth place to second; and after four years of supremacy, the First District drops to fifth place. Some encouragement can be drawn from the fact that three districts average 50 per cent. or better, but worry lines the brows of the Archons in the three districts below the average. Following is the relative standing of the districts and their ratings:

District Records

1—Third District	53.75
2—Second District	52.00
3—Fourth District	50.00
4—Fifth District	46.50
5—First District	34.28
6—Sixth District	34.00

Plaque Awards

● On Founders Day, the Elbridge R. Anderson Award for the leading chapter in the First District will change hands. New York Beta will be the recipient and Rhode Island Alpha relinquishes the plaque. This year will be the third time the award has been granted. It has changed hands each time. The winner, New York Beta, is thirteenth in the chapter standings.

The Edward M. Bassett Plaque for excellence in scholarship within the Second District also changes hands. Pennsylvania Gamma is the second chapter to have its name engraved on the plaque and will enjoy its possession for the coming year. Philip Morris Scholarship winner Joseph Conlon helped the Bucknell chapter

to wrest the Bassett Award from North Carolina Alpha. Pennsylvania Gamma ranks fourth in the Fraternity.

Pennsylvania Alpha is the winner of the Cleveland Alumni prize plaque for the chapter in the Third District showing the greatest improvement in scholarship. The chapter at Washington and Jefferson College merited its achievement by improving its record 22 per cent. Close on its heels was Ohio Epsilon with 21 per cent. improvement. Following previous custom, the cost of sending the plaque from Springfield, home of Ohio Beta, to Washington, Pa., is the obligation of Pennsylvania Beta, the only chapter in the district to show a loss of standing. Pennsylvania Alpha is in second place among all Phi Psi chapters.

Chicago Chair to DePauw

● Back to Indiana Alpha at Greencastle, Ind. goes the Chicago Alumni Association Scholarship Chair from Minnesota Beta. Established by the Chicago group to enhance scholarship competition in the Fourth District, the Chair is annually awarded to the chapter having the best record for the year. As in other districts, the chapter with the poorest record is supposed to pay the freight. This dubious privilege belongs to Wisconsin Alpha. Indiana Alpha holds third place in Phi Kappa Psi chapter standings.

The Kansas City Alumni Association plaque is awarded to the chapter in the Fifth District making the greatest improvement in scholarship. Iowa Alpha eliminates itself each year by remaining at the top of the Phi Kappa Psi heap, so no improvement

can be shown for a perfect record maintained at the same high level. The splendid improvement shown by Iowa Beta gives it the right to possess this fine trophy during the coming year. Iowa Beta jumped from a centile of 20 to one of 60. The 40-point increase brought Iowa Beta to twelfth place in the Fraternity. Splendid work of this sort deserves the congratulations of the entire Fraternity.

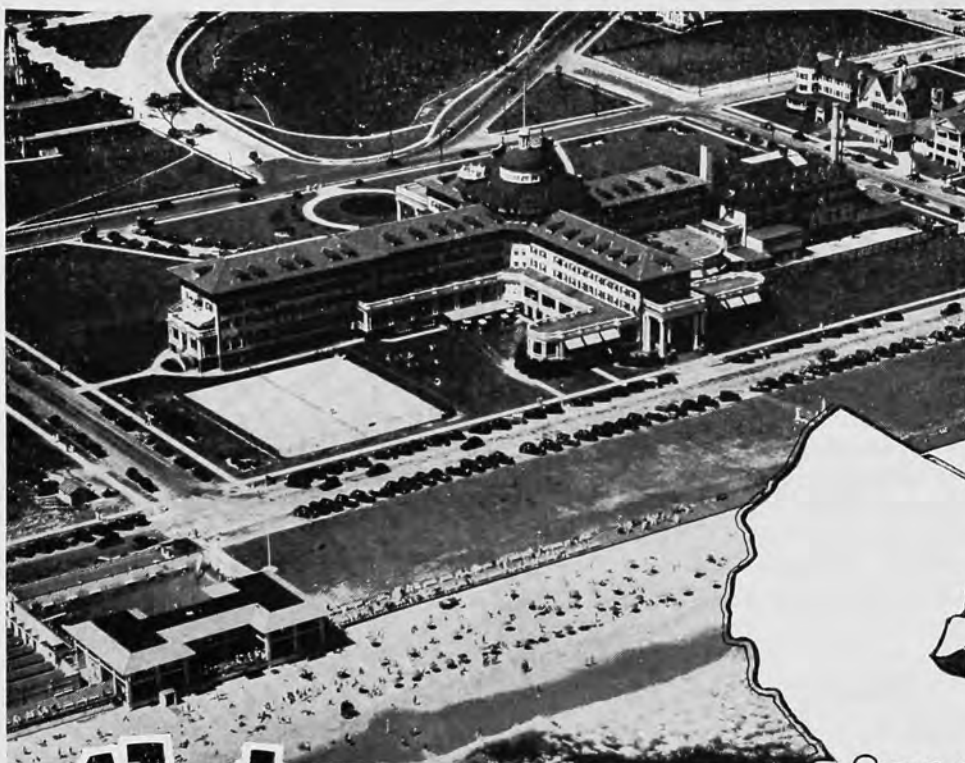

In the Sixth District, there is a trophy in the form of a Scholarship Chair which is awarded to the chapter having the best scholastic record in the district. California Epsilon with a centile of 75 retains possession of the Chair for another year. No transportation cost is therefore involved, which is lucky for Oregon Alpha whose poor showing would otherwise have cost them money as well as prestige.

Future Rests With Chapters

● The Fraternity bestows its congratulations and best wishes for the future to the leading chapters within its membership. The goal of Phi Kappa Psi Fraternity is to have every one of its chapters standing first in scholarship in each of fifty-two colleges and universities. A more immediate ambition and one easier to achieve is that of having every chapter in the upper half of university-fraternity competition and for every chapter average to be above that of the average of all of the men on the respective campuses. These last two objectives are possible to achieve, and can be reached if every loyal Phi Psi in every chapter will do his part.

Brother, the past is history, the future is for you to determine.

UNVEIL WIRT E. HUMPHREY PLAQUE, WARMING RENOVATED HOUSE ON NEW SITE

By **DAVID RASCO, A. G., Illinois Alpha**

BY strange coincidence, the Illinois Alpha chapter house received the most thorough renovation in its history on the twenty-fifth anniversary of its construction. To celebrate the house's silver birthday and to pay tribute to Wirt E. Humphrey, Ill. Alpha '86, who has served as president of the Illinois Alpha House Association since its inception, more than 175 alumni and undergraduates gathered on October 20th in a housewarming meeting. Brother Humphrey has been one of the most active advocates for the maintenance of a chapter house during the past half-century.

The evening's program was opened by the chapter singing the two songs with which they won the Interfraternity Sing last spring. Hap L. Wessling, Ill. Alpha '06, served as master of ceremonies.

Highpoint of the program was a talk by Brother Humphrey. For more than fifty years he has been intensely interested in the affairs of the chapter and the national Fraternity. He recalled the long story behind the securing and the maintaining of a permanent chapter home. After residing in various houses in Evanston, the present house was built twenty-five years ago, the first building in Northwestern's now far-famed quads.

Unveils Plaque to Humphrey

● In tribute to Humphrey, Brother Wessling unveiled a plaque which expressed in small measure Illinois Alphans' sentiments of appreciation for his unselfish devotion and con-

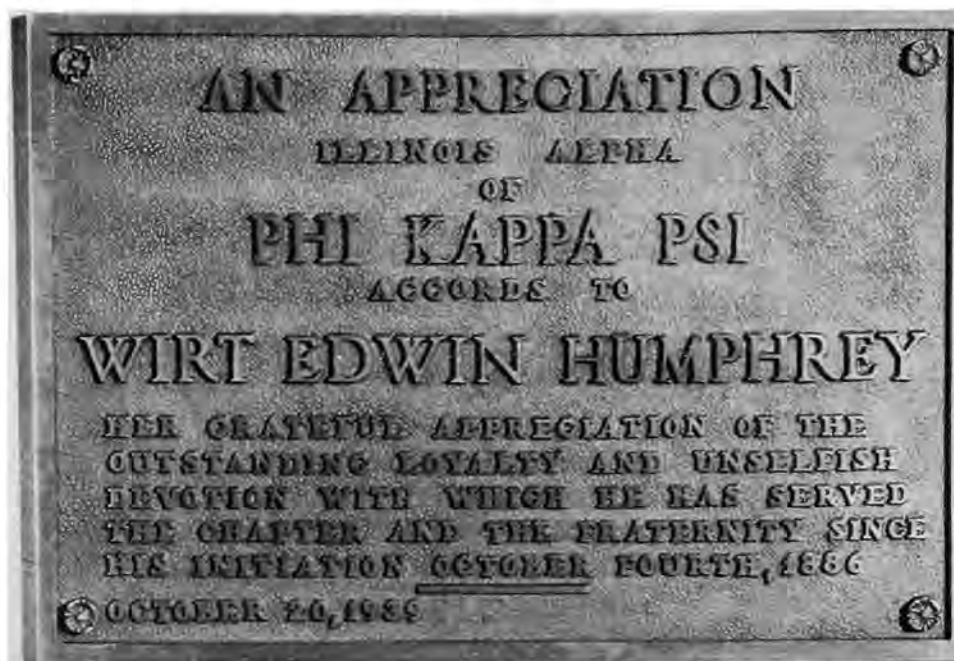

structive work for the house. James F. Oates Sr., Ill. Alpha '89, who has long shared Humphrey's fraternal interest and activity, also spoke on the various phases of the house history.

The original dedication of the present building was recalled. Appropriate ceremonies took place in February, 1914, with an informal tea in the afternoon and a dinner in the evening. At that dinner were such notables as Senator James E. Watson, Ind. Alpha '81; the late Herbert Spenser Hadley, Kans. Alpha '88, Governor of Missouri; and the late Edmund Janes James, Ill. Alpha '84, president of the University of Illinois, and many other prominent members of the Fraternity living in the greater Chicago area.

That year, as did this, marked a special event in the chapter history. The year 1914 marked the fiftieth anniversary of Illinois Alpha; 1939 marks the seventy-fifth year since the chapter was first organized.

Wessling also introduced Robert L. Daly, G. P. of the chapter, who in turn presented jeweled fraternity badges in behalf of the chapter to Charles E. Strickland, president of the Fraternity, and D. Bligh Grasett, Ill. Alpha '13, who serves as vice-president of the House Association.

The chapter feels especially indebted to Brother Grasett and to his wife, Mrs. Jeanette Grasett, a past president of Kappa Alpha Theta, for their tireless efforts in supervising the remodeling work which was done last summer.

House Moved in Summer

● Brother Grasett gave a short resume of the work which has recently been completed. The chapter building was moved to a new location to make room for the construction of Northwestern's new technological school. The new building is to be the largest on the Evanston campus of the University. The University financed the moving of the house to a more desirable location, desirable because the structure was moved so as to face the entire quads, thus affording a better view of Lake Michigan and of the other fraternity houses on campus. Included in the cost of moving was, of course, provision for a new foundation and basement for the chapter house.

Brother Grasett explained the changes made in the new basement. A recreation room was constructed under an enlarged front porch; the kitchen was more efficiently arranged; and the dining room was enlarged. He

also explained the activities of the House Association in the renovation of the second floor of the building.

Under the direction of Brother and Mrs. Grasett, Marshall Field & Co. of Chicago was engaged to redecorate the second floor rooms. Specially constructed beds, easy chairs, and chests of drawers were placed in the rooms, these pieces being constructed to meet the special needs of a fraternity house. Modern light fixtures and bookcases were placed in the rooms. Three sets of color schemes were used in the six sleeping and study rooms.

Mention was also made at the housewarming of plans to finish remodeling operations on the third and fourth floors. When the complete renovation is finished, the house will be in excellent condition, and it will compare favorably with the newer fraternity houses on the campus.

After the formal program was completed, a general get-together was held.

NEW HAMPSHIRE ALPHA

Dartmouth College

● New Hampshire Alpha initiated three members of the class of 1941 with the 1942 delegation. They are: Bill David, who has twice won his soccer letter, Ed Pierce, and Phil Hallam, the latter of whom got his numerals in football.

Dartmouth Winter Carnival is only two months away. Phi Psi is well represented on the Carnival committee. Elmer Browne is chairman, Don Fox is director of personnel, and Pete Glenn is manager of publicity. Under the guidance of these three and other experienced directors the next Carnival should be one of Dartmouth's finest.

As winter sports season gets under way three Phi Psi sophomores have reported for varsity basketball practise. They are: Ted Schoonbeck, Bob Dewey, and Paul Torian. On the swimming team are Johnny Storrs, George Liskow, and Dick Bolton. Storrs is one of the best distance men in college.

Lew Lambert has a part in the Player's production of *Our Town*. All we can gather from Lew about the play is that "it is good, I think".

The announcements for the 1942 managerial positions came out this evening. Ben Page was awarded football, and Lowell Peterson was awarded baseball. Page was top man in the comp.

Fraternity stunt night is to take place next week and under the guiding hand of Charley Kingsley, Phi Psi is presenting an eleven-piece dance orchestra. They will play Glenn Miller's *Moonlight Serenade* which is made to order for our four sax men, and Tommy Dorsey's *For You*, with Bezie Smallwood doubling for Jack Leonard on the vocals.

MASSACHUSETTS ALPHA

Amherst College

● As winter closes in and Phi Psis are turning to new activities and study, Massachusetts Alpha looks back on a successful fall season and forward to an even more successful winter program. The initiation weekend went off without a hitch. The ceremony was followed by one of the best banquets in years, with a large group of alumni in attendance. The sparkling wit of our new brother, Religion professor Cleland, and of our veteran, Walter H. Dyer '00, added much to the occasion. To add to our numerous joys and pleasures Amherst trounced Trinity in football, 19-0. All fourteen pledges successfully got through the pledge training season and are now Brother Phi Psis. Their names again:

John F. Andrews and David Bateson, Walpole, Mass.; Paul O. Avery, Charlemont, Mass.; Randolph Doty, Torrington, Conn.; T. F. Allen Bibby, Brattleboro, Vt.; John W. Eckley and Walter F. McNiff, Amherst, Mass.; John C. Goodridge, Bristol, Conn.; Franklin O. Houghton, Waban, Mass.; Ernest A. Holthausen, Lebonia, N. J.; Alexis P. Nason, New Haven, Conn.; Donald S. Pratt, New York City; Robert Reid and William R. Richard, Brooklyn, N. Y.

The outstanding feature of the fall, was the performance of the house intramural teams. Although the excellent work of Denny Collins and Bill Marberger in varsity football and of Arnie Olena and Dick Ward in varsity soccer deserves mention, the spotlight and cheers go to the Brothers in touch football, golf, and cross-country. For years Phi Psi at Amherst has been like Philadelphia and St. Louis in the American League—in the cellar, but this year there has been a rejuvenation. Except for an unfortunate first game, our football season was an undefeated

● (The Fraternity's newshawking A. G's again are represented on a 100 per cent. basis for the twenty-sixth consecutive issue, accounting for 1351 newsletters without an omission. This record, unprecedented in the fraternity publications field, got under way more than six years ago!) ●

one, and Phi Psi is now in second place in total points and still coming up. The basketball team won the first game and winter prospects look good. The freshmen have helped a great deal, many of them playing on the house team and four getting numerals in regular sports, Doty in football, Richard and Avery in soccer, and Nason in cross-country.

Phi Psi is out in front with Arnie Olena holding the basketball managership with plans for reform in the winter competitions. Russ Fowler is co-captain of swimming. Out for sports are Harding and Russell playing basketball; Stem, Wells, and Bravo, swimming; Hadley, wrestling; Ozanne and Olena, squash; and Rodgers and Twentyman, fencing. The freshmen have Reid and Holt-hausen swimming and wrestling, respectively. With a great number of new men out for the competitions we really can't lose. Menzies and Butler are trying for the managerial end of the Masquers and Leslie is acting. Bravo is out to manage the eleven Massalphans in the Glee Club. The *Student* draws Bravo and Gilman. Twenty members are out for business board positions, and Menzies is out for the *Olio*.

New officers are: G. P., Arnold Olena; V. G. P., F. O. Sullivan Jr.; B. G., Willy Redeker; Assistant P., Homer Trautman; Hod., Bud Doty; Phu., David Bateson. The Goat Room has been done over—the work being done by the Brothers themselves headed by Jack McKiterick, and plans are being laid for a game room to be built in the basement during the Christmas vacation. Mass Alpha is ready for the New Year and extends its greetings to all the other chapters. May 1940 be a new land mark in the history of Phi Kappa Psi.

RHODE ISLAND ALPHA

Brown University

● Rhode Island Alpha has been enjoying an extraordinarily successful year. For the first time in the history of Brown University the football team has elected co-captains, and both are Phi Psis, Bones Stepczyk and Lou Duesing. Both are juniors and have held regular berths on the starting line-up. The football season was marked by the sensational passing of Charlie Blount, whose spectacular work has been rewarded by honorable mention on the Associated Press All-America team. Sophomore Gene Coughlin

looked great on his kicking and passing, and along with Wally Joyce should see plenty of action on next year's eleven.

In university organizations the name of Phi Psi is preeminent. In addition to those whose prominence was cited in last month's *Shield* we claim Bob I. Smith, who has been doing a highly commendable job as president of the Brown Christian Association. On the Undergraduate Athletic Council, composed of only eight men, we contribute John Brigleb, secretary, Dick Struble, Bob Person, and Lou Duesing.

The Brown division of the government flying school has among its most eager students "Down-wind" Dick Uhle, "Barrel-roll" Bob Person, "Tailspin" Tom Cotter, "Wing-over" Willie Williams, and "2½ Point" Bob Smith.

Russell Field is commodore of the Brown Yacht Club, and Lennie Romagna, Dick Uhle, Stan Hanse, and Dick Dunn are high-scoring members. Lennie Romagna is one of the highest scorers in New England competition. John Benn, for three years number one tennis player at Brown, won the Exton Cup this fall, playing spectacular tennis.

Frank Myers is doing a fine job of scuttling out at the gym. Ken Greenberger is scuttling for the yearbook staff and drum-majoring for the band.

With basketball now under way we find big Bob Person back at the center position, while other brothers on the squad include Lou Duesing and Giles MacEwen.

Against stiff competition the Phi Psi interfraternity football team emerged victorious, annexing the championship in fine style by defeating the strong Phi Gam and Zeta Psi outfits in the play-offs. Al Horton and Giles MacEwen were placed on the Brown all-star team for their brilliant play. Sam Anderson also was cited for his stellar passing.

Rushing is going strong under the vigorous and inspiring leadership of Sam Anderson and his committee, composed of Lloyd Ohlin, Walt Joyce, Stan Hanse, and Al Horton. Dick (Clip) Cotter is the greatest rusher to hit the Brown campus in years. Pledging is only a few days off and we have prospects of securing one of the best, if not *the* best delegation on the hill.

We have the pleasure of announcing the initiation of these four: Ed Bressler '41, Bayonne, N. J.; Lennie Romagna '42, Port Washington, Long Island; Joe Burton '42, Cleveland Heights, Ohio; and Francis Gilbane '42, of Providence, R. I.

Recently elected officers follow: Charlie Blount, G. P.; Lloyd Ohlin, V. G. P.;

John Brigleb, B. G.; Lennie Romagna, S. G.; Ken Greenberger, A. G.; Dick Struble, H.; Wally Joyce, Phu.; and Joe Burton, Hod. Under their leadership and with the present prevailing spirit of cooperation we have every hope for the continuation of a most enjoyable and successful year.

NEW YORK ALPHA Cornell University

● This recent fall season, seemingly much longer than usual, found many Phi Psis engaged in various outside activities. Although the intramural touch football season wasn't too successful, nevertheless, many showed up particularly well in other extra-curricular activities.

We are mighty proud of our Al Kelley, who was the regular right end on our undefeated, untied, eleven this fall. Al has been selected on the All-East team and has received honorable mention on several All-Americas. Equally as proud are we of Phil Astry who, as regular back on our 150-lb. football eleven, managed to score enough points to put him second in scoring honors in the Eastern League. Gene Clarke and Andy Brainerd competed for football manag-ership.

Dave Taylor is the first to receive his freshman numerals. He played regular goalie on the soccer team. Other Frosh are now out for hockey and boxing. Among the sophomores out for competition are Dick Thomas, basketball; Bill Kleppinger, track, and George Banister, crew.

Bill Dixon, our G. P., did a noble job managing the soccer team this fall, and was elected to Sphinx Head along with Bill Mogk. Concluding the list are Bob Bear, who was recently elected to Scarab, agricultural society, and Bill Hagar, to Atmos.

Homecoming was the weekend of November 4th, at which time several recent grads were present. A little celebration after the Columbia game took place, thanks to the generosity of Al Erda '30, who supplied a barrel of beer.

During Christmas vacation several alumni have planned an alumni banquet in New York. This ought to be of particular interest to Phi Psis in and around that city.

We are deeply grateful to Brother Middleton and Colonel Brown, fathers of undergrads, for making it possible for us to have

a ping pong room and table and a new carpet for the stairs.

Our annual Thanksgiving dinner before vacation proved to be most successful. Several members of the faculty as well as townspeople were present. This year, though only three numbers were drawn in the raffle, four were thrown in the shower, much to the disgust of the innocent senior.

In conclusion, New York Alpha wishes every Phi Psi a most prosperous and successful New Year.

NEW YORK BETA Syracuse University

● Death masks of members of our chapter were presented as favors to coeds attending our annual Christmas formal last Friday, December 1st, at the Hotel Syracuse. The entire casting and processing of the masks was handled by Donald Clark, senior in the College of Fine Arts, who spent about forty minutes on each individual mask.

The mask process is very simple if you follow instructions closely. First, a candidate greases his face with vaseline. Then a cardboard halter is put on over the head, and fine dental plaster is applied to fill every part of the face. Air is obtained through two paper funnels which are inserted in the nostrils prior to the pouring of the plaster.

When the mold is removed after it has been allowed to set about ten minutes, it is greased and new liquid plaster is poured into the mold. The last step is to knock the mold off, leaving the perfect mask. These may be colored with any ordinary paint to give them a human appearance.

We were fortunate in having approximately 250 members of the faculty and their friends at our annual tea in their honor Sunday, December 3d, at the chapter house. The Mothers Club donated the food and assisted in planning and running the tea. Our other social event was the alumni smoker Thursday, November 16th. Hundreds of Phi Psis from all over the state were guests of the house for this celebration for the purpose of acquainting alumni with undergraduates.

We are sorry to report that Clarence (Pop) Lonergon, our house father for the past twelve years, and original charter member of this chapter in 1884, has been ill in the Memorial hospital with a serious stomach

ailment. However, his condition has been steadily improving, and we expect to have him back with us after the Christmas holidays.

With the coming of winter sports, John C. O'Byrne Jr., assistant manager of basketball, and Lake Giles, assistant manager of boxing, have been busy in their races for managerships. John Metz, assistant commodore of crew, and Thomas Auer, assistant manager of baseball, are getting equipment in shape for their seasons. Russell Bailey is scrubbing wrestling and William Osborn is waiting for the soccer assistant managership announcement.

Thomas Van Over and Arthur Earle are working on the business and editorial staffs of the *Onondagan*, University yearbook. Dick Cooney, active in debating, recently was on the picked two-man team representing Syracuse in a debate with Oxford students who are making a speaking tour of American colleges.

Pledge Logan Love, president of the freshman class, successfully conducted the freshman dance with the assistance of Pledge Brother Richard Wiles. It is interesting to note that seven members out of thirty-two in "Orange Key", only junior honorary on campus, belong to Phi Kappa Psi. These men were picked by an impartial panel of University administrative officials.

We wish to commend the action of our national office in its attack on improper fraternity publicity which is sweeping the country in several picture magazines. This is the greatest evil confronting organized fraternity systems in the United States. We sincerely hope that Phi Psi will keep its record clean.

● With rush week over, and thirteen new pledges to swell our ranks, New York Gamma anticipates again upholding the traditions of Phi Psi on the Columbia campus. Our fine crop of pledges, including men from five states, follows: Art Wellington, Syracuse; Bud Dillon, Newburgh; Dimitri Zachary, Bob Liesenbein, Walt Harrison, Bob Koop, Ken Friou, Don Snow, and Harry Benis, New York City; Roger Sammon, Jersey City, N. J.; John Dunn, Greenwich, Conn.; Jim Cronenberg, El Paso, Texas, and Justin McIntyre, LaGrange, Ill.

Pledge Sammon distinguished himself by winning the election to the post of secretary of the class of '43. Pledges Dillon and Sammon are expected to be luminaries on the frosh baseball team. Wellington and Koop are preparing to star on the track. Scut McIntyre, a junior, was awarded a varsity "C" for holding down the tackle slot for the Lions this fall. Ken Friou, also a junior, who was a member of frosh crew, is one of the honorary Van Am Society members, and spends his spare time managing the delivery of the *Herald Tribune* at Columbia.

Thus far we are doing well in the intramurals, placing sixth in the football league, winning our first volleyball game of the season, and entering the semi-finals of the University water soccer championship.

Phi Psi showed its strength on the varsity swimming team recently, in a meet with Fordham University, when Nick McManus and Jim Shanley scored valuable points for a Columbia victory.

Our hearty thanks go to our Brothers of New York Alpha for entertaining a Gamma representation at the Homecoming weekend, the weekend of the Cornell-Columbia football game. Congratulations are in order to Iowa Alpha for the outstanding football star of the year. We were sorry Nile Kinnick couldn't stay longer and see New York Gamma, but hope that he can see us sometime later if he is around New York again.

NEW YORK EPSILON

● With fall sports once again a memory, members of New York Epsilon wish to express their appreciation to all the Brothers of New York Alpha and New York Beta for the hospitality they bestowed during the weekends of the Colgate-Cornell and the Colgate-Syracuse games.

Snow has once again whitened the hills of the Chenango bringing with it the winter season in sports. Hockey seems to be the Phi Psi's sport this winter, with Bob Rose, Jack Wells, Trey Coley, John LeFevre, John Crocker, Dick Rupp, and Carl Mayers on the squad. Bob Rose and Jack Wells are playing on the first forward line. Coley, LeFevre, and Crocker are alternating at defense. Rupp is playing goal. These boys will be instrumental in helping Colgate retain the mythical Eastern Collegiate hockey championship.

Bill Perlee is again number-one man on the debate team and is working to retain for Colgate the Eastern Intercollegiate Debate Championship which he helped to win the past two years. The intramural debate season is under way with Stan Meigs and Ted Fischer, sophomores, competing for the house.

Jack Fox, as president and production manager of *Masque and Triangle*, has been keeping himself busy for the past two weeks making plans for the production *Room Service*. Ray Ingham has been scrubbing the business board of this organization.

Carl Mayers was recently elected manager of varsity soccer and Andy Ryan, manager of freshman soccer. Carl is also assistant manager of winter track. Ray Johnson and Rufe Perkins are on Coach Bixler's basketball squad. Bob Sherman is scrubbing basketball and Bill Wheatley is scrubbing swimming.

Dick Rupp and Carl Mayers are on the editorial board of the *Salmagundi*. Andy Ryan is an assistant manager of the business board. Charley Tracy is scrubbing the business board.

Before the next issue of *The Shield*, we shall have celebrated Founders Day. Our plans are not complete but we have tentatively planned to celebrate with the New York Alpha and Beta chapters in a tri-chapter banquet.

G. P. Newcomb, as president of the Students Association, did some fine work in heading the varsity "C" banquet this year. He was instrumental in getting such speakers as Danney Fortman, former Colgate football guard, now with the Chicago Bears; Bill Friesell, an outstanding football official; and Tad Wieman, head football coach at Princeton.

The last few days have seen the house engaged in much activity in preparation for initiation which will be held next Wednesday night. We are planning to have with us some of the national officers and a number of recent graduates. It can be safely assumed that our pledge delegation will be exceedingly glad to be introduced at last to the inner circle, as they have been pledges since last spring.

● Of making prophecies there is no end; fulfilling them is what counts. Pennsylvania Gamma has progressed rapidly along competitive lines by gathering in two new cups this year for its trophy case. One was received for supremacy in soccer and the other for presenting the best decorated house on campus during the annual Fathers' weekend, November 3-5.

This chapter has in sight the cup for intramural volleyball, since the team of Red and Green is going to enter the semi-finals in this branch. Pledge Brothers Dan Reinhardsen and Bill Robinhold, both of '43, are on the Bucknell freshman basketball team, and are slated for varsity posts next year. Holding managerial positions are William Stephens '41, and William Brown '41, in basketball and boxing, respectively.

Kenneth (Tiger) Bayless '42, will step into the finals of intramural boxing in the 120-lb. class. Bayless literally tore apart his opponents in his past two bouts, revenging himself for his defeat of last year.

Active throughout last year in the dramatic productions of Bucknell's amateur organization, "Cap and Dagger", George

Egan '42, and Glendon Jones '42, were recently initiated into the national honorary dramatics fraternity, Theta Alpha Phi.

Campus socialites stepped out in rare form at the annual Christmas formal dance, December 9th. Welcome reports from all corners of the campus complimented the dance as one of the best that has been given. With an ear to the ground and an eye for repetition, Ray Allison and Ralph Childs, co-chairmen of the social committee, are planning for the winter formal to be given in January.

Pennsylvania Gamma announces that the honor of wearing a Phi Psi pledge pin has been conferred upon W. Thomas Decker '43, a mechanical engineering student, of Elizabethtown, N. J.

Our alumni have completed the compilation of vital historical data, under the direction of William Cyrus Bartol '68, and a complete history of Pennsylvania Gamma chapter is now in process of publication. As you know, Phi Psi has been represented on the Bucknell campus for just a few months short of eighty-five years; a long history and a colorful one. And here's a New Year's wish to success and glory for many, many more years to come!

● At long last the much talked of additions to the house have been completed. Under the supervision of Fred Dapp, alumnus advisor, a sun porch at the east end, and a powder room on the north side of the house, for the convenience of feminine guests, were erected. The appointments of the two rooms are in the modern manner, and were selected by Don Kaiser, house manager.

Jarvis K. Shaffer, of Selinsgrove, Pa., was formally initiated into the Fraternity, November 9, 1939. Shaffer, a member of the *Gettysburgian* staff, and one of the baseball nine, is a valuable asset to the house.

At the end of the football season, we find that all the Brothers on the team gave consistently fine performances. Hank Burman, Al Hill, Al McClenaghan, Joe Bratten, Bob Flinchbaugh, Fred Hamilton, and Pledge Brothers Joe Stock and Bill Emanuel all contributed to G-burg's success on the gridiron this year.

In the interfraternity touch football league, Pennsylvania Epsilon tied with Phi Delta Theta for first place. Ed Allen and Pledge Brother Johnny Pizzo were elected to the all-opponent team.

Don Kaiser, Jam Hunt, Al McClenaghan, Wayne McClenaghan, Hank Burman, Al Hill, and Pledge Brother Johnny Pizzo responded to the call to colors and are now bruising the mats in preparation for the ensuing wrestling season.

Fred Hamilton and Bob Flinchbaugh are the leading aspirants from the house for berths on the court squad.

As this is in the process of being written, Pennsylvania Epsilon is holding its Christmas house dances. We hope that the same spirit of good cheer and good will abides in the heart of each Phi Psi to whom we wish the best of Christmases.

Because of the many activities of the new college term, this correspondent neglected to thank the alumni, on behalf of the Brothers, for the fine support and cooperation in having our chapter house renovated. This service was accomplished largely through the efforts of the late Dr. James Henry Morgan. Naturally it was a matter of deepest regret when we learned of his death. In tribute to him the upperclassmen served as a guard of honor at his funeral bier.

In college activities, Penn Zeta maintains her place at the top. Howard Williams '40 was elected captain of the varsity basketball squad. John I. Jones '41, honored himself and Phi Psi by his election to co-captaincy of the football team for 1940.

On November 11th, Penn Zeta honored its seventeen pledges by a formal dance. Many alumni were back for the occasion. The house was appropriately decorated by our chief designer, Herb Brownlee.

Pleased are we with the interchanging of the meeting room and the basement game room. The brothers' various indoor recreational activities (ping-pong, pool, bridge, and darts), are now confined to one large room, which affords the participants ample space. Stevens suggested the installation of a coca-cola cooler in the game room, with the profits to go to the house. This has been carried out and successfully.

Though we did not fare so well in intramural football the boys, inspired by Coach Zettler, displayed greater spirit than ever before. It has been unanimously decided that the post season game with the Chi Phis shall be an annual affair, with a cup for the winner. But in the intramurals to come, we have much greater expectations. At present, Davenport and Stevens, our I. F. Council members, are trying to introduce

intramural boxing and have had some encouragement.

Winning varsity football letters were Pledges Alison and Emery. Wint was football manager. Pledges Gangewere and Theobald both saw a lot of action in frosh football, and Ross Bridenbaugh got his cross-country letter again. Theobald is out for frosh basketball, Sandy Heckel for the varsity, and Heller succeeds Stimson as varsity manager. Pope, with a kitten for a mascot, is trying for breaststroke in varsity swimming. Pledge Sammy La Torre should be a 135-lb. varsity wrestler.

Entirely due to Alumni Brother Prof. Fred Klein's efforts is our Student Flying course, in which we are represented by Ross Bridenbaugh. Pledge Bud Fishel, ineligible as a freshman, has his own student's license.

Socially, we do not hit our first semester peak until December 17th, when we have our annual Christmas formal, at the General Sutter in Lititz. We have had two rushing-week dances and a very successful hayride for the pledges.

● Two months ago, at the end of the rushing period, Pennsylvania Theta pledged eight very active and capable fellows. (Seven freshmen and one sophomore transfer.) They are: Ralph Beaman, Somerville, N. J.; Andy Conrad, Walpole, Mass.; Robert Haines, Woodbury Heights, N. J.; Jack Luff, Merion, Pa.; William McKnight, Philadelphia, Pa.; Hugh Miller, Wyncote, Pa.; Douglas Nicol, Lyndhurst, N. J.; and William Nelson, Beechurst, N. Y.

Two of the freshmen, Luff and McKnight, played end and quarterback, respectively, on the frosh football team. Andy Conrad, captain of last year's Exeter wrestling team, promises to be one of the mainstays this season for our freshman grapplers. Bill

McKnight will be playing freshman basketball and Bob Haines was out for the frosh swimming team until he sustained a broken blood vessel in his leg.

On October 15th, Ho Kondo, Charley Adams, Jack Quinn, and Bill Volk were initiated into the Fraternity.

Our Phi Psi cross-country team took a second in the intramural meet, with Ed Johnsen individually placing first, ahead of more than 100 entries. Last year's basketball champions, our "A" team, opened this season with a smashing 59-0 victory over the Alpha Chi Rhos. The "B" team also shows quite a bit of promise.

Archie Sparks added another to his already large list of achievements when he was elected to Phi Beta Kappa. He also captained the varsity cross-country team through an undefeated season this fall.

The House should be well represented in the winter varsity sports. With Henny Cox as manager, Bill Volk and Reed Recknagel are holding positions as junior and sophomore assistant managers of the basketball team, respectively. Ed Johnsen, lanky sophomore, is playing on the team. Don Reed, Ho Kondo, and Otto (The Surge) Alden are out for the wrestling team. Doug White and Jack Hamilton are again working out in the pool for the swimming team. The hockey team has already played one game, with Jack Quinn capably holding down one of the wing positions.

Although only two weeks after the Fall Interfraternity Dance, our annual Christmas dinner dance is being held Saturday evening, December 9th. Mason Parke, chairman of the social committee, has been working hard, and we are certain that his efforts will aid all in enjoying themselves as much as at dances past.

Pennsylvania Theta hopes all Phi Psis will have (or "have had" by the time of publication) a most Merry Christmas and Happy New Year.

PENNSYLVANIA IOTA

University of Pennsylvania

● Shortly fraternal activities will culminate in spreading season's spirit at the first annual Christmas Festival. Noel is come to Penn Iota! It has been suggested that the Chapter, in charitable gesture in keeping with the Holiday spirit, give to the world Hatfield's interpretive dancing.

The period since last publication has been fruitful; two of Iota's men have achieved recognition in their fields, campus activities and scholarship. Bill Owen has won a position on the football managerial staff, which augurs of the football managership after next season. Gratifying also was Bob Strode's election to Pi Gamma Mu. Deservingly, Bob feels the clanking-against-his-chest of the key of the social science honorary fraternity.

Of note, to those alumni who aided so dearly, should be the Chapter's winning of the Philip Morris contest. The handsome cabinet-model Victrola-Radio, the result of our wrapper hunting, has been received and well dedicated with a series of dances. Much praise goes to Jim Shearman for a prodigious task, well done.

No pleasant sight was Cornell's powerhouse victory over Penn, November 25th. The only enjoyable aspect of the day was a prior-to-the-game turkey dinner and the tea at the House, following the contest. We regret that Brother Walter Caswell, donor of the tea, was not present to receive an extremely large number of Brothers.

Interfraternity activities occupy much of our time; our football team threatened, but was nipped in the quarter finals. Gilmore and Fox were amazing, as on each occasion, "the best game of the day was played by Phi Kappa Psi"

As has each year's second issue of *The Shield*, this copy reminds you that rushing is in progress at Penn Iota. Doubtlessly some alumnus or Brother has information which might aid the rushing committee. Chairman Bob Huebner will appreciate any cooperation.

PENNSYLVANIA KAPPA

● It is with a feeling of great satisfaction that I turn in my report for this issue. This is due to the fact that practically all of our pledges of this year joined the flock in last week's initiation with the addition of two of last year's freshmen. We now include as Brothers: Cope, '42, Haganir, '42, Fraser, Woodward, Brummel, Purdy, Blanshard, Slocum, Beers, Heacock, Bassett, Johnson, all of '43.

Initiation followed a successful pledge education period which did a good job of placing all pledges high and safely through

the Fraternity examination. Informal initiation was given on the day previous to our formal induction, and this was enjoyed and carried out to the letter by our initiates. The initiation climaxed our rushing period which also had included Pledges Whitford and Williams, both of '43, who were not able to join at this time.

Our chapter has arranged weekly dances and informal dinners with great success. Next week the Phi Psi's are giving a Christmas party for the first time in three years. Santa Claus will be one of the Brothers.

Congratulations are in order in athletics for Thatcher '41, who crashed through to be captain of the 1940 soccer team. This was a fitting reward for two years of fine playing. It is also interesting to note that some of the Brothers are really "on deck" in the tennis team, which is now holding regular indoor practises. The team is headed by Robbins with Braden and Buckman among the top players. Basketball season has opened at Swarthmore and it is indeed a pleasure to see Keller, last year's captain shooting 'em up in style with the best.

The banquet committee is getting its usual dose of gray hairs, blazing the trail for another big Penn Kappa banquet, which will take place a week after the close of our Christmas vacation, January 13th. Judging by former results, the affair should be top notch and a real gala occasion.

We were particularly pleased by having with us, at one of our recent meetings, Dab Williams of the Executive Council, who gave many interesting and valuable suggestions, as well as telling a great deal of the activities of the other chapters. We have been fortunate in having a number of alumni Brothers present at our meetings and hope that their interest will continue to give us enthusiasm throughout the year.

Although our greeting may appear a bit too late for the Holiday Season, the best wishes for a swell Christmas and a successful New Year to all the chapters.

MARYLAND ALPHA

Johns Hopkins University

● Maryland Alpha Chapter of Phi Kappa Psi is again in its rightful place as the leading fraternity on the Johns Hopkins campus. Our brothers have always dominated the field of athletics, and the wide plain of extracurricular activities. Until this year our house was in need of a good many repairs.

The liability of a poor house has been remedied, however, as we are now the proud possessors of a completely renovated fraternity home.

Phi Kappa Psi was well represented on the gridiron this season by Paul McLaren Pardew and Edgar Spilman, the latter being the captain-elect for the 1940 season.

We have five varsity lacrosse men returning this year headed by All-America John Tolson. The other stellar members of the team are Tommy Nicholson, Evans Smith, Edgar Spilman, and Harry (Monster) Nance.

The swimming team will again have the services of Mickey Pardew, who was high scorer last year. Pardew is one of the most versatile athletes ever to attend The Hopkins, excelling in track, swimming, football, and tennis. One of new pledges, Neal McRoberts comes to us with a middle Atlantic boxing crown.

Other of our brothers have made their talents known in managerial positions, Barnstormer play productions, Glee Club, and publication capacities.

After a fine rushing season led by Rushing Chairman John Tolson and an alumni party of great success, we are ready to initiate Pledge Brothers David Wallace, Neal Lane McRoberts, Dever Hobbs, Jewett Crites, William Dick, and Benjamin Kaestner.

We are anticipating a great year for our chapter and we feel sure that we shall further the ideals and principles of Phi Kappa Psi in the ensuing year. It would be a privilege to meet any of our brothers who are passing through Baltimore and we want you to know you will always be cordially received at 2644 N. Charles Street.

VIRGINIA ALPHA

University of Virginia

● Rushing is still holding the spotlight around Charlottesville these days, for the final rushing season begins after the Christmas vacation. Rushing Chairman, Tom Moloney, has been doing a fine job and expectations for a good new class are running high.

Much work has been done lately in fixing the house. "W. H." Cocke has even scraped and varnished the floors. Partners in the task were Coleman, Welch, and Tuthill, act-

ing under the general supervision of the rest of the members. When Whiting finally finishes painting his room, all the rooms in the house will have been completed. Mellen has been taking good care of the bar and not a spot of dust has been found since he was appointed caretaker.

Many members have been participating in extracurricular activities. Cocke, Coleman, Welch, and Cheek are in the glee club. Jack Brent is editor of the annual, *Corks and Curls*, as well as president of the Leadership Fraternity. O. D. K. Noble Conquest is now a Lambda Pi, as well as the noted columnist in *Topics*.

As far as sports are concerned, the turnout has been much better this year. F. Balsley, Cocke, Weems, and Tuthill were on the soccer team, which among others, played against teams having brothers from Johns Hopkins and Swarthmore. Welch was declared ineligible for football, but will be with the team next season. The horse shoe pitchers did very well in the intramural competition. Walters, Moundsfield, Tuthill, and Frazier gained points that will be of aid in keeping the Phi Psis from the bottom of the scoring in the interfraternity competition.

Opening dances were enjoyed by all, many of the older brothers stayed at the house, and several members from Illinois Beta dropped by. Dance week was most surprising. Cheek spent the weekend at the University, the first time since he has been in school. Walker had a date, and Deacon Thomas has turned out to be a wolf of the highest order. Not surprising, however, was Coleman's so-called date. True to form, no one showed up.

News has been received from several members who left school last year. Gil Nalle is at Fort Knox, Ky. Scott Chapman has returned for several short visits, since he is stationed at nearby Langley field as a member of the Army Air Corps. Fitz Elder will be back in law school next term if rumors are correct. The All-America Boy, Dick Lazenby is at the Naval Academy and has been elected captain of the plebe soccer team.

VIRGINIA BETA

Washington and Lee University

● Christmas, exams and Fancy Dress—they're the things which Virginia Betans are thinking of at this writing. But, before looking further into the future, let's take a glance at the past and present.

The chapter was glad to have visits from a large number of alumni during Washington and Lee's Homecoming weekend in mid-November. Among those who returned were Governor H. A. (Rocky) Holt, '16, of West Virginia, former District Archon Cy Anderson '33, John Davis, Charley Gilmore and Charley Semple, all of last year's class. Everybody had a good time, and Phi Psi won second prize for its decorations, so the chapter added the weekend to its list of successes for the year.

Virginia Beta held its first house party of the year the following weekend, and that, too, went over with the proverbial bang.

G. P. Francis Sugrue, who, having finished his third season of varsity football, is now limiting his efforts to the direction of the Troubadors' second play of the year, *Winter-set*, and to the editing of another issue of the *Southern Collegian*. He joined Al Snyder in ODK on December 1st.

Other Phi Psis are making names for themselves and the chapter in every field of campus activity. Ed Wagg, Arch Puddington, Tom Fuller and Bob Schellenberg are on the varsity wrestling squad, and Pledges Sam Graham, Bob Wagg and Bud Robb are leaders among the freshman grapplers. Bob Wilson is a good bet for a berth on the varsity swimming team. Pledges Ross Beason, Lynn Murdock and Don Crawford are the backbone of the first-year tank team. Jug Nelson is on the freshman basketball squad.

Al Overton was named alternate manager of the football team a few days ago, and Alex Simpson is currently serving in a similar capacity for the swimming team. Bob Cavanna and Bud Yeomans are seeking managerial honors in wrestling.

Others are all wrapped up in the publications field. Weed, Wilson and Peacock are on the business staff of the *Ring-tum Phi*, semi-weekly newspaper, while Wright and Levy and Pledges Millar and Bell are on the editorial staff. Fuller is writing for the *Collegian*, and Yeomans is working towards the business managership of that organ.

Christmas vacation is practically upon us, but we'll be back early in January to tackle exams. It might be well to note that Phi Psi made the second greatest scholastic improvement on the campus last year, jumping from 16th to 9th place on the fraternity ladder.

After exams, Fancy Dress! A garden party after the first Kentucky Derby is to be the theme for this year's "outstanding social event of the South," and two top-notch bands have been promised. February 2 and 3 are the dates.

Next in line will be our formal initiation exercises, which will be held on Founders Day, February 19th. The annual banquet will follow.

NORTH CAROLINA ALPHA Duke University

● North Carolina Alpha is excited over the new furniture for our club rooms. (For those who do not know, fraternities are not permitted to have houses at Duke. Instead, each fraternity takes over one of the dormitories and uses one or two of the rooms as general club rooms.) After many years of good service, the old furniture just gave up the ghost and died, but not before making a valiant struggle by giving up a leg here and an arm there.

Now we are resplendent in our new surroundings. The rooms have been paneled in oak. One room has been furnished in red and blue, the other in red and green.

To celebrate, we are planning a gala housewarming before Christmas vacation. Also, just before the holidays, we will have our annual Christmas party. This event is long looked forward to and long remembered.

The Phi Psis here have turned out to be the great Romeos, for since the previous letter Fred Eastwood, Curt McCalip, and Dick Johantgen have got pinned up, and Bob Rand found he just couldn't get along without "Mitch" so she is now repinned. George Dorsey is in there fighting hard for the love of "Ole Miss".

For years there has been an agitation for a Phi Psi glee club, which is actually becoming a reality. We have persuaded Mr. Barnes, director of music at Duke, to help us get started. Consequently, we are confident that even in its first year our group will make a creditable showing in this field.

Your correspondent is busy with rehearsals for a French play. It is a modern French version of *The Taming of the Shrew*, and he is Petruchio. What fun!

Phi Psi has three more members in the pre-medical society. They are: Fred Eastwood, Ira Jackson, Charles Shlimbaum, and James Moody.

We are pleased to announce that on December 11th, Bacchus Bright Byrd of Morristown, Tenn., was initiated.

PENNSYLVANIA ALPHA

Washington and Jefferson College

● Pennsylvania Alpha is proud to announce that she is the first winner of a new Jefferson Duo scholarship plaque which was presented by Brother James D. Moffat '03, the son of an illustrious president of W & J, and the father of a couple of fine Phi Gam sons.

Bill Schmidley attended the National Interfraternity Conference in New York City, November 30 and December 1 and 2, returning with many constructive suggestions for the conduct of our own chapter. Discussion centered on the remedying of unfavorable fraternity publicity and the functions of the interfraternity council in the individual schools.

December 19th is the date set for the first formal dance of the year, the Greek Swing-out, which will be held in the ballroom of the George Washington Hotel with Harry James' orchestra providing the music. Ray Elliot, chairman of the social committee, is planning a formal dinner for Phi Psis, to be given in the hotel before the dance.

Although proud of her scholarship standing, Pennsylvania Alpha also has an enviable athletic slate. As the college football season ended, Dave Holden was named the most outstanding sophomore on the team. Bill Montgomery, Al Skinner, and Art Marston were also varsity men. Chuck Reynolds was high scorer with sixteen points in the first basketball game of the year when Jay defeated Penn State, 35-26. Dick Watson will be swimming varsity back stroke again this year.

Arrangements have been completed with the college to move the Phi Psi memorial fountain, which was placed on the campus by the national fraternity in 1909, from its present position to the middle of the front campus. The plan includes the building of a Phi Psi walk from College Street to the front of Old Main, and the construction of seats where the walk circles the memorial. At the College Street entrance to the walk two pillars with a dedicatory plaque will be erected. Final approval of the arrangements will be sought at the December meeting of the Executive Council.

The memory of Brother Jesse Lazear of the class of 1889 will be honored by the production of "Yellow Jack," on December 8, by the Buskin Club, college dramatic

organization. Brother Lazear, the hero of the play, who died in Cuba in the fight against yellow fever, will also be commemorated on this campus by having the new chemistry building named for him. Bill Schmidley and Ed Wallace have roles in the production.

PENNSYLVANIA BETA

Allegheny College

● Ever since Thanksgiving, the brothers have been hitting the books to make up for the several delinquencies issued prior to vacation. Beta's aim this year is to not only be first on the campus socially, but scholastically as well.

On October 14th, Allegheny celebrated its 125th anniversary with many alumni back to enjoy the Allegheny-Oberlin game in the afternoon, coffee-hour and buffet-supper afterwards, and a dance in the evening. Among the brothers back were Ochs, Wheatley, Spence, Shaffer, Whitacre, Mook, Smock, Miller, Annett, DeArment, Williams, Cutler, Striebig and Rothrock.

With the conclusion of football season, Cook, Burkett, Saylor, Trump, and Pieffer emerged with an "A" on their sweaters. Currently, interest is centered in basketball, with Cook, Robinson and Pieffer on the varsity. With the second place in ping-pong under our wing, Phi Psi has gained the second rank in intramural sports.

Phi Psi played host to members of Phi Delta Theta at a joint smoker held at our house October 25th. A joint serenade of the women's dormitories was followed by a spaghetti dinner. Our Pledge Dance was held November 6th with everyone enjoying the shebang—and especially the caricatures of the pledges drawn by Rick Caldwell. Plans are complete for our winter formal, January 6th, under the social committee headed by Gil Brown.

Dick Barnes of Meadville has been selected the outstanding member of the class of '42, based on last year's record as a freshman.

We are pleased to report that Sophomore Bert McCullough has transferred from North Carolina Alpha to Pennsylvania Beta.

In the Allegheny Playshop, Liggett, Cook, Bartle and Caldwell have been instrumental in the huge success of the productions of *Petticoat Fever* and *Judgement Day*.

After a trial of the pro-rata system of collecting bills, Pennsylvania Beta strongly recommends the adoption of this system to other chapters, finding not one bill to pro-rate at the end of the current month. With our financial outlook decidedly on the upswing, we hope to have our new chapter room completed at the time of initiation on February 17th, 1940. At that time, following formal initiation, we will honor our founders with a Founders Day banquet at 6 P. M. All Beta's alumni and Phi Psis in the vicinity of Meadville are cordially invited to attend. We hope to have a nationally known speaker at the dinner.

In the holiday spirit, Pennsylvania Beta extends the best of fraternal wishes to all the Brothers in Phi Kappa Psi.

PENNSYLVANIA LAMBDA

Pennsylvania State College

● The Pitt-Penn State football game on November 25th, marked the end of a fine football season for State, and the close of an extremely successful fall social season for Penn Lambda. Such affairs as Dad's Day, Homecoming, the formal Pledge Dance, and an excellent houseparty, combined to make this fall most outstanding.

Climaxing the social season, was the marriage of Don Adams '36, to "Muzzy" Paulson, in our clubroom. The Rev. Mr. Seth Russell, Pa. Lambda '33, officiated, and Skid Babbitt, Pa. Lambda '15, one of our most faithful alumni, acted as best man. The wedding was followed by a tea, after which Mr. and Mrs. Adams were sent off in a flurry of rice.

Below grades are out, and while there were a few in the house, their scarcity is a definite sign of an upswing, indicated further by the fact that Penn Lambda came up several places among the fifty-two fraternities on the campus, in this semester's scholarship ratings.

For a long time there has been felt the need for a secret chapter room, for the exclusive use of brothers. At long last, something is being done about this feature, thanks to Charlie Parkin.

Christmas will find winter sports activities well under way. Ben Kline and Will Salberg,

first assistant managers, have begun their nightly trek to the swimming pool and boxing ring, respectively. Bob Hoffer is trying his hand as a second for the newly-formed ice hockey team. Bill Garrett is practising with the ice hockey team and expects to see action this year.

The boys were entertained for almost an hour the other evening by a card expert, who later explained several of his tricks. Now there isn't a spot in the house where someone isn't shoving a deck of cards into your face and saying, "Pick one!"

Plans are being formed for the first interfraternity sing, the finals to be held at intermission of Interfraternity Ball in the spring. Led by such songbirds as Richard Eckert, Ed Moore, Bob Hoffer and Charlie Shinnamon, all of whom sing with either the glee club or choir, Phi Psi is looking forward expectantly.

We wish to welcome heartily Edwin I. Carson, formerly of Penn Alpha, and John M. Bobb, formerly of Penn Beta, into our chapter.

With Founders Day only a short time away, Penn Lambda wishes to join with the other chapters of our Fraternity in paying homage to Charles P. T. Moore and William H. Letterman, who, as has been said, "buildded better than they knew."

● The chapter is exceedingly proud of the fact that several of its members attained top-ranking offices in the Military Department this year. Ernest Hutton, our G. P., is Lieutenant Colonel; Cecil Highland, Cadet Colonel; Clarence Smith, Plans and Training Officer of the Regimental Staff. Second Lieutenants serving as instructors are Paul McKeel, Robert Parrish, and Robert Holland. Champe Pool is Color Bearer and, incidentally, the highest ranking third-year man.

Three of our group, Champe Pool, John McCue, and Ralph Marshall are receiving training in aviation under auspices of the C. A. A.

Homecoming was a very successful event. Many alumni returned to renew old acquaintances and to visit the scenes of their happiest days. A buffet luncheon in honor of the visiting alumni and their wives was served prior to the Homecoming parade. As the re-

sult of the fine idea conceived and executed by the committee on decorations, Phi Psi came out on top again by winning a permanent cup as first prize for the best decorated float.

An announcement was made on December 4, 1939, of the resignation of Dr. Marshall (Sleepy) Glenn as head football coach. His successor has not been named but it is expected the Board of Governors will do so at their meeting on December 16th. Those who claim to be good at Winchelling say that the new coach will be Bill Kern, the well known mentor at Carnegie Tech. At any rate, we shall await the final announcement with a great deal of anticipation.

Selection of the house mother has not been made, but the applications have been narrowed down to three. Final choice will be made shortly.

OHIO ALPHA

Ohio Wesleyan University

● Ohio Alpha has begun another term under a newly elected administration. William Mansfield has taken over the gavel as our new G. P., succeeding Gordon Dale whose fine work and interest in the chapter is to be highly commended. Other officers for the coming year are: Chase Patterson, V. G. P.; George Graab, P.; Edward Benfield, A. G.; Walter Oberer, B. G.; Robert Eichel, S. G.; Frank Redinbo, Hod.; Judson Weyman, Phu.; Earl Keyes, Hier.

Seniors Bob Dumm and Jim Reiser have been elected to Omicron Delta Kappa, national leadership fraternity. Bob was honored because of his excellent work on the *Ohio Wesleyan Transcript*, and Jim for his splendid record in football and basketball. Last spring Gordy Dale and Pete Rardin were initiated into the order for their leadership in athletics, Gordy for swimming and Pete for football.

Co-captain Jim Reiser played his last game for O. W. U., December 2. Jim wound up a brilliant career of college football by being the driving force that led his teammates to five victories this season. Owing to his aggressiveness and a spirit bigger than his 160 pounds, Jim has had innumerable honors heaped upon him. He was named first-string All-Ohio end by U. P., A. P., and I. N. S.; to top these on December 6th, Jim's name was linked with the great football players of all time in being selected by the A. P. as their choice for the second team "little

All-America," the only Ohio gridder so honored.

Moving from the gridiron to the varsity basketball court, we find that Jim is in there again well-supported by 'Huge' Kirchwehm and Moe Monroe. Our pledges are leading the field in all freshman intramural sports which looks encouraging for the next three years.

In dramatics, Earl Keyes gave another talented performance in the leading role of Mio in *Winterset*. This tragic play, by Maxwell Anderson, gave Earl free reign to play a part which he had set his heart on ever since its opening several years ago. Ed Benfield played the part of Lucia. Dick Snider, a pledge brother, promises to be another thespian and has started out by being elected to Freshman Players.

Phi Mu Alpha, national music honorary, has initiated Ed Benfield. Pledge Brothers Don Tahsler, Dick Snider, and Don Snyder are active in the Singers' Club.

Final plans for the celebration of Founders Day on February 19th have not been completed, but in all probability the annual tri-chapter banquet will be held with Ohio Beta and Ohio Delta with the latter acting as host.

Homecoming was made even more enjoyable by the presentation of two beautiful mirrors to the chapter by Edward Cawood, '29 of Harlan, Ky. Tiling for the shower room was presented this summer by an old friend of the chapter, Bill Addison, of Cleveland.

For the benefit of alums, we announce the Brothers in charge of rushing for the coming year: Chairman, Ed Benfield; Co-chairmen, Dick Patten and Bill Conger. All names of prospective pledges will be gratefully acknowledged by the members of the new committee.

● Since the previous newsletter, the following officers have been elected to serve until the annual meeting in May: Richard Bittenbender, G. P.; Donald Stupp, V. G. P.; Paul Buchanan, B. G.; Wayne Martin, Phu.; Dale Koblenzer, Hod.; John Scheidemantel, Hi. These brothers are attacking their problems with genuine sincerity of purpose.

Under the supervision of Berg and his committee, Ohio Beta won the Homecoming trophy for the third consecutive year. This

added the finishing touch to a grand weekend. We enjoyed having one of the largest number of alumni present for Homecoming that we have had in a long time.

For the second year, Phi Psi was successful under the direction of Fraylick in winning Varsity Night. We feel that Ohio Beta is off to a good start and we hope to continue.

In intramurals, Phi Psi is headed for the second straight year toward winning the "A" league volleyball championship. Only one more victory is needed to win the cup. We are eagerly awaiting the opening of the basketball season.

Schroeder is managing the Wittenberg basketball team. From December 9th to the 23rd, the team will tour the East playing such teams as Rider, and Long Island. Jim Reusswig, a sophomore super-pledge, will be in the starting line up.

The first issue of this year's *Beta Logue* under the editorship of Brother Ferguson has been issued.

The chapter entertained, with a Christmas party, for twenty underprivileged children of Springfield. Gifts and refreshments were provided for these children. We think the brothers received as much fun from the party as the children.

We are looking forward to observing Founders Day on February 19th with a banquet. We hope to have a large number of alumni in attendance at this celebration.

OHIO DELTA

Ohio State University

● Now that the football season is over, the chapter has settled down to the more serious business of trying to salvage some respectable grades. The pledges are paying more attention to house duties and "Mike," the Great Dane, graces the new couch in the Louis Room. Johnny Trimble, master of the hounds, resigns himself to ten hours per day caretaking of the dog.

The most notable event of the past month was the Ohio Delta hegira to Ann Arbor to watch the entertainment handed out by Tom Harmon & Co. to the tune of 21-14. If it wasn't for the wonderful hospitality of Michigan Alpha, and the parties given in Toledo by Bower Corwin and Field Crowthers, the weekend would have been a dismal one at best.

The athletes are looking forward to a basketball season with Bill Goss of Ander-

son, Ind., the sophomore flash, attempting to fill the shoes of last year's G. P., Dick Baker, also of Anderson. Pete Sayers, the pudgy pledge, won his sweater and numerals on the freshman football squad. The golf stars of the house, Gilbert and Gardner, are beginning to make plans for the 1940 season. In swimming, are Tom Cloyes and Spence Gardner. Pledges Corwin and John Robinson are chasing little white pills up and down the polo field.

The 12th of November saw six new initiates observe the mysteries of Phi Kappa Psi for the first time. Robert Nease, Al Livingston, Edward Seddon, and Earl Gray of Columbus, and Field Crowthers of Toledo along with Billy Gilbert (not the movie idol), of Cincinnati, survived the initiation week rigors, and the banquet was honored by the presence of Lester Kellogg, director of the Ohio Bureau of Business Research, in the role of speaker.

Another highlight of the fall season was the honor of entertaining Brother Edward Everett Horton who was appearing at the local legitimate theater in *Springtime for Henry*. He spent Sunday evening at the house, joined in the singing and story swappin' and when he couldn't return for lunch the following Wednesday showed his true brotherly spirit by substituting his leading lady, lovely Marjorie Lord. G. P. George Packer promptly dated her up for the evening. A prominent local alumnus who is leaving Ohio is General F. H. Van Voorhis, Pa. Alpha '97, Commandant of the 6th Army Corps at Fort Hayes, who is being transferred to the Philippines as chief of the U. S. Army forces.

In the activities line, Harry Vallery, Third District Archon, was chairman of the Homecoming events at Ohio State. Tom Packer was one of the sophomore appointees to the Fraternity Affairs office. Freshmen Bob Reed and Kent Snyder are doing a creditable job in the Student Senate Office.

In closing, Ohio Delta sends congratulations to Iowa's Brother Nile Kinnick and the honors he has won for himself, his school, and fraternity.

OHIO EPSILON

Case School of Applied Science

● Interfraternity sports have started at Case School of Applied Science and the Phi Psis have taken all the honors so far. Phi

Psi's volleyball team, under the leadership of Evan Nord, was successful in winning both the interfraternity award and the all-campus award. The volley-ball team played each team once and the best the opponents could do was to get 12 while Phi Psi's steam roller tallied 21 points. The members of the team were Bill Heckman, Bob Rogge, John French, Willie Slater, Fritz Thompson, Evan Nord, Karl Benson, Jack Find-eisen, Bud Sinnott and Dick Smail.

Our basketball team, under Coach Bill Heckman, won its first interfraternity game 36-4 and it looks as if we may well take top honors in this sport, also. Members of this team are Bob Barth, Bud Sinnott, Paul Kelly, Bill Newell, Bert Grow, Bernie Fobes, Dick Smail, Willie Slater and Evan Nord.

Joe Voss, tackle, Bill Brewer, quarterback, and Bob Ward, fullback, were awarded varsity letters for their performances on the gridiron. On the freshman squad were Bernie Fobes and Bob Kidd, who received freshman awards. Both Kidd and Fobes played ends on the freshman squad.

As basketball season begins we have three on the varsity, Bill Heckman, who was the varsity mainstay last year; Bob Rogge, a senior who has played three years on the varsity, and John French, now a sophomore. Bernie Fobes and Bert Grow are playing on the freshman team.

The Phi Psi Mothers' Club sponsored a bridge party at the house in order to raise money to buy a number of things needed for the kitchen. The Mothers' Club entertained about 150 women.

Our social chairman, Bill Hoffman, has been planning the Christmas party for months and finally decided on the place and the date. The place is the Wade Park Manor and the date is Thursday, December 21st.

The commissary department is sponsoring a big turkey dinner with cranberry sauce and all the trimmings. This dinner is strictly for house men and it will be on the eve of Christmas vacation, December 19th.

MICHIGAN ALPHA

University of Michigan

● With only five days left until Christmas vacation begins, thoughts of the chapter in Ann Arbor are far from studies. The annual Christmas party is scheduled to take place in the chapter house next Thursday night, and already the freshmen have "obtained" the traditional Christmas tree for the front room.

Michigan Alpha has been doing well in intramural sports, having gone to the finals in speedball, and being favored to win the interfraternity swimming championship. Dick Bennett and Chuck James were named on the All Campus speedball team at the end of the season. For the seventh consecutive year, the Phi Psi ice hockey team is defending the interfraternity championship. In the first game, played December 5th, the chapter team was victorious over Delta Upsilon by a score of 4-1. Playing on the team are Bill Loud, goalie, Bennett and Zimmerman, defense, Strickland, Simmers, Neerken, Fife, Funk, and Fauver on the forward wall.

Fall initiation was held the afternoon of December 3rd. These three men were taken into the chapter: Frank Savage '41, Birm-

ingham, Mich.; Ted Kennedy '42, Saginaw, and Ted McLogan '42, Flint.

Several of the Brothers and most of the Pledge Brothers are working hard on the annual Interfraternity Council Christmas party given for the underprivileged children of Ann Arbor. With the interest shown in this affair by all participating, it is certain to be an overwhelming success.

● The Brotherhood finds little news to report just before Christmas vacation. Due attention to the freshmen and attempts to keep in there in intramurals are the focal points of general activity.

The scholarship of the rhines advanced in practically every instance during the second six-weeks of school. It looks like we've got a couple of A-1 scholars and the rest are doing their share to keep the house up at the top. Intramurally, we're sticking tighter than red flannel underwear to the Sigma Chis, who have been setting a hot pace so

far. Murray, Schaffer, Johnson, Houk and the rest are whipping a strong basketball outfit in line for the next encounters.

G. P. Jack Pearce has completed some important work in centralizing and eliminating duplication in the inner workings of the Chapter. The advisor, John Burkhart, seems satisfied with our new accounting system being handled by Bob Brown.

John McNaughton has been elected rush chairman and we suggest if you have anybody in mind as good material that you drop him a line at Bem Towers, Vine St., Greencastle.

The decorations committee is fixing up something fancy for the Christmas dinner-dance formal Friday. Keep our spring rush dance in mind, you fellows with an urge to boress with the Rock House sisters.

The furnace room has been fireproofed, but Erdmann, the desultory fireman, nearly freezes the boarders.

All hope the Brothers survive the New Year.

● The 46th Annual Indiana State Thanksgiving banquet was held in Indianapolis, November 23rd, and was attended by undergraduates from Alpha, Beta and Delta chapters and alumni from every part of the state. Charles E. Strickland, president of Phi Kappa Psi, aided in making the banquet a great success.

To the joy of the entire house, George Kempf was initiated into Phi Kappa Psi, October 26th.

The pledge class showed to good advantage in the recent tackle football game played with the Phi Gams whom we drubbed, 20-13. After losing the last two years, the house is indeed glad to again hold the cup. The chapter is keeping an eye open for any burly lad who might make a good pledge, because we are intending to repeat our victory again next year.

Al Sabol, varsity tackle, is a recent addition to the pledge class. Al is a junior in the university.

Bob Denny recently was pledged to Sphinx Club and Blue Key.

An X-Ervax, a machine for restoring hair to bald heads, has been installed in the president's suite by Marshall Alexander, Kemp Westfall, John Springer, Don Pell, and

Robert Boughman. Results are becoming slightly obvious.

An appreciation for Fine Arts club has recently been formed in the house. Dick Davis, Chester Stayton, Kemp Westfall, Ben Wilson, Bob Whitehead, Kim Greenough, Austin Rinne, Guy Boyd, Harry Humrichouser, Rex Wischare and John McFarlan assemble each Sunday afternoon to listen to such symphonic recordings as Peter Tschai-kovsky's Fifth Symphony, Lohengrin's Prelude to Third Act, Wagner's Fest March, and Johann Strauss' Emperor's Waltz. Scheduled for next Sunday is Beethoven's Fifth Symphony.

Phi Psi is only a few points behind the leaders in intramurals, and the boys are staging a drive to overtake the Sigma Chis, leaders this year and winners last year. We expect to be within striking distance after the next few games are run off.

A review of activities and athletics finds the members working as hard as ever and bringing honors to the chapter.

The Jeff Hop, held in commemoration of the mutual founding of Phi Kappa Psi and Phi Gamma Delta on the campus of Jefferson College, took place December 16th. Bill Bardo and his orchestra from Chicago, furnished the music for the dance which was preceded by a formal dinner.

The name of Richard W. Mehl, son of Wallis W. Mehl, Ind. Alpha '11, was omitted inadvertently from the list of pledges. W. W. Mehl is practising law in Goshen, Ind.

● The house has settled down to that last four weeks' stretch before finals with every one bemoaning the fact that the end has crept up faster than he realized.

The house has really gone places with a high percentage of the men being active in campus affairs, and a well rounded social program being carried out. John Carter, the Metropolitan Opera tenor who sang for a University convocation earlier this fall, was our guest at a luncheon and sang with us on a serenade of the women's residence halls. Zack Mosely, cartoonist moderné and creator of *Smilin' Jack*, judged at the *Debris* all-campus beauty contest and stayed at the house during his weekend here. Zack obligingly drew some of his "lil' de-icers"

for us. Let me assure you that the only way for one to get to know his opera stars and cartoonists is to have a party with them.

Two of the three running the beauty contest were Phi Psis. Larry Brodd, Union vice-prexy and Johnny Van Horn, *Debris* junior business manager, handled the contest nicely. Van Horn is also on one of the campus political party's ticket for Junior Prom committee. Dick Voyles was initiated into Pi Tau Sigma, mechanical engineering honorary and has been active in the local chapter of the A. S. M. E. Dan Fisher, varsity basketball star for the last two seasons, was initiated into the Gimlet Club, senior and junior men's honorary and is starting on another basketball season.

Pledge Brother Charley Johnson ran wild in the freshmen-varsity basketball game last week and scored 24 points, to be high-scorer. Burt Gedge is a junior basketball manager and Vaughn Hill is a sophomore track manager. John Cochrun who was pledged Scabbard and Blade, R. O. T. C. honorary, is manager of the glee club, and is a member of the honorary concert choir. Gordon Belles has had a successful season in the university debate team. Sophomores Sears, Shadford, Schornstein, McWorkman, Wolff, and Graf, are working for junior positions on *Exponent*, *Debris*, Activities Bureau, and Student Union.

We are busy with preparations for second-semester rush. Rush-chairmen Smith and Alexander have a wealth of material to pick from and expect to pledge about ten, mainly Cary Hall men.

Our pledge dance was held November 18th, the theme being that of a hospital. Everyone including the chaperones had a good time. We have had a number of trade dinners and are planning to have the Jefferson Hop, our big winter formal, February 24th.

We are having our annual Christmas party for the poor children December 19th. As usual, our genial and slightly-tanned porter Croom will act in his official capacity as Santa. Since our last letter Croom has procured a new set of false teeth, and when he flashes that smile, shade your eyes!

ILLINOIS ALPHA

Northwestern University

● There has been no lack of news from Illinois Alpha since the last *Shield* newsletter.

Activities at the house have been taking place with an amazing rapidity.

Firstly, the chapter has had a number of pleasing contacts with Brother Edward Everett Horton, who is starring in the current Chicago comedy, *Springtime for Henry*. The brothers invited Horton to a special Sunday luncheon soon after his engagement began here, and then reciprocating the chapter's hospitality, Horton invited the entire membership to be his guests at a showing of his play. The chapter attended *en masse* on Monday night, November 27th. The entire cast of the play is to attend the chapter's winter formal at Chicago's famous Electric Club on December 15th.

Alpha also has been taking an active interest in social affairs on the Northwestern campus. Thanks to the Mothers' and Wives' club, open house was held after every home football game. About fifty Phi Psi alumni have attended every open house, and the actives and pledges have felt especially gratified at this kindling of closer contact between the oldsters and the youngsters.

Exchange dinners with a number of sororities have been another social activity of the chapter. We have been privileged to hold these dinners with the following sororities: Kappa Alpha Theta, Kappa Kappa Gamma, Alpha Chi Omega, Alpha Phi, and Gamma Phi Beta.

Varsity athletics is another field in which the chapter has been taking an avid interest. Bob Daly and Ted Greffe, varsity ends, both served as game captains during the football season. Daly was captain of the Oklahoma game; Greffe was captain during the Iowa game. Fillup Kriessl, Dick Carlson, John Widdup, and Doyle Gray are on the water-polo team. Pledges Dick Wilkinson and Erv Wilson are varsity fencers. Donald Turner is the house representative on the basketball team. Varsity wrestlers are John Ferguson, Bob Bartron, and George Watson.

Intramural athletics have been lagging somewhat, but the chapter is now hopefully preparing for the annual fraternity league basketball race. Football was somewhat of a disappointment as the chapter won one game, lost two, and tied three games. In individual sports, however, a better showing has been made. Bob Bartron won the 165-pound championship in wrestling, and the chapter placed fourth in the tournament. Pledge Bill Gurney advanced to the quarter-finals in the horse-shoe throwing being displaced by the 1937 champion. Orv Wetmore was eliminated in the quarter-finals of the singles golf tournament.

The house has been working hard to improve its scholastic standing. Only a few delinquent notices have been received since the mid-term examinations. The scholarship chairmen, Fil Kriessl and David Ringwalt, have mailed notices to all instructors of the pledge class in an effort to maintain a close check-up on the neophytes' academic standings. Fred Mammer has been elected to Phi Beta Kappa, and your correspondent has been elected to Sigma Delta Chi. Jim Ward and Wally Geidt have been chosen as members of Phi Eta Sigma, freshman honorary society.

Brother Mammer has been elected to one of the highest political positions on the campus, being chosen as chairman of the Student Governing Board. The governing board is the executive body of Northwestern student affairs. Jim Ward was elected to the membership of the Sophomore Class Commission.

Ernie Wieder is business manager of the *Daily Northwestern*; Ward is a night campus editor. Geidt is a sophomore assistant on the student yearbook.

ILLINOIS BETA

University of Chicago

● As predicted in the previous letter, Illinois Beta has gone forward to take top honors on campus during the autumn quarter. The main social functions of the quarter are now fireside memories, and the brothers have taken to serious study in preparation for the nearing exams.

Although the Homecoming game added no glory to the frayed cause of football, it netted us a cup for first place in decorations, and second place in Victory Vanities, which are fraternity skits put on before the games. Bill Hankla was responsible for our winning the decorations prizes in the last two years, and that we have won them four out of the last five attempts. The Vanities were produced by Alf Gentzler, and made uproarious by Chuck Banfe and Frank Myers.

Wally Beatty has led the chapter to first position in Intramurals at the close of the quarter. We have taken first in swimming, third in touch-football, are in the finals of ping-pong, and the semi-finals of billiards. We have excellent prospects of maintaining this position throughout the year due to the best fraternity basketball team on campus,

and a combination in track and baseball which should click smoothly.

The best house on campus has now been made perfect by the repainting of the second and third floors and the recreation room. New ping-pong tables have been added along with new curtains. Appealing to the physical more than aesthetic, Esquire's nude illustrator, George Petty, has had his contributions to the field of art framed under glass and hanging around the walls of the recreation room.

Emil Weis and Dave Weidemann guide the current rushing season to a close. Pledging will take place the second week in January and the outlook, to be conservative, is good.

The social whirl climaxed with Duke Ellington and his band beating a minor strain at the Drake Hotel for the annual Interfraternity Ball. Phi Psis dined and wined themselves at a formal dinner in the house before commencing to dance. Brother Edward Everett Horton appearing in *Springtime for Henry* in Chicago, sent each member of the chapter two tickets to his play. So, the entire house and dates formed a large theatre party a week ago. Your correspondent had the privilege of eating lunch with Brother Horton this week and inviting him and his cast to a late breakfast, a la biscuits, honey, mushrooms, and trimmings, Sunday, December 10th. Brother Horton gladly consented to come and beat us all in ping-pong. February 19th will find all Phi Psis attending the Founders Day banquet.

New officers were elected recently for the winter and spring quarters. To carry on the high standard of accomplishment set by their predecessors are: William Macy, G. P.; Charles O'Donnell, V. G. P.; Dayton Caple, P.; Victor Johnson, B. G.; Walcott Beatty, A. G.; Ralph Moore, S. G.; Clark Watkin, Phu.; Alfred Gentzler, Hod.; and Joseph Molkup, Hier. The standing committees remain the same throughout the school year.

● During the winter months the Brothers are participating in bowling and water polo and soon will be competing in volley ball and the rifle match. The results of recent target practise show that we have several crack shots.

In the Skull and Crescent pajama race, in which the pledges of twenty-five fraternities competed, our fleet-footed plebes raced to the finals and placed third. This success was largely attributed to one of our recent pledges, Paul Fullop of Christopher, Ill.

Other additions to our pledge class are John Harmon, Elkhart, Ind., and Laurent Clody, Chicago. Laurent is a member of the Illini Gymkana troop.

Archon A. R. Mueller, G. P., captured the blue ribbon and spurs as winner of the mounted wrestling match. Barkley Bell '43, is still the leading swimmer on the freshman team, and has received an invitation to accompany a group of swimmers to Florida where they will meet the leading swimmers and coaches of the country during Christmas vacation.

Congratulations are due Frank Trobaugh who recently was initiated into Phi Kappa Phi, all University honorary, and to Yeager and Hites who have respectively received a first mention and a mention in the competitions by the Beaux Arts Institute of Design.

The chapter regrets the loss of two seniors who will be joining the alumni in February, Robert deJonge and Charles Phillips, of the civil engineering and commerce schools, respectively.

Social events have included the Homecoming game in which Illinois defeated the powerful Michigan eleven to the surprise of all except the team and Coach Bob Zuppke. More than fifty enthusiastic alumni attended the game and stayed at the house. Dad's Day was a week later and the house entertained the dads of the Brothers at a deluxe banquet. The annual Alumni-Thanksgiving banquet was held a week earlier than usual, in conjunction with the thirty-fifth anniversary of the founding of Illinois Delta. The chapter held a formal dinner preceding the Junior Prom. Our final feast of the year will be enjoyed just prior to Christmas vacation. Pan-Xenia, the foreign commerce professional, was recently the guest of the chapter.

The winter formals are now the main event on the Illinois campus, and the brothers are awaiting the festive weekend. The theme of the decorations has been announced by the social committee as, 'Every girl a winner' with each girl receiving a trophy. The couples will dance among horseshoe shaped wreaths of holly and appropriate sprigs of mistletoe.

TENNESSEE DELTA

Vanderbilt University

● Midterms for the fall term have just passed around the corner. "They came, they saw, we conquered", as one ambitious pledge puts it. Tennessee Delta for many years has been one of the top ranking fraternities on the campus in scholarship, and this year's aggregation is out to raise the standard which was lowered somewhat during the past year.

Brother George, our beloved G. P., is setting the perfect example. Last week he was recognized as one of Vanderbilt's fourteen Phi Beta Kappas. He is also the leading candidate for the Founders Medal, which is the highest scholastic award obtainable in the University.

Our pledges are going great guns. During the recent Homecoming celebration the goats stole the bacon, or rather cup, in taking first place honors in the annual freshman skit contest between the various fraternities and sororities. The dead pan acting of Pledge Red Hot Wright, plus the all-around work of the other pledges made the skit a howling success. The title of the skit was *Tiger, Tiger, Burning Bright*.

Phi Psis were the bright lights in the annual freshman-sophomore all-star gridiron classic, which was another phase of the Homecoming celebration. The frosh, led by our Pledges McLaughlin, Jones, Baird and Ripy, won a thrilling victory over the sophs captained by Lodge.

Delta was eliminated from the intramural touch-football league in our third game by a narrow margin. Now that we have been eliminated from the football league, the brothers are out to prove their athletic prowess in other sports. George is out to retain his varsity berth on the wrestling team. Edge is a member of the varsity boxing team. Lodge is out for basketball, along with Pledges Ripy and Baird who are frosh hopefuls.

Athletics are not the only extra-activities of the tribe. Publications seem to hold the greatest interest, and Delta is a campus leader in this field. Brother George threatens to revolutionize the journalistic world with his humor. George is editor of the *Masquerader*, campus humor mag. Coffman is head of the circulation department. Pledges Stone and McLaughlin work under Coffman. Lodge was recently elected editor of the *Scan*, the new Student Christian Association publication. Coffman, McLaughlin, and Stone hold staff positions. McGeehee is a staff head on the *Pursuit*, a literary magazine.

Brother George was recently defeated for the presidency of the senior class by a scant eight votes. Edge and Coffman are to clash in the final of our ping pong tournament.

Our first big social event is a dinner dance to be given at the house on November 29th.

● One thought dominates the minds of everyone on this campus. Christmas holidays are almost here. In order to help with the spirit of things, the Phi Psi house has been decorated with Christmas trees, and a Christmas party will be held on the 13th.

Mississippi Alpha was well represented on the Ole Miss football team this year. This team which only lost two games included Brother Wright and Pledge Hapes in the backfield. Merle Hapes was named on the sophomore all-southeastern team at fullback.

We serenaded the Delta Gammas this week with Phi Psi songs and Christmas carols. These girls strictly go for our songs, etc.

A Phi Psi New Year's banquet will be held in McComb during the holidays. A large number of Phi Psi alumni, pledges, rushees, and their dates will be there for the banquet and dance.

One new cup has already been won this year, and we hope others will follow. It was for the best Homecoming day decorations.

Plans are well under way for one of the largest initiations in the history of the chapter in February. This will be held along with a Founders Day banquet and Phi Psi alumni homecoming.

WISCONSIN GAMMA

Beloit College

● The start of 1940 will find Wisconsin Gamma beginning the second semester of the school year with men participating in every line of campus activity. Phi Psi has had a successful first semester at Beloit College, and is ready to continue its good work along scholastic, social, and athletic lines.

When the Blue and Gold closed their 1939 football season the following nine Phi Psis received "B" sweaters: Bob Atteberry, Doug Cox, Bruce Duncan, Roy Thomas, Bill Chadwick, Reggie French, Bob Zimonick, and Bruno Virgili. Bob Wiese received a similar reward for his managerial work. In recognition of their outstanding play, Chadwick and co-captains Zimonick and Virgili were picked on the Midwest Conference second team.

Captain Joe Schwake, Henry Smith, George Hartman and Bob Hartman earned "B" sweaters for cross-country running. The team won the Midwest Conference championship with Schwake taking first place in the meet.

Since the previous *Shield* letter we have initiated Joe Schwake, Chicago, Ill.; Roy Thomas, Hinsdale, Ill.; and pledged Bob Critchfield, Rockford, Ill.; and John Slater, Oshkosh, Wis.

The social committee has been functioning well under the chairmanship of Bob Maylahn. Two successful parties have been given: the first, a semi-formal in honor of the pledges, was attended by more than forty couples, and the second, our winter formal, included Chic Sale's eleven-piece orchestra, snow scenes as decorations, and some really extra special co-ed pulchritude.

The boys from Chapin Street have been out ahead in the intramural race since the beginning of the school year. Phi Psi won the wrestling tournament with Hank Smith, Phalen, Atteberry, and French winning individual championships. The bowling team has won twelve consecutive games with Slater, Chadwick, Micheals, and Karcher hitting the strikes and spares with consistency. The house basketball team, which won the 1938-39 fraternity championship, is out to take another first place trophy with Capt. Virgili, Joe Jernegan, George Jernegan, Volland, Geister, Chadwick, George Hartman, Schwake, Biester, Sculley, Vogel, and Miller making up the squad.

Toepfer and Gurholt are again recognized as two of the leading debaters among the midwest colleges.

Wisconsin Gamma was fortunate in having John Morris, Wis. Alpha '14, drop in for a visit a short time ago. Many pleasant hours were passed in the room of Law and Hartman conversing with "Pat" Morris. The chapter wishes that more alumni would drop in to pay us a visit once in a while.

MINNESOTA BETA

University of Minnesota

● Since our previous letter Minnesota Beta's chief occupation has been the organization of its rushing machine to successfully compete with other fraternities during the formal rushing period which starts after the Christmas holidays. For the past three weeks we have been informally rushing freshmen but no pledging is allowed until winter quarter. Under chairman Bob Pile, the rushing committee has set the stage for what appears to be Minnesota Beta's most successful season in several years. By the time this letter is published, rushing will be over and Pile and the chapter in general should be receiving congrats for the good work done.

Fall quarter rushing at Minnesota was successful indeed. Only allowed to rush transfer students and upper classmen, Minnesota Beta landed these seven: Ralph Leighton, Jack Stub and Fred Curle, Minneapolis; Bill Kueffner, St. Paul; Don Schultz and Dick Hart, Moose Lake; and John Mariucci, Eveleth.

Intramural athletics at Minnesota dealt Phi Psi a couple of hard knocks. Though conceded to have the best touchball team among both academic and professional fraternities, Phi Psi lost a heartbreaker to Sigma Chi in the academic finals by a score of 14-12.

In volleyball, Phi Psi was eliminated in the semi's and in fall basketball she was de-

feated in the first round. Thus the athletic situation is in need of a little first aid. A tough break, in that each team was defending a title won the year before.

But if the athletic situation caused a few gray hairs, the social situation did not. The chapter swung into high gear weeks ago with one formal and a series of informal parties all of which were unanimously declared tops. As this letter is written, the social program has slowed down, but the cause is justified. Final exams begin in one short week.

Minnesota Beta is indebted to a few other Phi Psi chapters for some of its good times. Nebraska Alpha took care of a half-dozen Minnesota brothers who took the trip to Lincoln for the Minnesota-Cornhusker game and all reported a h— of a good time. Iowa Alpha was host to about thirty Minnesota Brothers who followed the team to Iowa City. Unfortunately the influx of Minnesota Brothers practically shoved the native sons out of house and home but everybody seemed to be having a good time in spite of the inconvenience. Minnesota again sends her thanks to Iowa Brothers.

Well that's the news from Minneapolis. Though this letter will be read after the holiday season, Minnesota Brothers extend the season's greetings anyway.

IOWA ALPHA

University of Iowa

● The fall of '39 will be remembered as one of the busiest that Iowa Alpha ever experienced. Without warning, we found ourselves and our school in the midst of the most hilarious, rip-roaring football season that this university has ever known. Carnival spirit has prevailed everywhere. We have had the equivalent of two Homecomings—Notre Dame and Minnesota on consecutive weekends, and victory was sweet, so sweet, in both cases. Pages of our guest book were filled by those who came from far and near. Homecoming brought some thirty Brothers from Minnesota Beta whom we were happy to entertain and glad to know.

More than twenty of the brothers followed the Iron Men to Chicago for the Northwestern game. We are grateful to our Northwestern Brothers for their kind and gracious hospitality. Chicago, as usual, provided the brothers with an exhaustive but enjoyable weekend.

Of course you all know that Nile Kinnick, All-America halfback, winner of the Heisman Memorial trophy, and All-Everything as far as Phi Psi is concerned, is an Iowa Alphan, a potential Phi Beta Kappa, and a sand-lot battery mate of Bob Feller, somewhat of a popular hero himself.

In campus activities, Phi Psi is holding its usual position. James Bromwell is chairman of the Sophomore Cotillion Committee, and was also selected for the Union Board sub-committee. Four of the Brothers are

working on the *Hawkeye* staff. Jim Hoak has organized two of our large pep meetings this fall.

Our Hard Times Party was the usual success, and our Christmas Party on December 2nd was one of the nicest we have ever had. It was held in the River Room of the Union. Decorations included a large Christmas tree with gifts for each of our dates beneath it. The annual stag is to be held Thursday, December 14th, and is sure to be a real party.

Jim George was initiated October 30th. He is from Dubuque, Iowa. Jim is captain of the Iowa baseball team and was chosen as the most valuable player in the Big Ten in his sophomore year.

Intramurals have gone well this fall despite the fact that the University cross-country was not run. The popular explanation for its discontinuance is that Phi Psi's twelve consecutive championships have removed the event from the competitive class of sports here at Iowa. We have not been beaten so far in basketball, and it looks as if we'll have a successful campaign.

● William Cory, Starr Coughlin, Raymond Cummings, Curtis Walseth, and Charles Root, son of C. W. Root, Iowa Alpha '09, were initiated into the mysteries of Phi Kappa Psi today. They are to be congratulated for their scholastic standings and fine cooperation as pledges.

With final exams beginning this week, there will be no black out at the Phi Psi house until the wee hours of the morning. Our big guns will go into action Friday when pledges and actives alike launch an offensive that promises to boost the chapter's grade average to a new high.

Tentative date for the annual Founders Day banquet to be held in Des Moines, has been set as February 24th. Ames Phi Psis were our guests at dinner Wednesday night and at initiation today.

Jim Meigs was recently crowned Iowa State's "most eligible bachelor" at the first annual Press Prom. "Handsome Jim" won out over nine other candidates in the favor of more than 1,000 coeds who voted in the election.

On the athletic front Phi Psi's handball team battled its way to the fraternity finals

before being halted by a 2-1 margin. Derrer and Schuneman were our singles aces, while Beemer teamed with James in doubles competition. Owens is the new house ping pong titleholder, winning out in the elimination finals over Puterbaugh.

All-college champions for the last two years, the Phi Psi volleyball squad will take the court to defend its crown in winter quarter intramurals. Our cage quintet also promises to make a strong bid to recover the fraternity championship lost last year.

High-lighting the winter social season is the Jeff Hop, a formal dance enjoyed by the Phi Gams and Phi Psis, to be held in the new south ball room of Memorial Union, February 10th. Iowa Beta's jive enthusiasts are looking forward to the 1940 edition of *Moulin Rouge*, being planned by Chairman Hughet.

Jack Gleason, Sterling, Ill., is the only brother to be lost this quarter through graduation. G. P. Bob Wahl has been relected to head Iowa Beta for the coming term.

As its last function of the current quarter, our chapter will play Santa Claus to eight underprivileged school children of Ames at a Christmas party. The youngsters will be presented gifts, and entertained at dinner in the evening.

● While this is being journalistically epitomized by our capable editor, all MoAlphas are rejoicing over the recent visit tendered by Arch Ross, District Archon. After a brief two days of superb oratory he wended his way back to the Lone Star state leaving behind an intense feeling and desire for further improvement.

This seems to be the season for rejoicing, and we have another event to be happy about. Homecoming was enjoyed by all; especially by the alumni—it appears—for they couldn't depart without leaving behind a small token of their gratitude. It was a financial gift for which we are extremely grateful.

In this, the interim between the two major holidays, there seems to be a general lull in activities. The only person who seems to have any vitality at all is Jack Landers. He can't wait to get to Miami. A few of the other lads are going along to cheer for

old Jack while he helps Mizzou whip Georgia Tech in the Orange Bowl.

Before leaving for the holidays we have decided to add one more event to our already weighted social calendar. The social committee has planned a Christmas dinner-dance for December 20th.

We were honored this past weekend with a number of visiting Brothers. From Indiana Alpha, Brown, Barr, and McNaughtin; Indiana Delta, Cochran; Penn Beta, Rascin—a professor at Wentworth Military Academy at Lexington, Mo. It appears that Stephens College “charm” radiates farther than the meager confines of Columbia.

● On December 17th, Holt Malone, Dallas, Texas; Kermit Shimeall, Houston, Texas, and Clint Pace, Vernon, Texas were initiated into the mysteries of Phi Kappa Psi. Texas Alpha announces the transfer of Leland Thompson from Kansas Alpha. Everett Shirley has returned from France, where he was thwarted from making his fortune abroad by the European conflict.

Plans for a stupendous Christmas formal are going forward under Tom Donaldson. The brothers and dates will partake of dinner at the house and then adjourn to some nearby hall for dancing.

Other fraternities and the sororities either stood by jealously or slumped in a back seat while Phi Psi proceeded to steal the show, lock, stock, and barrel, at the annual Varsity Carnival last week. Our taxi dance was a huge success, and very few people exhibited any surprise when Phi Psi was awarded the Gold Cup (real gold) for having the best all-around show.

Phi Psi is not far from the top in intramurals, having taken second place in softball, just completed. We have a crackerjack basketball team rehearsing for future action, which, we think, “will go.”

Outside of all this extracurricular activity, we are endeavoring to put in a few hours here and there trying to absorb a little knowledge, for finals are but one short month away.

KANSAS ALPHA

University of Kansas

● It's eyes ahead for Kansas Alpha, as the semester draws quickly to a close, the last few weeks mean busy days ahead. The social wheel is whirling, intramurals are at their height, and the scholarship chairman informs us that all is well.

The intramural football season was finished by Kansas Alpha a few weeks ago, and with it came the division cup. During the regular season we lost no games and tied but one. So into the playoffs we went, bent to capture another championship. With victory in the first game of the playoffs, came an injury to our star passer Patsy Powell, which was to keep him from the two games that remained. With the loss of Powell the backfield had to be shifted around, no time for practise, and we lost our semi-final game 2-0.

But to make up for the loss Phi Psis “B” team came through as undisputed champions. With only four points scored against them in the entire season, which consisted of eight games; they scored sixty points in the three games of the playoffs.

In minor sports, we are among the best, going to the quarter-finals in team horse-shoes, and with no less than a tie for individual horseshoes. We are in the semi-finals in tennis, which should be completed next week.

With the intramural basketball season just getting under way, Kansas Alpha has three fine squads and we are hoping for great things from the teams this year. The “B” team is out to repeat its championship, and with a revived “A” team the future looks propitious.

The pledges, for the most part, are living up to expectations, making places for themselves in Hill activities. Their grades in general are satisfactory with six or seven making an excellent showing. We have initiated a new policy of freshman discipline this year, which was worked out by both the upperclassmen and freshmen last year, and it has been very successful.

Continuing as in the past, Phi Psi is represented by four varsity basketball men, Ralph Miller, Bob Allen, John Kline, and John Krum, with the first three receiving regular berths. Among the yearlings, Pledges Marvin Sollenberger and Dick Miller are ranked among the strongest contenders for freshman honors.

Larry Winn has been working on an All America Phi Psi Football Team for the last

few months and his selections are offered elsewhere in this issue.

With the holiday spirit prevailing, Phi Psi is getting ready for its annual Christmas party. Kansas Alpha wishes each and every one of you a Very Merry Christmas, and a Happy New Year.

● It was a pleasure to come back to the old grind this year due to the extensive improvements in the house. We have a new dormitory on third and new room furnishings. The rooms now boast thick carpets and wardrobe closets in place of the old style closets. The bathrooms on both floors have been enlarged and new tiling has been installed.

Thus far in intramurals we have not fared too badly. We have taken fourth place in football and second place in volleyball.

The results of last year's scholastics place us seventh on the list of social fraternities. With finals coming January 25th we hope to better our previous record.

We are holding our huge Christmas party the eighteenth with big doings. Before a large formal it is our custom to dine together with our dates at one of the larger hotels. The Phi Psi formal is February 9th, at the Lincoln hotel and a good time is anticipated by all. We do mean good.

Here and there and everywhere: The brothers and lucky pledges are dreaming of a big initiation banquet in Omaha some time in March. It is going to be the biggest and best banquet enjoyed for many a year.

We give our heartiest congratulations to some of the brothers recently married. Bill Clayton '35, was married in September. Bill De Weese '34, Jack Hammond '35 and Jack Glenn '36, were married in November.

Nebraska Alpha is pleasantly anticipating the visit of Archon Arch Ross of Texas Alpha. We were more than pleased to entertain Win Tate when he dropped in last month.

Before Nebraska Alpha signs off it has a little business to conclude with Oklahoma Alpha. The brothers have been in the habit of making little bets with Oklahoma Alpha over the outcome of the big football clash each year. The bet consists of a blanket and it appears to us that we should be receiving a

bulky package in the mail almost any day. Three guesses from Oklahoma Alpha as to what should be in it.

● The first bit of news we should like to give is that of the pledging of these three fine fellows: Hal Morgan, and Ted Morgan, Fort Worth, Texas, and Jim Richardson, Oklahoma City, Okla.

We extend our heartiest welcome to the alumni to meet these boys during the festivities that are planned in honor of our Founders, Charles P. T. Moore and William H. Letterman. The plans are to hold the celebration Sunday night, on February 18th. A progressive Chapter will always strive to have more and better entertainment for their alumni and this is uppermost in our minds at present. We would like nothing better than to have every one of you here, so why don't you drop us a card saying that you'll come?

Tomorrow morning there will be a new Brother in our midst. He is George Steinmeyer, St. Louis, Mo. George was pledged the first of last year, but had to quit school before initiation because of recurrent attacks of appendicitis. We were glad to have George back with us at the beginning of this school year and are going to be proud to have him in the brotherhood.

The Chapter is all wrapped up in the intramural activities which dominate the campus at present. Basketball and ping-pong are being played off at this time. Bateman and Beckett have distinguished themselves by going to the final play in their respective brackets, and will have to meet five other players in a round robin play off. The basketball team succeeded in winning its first game from the D. U. Chapter by the score of 27-15. Stephenson, intramural director, tried to find a group that he could use as a first team, but after using eleven men he was still in the dark because his substitutions all worked like veterans.

In closing, we want to remind the alumni once more of the festivities that are to be held at the Chapter House February 18th; why don't you join us in the merry making?

● Since the last previous publication, we have initiated John Cuming, Everett Bush, and Franklin Layher.

The main intramural sport coming up next quarter is basketball. Colorado Alpha feels confident that she will come out on top. In water polo we are holding our own; in fact, we have a more than even chance of winning.

Several of the Brothers made honoraries this quarter. John Cuming was pledged to Tau Beta Pi, Pi Tau Sigma, and Pi Mu Epsilon. Howard Piper was pledged to Sigma Tau. William Gardiner was pledged to Sigma Gamma Epsilon.

The present officers are: G. P., Jack O'Rourke; V. G. P., Stanley Applegate; P., Paul Dukes; A. G., Wilbur Halldorson; B. G., Marvin Pope; S. G., Phil O'Rourke; Hod., Vernon Timm; Hier., William Sisson; Phu., William Kincaid.

Archon Arch Ross of Texas Alpha, paid us a visit. It was the first time for many of the Brothers in the Chapter to meet Brother Ross. I am confident in speaking for every Brother and myself that Brother Ross became an enduring friend with each of us, and we thank him for his advice and his friendship.

Our fall formal was tops. Our hats off to the social committee.

● We ended autumn quarter in a blaze of glory, and can look back over a very successful period. Through the efforts of our rushing chairman, we are proud to say that two additional pledges have been added to our present class. Bob Anderson, wearer of the Big "W" from track and Cal Watson, both of Seattle. Through an oversight we failed to announce that Kenneth Wilson of Shelton, Wash., had been pledged during formal rush week at the beginning of this quarter.

This year marks the silver anniversary of the founding of Washington Alpha. This theme is to be carried out in our Founders Day banquet, and the plans are already being formulated. We would like to see many out-of-town alums besides all our Seattle brothers.

Washington Alpha takes great pleasure in announcing that Richard Knight was initiated into the mysteries of the Fraternity during the quarter. Dick has a brother and two cousins who are Phi Psis.

With the cooperation of the Washington Husky football team, the brothers from Oregon Alpha will find upon our library wall a bearskin bearing a most embarrassing score to them. The two chapters have adopted this custom and we hope it will add to the rivalry of the Washington-Oregon

football games. We enjoyed having the brothers from Oregon Alpha at our annual Fire Party the night before the game.

Through recent elections, Frank Hart will be house manager and his assistant will be Richard Pollard. The outgoing house manager, Gil Kirkman, has done a splendid job in every way, and deserves a great deal of credit.

We also had a very successful social quarter. Next quarter we look forward to our formal which is one of the best on the campus.

OREGON ALPHA

● Students at the University are looking back to a very interesting football season, and are now ready to turn their thoughts towards the prospects of another national championship basketball team.

The shadow of final examinations is beginning to cast its blanket of dampness over the institution, and everyone is digging in in the last-minute rush before exam week.

A goodly number of the Brothers recently attended Washington Alpha's famous fire party, held the weekend of the Washington-Oregon football game. The boys are still

talking about the enjoyable time they had, and the fine spirit of hospitality shown by our northern Brothers.

Phi Psi is in the top bracket of intramural sports. Paul Livesay and Terry Mullin took first place in all-campus tennis doubles, and our touch-footballists advanced to second place in the league, coming out on the short end of only one score. Our bone-benders have weighed in for the intramural wrestling season which is scheduled to start soon. Cruncher Collier, the defending 145 pound champion, will lead the Phi Psi aggregation. The traditional football battle with the Chi Psis turned out in our favor 26-0. The game was a thriller until the last whistle was blown, even though the contest was dominated all the way by the hard-charging Phi Psi eleven.

This fall's Homecoming was successful. An unusually large number of alumni came to spend the weekend with their younger brothers, and a grand time was had by all.

This year, the celebration of Founders Day promises to be the best one this Chapter has ever enjoyed. Since definite plans have been laid for the erection of a new Chapter House next spring, it is especially important that a close connection be established between the active Chapter and the alumni associations. Another banquet is going to be held in Portland in observance of Founders Day, and if the attendance is as fine as last year's, the venture cannot help being a huge success.

Oregon Alpha wishes to extend to all Phi Psis everywhere their season's greetings and our hopes for a hearty and exceedingly prosperous New Year.

CALIFORNIA BETA

Stanford University

● All is well at California Beta. In fact, this quarter we have more reason than ever to point with pride to our last few months' activities. We are particularly elated over the complexion of our autumn rushing accomplishments. Though formal pledging does not take place for a month-and-a-half after this writing, the brothers have done a great deal of intensive rushing with most satisfactory results. Of course, I am not at liberty to disclose names as yet, but I can safely say that we have the inside track on several of the best boys in

the available rushee list. Cal. Beta deserves congratulations on the pledging of Junior Transfer Hal Costello, one of the finest potential first-base prospects that Coach Harry Wolters has had in years.

We did not win the intramural touch-football title as predicted in the last *Shield*, but we did rank as third best of the forty-eight teams competing. The all-intramural selections honored Elton Boone with a half back post, and Jerry Sparling and Sid Lewis each gained honorable mention. It is my sad duty to reveal that California Beta has forever parted with its once proudly held reputation as the last vestige of the true Stanford rough. The reason: Grey Bryan and Sid Lewis proceeded to win for the house a big silver cup for being—of all things—intramural bridge champions! Tommy Hickey, however, was valiant in his efforts to preserve our renown as men's man by being unanimously tabbed the "dirtiest" touch football player in school. Ask the Sigma Chis!

With Stanford football finally taking a turn for the better in its final with Dartmouth, Colin McClintock and Aubrey Austin upholding the Phi Psi honor out there, and Lloyd Pflueger wielding a terrific water bucket in his capacity as junior manager, basketball again comes to the fore. Dick Taylor, Tilly Denton, and Ed De Moss are on the squad. In soccer, Al Pellas, Grey Bryan, and George La Nicca lettered in what proved to be a successful season. Rugby, as last year, is the most popular sport with the fellows in the house. Pete Zaga, although in graduate school, is going to give the game a try this year after winning football and track laurels in his undergraduate days. With him will be veterans Jerry Sparling, George Jedenoff, Jim Grubbs, Robin Hood, Stan Goode, and Aubrey Austin, the latter of whom was high point kicker in the conference last year. Bill Nichols is doing a lot of diving for the varsity swimming team, and great things are expected of high-jumper Jim Lincoln according to reports from the track. On what should be one of the best Stanford diamond squads in many years, Hal Costello, Sid Lewis, Bob Ditlevsen, and Elton Boone will rank with the best boys on the club.

The annual Big Game Gaities featured Phi Psis Aubrey Austin, Ray Stahl, and Bill Graham in a show which those who know consider top-notch. George Jedenoff, Tau Beta Pi president, announces with pleasure the acceptance of G. P. Jerry Sparling and Merritt Prewett into Tau Beta, top ranking engineering fraternity.

The house probably will celebrate Founders Day with a formal dance with the Phi Gamma Deltas at one of the San Francisco hotels. In closing, I would like to express California Beta's gratification and pleasure in seeing so many of our alumni and friends here over Big Game weekend, and I voice the thought of the entire Fraternity in extending a hearty welcome to them to visit us at any time.

CALIFORNIA GAMMA

University of California

● Here we are at Berkeley, anxiously and worriedly awaiting finals that begin December 12th. These last few days of torture will cap the end of a very successful semester at Cal Gamma.

Our representatives in athletics enjoyed a good year, even though we did get a berth almost on the bottom (we let our Cal Beta friends hold that place all season). Paul Semmens played the best football he ever played, Morley Mathewson showed what he could do for the varsity; Ken Ables went to town as center, and Jim Jurkovich stole all backfield honors for the frosh. Ed Bucklin was our man for a winning soccer team.

Our social calendar has been full. We made plans for every kind of event, from faculty dinners to picnics. October 16th saw Cal Beta and Cal Gamma whooping it up at Camp Padre in their annual fall date picnic. November 24th was the alumni Big Game Luncheon, held at the Fairmont Hotel, in which Cal Beta and Cal Gamma celebrated the coming game in which Gamma's gang emerged victorious. On December 3rd was held an old-fashioned barn dance to end up the season, get ready to crack some books, and learn things that may prove somewhat interesting.

Our number of cinch notices this semester are by far fewer than at any one time in the past five years, and more Brothers are participating in activities, too!

In extracurricular activities, we have fared well; Francisco Centurion took a place on the annual, *Blue and Gold*, editorial staff. Paul Semmens, Les Still, and Earl Fast were associated with Skull and Keys. Bob Binkley was admitted to Honor Society, and received a junior appointment for football manager.

Officers for next semester are: Morley Mathewson, G. P.; Warren Anderson, V. G.

P.; Richard Kilbourn, B. G.; Bob Binkley, A. G.; Les Still, S. G.; with Paul Semmens continuing as P. Under these men we hope next semester to have as successful a term as we have had under Harley Leete.

CALIFORNIA DELTA

University of Southern California

● We are happy down S. C. way, for we have been selected to play in the Rose Bowl. California Delta will be represented by seven on this championship team.

One of our Brothers has really brought honor to himself and thus to the Fraternity. He is Phil Gaspar, who for three years has been tackle on the football team, and this year is all-coast. Not only has he starred in football but he has been our leading discus thrower for three years. In this event he won the ICAAAA championship last year. He is also president of the senior class. He has just been elected to Beta Gamma Sigma, the equivalent of Phi Beta Kappa in the field of commerce, and to Phi Kappa Phi, scholastic commerce fraternity.

We have had our initiation and have four new Brothers whom we feel will be of great help to the house. They are: Carl Benson, guard on the football team, Dick Davis, Dick McKibbin and Jack Walker.

Homecoming has come and gone and we find California Delta again winning the most humorous prize for fraternity decorations. This makes the fifth time we have won this in six years. Homecoming was a big success and was climaxed by the Homecoming dance held at the Ambassador Hotel.

Our crowning social event of the semester has just been completed with our semi formal dance at the Mayfair Hotel. The combination of good food, good music and good couples could not help but make it a good dance.

Christmas vacation is just about here, and soon the Brothers will be leaving for their homes. Some stay here to practise for the Rose Bowl game; others will pick up a little spare change working, while still others are due for a good rest. For these trips to the snow will be in order as many of the boys are ski bugs.

When Christmas is over we all will settle down to study for our final exams and the day of reckoning.

● After garnering a second place cup in football, the Phi Psi basketball team cinched the basketball championship in a hard-fought battle with a strong Sigma Pi team. Pledge Bob Rynearson and Quin Frazier were the standouts. Frazier lost his appendix on the eve of the first game in the playoffs. Doug Meadowcroft ran a beautiful mile, Gehrie placed in the hurdles, Rynearson pole vaulted to second place, and our relay team took third to give us fifth in total points. Archon Morris has led his bowlers to several wins and one defeat. We are headed hell-bent to another all-around trophy.

The benefit dance with the music of Muzzy Marcellino was a great social and financial success. Ben Milliken, as the business manager, and Ed Fearon, as the social chairman, were responsible for this highlight in U. C. L. A.'s social calendar. The proceeds went

for new lamps and tables to furnish the chapter house.

Under the strong leadership of G. P. McNeely, the chapter has started a new tradition in California Epsilon. This is that the first Monday night of every month is to be "Alumni Monday". A meeting and a smoker will be held to encourage and popularize alumni support. The first get-together was a fine beginning, twenty of our alumni attending, and plans were discussed for furthering a California Epsilon Alumni Association.

Climaxing a week of hilarious activities, 30,000 Los Angeles citizens witnessed the annual bon-fire and Homecoming parade consisting of 92 huge floats. Ours took first for the most comical entry.

The persistent drive and determination of G. P. Morgan McNeely has been responsible for much of Phi Psi's success in the current season.

ARCHONIAL FRONT CHANGES

AT the mid-winter meeting of the Executive Council, Dec. 28-30, 1939, at the University Club, Chicago, William Volk, Pa. Theta '39, who lives in Englewood, N. J., was appointed Archon of District II, to succeed Fred B. Zoll, Pa. Iota '36, who has removed to New York City, where he is employed by the National City Bank. Zoll had been an industrious member of the Executive Council since his appointment in April of 1938, to succeed Cyrus V. Anderson. At a meeting of District II delegates to the 1938 G. A. C., Zoll was elected Archon and was reelected at the District Council in May of 1939.

Other appointments by the Executive Council include these deputy archonships: District I: Scott A. Rogers Jr., N. H. Alpha '37, of Cleveland, Ohio; District II: William V. Fittipoldi, Va. Beta '38, of Narberth,

Pa.; District VI: Jack G. Parker, Wash. Alpha '37, of Seattle, Wash.

Archonial visitations and inspections, deferred as a rule until after the close of the football season, will begin in earnest early in the year. A secretarial hint to chapters desirous of avoiding archonial criticism that might be aired on the floor of the G. A. C.: 1) Look seriously to your scholarship; 2) collect all accounts receivable; 3) pay all obligations, local and otherwise; 4) prepare and distribute the semi-monthly financial statements showing receivables and payables; 5) file the P's membership report as of March 1; 6) maintain the glorious record established by A. G.'s; 7) interest large delegations in attendance at the G. A. C., to give other delegates an opportunity to meet the finest boys on the face of the earth!

NEW YORK ALUMNI ASSOCIATION

● The Metropolitan district news service has produced nothing of value these last few weeks. We regretfully announce that, in spite of a lengthy article in the last *Shield* asking for some fan-mail, not one note or letter was received by this department. Your correspondent has spent hours at the telephone, waiting for some forgotten Phi Psi to call in a news item. Certainly there must be some of the members who would like to find their names in print. Certainly there must be someone who has a bit of gossip, a choice bit of criticism, an idea of reform. Here is the opportunity to air your views! This department will answer all inquiries and letters on Fraternity matters accurately and promptly. Unfortunately we are not equipped to maintain an information bureau for the local members; however, for visiting members we will be glad to arrange tickets, tours and meetings—but no dates.

The usual channel of news, Gorgas & Thomas, has produced the following: Reece Hatchitt, New Hampshire Alpha, has taken residence in Yonkers and commutes to 2 Rector St. where his legal training at the University of Michigan is on the shingle of the firm of Reed & Priest. His two diversions are feeding the seals in the aquarium during lunch hour and teaching his eight-months' old son to play the accordion.

Robert Doyle, New Hampshire Alpha, after legal training at Ohio has located with the National Board of Fire Underwriters. We expect to make him a regular member of the downtown luncheon club.

Two of the national officers, C. F. Williams and Howard Hamilton, were in town recently to attend the National Interfraternity Council meeting at the Hotel Biltmore. They were entertained by our local President, Earl McKnight, and Harry Gorgas.

Fred B. Zoll Jr., Penn Iota, and Archon of District II, is now with the National City Bank of New York.

H. C. Ballou reports that his recent visit to Rhode Island Alpha found the chapter in excellent condition and the rushing program most successful.

The next event on the Association schedule is the annual Founders Day banquet. The committee under the direction of Earl McKnight has begun to organize, and reports that this will be the best yet held. To make such a banquet successful the committee needs the services of some ten men who are willing to do contact work. Readers of this letter who would be interested please call this department at Rector 2—6633 and talk with your correspondent.

● Hundreds of sympathy letters are being received daily by Clarence (Pop) Lonergon, house father for the local chapter and secretary of the Central New York Alumni association, who recently suffered from a stomach ailment and who is now in the Syracuse Memorial hospital. We are happy to report that he is coming along fine, and we expect him to be back with us in just a few weeks.

Carrying on Pop's plan to have regular weekly alumni luncheons at the Chamber of Commerce building, we have been very fortunate in having a splendid turnout every Monday. Several members of the active chapter have attended our meetings, and we are pleased to have them take such an active interest in our fraternity work.

By bringing a closer relationship between the alumni and actives, we feel that it can be mutually advantageous to both groups. Actives bring us their problems and we in turn give them the benefit of our college experience and also assist them in getting positions upon their graduation.

The alumni were given a royal reception at the active chapter's alumni smoker November 16th for all Phi Psis in the Central New York area. They had a huge turnout, and we are sorry that some of the Brothers were too busy with their business affairs to come. However, we understand that the active chapter is planning another real reception for us next year.

Several of the alumni attended the annual Christmas formal at the Syracuse Hotel, December 1st, according to Robert Gouldin, president of the chapter. Among them were Edward Bock, James Nolan, Arthur Morison, Francis DeMong, William Ludington, Bruce Riggs, and Richard Dower. It was one of the finest dances ever sponsored by Phi Psis in Syracuse.

We are fortunate to announce that George Hooper, New York Alpha, is another newcomer who is associated with a prominent Syracuse law office.

General interest has naturally centered upon football. Little agreement concerning the merits of our respective alma maters' football teams has been reached, and no change in this situation is expected. Attendance is fairly good, and every one seems to enjoy himself.

Plans are going ahead for the Founders Day banquet, which will be held on February 19, 1940, at the Racquet Club. Due to a previous business engagement our popular president, Henry F. Wile, was unable to be present. The meeting was in charge of our capable vice president, Alfred Ellenberger, aided and abetted by Brother Hicks.

Following the business meeting, Al Ellenberger entertained us with some stories of his experiences in China, where he spent three years traveling and working all over that country.

Brother Hicks informed us that the Gettysburg College football team in its Thanksgiving Day battle against Dickinson had seven Phi Psis in its lineup. We believe that is some sort of a record. Needless to say, G-Burg won easily, something like 49-7.

Plans were discussed for our annual Founders Day banquet, following which the meeting was adjourned.

Our next luncheon meeting will be held the last Wednesday of the month as is the custom. All brethren in the vicinity are invited to partake thereof. The time is 12:15 o'clock.

Now, although the cold weather has set in, these hardy sportsmen are going to try to break the deadlock.

Our luncheons at the Lafayette Hotel, which we are having every Tuesday instead of only once a month, are lots of fun. Several Brothers have been able to attend who could not be present under the former schedule.

Les Reardon, president of our Association, has moved to New York City. His office address there is 536 Park Avenue, Room 101. Charles K. Leslie Jr., formerly with the

Stanley A. McCaskey Jr. now resides in San Juan, Puerto Rico, where he is assistant General Counsel for the Puerto Rico Reconstruction Administration. (The last item is correct as of March, 1939.) Malcolm Kirkpatrick is now at 192 West 10th Street, New York City. According to the Department of the Interior, where Seth E. Gordon Jr. used to work, he is now studying at the University of Michigan.

We are all very sad at the loss of Brother Pierce Butler, Associate Justice of the U. S. Supreme Court, who died this fall. He honored us with his presence at our last Founders Day banquet, when he spoke about undergraduate life at Carlton College, Minn., his alma mater. We are also very unhappy because of our loss last year of Oliver B. Clevenger, Pa. Zeta '04, employed in the Department of Agriculture, who died May 27, 1939; and John Paul Earnest, Pa. ● With the official ending of the football season the boasts and predictions of the past few months are forgotten and thoughts have turned to plans for the Christmas season and our Founders Day banquet.

Following the suggestion made at the last G. A. C., the Cleveland Alumni Association has in mind taking care of one or two families at Christmas time, in memory of Brother Edward Churchill Fitch, founder of the Good Fellow program. An investigation of needs is to be made, so that our contribution of food, clothing and toys, as well as medical services, if necessary, will be of aid for a longer time than the day alone. Subject to what is felt has been accomplished by this method, it is hoped the practise will become an annual custom of the Association.

We anticipate our usual Founders Day celebration. It is fairly certain the banquet will be held on February 23rd at the Mid Day Club in the Union Bank of Commerce

building. An unusual method is being used this year to increase the average turnout of about 150 good and loyal brothers. A list of speakers and various forms of entertainment have been prepared and the choice of each is to rest with the majority vote of the active members. Needless to say, visitors over the next month or so probably will hear an unusual amount of good-natured banter and discussion on this matter.

Information to date has it that Santa Claus will have returned from his annual journey by the time this letter is published. Nevertheless, the Cleveland Alumni Association is desirous of having it known that Christmas Greetings were sent to every Phi Psi with the hope the New Year will be a banner one for all.

INDIANAPOLIS ALUMNI ASSOCIATION

● Loyalty of Hoosier Phi Psis to their Fraternity again was demonstrated when 243 active and alumni members gathered at the forty-sixth annual Thanksgiving Eve banquet of the Indiana Alumni Association in the Riley Room of the Claypool Hotel, Indianapolis, November 22nd.

Charles E. Strickland, president of Phi Kappa Psi, spoke in behalf of the Executive Council, urging that "those high principles of Phi Kappa Psi which have made our Fraternity and her members outstanding over the years, be preserved and fostered to the end that we shall go forward to even greater accomplishments."

President Strickland, subtly traced the collegiate career of an outstanding hero, student and athlete. Strickland told how the student after entering college and before accepting invitations for membership in any

organization, had methodically investigated the character of membership, scholastic standards, whether the organization maintained an attitude of democracy on the campus, and other elements which the student had considered important; how that boy had worked and studied, gained the respect of his fellow students and had received many university honors and fame which had spread from the university campus and Big Ten conference throughout the country; how that youth had, despite his numerous activities, never neglected his studies so that his academic standing was higher than that required for election to Phi Beta Kappa; and how, notwithstanding all these honors, the man had preserved an attitude of quiet humility and modesty that made him the friend of everyone who knows him.

"Brothers, that man is Nile Kinnick, of the University of Iowa, and a member of Phi Kappa Psi," declared Strickland.

The assembled brothers broke forth in a spontaneous cheer in expression of admiration and respect for Kinnick who since has been named on practically all of the mythical all-America selections. Countless members of the Fraternity have been following Kinnick's exploits on the gridiron without knowing that he wears the badge of Phi Kappa Psi.

President Strickland pointed out that the fine record of Kinnick in the classroom, on the campus, and in athletics, in addition to a quiet devotion to the ideals of his Fraternity, should serve as a model to other Phi Psis who are embarking on their university and Phi Psi careers.

"But Nile Kinnick is a senior and will end his gridiron career within a few days," added Strickland.

"Charlie, that's the best thing you've said yet," piped up an ardent Purdue alumnus as the crowd roared, and Strickland smiled broadly. Alumni of both Indiana Beta and Indiana Delta have watched their Fighting Hoosiers and Boilermakers go down to defeat before the inspired Iowa eleven, and they are almost a unit in saying that, if it hadn't been for "all those fellows called Kinnick" in the Iowa lineup, the Hoosiers would have won over the Hawkeyes.

Our other principal speaker, Edward H. Lockwood, Ind. Alpha '05, internationally known Y. M. C. A. secretary, who served heroically as director of relief and refugee work in Canton during the airplane bombings of that city in 1937 and 1938, declared that the "bombings of civilians in South China have not served to destroy morale" and that, while China is struggling for her exist-

ence "this struggle is unifying the country, and the spirit of nationalism is growing stronger."

Lockwood was North American Y. M. C. A. secretary at Canton when he returned to the United States late in 1938 because of illness, after having served in the Orient for nineteen years. He will go back to his South China post in February, it is understood.

Alumni members of the Fraternity from throughout the Hoosier state were present at this traditional gathering. Members of the active chapters at DePauw, Indiana and Purdue universities (Indiana Alpha, Beta and Delta) sent delegations comprising practically the entire chapter memberships. And the chapter programs, original skits written, rehearsed and produced by chapter talent, exceeded in interest anything that has been presented in several years.

Presidents of the Indiana chapters gave brief summaries of the activities and accomplishments of their respective groups. Jack Richard Pearce represented Indiana Alpha, J. Raymond King spoke in behalf of Indiana Beta, and Richard DeMars told of the steady progress being made at Indiana Delta.

Consolidation of the informal Indiana alumni group with the Indianapolis Alumni Association was voted. The merger will become effective at the Founders Day banquet of the Indianapolis Association in 1940. Officers of the Indianapolis and state associations have been the same in some instances in recent years and the city association, which has been growing steadily in membership and scope of activities, has been an effective aid in the uniform success of the annual Thanksgiving Eve banquet.

Officers of the association who will continue in office until the consolidation becomes effective include Thomas A. McMahon, Ind. Delta '23, of Indianapolis, president; Joseph L. Weinland, Ind. Delta '24, of Lafayette, Ind., vice-president; Roscoe C. Clark, Ind. Alpha '16, treasurer, and Herman B. Gray, Ind. Beta '17, secretary, both of Indianapolis.

CHICAGO ALUMNI ASSOCIATION

● Our activity again is centered upon the Good Fellow Fund which this association has carried on for three years, in memory of

Edward Churchill Fitch, Ind. Beta '81, the original Good Fellow. Undoubtedly most of you recall that at last year's G. A. C. the Good Fellow movement was endorsed by the G. A. C. in convention, through the adoption of a special resolution.

Last year's result was so outstanding that we had to do better this year and have therefore laid the ground work accordingly. Contributions have been coming in so strong that we conservatively estimate that we will take care of more than eighty families that are destitute, and which would not know of this year's Christmas good cheer without our giving food, clothing and toys for all members of the family.

In preparing our annual Good Fellow luncheon, to be held Wednesday, December 20th, we are indeed fortunate in having in Chicago, a sizeable number of prominent Phi Psis. Past President Leverett S. Lyon, who has astonished the city of Chicago with his work so far as chief executive officer of the Chicago Association of Commerce, will be one of the principal speakers. In hand with him will be Edward Everett Horton, N. Y. Gamma '08, who is currently starring in *Springtime for Henry* in Chicago. Charles Buddy Rogers, Kans. Alpha '23, who has his band at the Drake Hotel in Chicago, also will lend his presence. All will be introduced by Ralph E. Church, Ill. Alpha '08, United States Congressman from the 10th District of Illinois. The invocation will be given by The Right Reverend Edwin J. Randall, N. Y. Delta '89, Suffragan Bishop of the Episcopal Church of Chicago.

This year's Good Fellow Committee has Harold Mogg, Illinois Alpha, as chairman, Edward A. Twerdahl Jr., Wisconsin Gamma, as Vice Chairman, John A. Grandland and Gilbert J. Stecker, both of Illinois Alpha, and yours truly, all doing the major portion of the work.

This annual affair has meant much to us and each year we find more people participating and expressing their thoughts regarding the value of a Greek letter fraternity doing such an outstanding job.

We send to all brothers, our wishes for the best of Holiday Greetings, and greater success and happiness for the New Year.

ST. LOUIS ALUMNI ASSOCIATION

● Since the last previous letter to *The Shield*, the St. Louis Alumni Association has had no major activities. Weekly luncheon meetings are still being held every Friday at Scruggs-Vandervoort-Barney. Special emphasis is placed on the meeting which falls on the first Friday of each month so that those who cannot attend regularly will try to be present at the same meeting. Visiting brothers who happen to be in the city are invited to drop in to lunch with us any Friday.

In the last few weeks we have had several new men join us at our weekly luncheons. Sam W. Greenland Jr., Don Wiemer, William C. Cross Jr., and Austin J. Rust Jr. are the newest faces in our midst. We're glad to have you with us, men.

Dwight H. Shepperd, Indiana Alpha, attended the annual Indiana State Phi Psi banquet in Indianapolis on Thanksgiving eve (F. D. R.). Dwight's son is a Phi Psi pledge at Indiana Alpha, De Pauw University, Greencastle, Ind.

Several members of the St. Louis Alumni Association recently visited Missouri Alpha chapter at Columbia. Their real reason for being in Columbia was to see Missouri U. clinch the Big Six football championship by winning from Oklahoma.

Perhaps a tip on collecting dues from delinquent members will be helpful to other alumni associations. Try this: Interest two of the members in displaying a little school spirit by backing their respective alma maters in an athletic contest—the Missouri-Nebraska football game for instance. See that one of them has his dues paid in full. Be sure the bet is sufficient to cover the back dues of the other brother. Now arrange with the member in good standing to pay the amount of his loss to the association treasurer in case he loses the bet. It's simple and it works providing the right team wins. Try it out, brother treasurers.

WESTERN OKLAHOMA ALUMNI CLUB

● During the month of many Thanksgivings the Phi Psi brethren and their gal friends trekked to host Jim Boyle's club room for an evening of revelry. About thirty-five reported at the rendezvous for an hilarious party. Some place along the line Earl Pruet got the idea that the party was being given

for him and he was "in charge" most of the evening to the enjoyment of the other participants.

These social functions are being continued by popular demand. The local Brothers and their wives are already anticipating the gathering on December 15th when the Nelson Clabaughs and William J. Schroeders will be hosts at the W. R. Ramsey country place on Lake Overholser.

At the December 8th luncheon in the Oklahoma Club, Jack Land, who became a proud father on November 26th, held the interest of the group with the story of his "corridor-pacing" before the arrival of a future Phi Psi, who has been named John G. Land III. At this regular monthly meeting Oklahoma Alpha Charter Member Mayo McKeown, who hails from Tulsa where he represents British American Oil Producing Co., was a welcome visitor.

Two Missouri alumni have joined our local ranks; D. Frank Condon, Mo. Alpha '30, who is associated with Thompson-Hayward Chemical Co. and Bob Dungan, Mo. Alpha '35, who came here with Schermerhorn Bros. Co., dealers in cord and twine. Also a brother from Purdue has joined the gang, W. E. (Bill) Skinner, Ind. Delta '31, who is the representative for R. C. A. in this part of the country. From Tulsa has come Ralph M. Bemis, Okla. Alpha '26, who is associated with the Southwestern Bell Telephone Co.

There is always room for more and we are waiting for you. Come and see us!

NORTHERN IOWA ALUMNI CLUB

● The Northern Iowa Alumni Club has been so busy following the exploits of Brother Nile Kinnick and his Iowa Iron Men team that there has been little time for Alumni Club activities or even our respective private businesses.

The Iowa-Notre Dame game saw Strickland, Seneff, Swale, Romey, Joslyn, Gilbert, McAuley, Weible, Hull, Page, and Webster leaving their business and social duties for other more important functions. The Iowa-Minnesota game caused a complete evacuation of this territory by all members of the Northern Iowa Alumni Club. Rumor has it that Brother Page left the stadium at the end of the third quarter and turned the radio on in his car just in time to learn of Iowa's first touchdown. Thinking that would leave the score 9-7 he started out of Iowa

City, and we have from reliable authority that he ruined at least one good hat when he became aware of Iowa's second touchdown. We have our own surmise as to his private opinion of himself for missing the epoch making fourth quarter of that Iowa-Minnesota game. Strickland and McAuley, and perhaps others who have not yet checked in, attended the Iowa-Northwestern game at Evanston, Ill.

Nile Kinnick is slated to speak in Mason City on Wednesday, December 13th, and we are all looking forward to hearing him, especially following his plug for good old Phi Psi over a nation wide hookup during the interview while being flown over New York City in a Navy plane.

Since last writing, the Northern Iowa Alumni Club has lost one of its members in Harold (Buster) Evans who has returned to the University of Kansas to complete his schooling.

After receiving a great many communications from Dab Williams, each one suggesting that the newsletters to *The Shield* be cut down to about four hundred words, we have finally decided that he means business. Henceforth we shall try to make these communications short and to the point and if they do not meet with the club's approval I hereby refer complaining members to Dab. NORTHERN CALIFORNIA ALUMNI ASSOCIATION

● With only this reference to California's brilliant decisive victory in the Big Game, let's turn to the swell Big Game luncheon, to which both the Bear and Indian supporters are able to look back with equal approval. Those present at The Sir Francis Drake will recall:

Bert Howell, Calif. Gamma '99, giving out on the piano and leading some lusty and—well lusty singing.

Dutch Veeki, our Japanese brother from Tokio Poo Chapter—whose exposition of Japanese culture joins the Italian baseball player of last year as the best we've ever heard.

Jack Beach, Bob Buffum, and Ed Lettunich, all from California Beta, and now residing in Southern California—these boys are becoming traditional Big Game visitors and we hope they'll keep right on coming.

Odie Wright, Calif. Gamma, president of his class in '34, now married, also up from the South for the lunch and game.

Other out-of-towners:—Husky Hall, Calif. Beta, manager of the Santa Cruz Chamber of Commerce, and A. H. Murray, Calif. Gamma, now residing in Shingle, Calif.

We are now looking forward to the Founders Day banquet. Particulars will be announced in a short time.

The Fall picnic was held since our last letter. That everyone present really went for this outing in a big way is attested by the fact that there was a unanimous clamor for another in the spring. The mixed ball game produced some real sluggers among the wives and girl friends. Both sides—alumni vs. actives—protested the umpiring in no uncertain terms, so it must have been good.

Henry Turner, Calif. Gamma, son of Arlo Turner and a third generation Phi Psi, was recently married to the former Fayette Welsh, California Chi Omega. Mr. and Mrs. Turner have moved into their new and very attractive home in Modesto.

Wedding bells will soon ring for Jim Ringrose, Oregon Alpha, and Betty Stafford, both of San Francisco.

Jack Townsend, Calif. Beta '32, and his wife recently purchased and are now managing the Canyon Inn at Johnsville in Plumas County. This spot, located in the old gold mining country, is ideal for both business and pleasure—when guests tire of hunting, fishing, and skiing, they can pick up a little spare change panning the many streams.

Johnny Mottram, Calif. Beta '35, was recently appointed a supervisor for San Francisco for the Penn Mutual Life Insurance Co.

Al Ray, Calif. Beta '32, now has under construction a new plant for his General Controls Co. in Glendale.

Dick Kilbourn of Calif. Gamma, is working at Moore's in San Francisco over the holidays. We understand Dick can give you some interesting details about elevators. Incidentally, Dick is the editor of the *Gamma Quarterly*. The first issue, just off the press, was tops in our opinion. Congratulations and best wishes to Dick and Gamma Chapter on this very fine new enterprise.

Phil Merrill, Calif. Gamma, has forsaken Yosemite for a position with Fidelity Deposit Co. of Maryland. Phil is a regular visitor at the Thursday luncheons.

We hope to see all Phi Psis in the Bay Region at the Founders Day banquet in February. The Northern California Alumni Association wishes every Brother a Merry Christmas and happiness throughout the year ahead.

ALUMNI LIFE SUBSCRIBERS BY CHAPTERS

Since August 1, 1930, all initiates have become Life Subscribers at time of induction, through payment of \$25.00, each. In addition to the alumni who have taken advantage of the Life Subscription plan are seven (indicated with an asterisk), who purchased Life Subscriptions before August 1, 1930, at \$25.00, each; and ten (indicated with a dagger), who became Life Subscribers through the purchase of Life Memberships at \$50.00, each. When the Life Membership plan was discontinued, all Life Members either contributed to the Endowment Fund amounts representing the difference between Life Subscription payments and Life Memberships, or used their credits for the presentation of Life Subscriptions to Fraternity brothers.

PROTECTION ANCIENT AND MODERN

The ancient shields hang on the walls of the old castles — symbolic of the protection given in bygone days.

Today protection is provided for those things which we hold dear, by constant vigilance and cooperation. Your insignia stands as the proud emblem of your membership in Phi Kappa Psi. In it has been built the symbolism of ideals exemplified in your initiation.

As your official jeweler, it is our privilege and duty to protect this insignia — first, by the maintenance of quality and price; and, second, to keep it from falling into hands of non-members.

During the dark days of 1918, we maintained insignia specifications and prices at great sacrifices. The price of gold zoomed, Government restrictions drastically curtailed supplies, taxes multiplied — and again today, we are faced with the same problem. Yet badge prices are lower now than twenty years ago.

Protection must be carried further in order to discourage indiscriminate manufacture of your insignia. You are urged to make purchases only through the channels set up by the officers whom you have selected.

THE GRAND CATALOGUE

of Phi Kappa Psi

- ★ As all subscribers to *The Shield* know, a complete Grand Catalogue has been produced in four consecutive issues of our publication, the last section, covering the geographical distribution of our membership, being offered in the current number.
- ★ A limited number of complete Grand Catalogues, bound in tough buckram and substantially sewed, will be available in about a fortnight. These copies will offer the alphabetical and geographical sections, and the rosters of all active and inactive chapters.
- ★ The current Grand Catalogue was compiled and edited by A. C. (Tom) Platt, Calif. Delta '27, of Los Angeles. In every detail it reflects creditably the painstaking, meticulous work of Brother Tom Platt, who'd walk just as far to cross a t or to dot an i as he would to collect money owed his chapter. In other words, the Grand Catalogue is as accurate and as correct as it is humanly possible to turn out a perfect edition.
- ★ Just a hint to those who want to own a complete Grand Catalogue of Phi Kappa Psi, encased in buckram:
- ★ Send your check immediately to the Secretary, 1940 East Sixth St., Cleveland, Ohio. He will make deliveries as long as the supply lasts, on a first-come first-served basis.

WEST VIRGINIA ALPHA'S NEW HOUSE

West Virginia Alpha's new Chapter House, atop a rugged hill overlooking the University's campus, was formally dedicated in the presence of about 150 alumni and undergraduates. Able Joseph K. Buchanan '01, acted as Symposiarch. Beloved Dr. Enoch H. Vickers '90, a charter member, made the principal address. Herschel H. Rose '04, formally dedicated the imposing structure. Charter Member James W. Paul '90, and Past President H. L. Snyder '20, talked briefly. Secretary C. F. Williams and Archon Harry T. Vallery represented the Executive Council. All present praised Harlan B. Selby '18, chairman of the building committee.

WEST VIRGINIA ALPHA DEDICATES IMPOSING NEW HOUSE AT MORGANTOWN

By HALE J. POSTEN, W. Va. Alpha '21

ON FEBRUARY 17, 1940, West Virginia Alpha of Phi Kappa Psi dedicated its new chapter home, thus marking the culmination of some fifteen years of effort and the realization of a dream much older.

HARLAN BOVELL SELBY
his reward: a personal contribution

In 1903, the late Sarah B. Cochran*, of beloved memory, gave to West Virginia Alpha the house which

*Mrs. Sarah B. Cochran, Phi Kappa Psi's greatest benefactress, who died Oct. 27, 1938, at her home, Linden Hall, St. James Park, near Dawson, Pa., was the widow of Philip Galley Cochran, multi-millionaire coal operator, manufacturer, banker and philanthropist of Dawson. They were the parents of James Philip Cochran, Pa. Iota '99, who died of pneumonia in 1901, while in college. During her life and through her will, Mrs. Cochran gave to Pennsylvania Iota, Pennsylvania Beta and West Virginia Alpha Chapters more than \$35,000, the latter chapter being her particular favorite. Removed from the old to the new chapter house at Morgantown are two life-size paintings, one of Mrs. Sarah B. Cochran, the other of James Philip Cochran.—Ed.

it occupied for nearly forty years.

It was not until the early 1920's that a definite movement was started to make provision for the inevitable need of a new house. A sinking fund was then created, made up for the most part of such sporadic voluntary contributions as could be obtained and through the lush period of pre-depression prosperity the fund attained sizeable proportions. It was carefully turned into gilt-edged securities and sound real estate investments. Came the inverted plateau of prosperity and substantial losses were written off from these values, but the storm was weathered. For several years all was quiet and nothing was heard about the proposed new house.

Finally, in the spring of 1939, not dismayed by economic conditions, but with a frank realization of the apparently insuperable obstacles in the way to success, the James Cochran House Association (the corporate title holder), launched a new effort.

Notables Attend Ground Breaking

● With the site already owned, a program was undertaken to construct a \$50,000.00 house. A capable architect was engaged, a sound financing arrangement effected and a reliable contractor employed. On June 2, 1939, ground for the building was broken by Homer A. Holt (Va. Beta '16), Governor of West Virginia, John W. Davis (Va. Beta '89), one of Phi Psi's and West Virginia's most distinguished citizens, Mr. Arthur B. Koontz, President of the Board of Governors of West Virginia University, and Mr. Charles E. Lawall, President of West Virginia University. After such a propitious beginning there could be no turning back. The work progressed as rapidly as

was consistent with sound construction and the completed building was turned over to the Association by the contractors on February 1, 1940.

The finished house far exceeded the fondest hopes of its planners. From a commanding site on the hill overlooking the campus, the stately three-story colonial brick structure, with its tall pillars and white shuttered windows, dominates the scene as the most outstanding residence building at West Virginia University.

Not only is the house beautiful, but it is soundly built and conveniently arranged. The construction of brick on hollow tile, with steel reinforced concrete beams and floors, should last as long as the hill upon which it sits.

Old Stained Glass Window Preserved

● The first floor consists of a large entrance hall, a big beamed-ceiling living room, a commodious dining room, a combined card room and library, the most modern kitchen conceivable, the house mother's quarters, and a guest room.

On the stair-landing between the first and second stories those who recall the old house will be pleased to see the stained glass window which was one of its most attractive features. One of the stipulations to the architect was that this old landmark was to be incorporated into the new house.

The second floor, designed to accommodate sixteen men, consists of eight study rooms and four sleeping rooms arranged in suites. In the bedrooms are built-in bunks which not only conserve space but add greatly both to the convenience and appearance of the rooms.

There is a large tiled bath with adequate accommodations for the occupants of this floor.

The third floor is practically a duplicate of the second except that the rooms are larger and there are accommodations for only eight men. Here also is a large tiled bathroom and several storage rooms.

Chapter Hall In Basement

● The basement is utilized by a large pine-paneled game room with a large stone fireplace. There is also a sizeable meeting hall, servants' quarters, boiler room, storage room and an office for the transaction of the business affairs of the chapter and the preservation of important records.

The whole structure is soundly and beautifully built. The floors are concrete covered with asphalt tile, door jambs are metal, water pipes are copper, and all plumbing is the best obtainable. The steam radiators are heated by a gas furnace, thus eliminating dirt and inconvenience at a minimum of expense. The kitchen equipment is metal throughout, the stair railings are brass and wrought iron, and the front porch is floored with flagstones.

Nothing has been spared to make the house not only the best in appearance, but the best in construction. To the most casual as well as the most careful observer, it is apparent that this purpose has been achieved.

Harlan Selby Receives Credit

● This article would not be complete without some mention of the personalities behind this work. While the entire body of the alumni of West Virginia Alpha has been most helpful and the active chapter has by its contagious enthusiasm made the task easier, to one man and one man alone must go the lion's share of credit for this accomplishment and to him this house will stand as an enduring monument.

That man is Harlan Bovell Selby '18. From his undergraduate days until the present he has striven tirelessly and unceasingly towards the accomplishment of this end. But for his unselfish sacrifices of time and effort and his persistent refusal to be discouraged in the face of the most disheartening obstacles, this house would not be ours today. It is to such men that the Fraternity owes its greatness.

THURBER AND NUGENT, OHIO DELTANS, PACK 'EM IN WITH THEIR MALE ANIMAL

By MABEL GREENE*

EVEN a congressional committee would have difficulty in uncovering the means by which a successful, or even a flop, play is evolved by its collaborators. Particularly when those co-authors are James Thurber and

The Shield awaits a Thurberian Nugent

Elliott Nugent, who contrived *The Male Animal*, Broadway's newest laugh hit which is packing in the customers at the Cort Theater. (New York City)

An interview with the playwrighting pair held yesterday (Jan. 12.

*Staff writer, *The New York Sun*; reprinted from the Sat., Jan. 13, 1940, issue with special permission of Mr. Keats Speed, Managing Editor. Elliott Nugent, an alumnus Life Subscriber, was initiated Oct. 6, 1916; James Thurber, on March 9, 1918. During their days (and nights), life around Ohio Delta's house was intensely active and frequently hilarious. Each is in his forties. Nugent is a native of Canal Dover, Ohio. Thurber was born in Columbus.—Ed.

1940) in Mr. Nugent's apartment at the Chatham Hotel proved just as hilarious as the Nugent-Thurber play or any of Mr. Thurber's drawings of sub-human males and females, dolorous dogs or self-conscious seals.

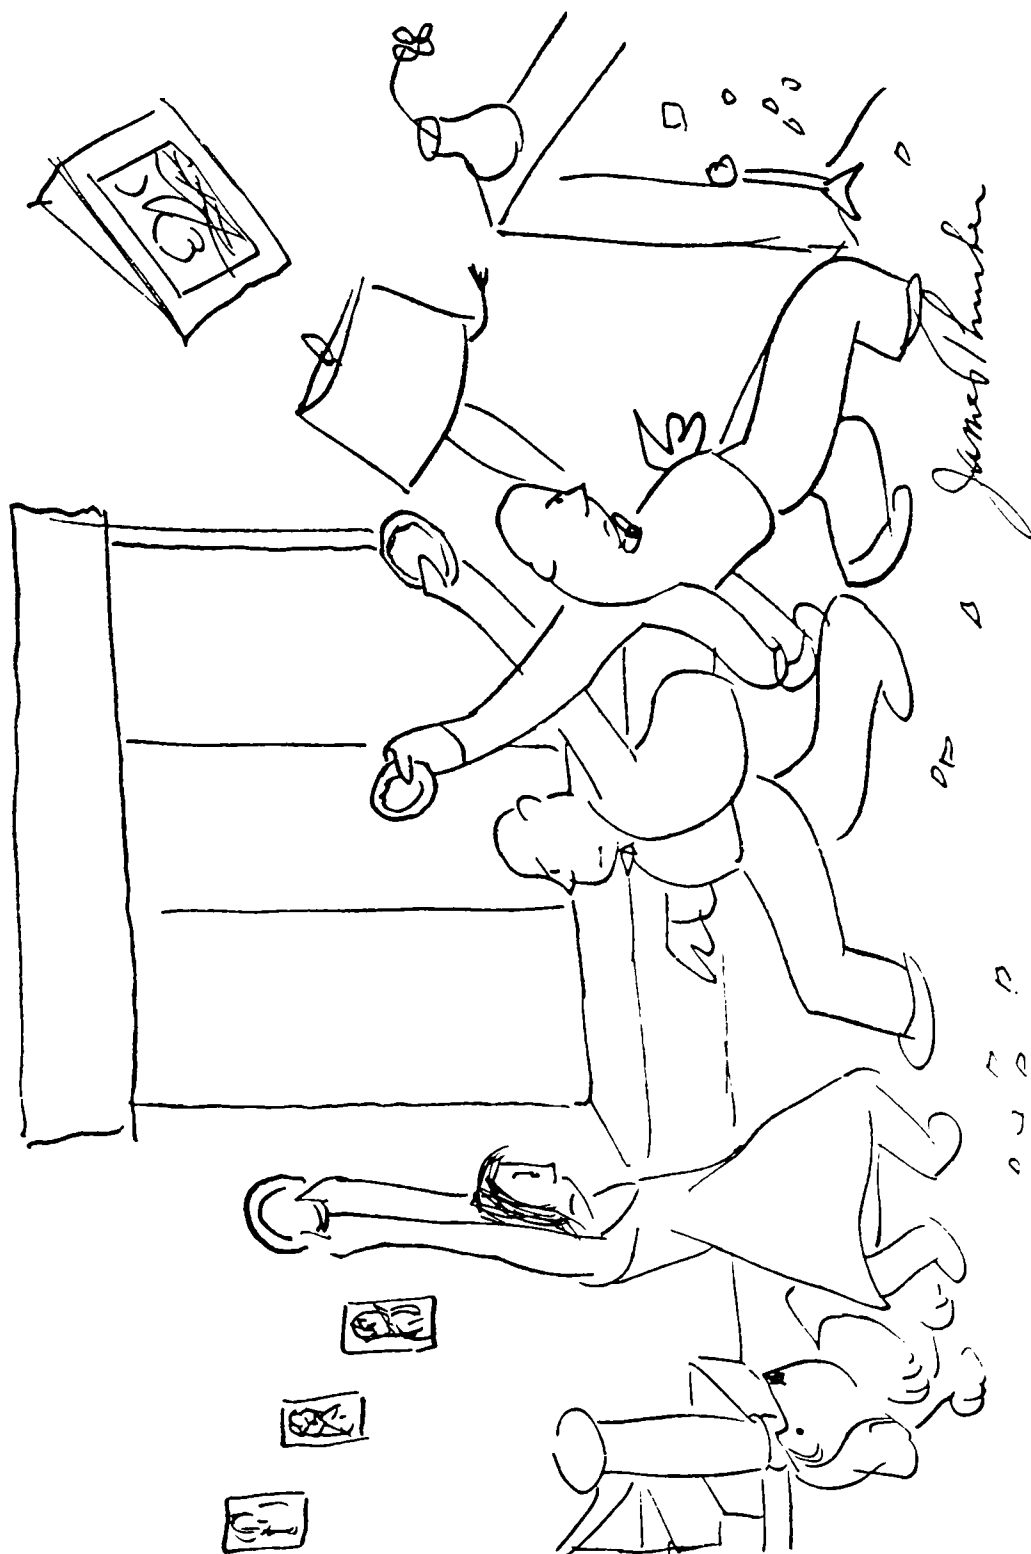

Asked to detail the events leading up to the comedy, Mr. Nugent alleged that while actual planning of the play started about a year ago, he and his accomplice had talked of writing a play together as long ago as 1921, when Mr. Thurber was the best man at his wedding.

"We first discussed this particular play when I came east from Hollywood last February," Mr. Nugent said. "Spent a couple of weeks arguing about the plot then. Last June Jim came out to Hollywood and visited my home for a couple of weeks, then took a house and spent the summer there. We'd get together nearly every day, have a few drinks and squabble about our ideas, and then go home and write."

"I think I've gotten an overbalanced share of the praise for writing the play," contributed Mr. Thurber. "Opening night I couldn't help noticing how perfectly our work balanced—two lines by me and then two by Elliott, and so on through."

Thurber Kept Attacking

● "I was determined not to play the part of Tommy Turner, and Thurber kept attacking me — verbally, of course," Mr. Nugent said, taking up the testimony as it showed signs of sagging. "Jim abused me bitterly and loquaciously, averring that I'd rather live out my life in Hollywood prostituting my art and basking in the blankety-blank California sunshine. When that didn't have any effect he

Scene in Comedy Hit, "The Male Animal," which refers to Phi Psi at Ohio State, as sketched by Co-author James Thurber. Reading from left to right and omitting the dog who isn't in the play at all, are these three, who give vent to their suppressed desire to throw things in practically any direction: Miss Ruth Matteson as Ellen Turner; Leon Ames (Beta Theta Pi), as Joe Ferguson and Phi Psi Elliott Nugent as Professor Tommy Turner.

changed his tactics and began telling me I probably wouldn't be any good in the role anyhow."

"So, you see he's playing it," interposed Mr. Thurber.

Although this is his first stage appearance since 1931 when he acted briefly in a short-lived play called *Fast Service*, Mr. Nugent is no tyro to the boards. In fact he has been acting since he was four when he faced his first audience in a vaudeville act with his father, J. C. Nugent. His New York debut was in *Dulcy* and later in such hit plays as *Kempey* and *The Poor Nut*, all of which he wrote in collaboration with his father. The last eight years he's been acting in, and directing, motion pictures.

He and Mr. Thurber are both products of Ohio, and were classmates at Ohio State University back in 1920. Mr. Thurber began his career as a reporter on the Columbus *Dispatch* and usually served as Mr. Nugent's unofficial mid-western press agent whenever the latter went on tour.

Joined Dramatic Society

● "We both belonged to a college dramatic society, The Strollers, and for four years Jim wrote the book for all the college musicals put on by the university's dramatic group known as The Scarlet Mask."

"I acted in them, too," added Mr. Thurber. "Usually a different member of the cast was drunk every night when we went on tour so I'd jump in as an all-around understudy."

Periods of toil on the Nice edition of the Paris *Herald* and the New York *Post* followed the four or five years he spent on the Columbus newspaper, Mr. Thurber said.

"Then the *New Yorker* accepted my twenty-first contribution after having turned down twenty things I had written," he continued. "Harold Ross (editor, *The New Yorker*) induced me to become managing editor and I gradually worked my way down and out of that spot. My drawings were

first published in 1931—and one thing that upsets me is the way people are trying to draw a connection between those pictures of mine and this play. There isn't any connection."

"Jim always has been too modest about his drawings," Mr. Nugent said. "He considers it a sort of left-handed accomplishment and prefers to be known as an author rather than an artist."

Long, Lean and Literary

● Mr. Thurber, who is long, lean and literary-looking, has a bristly moustache and graying coal-black hair that is as unmanageable as the topknot of an unplucked Scottie. Mr. Nugent also is slender, blond and professorial-looking. The two seem to fuse like gin and bitters, for either of them scarcely starts a sentence without the other being ready to complete it.

Mr. Nugent confessed, rather poignantly, to "being sort of a frustrated soul," though he added that he never got any credit for that quality from his family.

"As a child I had traveled so much that I felt like a fish out of water when I first tried to live a normal life in a college town," he said. "However, my family always insists I'm lucky. In fact, when I appeared in *The Poor Nut*, my sister, Ruth Nugent, said it was ironical that I should make a success playing a character with an inferiority complex."

Had Ambition for Hamlet

● Like all comedians, Mr. Nugent admitted that he once had a desire to play Hamlet. He told Howard Lindsay about it, he said, and got an offer to appear in the Shakespearean production that Mr. Lindsay later put on at Skowhegan, in which Mr. Lindsay himself played Hamlet.

"I never felt bitter about that, though," Mr. Nugent said. "Howard introduced my wife and me — we appeared together in *Dulcy*. Now we

nave three children, all of whom are interested in amateur theatricals.”

Mr. Thurber, unlike Mr. Nugent, denied harboring any frustrations or suppressed desires, unless you'd call the wish to own a bloodhound a frustration.

“I'll have to get a house in the country if I get a bloodhound,” he said. “Bloodhounds are too dumb to keep in town.”

Mr. Thurber added that he liked people and especially liked women, but that he couldn't draw a pretty woman.

“I tried once to draw a good looking girl, but she came out just like all the rest,” he said, sadly.

Play Broke House Record

● The two authors are proud of the fact that on Wednesday, the second

night of their play, *The Male Animal* broke the house records at the Cort Theater, surpassing the box office take of even *Boy Meets Girl* and *Room Service*.

“Wait until Harold Ross hears that,” Mr. Thurber said, triumphantly. “He has lost several staff members to the theater and he ranted and raved when he heard I was going to help write a play. Said all playwrights went bankrupt and I told him I hadn't heard that George Kaufman was insolvent.

“The night the play opened on Broadway Ross stayed in the Ritz bar, growling and grouching and telling everybody he was firing me. He even sent me a telegram saying I was fired. Of course, I haven't been on the regular pay roll of *The New Yorker* for five years,” concluded Mr. Thurber, happily.

11 OUT OF EACH 100 PENN ZETANS ARE INDUCTED BY PHI BETA KAPPA

By **HOWARD L. HAMILTON, Scholarship Director**

THIS might well be called a success story in the field of scholarship. George Shuman Jr., Pa. Zeta '35 recently notified members of the Executive Council of the election of William Herbert Blanning III, to the 1939 class of Phi Beta Kappa at Dickinson College. In his letter, Brother Shuman mentioned that a Phi Beta Kappa election at Dickinson wouldn't seem right unless one or more Phi Psis' names were included. Further investigation proved that Shuman was nearer correct in his prediction than even he himself supposed.

A comparison of the 1939 Handbook of the Pennsylvania Alpha chapter of Phi Beta Kappa with the consecutive roster of the Pennsylvania Zeta chapter of Phi Kappa Psi, re-

vealed some surprising duplications of names. The Dickinson chapter of Phi Beta Kappa was established in 1887, twenty-eight years after Phi Kappa Psi began its illustrious history as a part of Dickinson's fraternity system.

A summary of Phi Beta Kappa membership during its chartered existence at Dickinson follows:

	Men	Women	Total
Charter	3	0	3
Honorary	48	0	48
Alumnus	114	0	114
Associate	6	1	7
Active	324	187	511
Total	495	188	683

With the exception of 1918, when most of the active chapter were tak-

ing part in the World War, Pennsylvania Zeta has initiated young men into the mysteries of Phi Kappa Psi in each year since 1859. During this period, a total of 628 have become members of the chapter. In preparing these statistics, the classes of 1938 and 1939 were not considered, since only seniors, in most colleges, are eligible for membership in Phi Beta Kappa. Thus, the eligible list is reduced to 606. Of these, 67 are listed as members of Phi Beta Kappa. This means that 11.05 per cent. of all eligible Phi Psis at Pennsylvania Zeta have been elected to Phi Beta Kappa.

The late George Edward Miller '87, was the only Phi Psi from Pennsylvania Zeta elected as an honorary member. He was initiated in Phi Beta Kappa in 1891. He represents 2 per cent. of the honorary members of Pennsylvania Alpha of Phi Beta Kappa.

It is not surprising that 32 of the 67 Phi Psis in Phi Beta Kappa are alumni members, because most of the men chosen to alumnus membership belonged to classes graduated from Dickinson prior to the establishment of its Phi Beta Kappa charter in 1887. What is surprising, however, is the fact that these 32 Phi Psi alumni represent 28 per cent. of the total alumni membership of Phi Beta Kappa at Dickinson.

In the first class elected to Phi Beta Kappa in 1887, 5 of the 22 alumni members and 2 of the 8 active members were Phi Psis. None of the associate members of Phi Beta Kappa has been a member of Pennsylvania Zeta. They were chosen entirely from the graduates of other universities.

Of the 511 Dickinson students elected to active Phi Beta Kappa membership, Phi Kappa Psi has contributed 34, which represents 6.65 per cent. of the total and 10.49 per cent. of the male membership.

The following table shows the year of initiation in Phi Kappa Psi, the name and the year of election to Phi Beta Kappa.

HOLLYWOOD ADJECTIVES INSUFFICIENT TO DESCRIBE SPRING LAKE, N. J., G. A. C.

WITH more than 2000 Phi Psis living in New York City and Philadelphia, not counting suburbs or adjacent territory, the Forty-first Grand Arch Council, June 26-29, at the Monmouth Hotel, Spring Lake, N. J., promises to surpass in attendance that held at the Edgewater Beach Hotel, Chicago, in 1938, the largest in the history of the Fraternity. More than 600 Phi Psis registered at the Edgewater Beach hotel convention.

Spring Lake, N. J., is a mere hop, skip and a jump from either New York or Philadelphia, being 58 miles from the former and 75 miles from the latter. Key alumni in both cities, and in Newark, Trenton, Atlantic City, Harrisburg, Reading, Altoona, Carlisle, Easton, Lewisburg, York, and other strong Phi Psi centers not far from Spring Lake, already are organizing G. A. C'ing parties. That the Monmouth Hotel, one of the finest resort hotels on the Atlantic coast, will be filled to capacity is a foregone conclusion. That the hotel will just about bulge at the bilge is practically a certainty.

Because of the fact that the Gee A See will have been adjourned a day or so before the Monmouth Hotel formally opens its 1940 season, Phi Psis will enjoy an unusually attractive rate: \$7.00 per day per person, American plan basis. The hotel is a modern, fireproof structure, and the cuisine is excellent. Hotel guests may enjoy surf bathing in the ocean, a private natorium, golf, tennis, horseback riding,

badminton and all other sports available at a first-class resort.

A contributing influence to record-breaking attendance at the 1940 G. A. C. will be the New York World's Fair, which will open May 11th. One inclined immodestly would say unhesitatingly that attendance at the Fair will be increased terrifically by reason of what undoubtedly will be the most colossal, stupendous, magnificent, spectacular and successful fraternity convention ever held in this or any other country. With all the modesty of a Gee A See press agent, we tell you confidentially that within a few hours after President Charles E. Strickland declares the Forty-first Council adjourned, there will be a modern hegira or exodus of ancient and not-so-ancient Greeks from the Monmouth Hotel to the country's largest metropolis on the north. Cash registers at the Fair, the better hotels, the theaters and mayhap the night spots will play merry tunes as long as the sons of Moore and Letterman occupy eastern terrain. Strains of *Noble Fraternity*, *Old Elders Ridge*, *Sweet Adeline* and other fraternity favorites, probably will break the still of the dawning during Phi Psi occupancy of Spring Lake, New York, Philadelphia and numerous other places, north or south.

No, sir, Brother! You can't afford to miss the 1940 G. A. C. Pack up your good-looking wife and children; round up your old Phi Psi roommate and chapter brothers; tell the other fellow's sister about it; dust off your golden badge—and be on hand June 26-29, at the Monmouth Hotel, Spring Lake, N. J.

PHI PSI'S ACE, NILE CLARKE KINNICK JR., IS NATION'S OUTSTANDING ATHLETE FOR 1939

PHI KAPPA PSI'S All America Ace, Nile Clarke Kinnick Jr., Iowa Alpha '38 (*The Shield* for January), is the No. 1 athlete of all sports for 1939, according to the Associated Press's ninth annual poll of the nation's sports experts, completed the latter part of December. He won over the stiff competition of such seasoned performers as Joe DiMaggio and Joe Louis, to give football its first outstanding athlete in the Associated Press poll. Not since the days of Red Grange has a football player caught on like Kinnick, studious iron-man back of Iowa's Hawkeyes.

Kinnick received 79 points, to lead DiMaggio, slugging Yankee outfielder, by 8 points, in one of the closest races the AP poll has ever witnessed. Of the sixty-one sports experts covered by the poll, twenty-one, including some from every section of the country, picked him at the top of the list. Three placed him second, and ten had him third. First place counted three points; second, two, and third, one. Joe Louis, world heavyweight champion, who defended his title with four knockout victories during the year, came in third in the poll, with 35 votes.

In addition to being named America's Outstanding Athlete of All

Sports During 1939 by the nation's impartial sports authorities, Chapter Treasurer Kinnick received the following awards: the Heisman memorial award presented in New York City to the outstanding football player of the nation; the Walter Camp memorial award, presented in Washington, D. C. to the outstanding player; the Maxwell award and gold football presented in Philadelphia to the outstanding player; a gold football from *Collier's* for being named on Grantland Rice's All America football eleven; a gold watch from Kate Smith for making all All America selections; a gold watch from the *New York Sun* for making its first All America eleven; the Williamson All America trophy; the All America football board's awards, including blanket, sweater, cup and plaque for captaincy; gold football from Iowa sports writers; gold watch from mid-west sports writers; key to the City of Philadelphia; and the *Chicago Tribune's* most valuable player award.

Kinnick and President Charles E. Strickland will speak at the Founders Day dinner and meeting of the Chicago Alumni Association.

DR. HILLER, AUTHOR OF NOBLE FRATERNITY, PUBLISHES BEST POEMS IN ALONG THE WAY

DR. ROBERT H. HILLER, Ohio Beta '86, author of *Noble Fraternity*, generally is accepted as a classical pillar on the campus of Wittenberg College. He has been teaching Greek there for about half a century.

DR. ROBERT H. HILLER
his *Noble Fraternity* endures

He is seventy-six years of age, old enough to be rich and mellow in his reflections, but still young enough to thoroughly understand and appreciate the reactions of youth.

For many years, Dr. Hiller has been writing poems of nature, religion, humor and the simple things of life—and a few spirited songs to his Alma Mater and to his Fraternity. These, and many others, including some translations of the Greek classics into modern English, are now available in *Along the Way*, published by the Fleming H. Revell Co., New York.

His poem *Transfiguration* was No. 17 in Vol. I of the National Poetry Center's publication in the Communications Building at the New York Fair. This poem attracted so much attention that the Revell company induced Dr. Hiller to combine most of his contributions in book form.

Dr. Hiller, A.B., Wittenberg College, 1889; B.D., Hartwick Seminary, 1894; A.M., Columbia, 1910; Litt.D., Muhlenberg College, 1930, professor of Greek at Wittenberg College, has been closely associated with Wittenberg (except for study elsewhere), since his undergraduate days. He has taken an active interest in the affairs of Ohio Beta chapter and in the Fraternity generally.

His poems invariably are results of little torments of the subconscious mind. He tried to sleep on a New York elevated, then wrote that song for his chapter in Phi Kappa Psi which finally became the Fraternity's national song. In addition to *Noble Fraternity*, Dr. Hiller's book of poems presents *Mother of Men* and *Founders Day*, both dedicated to his beloved Fraternity. He wrote a song for Hartwick Seminary. He wrote the *Alma Mater* for Wittenberg. Combinations of words catch him in the middle of night, or toward early dawn, and compel him to record them.

A world of readers a bit wearied, often repelled by introspection and other varieties of realism may turn to *Along the Way* to get both verse and poetry which is never obscure. Rather it is blithesome. It is optimistic without being sentimentally irresponsible.

At a time when America produces copious free verse, it is a pleasure to encounter Dr. Hiller's poetry which is decorous and quietly formal as the best things of the middle English eighteenth century.

PHI PSI WAR CORRESPONDENTS GAIN RECOGNITION IN EUROPE

IN WAR-TORN Europe, covering all possible news sources and battling official censors, are a number of Phi Psis. They are included among the ace reporters assigned to foreign posts by American news bureaus.

Reynolds Packard, Pa. Gamma '24, for some time manager of the Madrid bureau of the United Press, received the 1939 award from the National Headliners' Club for the best exclusive reporting by an American correspondent. The Headliners' Club is an organization of newspaper editors.

Packard was named for his outstanding work in reporting the Czech crisis, during which he scored numerous beats on German penetration into Czecho-Slovakia. He was United Press manager at Prague at that time.

One of the few Americans to see the first shot fired in the present war was George E. Kidd, Ind. Beta '24, a foreign correspondent for United Press, who was in Danzig when the transport ship, Schleswig-Holstein, poured its first shell into the Polish fort, Westerlatta. Kidd served on the Louisville *Courier-Journal* until about 1931, when he went to Switzerland to do some special work for the League of Nations. Continuing his studies, he

received his Ph.D. from the University of Switzerland. In 1936, after working for the United Press in New York, Toledo and Washington, he was transferred to Berlin as a staff correspondent. He was assigned to follow Hitler into Austria in the spring of 1938, and covered the drive into Memel. About a year ago, Correspondent Kidd married Miss Drusilla Ruth Albert, formerly of Spokane and Seattle, in the American church in Berlin. Mrs. Kidd attended Bryn Mawr, the French School for Girls at Warrentown, Va., and studied art in Italy and Germany.

Another Indiana Betan, Jean A. Graffis '26, who was one of the eighteen newspaper reporters on the Atlantic Clipper in its twenty-four hour flight from America to Portugal, is now chief of the Paris bureau of the Acme Newspictures, Inc., and the Newspaper Enterprise Association, connected with the Scripps-Howard newspaper chain and the United Press. Graffis worked on the Des Moines *Register-Tribune*, for NEA in Cleveland, and for Acme in New York before his promotion to the Paris office, one of the most important bureaus in the world.

He has been assigned to Littleton, Colo. His mural will depict the undulating plains of Colorado, showing wheat fields, grain elevators and dairy farms against the background of the Rocky Mountains.

RURAL ELECTRIFICATION

● RUSSELL E. HESTON, Iowa Beta '37, is a junior engineer trainee with the Rural Electrification Administration, U. S. Department of Agriculture.

MORRILL WITH LINCOLN ELECTRIC

● JOHN R. MORRILL, Calif. Beta '35, honored by both Phi Beta Kappa and Tau Beta Pi while at Stanford, is with the Lincoln Electric Co., Cleveland.

LAWRENCE FELL AGAIN HEADS LEAGUE

EVERY time the Union League of Philadelphia, one of the oldest social and political organizations in the country, wants an outstanding president, members apparently turn to the roster of Pennsylvania Kappa of Phi Kappa Psi at Swarthmore College to choose an incumbent. Three Penn Kappans, the late Ellis Pusey Passmore '89, the late William C. Sproul '89, treasurer of the Fraternity, 1894-96, and war time governor of Pennsylvania, and E. Lawrence Fell '92, president of the Fraternity, 1902-04, have headed this exclusive society.

Brother Fell, who headed the Union League in 1932 and again in 1933, will steer the organization throughout the current year, voting members agreeing that it again was time to install a good Phi Psi as president of the organization. There was a formal election and there was opposition, but the tabulation of ballots showed an almost unanimous vote for E. Lawrence Fell, a staunch Republican and a de luxe G. A. C'er, with sixteen G. A. C.'s to his credit.

For many years, Brother Fell was president and general manager of the Franklin Printing Co., Philadelphia. For three years he served as president of the United Typothetae of America, which includes the more prominent master printers of the nation. During the World War, he was a member of the War Industries Board, and an

alien property custodian under A. Mitchell Palmer, another Penn Kappan ('89), who served as United States Attorney General under the late great Woodrow Wilson, Va. Alpha '79, twenty-eighth President of the United States. Past President Fell has been a director of the East Pennsylvania Railroad Co., and Logan Trust Co. of Philadelphia, president of the Graphic Arts Mutual Fire Insurance Co., and a trustee of George and Friends' Central Schools.

of Pedro the Voder, the machine which talked to about 8,000,000 exhibit visitors.

NOTICE!

*after this week we will skip two weeks, during

Here's How

It Can Be Done!

Effective indeed is the post-card publicity stunt adopted by the Toledo Club about a year ago to assure capacity attendance at weekly luncheons. Thanks to the industry and originality of Secretary John F. Swalley, a master printer by vocation and a successful artist by avocation, Phi Psis are reminded of weekly luncheons through the receipt of clever, appealing and effective announcements. Result: A record-breaking registration every week. President Jack Soller recommends a similar campaign to all A. A.'s and Clubs. He says a bit of telephonic effort, the morning of the luncheon, helps much.

CHARLES BUNKER
a Bunker GAC program would be bang-up

Bunker has given numerous concerts in Chicago and elsewhere. New York music critics referred to his recital as an outstanding success.

A native of Chicago, Mr. Bunker started his career as a boy soprano at the age of six. In his early twenties he was singing in vaudeville in Chicago theatres. After being graduated from Dartmouth in 1933, he went to New York, and began serious study

with coaches, varying his work with appearances in Broadway musical shows. Among his teachers were Lustgarten and De Vries in Chicago, Maestro Sturani and Arpad Sandor in New York, and his present coach, Frederick Persson, who accompanied him on November 26th. In 1938, he travelled on de luxe cruise ships as concert singer, going to South America, Bermuda, and in the early summer to the North Cape. He lives at the Beekman Tower Hotel.

● Congratulations to Brother Elmer Browne for one of the finest Dartmouth Carnivals ever staged in Hanover. Brownie is President of the D. O. C. and chairman of the Carnival committee. Working with him were Pete Glenn, as chairman of publicity, and Don Fox, as director of personnel.

John Storrs and George Liskow are still tops in their events on the swimming team. Liskow got a first in the 50-yard free-style in the Carnival meet with Princeton, and Storrs got a second and a third in the 440 and 220-yard events.

New Hampshire Alpha's dance orchestra won the Interfraternity variety night for which it was preparing at the time of the previous letter. Our congratulations go to Jack Chandler, Charlie Kingsley, and Beezie Smallwood for their solo work and the work they did toward organization in conjunction with Steffey.

Officers for the coming semester were elected at a meeting just before Christmas vacation. Malcolm de Sieyes was elected G. P.; Bob Williams, V. G. P.; Karl Bruch, B. G.; Stuart Steffey, Heir; Dietrich Lamade, Phu; Ted Schoonbeck, Hod. Congratulations to the new officers and to retiring G. P. Dave Davenport for the good work he did as G. P. and is doing as the president of the Interfraternity Council.

New Hampshire Alpha's hockey and basketball teams each won two games in the intramural competition before being eliminated from further endeavor.

Elmer Browne was further honored by being elected treasurer of the Senior class.

Don Fox was elected to the executive committee of the Senior class. The class of 1942 elected Bob Dewey vice-president and Paul Torian secretary.

MASSACHUSETTS ALPHA

Amherst College

● February 5th marks the beginning of a new semester, and with all Mass Alphans still answering to roll call, the chapter is swinging into the new schedule with renewed confidence. After such a fine first term, Phi Psi is going to have to shoot high to keep up with itself.

On the campus, the prospects are looking even brighter. While Army Olena already holds the high position of basketball manager, new boosts to Mass Alpha's position have been given by Fred Stafford's winning of the sports editor position on the *Student*, and Sam Russell's appointment to the Touchstone board. With Bob Bravo doing well in the Glee Club managerial competition, Wilkinson on the *Press*, Leslie in the last Masquers play, *Peer Gynt*, and four freshmen out for the *Student*, we are holding our own.

Fowler leads a strong swimming team, which despite its understandable loss to Yale, seems assured of a good season, and Stem is a factor in the team strength. Ralph Hadley is wrestling, Harding playing basketball, Rogers fencing, and Freshmen Reid and Pratt are out for swimming and basketball. And in classes, perhaps most important of all, mid-year's did not knock at our door,

For the twenty-seventh consecutive issue our stalwart A. G's are represented on a 100 per cent basis, accounting for a total of 1402 chapter newsletters without a single omission! If this unprecedented record continues through the May issue (and it will!), the Fraternity shall have produced seven successive volumes of *The Shield* without a single slip-up by an A. G.

and the scholastic committee notes a raised average.

Now that Junior Prom is only two weeks away, and that the gala performance of Lolanthe next week provides an occasion for celebration, the attention of the brothers is momentarily diverted into channels other than house prestige and scholastic average. Our house dance comes in April and the social committee is starting preparations to make it good. Now that the pressure of exams is off, Mass Alpha is determined to make this semester memorable socially as well as otherwise.

Finally, in the house itself rejuvenation is proceeding apace. Jack McKitterick's "Union 17" is on the job again decorating the new game room, and the furious work of the brothers is getting results. A new radio-victrola has been bought and the house committee is negotiating for new furniture. Phi Psi is pulling itself together to start a drive this spring that will put the cap on a really first rate year, and with a head start in campus positions, our intramural teams in first place—the basketball team dropped only one—it will be hard to miss.

Brown University

● The advent of mid-year examinations has cast a pall over campus and fraternity activities at Brown. The bright spot in the news is our dandy delegation of flashy freshmen. The twelve boys present a wide variety of accomplishments and interests. Taking them alphabetically we have Dave Armstrong, Chicago, Ill. In prep school at Pawling, Dave was a big gun in athletics, especially in hockey. Unfortunately, Brown abolished hockey this year, but should the athletic administrators repent, they will have a fine hockey player in Dave. Number two on the list is Francis Bud Boyan, Englewood, N. J., a backfield man, whose action on the freshman eleven was hampered by a leg injury. Bill Bumpus, Pasadena, Calif., besides being one of the smoother element, dribbles a very mean basketball for the freshman squad. He is also good with a tennis racket, having played with such western "racketeers" as Welby Van Horn. Number four, is Phil Cassidy, an all-around good fellow from Brookline, Mass. Phil is another

hockey player without a team. He has found his way to the Bacchante Room in the company of Stan Hanse, which in itself establishes Phil as one of the boys. Next comes Art Drew, tall and blond from Providence. Art has a wonderful voice and has been taken into the University Glee Club. He, too, is a promising hockey player. Dick Field, number six, of Barrington, R. I., is a swimmer of no little ability. He accompanied the varsity swimming team to Florida this past Christmas vacation. Dick has been elected delegation leader by his loyal colleagues. Big Russ Hall, of Bristol, Conn., is next on the roll, and he's really a great gent. He starred at end on the yearling eleven and shows prospects of seeing a lot of action on next year's varsity. Elmer (Joe) Howell, Babylon, Long Island, divides his time between organizing movie groups and playing hockey in the second floor hallway. Bud McKone, of Lakeville, Conn., a John Hay scholar, is going to help us get out of the scholastic cellar. Bud played a great game at second base at Hotchkiss, and we hope to see him on the 1943 nine. Number ten, is Kingsley (Monk) Meyer, East Greenwich, R. I., who distinguished himself in the frosh backfield last fall. Ted Wilcox, Jackson Heights, N. Y., the Brown Club scholar from New York, has a finger in all the campus puddings. When not scuttling for the *Brown Daily Herald* he's at the gym playing basketball. Scholastically, he's right up there with the best of them. Ted's roommate and our A No. 1 scholar is John Woodbury, South Lyndeboro, N. H., a John Hay scholar who has accomplished the incredible feat of bringing down an A in every subject.

Although this report has been devoted chiefly to the freshmen, we must mention one or two achievements of our brothers. Bob Person was elected to the Junior Prom committee, an honor of considerable importance.

Sam Anderson, Brown's most photographed man, marshalled the annual Christian Association Old Clothes Drive to a new record in contributions. Wearing his best old clothes, Sam collected everything from worn-out garters to good-looking sport coats.

In conclusion, we wish to issue a warning to all the other chapters to prepare for Rhode Island Alpha's rapid rise to her former commendable scholastic status. May we rise as quickly as we fell.

● With the ordeal of final examinations behind us, we are anticipating a most successful Junior Week, which is just about to begin. By the looks of the marks rolling in, practically all of us will be here for the succeeding term. There is a very good chance of a considerable rise in our scholastic standing among the fraternities.

On January 27th, a cordial invitation was extended to us to attend an initiation banquet at Geneva given by Phi Phi Delta chapter at Hobart. As the date immediately preceded exams, most of us were unable to go. But the few who attended came back with very favorable reports. It is hoped that in the future more of us will be able to get better acquainted, and bring about closer relations between us.

There has been considerable interest shown in intramural basketball, as evidenced by the standing in our respective league,—first. Under the leadership of Al Kelley, it is our hopeful intention to win our league, and then go on to fight it out in the quarter-finals, etc. Good luck, fellows.

The Wannop twins, John and Henry, are showing up particularly well on the varsity hockey team. During the Christmas holidays they played at Rye, N. Y., and at Lake Placid. Both play on the first string, and there is no reason to believe that they will not stay there. Bob Dinegar reached the semi-finals in the intramural boxing tournament. Since he is only a freshman, considerable credit is due him.

As usual, this year we are planning our initiation the first week in March. Subsequent to this affair, the initiation banquet will be held. This will not only celebrate initiation but also Founders Day. This has been the custom in the past, and has always worked out satisfactorily. We hope that this year will see more alumni back. A good time is guaranteed.

Phil Astry, mentioned in the previous letter for his outstanding work on the 150-lb. football eleven, deserves additional credit for his nomination to the 150-lb. All-America team. He is only a sophomore, and there is every indication of at least equal success in the future. We all wish him the best of luck.

Some time ago, the following were elected to Crew Club: Millard Brown, Bill Hagar, and George Malby. Bill, in addition, managed to win the finals in the 155-lb. wrestling tournament.

We would be glad to welcome alumni back any time. It might be surprising to some to note that now we have a special alumni sleeping room, and, as such, remains unmolested and unoccupied by the undergraduates.

● Capturing all the speed skating events at the annual Syracuse Winter Carnival February 2-3, Phi Psi John Morison, member of the Orange Key junior honorary, was the outstanding individual performer of the two-day affair. Pledge Joseph Dixon was second to Morison in the two-lap race and Walter Iles and Bruce Wright, both freshmen, took points in the slalom and downhill skiing events, respectively.

The entire campus was turned into a grotesque gallery of comic strip snow sculptures as all the house competed for the best snow modeling award. Our house erected a Donald Duck and "Big Butch" working on the WPA. It was sculptured by Donald Clark, senior in the College of Fine Arts. He was assisted by Richard Reeves, junior in the same school.

For their three years' service on campus publications, Thomas VanOver, John Metz, John O'Byrne, and Horace Curtis were awarded journalism keys by Dean M. Lyle Spencer of the School of Journalism at the annual Publications banquet. VanOver is competing for business manager of the *Onondagan*, the yearbook; Metz and O'Byrne for the business managership of *The Daily Orange*; and Curtis for the editorship of the paper.

To improve campus relations, the governing board has appointed a special committee to handle this necessary activity for any house. This group will invite professors or other friends to house functions in addition to handling all the publicity. We feel that this work is of primary concern and can easily be adopted by other chapters.

We were pleasantly surprised to learn that we had been awarded the Elbridge-Anderson scholarship plaque for 1938-39 in our Fraternity district. Since it is the first time in a number of years that we have received such mention, we are quite anxious of retaining it.

Clarence A. (Pop) Lonergon, our house father for the past twelve years and charter member of this chapter in 1884, is convalescing from a serious abdominal operation at the Good Shepherd hospital. The grand old man reflects the true loyalty and courageous spirit of our Fraternity.

Robert Dixon, former president of the senior class and house in 1938, recently returned from Duke University where he took work for his doctor's degree in education. He will finish his course at Syracuse. Then he hopes to enter the educational field.

Newly elected officers for this semester are: Robert Gouldin, re-elected G.P.; William Fiske, V.G.P.; Thomas VanOver, P.; and Frank Spiro, B.G.

● At the start of a new term it is desirable to look back, and weigh carefully achievements and gains against mistakes and missed opportunities, and then to look ahead with renewed vigor to the future. Columbia Gamma in reviewing the fall term looks back on a season of successful pledging, well run house affairs, gains in campus and intramural standings, and the extremely capable leadership of our retiring G.P., George Ambrose.

In looking ahead, we are confident that our new officers, Chuck Webster, G. P.; Bob Loy, V. G. P.; Dick Howe, B. G.; Rod Reeder, Hod.; Dimitry Zachary, Hier., and Bob Leisenbein, Phu., will continue to aid in our present upswing.

The most important affair in the offing will be the Founders Day dinner given by the New York Alumni Association, at which a formal initiation ceremony will take place. The dinner-initiation is to take place in the Hotel Commodore, on February 19th, and it is hoped that its success will result in it becoming an annual affair.

We take pleasure in announcing the pledging of Bill Liccione, our first in the spring rush campaign, who is one of the mainstays of the freshman wrestling team, and an important cog in the success of our undefeated house basketball team. The basketball team has won its first three games, averaging over 40 points a start. Bob Leisenbein, who set a new intramural record by scoring 27 in

our last game, is the leading scorer with 50 points.

Socially, Phi Psi is well represented with Brothers Brady, Beaudouin, and Pledge Friou, chairman of the Commuter Cooperation, Publicity, and After the Prom committees, respectively for the forthcoming Junior Prom. Our retiring G. P., George Ambrose, has been chosen general chairman of the interfraternity dance being held February 17th to bring greater cooperation between the houses on fraternity row.

Now that normalcy has been achieved with the completion of exams, plans are underway for an active spring term. In addition to our annual spring formal, a dinner dance has been scheduled for March. A Father and Son get-together has tentatively been arranged, and plans for an alumni smoker are being worked out by Bill Johnston, chairman of the Alumni Cooperation Committee. Columbia Gamma extends to our chapter houses and Phi Psis the world over, a belated New Year's greeting.

● With another semester chalked up for the Brothers of New York Epsilon, we are happy to report that everyone survived in an exceptional manner. With Perlee and Wheatley making straight A's and Newcomb, Sutton, Maynard and Pledge Brother Tracy each securing four A's and one B. Although the Dean's ratings of the standings on the campus have not as yet been issued, it is certain that Phi Psi will again rise to a position near the top.

Honors go to Bill Perlee and Bill Newcomb, who have completed the last lap towards the coveted honor of Phi Beta Kappa, and to Bob Sutton, Bill Wheatley, and Charley Tracy, who were recently initiated into the Phi society, a sophomore scholastic honorary society.

Shortly before Christmas vacation, John Crocker, Ted Fischer, Stan Meigs, Jim Mortimer, Rufus Perkins, Lou Rich, Walt Schilling, Bob Sherman, Bob Sutton, Alex Trappe, Bill Wheatley, and Bill Worden were initiated into the mysteries of the Fraternity. These Brothers were especially honored to have present at the initiation ceremonies Treasurer Harry Gorgas.

The following were elected in January for the spring term: Doug Lamb, G.P.; Bill Wells, V.G.P.; Bob Sutton, B.G.; Andy Ryan, A.G.; Bill Wheatley, S.G.; Andy Ryan, P.; Jack Fox, Hod.; Blake McDowell, Hier.; and Rufus Perkins, Phu.

In athletics, Colgate is mostly concerned with basketball and hockey. Tonight we play Syracuse at basketball and Williams at hockey. Hap Hazard will once again see action against a strong Syracuse team. Coley, LeFevre, Wells, Rose, Crocker, Tracy and Rupp will all see action at Williams. Phi Psi has a representative for every position on the team.

This year has seen a marked improvement in the furnishings of the first floor of the

house. Since the first of the year we have completely refurnished the living room with new leather furniture, a full length rug, a radio-vic combination, lamps, curtains, and drapes. We have bought a complete set of dining room chairs and have refurnished the library.

The monotony of the Chenango will soon be relieved by Winter House-Party on the 16th of this month. The Brothers have been working to get the house in shape for the outstanding social event of the winter season.

● This chapter was proud to have as its guest, Vice President Andrew G. Truxal of Dartmouth College. During his short visit, Dr. Truxal held a very interesting discussion with the members concerning the fraternity problems and advancements of recent months. It is certain that we all profited and gained through the discussion a better understanding of the affairs of the national organization.

Penn Gamma is now looking forward to the visit of Wilmer Gruelich '30, Director of Admissions at Beaver College, who will stay here during his participation in the Religion in Life week activities given in Bucknell by the administration.

With the opening of the spring semester, Phi Psi is putting its best foot forward socially by giving its annual winter formal dance, February 24th. The previous evening, the University's Junior Prom will be given. Ray Allison '40, and Ralph Childs '40, are working overtime to make the Phi Psi winter formal a big success!

We don't know whether Confucius said this or not, but it is rumored that "as you sow, so shall you reap". And Penn Gamma has captured the scholarship trophy from the Phi Psi chapters of District II, taking in, as it were, the fruits of its labor.

A banquet celebrating Founders Day will be held on the evening of February 19th at the chapter house. Local alumni will be invited to attend and take part in the various activities of the day.

As predicted in our previous newsletter, Pledge Brothers Dan Reinhardsen '43 and Bill Robinhold '43 have made the freshman basketball team in the final appointments and have thus completed the first hurdle towards their varsity ambitions.

Kenneth Bayless '42 has also amply fulfilled our expectations. Winner of the 120-lb. class in intramural boxing, Tiger Bayless is now on the first string as a battler for the Blue and Orange on the Bucknell varsity boxing team.

Penn Gamma has increased its ranks this month through the addition of F. (Patty) Wolfe '43 to the pledge class. Wolfe is very active in extracurricular activities and has promising athletic abilities.

● With exams over and a new semester started, Penn Epsilon is again a happy place since everyone has passed, one way or another.

Last week-end it was Joe Brotten's pleasure as Junior Class President to crown the Junior Prom Queen during the dance. Ed Todd served as a committee-man for the week-end festivities.

Gettysburg's basketball squad is again a leader in the Conference and Penn Epsilon is adequately represented on the varsity by

Baldy Hamilton and Pledge Brother Joe Stock in the starting lineup.

Interfraternity athletics find our chapter with two second places, one in touch football and one in volleyball. At present we are occupied with winning the basketball series under the supervision of Bob Flinchbaugh.

Don Kaiser spends his summers getting calloused on his stomach by sailing a Star boat and is now trying to callous his back by representing the college on the wrestling team in the unlimited class.

Kent Gilbert and Hanawalt are putting their talents in use by making positions on the Varsity Debate Squad. Their footsteps are being followed by Pledge Tom Miller, who speaks on the freshman squad.

Our chapter was a bit vexed when our hero, Baldy Hamilton was omitted from the 1939 all Phi Psi eleven picked by Larry Winn. Baldy is being worried by scouts who want him to play pro ball. Baldy will play with the Eastern All-Stars against the New York Giants on September 7.

The *Gettysburgian* is under the direction of Mindy Gilbert who was selected as managing editor. Jarve Shaffer is writing the sports column formerly written by Bob Flinchbaugh. Pledge Brothers Tom and Byron Miller are up and coming reporters.

We are proud to announce the formal initiations of James Fiscus, son of Z. O. Fiscus, Pa. Epsilon '04; Ted Huebner, and John Crouse, February 6, 1940. They will be valuable assets to our chapter.

With the new year we elected the following new officers: G. P., Bob Flinchbaugh; V.G.P., Kats Kono; P., Bill Neinstiel; B.G., Bud Kuhns; A.G., Bill Boyson; Hier., Gale Flinchbaugh; Hod., Stan Ezekiel; Phu., Jarve Shaffer; and S.G., Hank Burman.

I wish to take this opportunity to thank our National Vice President, Andy Truxal, for his enlightening and interesting visit to Pennsylvania Epsilon. We hope to see him again in the near future.

● Mid-year examinations have passed and now we are turning our thoughts towards the second semester and the activities concerned with it. On Monday evening, January 15th, Bob Cello joined the ranks of the Brothers and now everyone living in the

chapter house has been initiated. We are quite proud of this record. In the near future, we intend to initiate all our present Freshmen if possible.

On Feb. 24, 1940, the chapter is having a buffet supper and in the evening we are doing our part in celebrating the Fraternity's birthday by holding a formal dance in honor of Founders Letterman and Moore. The social committee is working hard on plans for the dance and it will probably be a big success.

In the all-college elections for Student Athletic President our nominee, John I. Jones, '41, was elected. This proved to be a source of much gratitude for us. The college glee club is taking an extended trip to four prominent eastern cities in the early spring, and four Phi Psis will be among those taking the trip. ● With spring coming on with a rush, Etans are turning their thoughts somewhat from their books and a successful semester scholastically to the coming I. F. ball which promises to be a fine affair.

We experienced somewhat of a pleasant shock upon returning from Christmas vacation. Our president, John Davenport, was married in September and no one knew about it. Unfortunately, he is not able to be with us any more, a great loss to Penn Eta.

However, our new president, Walter Boyce, seems capable of carrying on where John left off. Other new officers elected are: Richard Wissler, V.G.P.; James O. Perrine, A.G.; Robert Butler, B.G.; Waldron Vail, S.G.; Joe Zettler, Hi.; Robert Anderson, Phu.

We are pleased to announce the pledging of Amos Seldomridge and John Dorset.

Our basketball team has been battling for campus interfraternity basketball honors but has been only partially successful. Our ping pong team, starring Butler Todd, has been very successful; we are now leading the league. Joe Zettler, Bridenbaugh, Rufus Wint, and Stevens comprise the rest of the team.

The Brothers were both honored and pleased to have a visit from Andy Truxal,

S.W.V.G.P. He discussed numerous interesting and helpful facts with a number of us. Heller's father, who is a Phi Psi, has paid us a visit on two occasions. The chapter wishes more alumni would drop in.

● Mid-year exams left our roll intact for the present. (This was quite a relief for several of the pledge-brothers.)

Plans are being made for the initiation of seven or eight pledges, Saturday, February 10th. On the following Monday, the election of officers for spring semester will be held.

In the intramural program, our wrestling team slipped after winning the championship last year. Andy Conrad, however, took first honors in the 145-pound class. The basketball chances look pretty good, our "A" team boasting an undefeated record as the play-offs are about to begin.

Bill Volk, who was elected by the Junior Class to run this year's Junior Prom, has signed Al Donahue for March 8th, and can be seen frequently wandering around with the usual dance chairman's worries.

At the close of the football season, Bud Ellis was elected junior assistant varsity manager for next year.

Several days before the beginning of the Christmas vacation, the annual choir trip began. Mason Parke, Jack Quinn, Bud Ellis, and Bill Haight, all of whom went along, claim that Baltimore is quite a place. It seems that they had a night off in the Big City.

As an incentive for scholastic improvement, Penn Theta will have inscribed on a new cup the year of the Phi Psi class with the highest average each semester. Already this is arousing competitive interest. Although the class averages for the past semester have not been computed, it is believed that either '40 or '42 will be the first to receive the honor.

There is nothing remaining to mention with the exception that with all things running smoothly we are looking ahead to an active and outstanding semester.

● A late touch of winter has dropped upon us; the foot of snow which blankets us gives the Penn campus the air of Dartmouth Carnival time. But with the passing of mid-year exams (and a barrel of rum), perhaps the Brothers could enjoy the winter weather with the enthusiasm of the sons of old Eleazer Wheelock.

More comment on mid-year's is necessary. As the second semester begins, we are intact. All have escaped the Dean's notice, some, in fact, with a great margin of security. Dick Abbot, Bob Strode, and others are helping us climb scholastically. As usual, there is no point in mentioning Strode's annual holiday—the exam period.

We have elected these new officers: Strode, G.P.; Woodring, V.G.P.; Cohn, P.; Moock, B.G.; Waris, S.G.; Kirkpatrick, Hod.; Clymer, Phu.; and Blair, Hier.

During examinations, intramural activities are suspended. Come the third week of the new semester, however, and the best Phi Psi basketball club in years will seek the championship.

Our runners have been causing much comment in local sports columns. Ed Junghans, Bob Huebner, and Dick Belyea have displayed remarkable form against the country's best competition. Lawson Robertson, Penn's Olympic coach, has sure-fire Olympic material in Belyea at the half-mile, and Junghans in the hundred.

We are involved in rushing and all attention is turned in that direction. Bob Huebner wishes to thank the many Brothers who have aided us in this activity.

● Semester finals have just ended and the brothers are gasping with relief. Since classes do not start until Monday, the 5th, we are having a bit of rest from the rigors of college life. Some of the brothers are wending their way homeward and many others are heading for Buck Hill Falls for the annual college house party. The present cold snap gives promise of fine skiing and skating for the brothers and their dates.

At the last meeting the election of officers for the coming semester was held. Reller was elected G.P.; Braden, V.G.P.; Buckman, B.G.; Rayner retained his post as P.; Robbins was elected Hier.; Hugarir, Hod.; Fraser, S.G.; Slocum, Phu.; Griffin, A.G. These brothers hope to carry on the fine record established by the retiring officers.

The annual chapter banquet turned out to be a great success. Approximately 130 active and alumni brothers gathered in Philadelphia's Bellevue Stratford to eat, drink and make merry in a big way. To the tune of a lot of wonderful food, a few spirits and a lot of speeches, the brothers old and young enjoyed a fine evening.

Along with the success story of this year's Little Quaker basketball team, goes the story of Soph Stan Cope. Cope, star of last year's frosh five, is now leading the college five in scoring. He and Reller, last year's captain, are two of the mainstays of the team, and both hail from Indiana.

● The lacrosse state of Maryland is again ready to open its stadiums for its favorite sport. The air is filled with talk about new equipment and new fields to conquer. As Hopkins' lacrosse teams are always among the country's foremost it is pleasant to report that this year, Phi Psi is the lacrosse team! But for lack of a goalie Phi Psi would put a complete varsity team on the field. Our all-star Phi Psi team will consist of Ed Spilman, Harry Nance, Tommy Nicholson, Buddy Kaestner, Dave Wallace, Evans Smith, Bill Wood, Beetle Sneeringer, and last but far from least, All-America John Tolson. Hopkins is supposed to have a world beater team this year and we are proud that Phi Psi will lead in the attempt to win the national championship.

Now that the shock of exams is over and all Brothers having passed their respective courses, we are again active in the interfraternity athletic race. Maryland Alpha has a splendid basketball team and we have won the 'A' league title after eight victories in as many starts. Phi Psi will participate in the annual 'gymboree' March 8th, and it is here that we expect to win the school fraternity basketball title. Those who have shown great spirit on the basketball team

are Spilman, Kaestner, Wallace, Tolson, Nance, Hobbs, McRoberts, Smith, Nicholson, and Dempsey.

In a recent election Richard Bradley was elected G.P. and immediately thereafter plans were formulated for our annual alumni banquet.

Maryland Alpha entertained a large group of Hopkins students at a party before, and a breakfast after the recently successful Hopkins Cotillion, which featured Al Donahue and his orchestra. It was indeed a merry night and we were fortunate in having some out-of-town Brothers as our guests.

● Rushing season has finally been completed and we are proud to announce that twelve first-year men of the highest caliber compose our goat class.

The pledges are: Bart James, Montclair, N. J.; Bud Conwell, Bloomfield, N. J.; Bruce Nelson, Winchester, Va.; Bill Massie, Charleston, W. Va.; Brad Beverly, Winchester, Va.; Tom Kessing, Annapolis, Md.; Charles Jacobs, Winnetka, Ill.; Phil Hoyt, Scarsdale, N. Y.; Bob Fiend, Milwaukee, Wis.; John Barton, Middletown, Ohio; Ralph Conrad, Gordonsville, Va.; George Shackelford, Orange, Va. The first three are legacies.

Intramural sports are the center of interest these days. In the bowling league, Walters, Mounfield, Maloney, Conquest, Cheek, and Beverly seem to have a good chance of winning. The turnout for boxing has been very good and almost a complete team has been assembled. The team lineup is: Killer Woltz, 120 lbs.; Charlie Jacobs, 127 lbs.; Win Mellen, 145 lbs.; Tom Kessing, 165 lbs.; Phil Weems, 175 lbs.; Butch Walters and Julian von Kalinowski, heavy. Bob Walker is acting as manager. Fights are to be held soon and the results will be included in the next newsletter.

Election of officers for the coming year have just been held. The results are: Bob Woltz, G.P.; Sonny Conquest, V.G.P., and Albert Cocke, P. Election for the remaining

positions will be held after initiation of the first-year men, which is to be next Friday. In addition to the above positions, Frank Scrymser was elected assistant P., Win Mellen was chosen for Rushing Chairman of the coming year, and Jack Brent was selected for the Interfraternity council. The retiring officers have done a splendid job and the financial standing of the chapter has been improved remarkably within the last year.

Editorship of the annual, *Corks and Curls* seems to be retained by the house, since Frank Balsley is one of the three assistant editors eligible for post of Editor-in-Chief. Practically every brother is a member of the staff, and all of the goats have reported for work. Thus, elections of Phi Psis is aided a great deal by the large number of votes controlled by the house.

The general condition of the house has been much improved. Mrs. Ward Pearl, mother of Zip Pearl, sent a very fine rug which is now being used on the first floor hall. Aiding the boxing team, Mr. Coleman has sent a punching bag which should prove to be very handy. Although not improving the condition of the house noticeably, Mr. F. Brooke Whiting, of Cumberland, sent some cases of beer for the party given when the last dance at the Rotunda was held. Needless to say, the gift was more than appreciated.

● Exams and Fancy Dress are now history, and Virginia Beta is settling back to enjoy, for a change, a normal life. Although there are still traces of snow on the ground, spring is in the air today; and springtime in the Shenandoah Valley makes people do things, so there won't be quiet on the Lexington front for long.

We are happy to report that the chapter pulled through the examination period without a casualty, so everybody was prepared, by the end of the cram session, to enjoy Fancy Dress. And enjoy it they did! Bob Chester opened the festivities at Thursday night's dance, and Kay Kyser took over for the next three outings. The setting of the Ball was a garden party after the first Kentucky Derby in 1875. Figure participants from Virginia Beta were Al Snyder, vice-president of Fancy Dress, who impersonated

Senator Thomas McCreery; Tom McCutcheon and Francis Sugrue, who were river gamblers; and Frank Nichols, the Oklahoma Kid, who was much at home in his jockey's boots.

The afternoon before the Ball the chapter gave a cocktail party in honor of Jack Hauslein and Helen Anne Littleton, of Sweet Briar, whose engagement was announced recently. Back to help us enjoy the week-end's doings were Charley Gilmore, Chet Palmer and Bill Young.

Recently elected to guide Virginia Beta's destinies during the second semester were Tom McCutcheon, G.P.; Homer Jones, V.G. P.; Bill Fittipoldi, P.; Tom Fuller, B.G.; Al Overton, Hier., and Bob Wilson, Hod.

The chapter was pleased and honored to learn of the appointment of Bill Fittipoldi as Deputy Archon for District II. We hope Bill can help keep the District in order as well as he has been keeping our books.

Before going further, we want to publicly welcome Bill Dabney into our active ranks. Bill, a law student who was initiated by Virginia Alpha in 1937, recently completed the transfer of his membership.

Virginia Beta will initiate fourteen pledges on Sunday, February 18th. Our annual Founders Day banquet will follow the ceremonies.

Fuller has won all three of his starts as a member of the unbeaten Washington and Lee varsity wrestling team, and Eddie Wagg and Bob Schellenberg emerged victorious in their opening bouts only to be shelved by injury and illness. Arch Puddington was forced to the mat sidelines before the start of the season with a shoulder injury. Phi Psis have been participating in intramural athletics throughout the year under the direction of our energetic captain, Paul Laybourne. Our prospects along this line seem

● Examinations over, the chapter was surprised to find itself still intact. Malicious rumor has it that the Dean has several Brothers "on the spot", but thus far his broom has failed to sweep in our direction, the only fraternity on the Hill to escape the guillotine. Final averages are not out yet, but we hope to be right up among the top again.

Since the previous newsletter, several have lowered themselves to "pin hanging." Among them are Ed Weber, Burt McCullough, Orwin Rector (our G. P.), and even Stan Johnson from way out there in Cali-

fornia, who in anticipation of initiation hung his pledge pin during semester vacation.

Our active Ladies' Auxiliary held a Silver Tea, January 31st, with about 120 faculty and town guests present.

The annual and very successful Winter Formal was held January 6th, with Social Chairman Gil Brown in fine fettle. Decorations were in the South Sea Island motif, with murals by Burkett and even a novel artificial rainfall contraption at one end of the dance floor. Guests present were Will and George DeArment, and Bill Williams.

The night of our annual Christmas party the chapter was the recipient of a very marvelous gift—that of \$2000 from Brother Dr. Harry K. Stoner, class of 1881, of Berlin, Pa. Immediately we could visualize our good luck, for when we came back from Christmas vacation, we found a very beautiful and modern chapter room and pingpong room in the basement. We really do believe in Santa Claus at Beta, and in appreciation and gratitude, on Founders Day prior to our initiation and banquet, we are dedicating the Harry K. Stoner Memorial Chapter Room. Incidentally, we expect to initiate a large and strong pledge class of record accomplishment this time.

In the athletic lineup, we find Cook and Robinson on the varsity basketball team, and Caldwell, Marvel and Burrows on the varsity swimming team.

We are also very pleased to announce that for the *Ninth Consecutive* year, a Phi Psi is football captain, this year's incumbent being Bud Saylor as co-captain of the 1940 eleven.

● Final week is over, and Penn Lambda has returned to normal. All survived the ordeal and our chapter has risen in its scholastic rating. Last June, we were midway among the fifty-two fraternities on campus. This February, our house average indicates a position about tenth on the list.

Pledge Ed Husted will receive a bid to Phi Eta Sigma, freshman scholastic honorary. Several of the brothers are eligible for

bids to similar societies. We also have a prospective Phi Beta Kappa member.

We are beginning the second semester with four new pledges: Philip White and John Dague, State College, Pa.; Russel Myers, Mt. Pleasant, Pa.; and Irving Wilhelm, Johnstown, Pa. Wilhelm was one of our pledges last year, but he left school for a semester. He was repledged this February.

Results of chapter elections are: Charlie Binning, G. P.; Bob Raughley, V. G. P.; Ben Kline, A. G.; Ed Moore, B. G.; Maynard Bloom, S. G.; Jack Fritz, P.; John Strand, Hod.; Chuck Duke, Phu; and Jack Hunsicker, Hi.

During the cold weather of January we flooded our side yard, and had skating for almost five weeks. Charlie Parkin is a wonderful figure-skater.

In hockey, Bill Garrett is well on his way to earning his varsity "S". He is only a sophomore, but so far he has played in every game. Bob Hoffer has high hopes of being elected assistant manager of hockey next year.

Ben Kline and Bill Salberg, assistant managers, are making nightly treks to the swimming pool and the boxing ring, respectively.

We all hope that Frank Gleason will retain his Eastern Intercollegiate Wrestling Championship in the 136-pound class. He recently pinned his toughest opponent, the captain of the Princeton team, and twice possessor of the title Frank now holds.

Jack Hunsicker and Charlie Parkin are also fighting for a place on the wrestling team. The interesting thing about this is that they are both trying for the same position. Either is equally likely to earn the place from the regular 155-pounder.

For a long time, Penn. Lambdans have been dreaming of a private chapter room, for the use of brothers only. Now the dream is approaching reality. The fellows, all working voluntarily, have dug out a new room under the house. It has been a long and tedious task, but we will continue to work on it until it is completed.

On February 18th, we will initiate at least ten into the mysteries of the Fraternity. This will be followed by our annual Founders Day Banquet, both of which will be attended by our local alumni. At that time we will join the other sons of Moore and Letterman in paying homage to our Founders.

● The completion of the first semester at West Virginia University also marked the completion of the new chapter house for West Virginia Alpha. The much anticipated change from the old to the new took place Saturday, February 3rd.

Finals were not quite finished when the bedlam of moving descended upon us. So great was the hurry to be situated in the new home that actives and pledges alike assisted the professional movers to hasten the process. Now that we're located in this grand, new home it seems well worth the inconvenience and bother of last semester's temporary residence. A vote of thanks is certainly due Harlan Selby and other alumni who have worked so tirelessly in their effort to convert the house from a dream into a reality.

A new precedent was set when it was decided that the chapter would have a house mother. Accordingly, Mrs. Guy Earle, of Clarksburg, was chosen to fill the important position. She is a member of Kappa Kappa Gamma and has served as house mother at the Kappa House at the University of Pennsylvania and at Phi Delta Theta house at the University of Maryland. A reception and open house will be held in her honor in the near future.

On May 23rd of this year, West Virginia Alpha will be fifty years old and due to the proximity of this date to that of Initiation and Founders Day, it was decided to observe both on February 17. Homer A. Holt, Va. Beta '16, Governor of West Virginia, and many other prominent alumni have signified their intentions of attending. A special attempt is being made to have all the charter members present. Joe Buchannon will serve as Symposiarch. The observance of this date should certainly prove to be a memorable one in the lives of the members of this chapter.

Election of officers was held shortly after Christmas vacation and the following are serving this semester: Cecil B. Highland, G. P.; Richard Johnson, V. G. P.; William Nutter, P.; Jack Murrill, A. G.; Louis Robb, B. G.; Harold Piggott, S. G.; Allen Bumgardner, Phu.; John Ailes, Hi.; Dick Welch, Hod.

Ernest Hutton, our former G. P., has completed his course at the University and has left to take up his duties with Westinghouse Electric at Pittsfield, Mass. We shall miss Ernie very much but at the same time

we wish him the best of luck in his new career.

Most of the chapter attended the Military Ball, Monday, February 5th. It was one of the most successful functions of the winter season. Cecil Highland, as Cadet Colonel, was in charge of arrangements for the ball. C. E. Smith was director of the Grand March. Al Donahue's orchestra furnished the music.

Professor L. L. Friend, W. Va. Alpha '93, University Registrar, was appointed Faculty Advisor for the chapter.

● Now that the smoke of first semester exams has cleared we recall some of the more pleasant things that happened before our finals. One particularly fond memory was our winter formal. The house was decorated with evergreen, conifers, holly, and red candles. Social Chairman Walt Denney, is to be commended on the fine work which made the dance possible.

We are on our toes in intramurals. The basketball team, Wehman, Patten, Patterson, Norris, Meister, Monroe, and Pledge Brother Geitgey, have fought their way to an undefeated place in their league. The bowling team is in first place on the alleys, with Dale, Wilson, Eichel, Wehman, and Bailey, giving all comers a real battle.

The freshmen pledges to date have been undefeated in both basketball and bowling, and have enough points to put them in line for the Freshmen Intramural Cup.

In varsity basketball, Jimmie Reiser is playing his customary fine game, ably supported by Huge Kirchwehm. Jim was high-scorer in the game which upset Ohio University's applecart and he is making the same name on the court as on the field. Added to Jim's already long list of football laurels is the Bun Trophy which was "Awarded to Jim Reiser as the most valuable player on the 1939 Ohio Wesleyan Football Team."

In varsity swimming, Gordy Dale, Bud Lersch, and Bill Conger, are doing their laps to keep in shape. While swimming against Michigan State recently, Gordy broke State's 100-yard varsity pool record. When he isn't in the water, Gordy can usually be found practising the piano for his recitals.

The chapter is anticipating the celebration of Founders Day with the annual tri-chapter banquet to be held this year in Columbus. Ohio Delta is acting as host with Ohio Beta and Ohio Alpha as their guests.

Another event on the social agenda is the formal dance, known as the Jefferson Duo, at which the Ohio Wesleyan chapters of Phi Gamma Delta and Phi Kappa Psi will celebrate their foundings at Jefferson College. Bud Lersch succeeds Walt Denney as chairman of the social committee, and he will be in charge of the affair.

We sincerely hope that as the years go by we may commemorate Founders Day as a day in which to realize the true ideals upon which this Fraternity was founded.

● On Founders Day, this chapter will be the guest of Ohio Delta at the annual Tri-Chapter banquet. We always enjoy the fine spirit of fellowship which characterizes these gatherings. About a week later Ohio Beta will hold an alumni banquet, at which many of our older members will be honored.

On December 13, 1939, John Pekarek, of Shaker Heights, was initiated.

We are pleased to announce the pledging of three more boys at the beginning of the second semester. They are: Raymond Runser, Lima, Ohio; John Parsons, Cleveland, Ohio; and Henry Slevin, Pittsburgh, Pa.

Due to the absence of John Scheideman-tel this semester, John Orebaugh has been elected Hier.

The chapter house has been improved by the gift of all new lamp shades from our Mothers Club. We are grateful to this organization for many fine things in our house.

To encourage a higher scholarship we have divided the boys in the house into two groups or teams. At the end of the year the team with the lower scholarship average must treat the winning team to a picnic supper. We hope to see some real improvement in scholarship.

We are looking forward to a successful spring season in intramurals. Our bowling team is in fine shape and is off to a good start. We also have fine prospects for swimming and soft ball.

● It has been so cold in Columbus lately that activities at Ohio State have slowed down somewhat. They will probably pick up quickly, though, since the thermometer went up to 20 and we think spring is in the air.

Recently elected officers include: G. P., Al Robinson; V. G. P., John Gardiner; P., Bud Stone; A. G., John Kelley; B. G., Bob Weaver; S. G., Charles Weed; Hod, George Pfeifer; Phu, Jim Hur; Hier, Bob Fite; house manager-steward, Don Stoll, and Freshman Adviser, John Trimble. Our congratulations go to these brothers, and a sincere note of appreciation to the retiring officers.

We are pleased over the completion of our new library and chapter room in which we have had two meetings. The furniture for the library has not yet been ordered but the beautifully paneled walls and the huge fireplace have caught the chapter's keen eye. Converted from our old garage, the new building is expected to solve many housing problems.

One of the more important events coming up is the Founders Day Banquet to be held February 19th at the Fort Hayes hotel. Each year Ohio Alpha, Ohio Beta, and Ohio Delta join forces to celebrate Founders Day and this year Ohio Delta is to be host. Past G. P. George Packer is head of the banquet committee.

The Jefferson Duo, held with Omicron Deutron of Phi Gamma Delta, is one of the most popular fraternity dances of the year. Brad Hunt's band will furnish the music for the dance to be held February 23rd. Plans are being completed by Jim Brindle, new social chairman.

Spence Gardner and Cheney Humphreys become the first to be initiated in the new chapter room. Dick Jones, drum major for Ohio State's fine marching band, was pledged last week by Bob Neese, new rushing chairman.

We express our deepest sympathy over the death of our beloved "Daddy" Neff, who was chairman of the Ohio Delta Co. for many successful years. Harold Gardiner was appointed new chairman of the company.

We don't like to say anything, but Ohio Delta again "crashes through" in the athletic division. Bill Goss, sophomore basketball star, was high point man (13) in a varsity game against Butler last week. Al Livingstone, for his first time in competition, set a new record at Ohio State for the in-

door high jump. His record of 6 feet 2 inches was made in a meet against Chicago. Our intramural basketball team has been undefeated so far and from the way they are going it looks like a new cup for our mantel.

OHIO EPSILON

● The brothers of Ohio Epsilon have survived the hectic period of mid-year exams. Although the absence of Tau Betes is quite conspicuous, at present, the trend in scholarship is upward.

Under the fine leadership of our freshman educators, Karl Benson and Bill Heckman, we have succeeded in putting seventeen neophytes through their orientation period. These will be given their formal initiation on Saturday, February 17, 1940, if our Brother, Dean Theodore M. Focke, permits. Those eligible are: J. O. Climo, E. E. Cockrell, B. A. Grow, B. R. Fobes, W. B. Hartley, R. F. Hoener, K. F. Juengling, R. C. Kidd, A. R. McAllister, James Nassau, W. M. Powell, D. L. Raymond, G. F. Russell, R. F. Smail and J. R. Snell, who are in the class of '43, and C. W. Burhans and R. V. James, the class of '42.

In the recent elections the following were chosen for the major offices: G. P., W. L. Rau; V. G. P., William M. Brewer; P., E. W. Nord; B. G., E. L. Zepp; A. G., L. J. Sinnott; Hier., J. H. French.

After winning the volleyball championship, the brothers harbored fond hopes of turning in a clean sweep in intramurals but our basketballers could not reach the play-offs.

Wrestling is the current sport and Benson's grapplers appear to be the likely champs. Eddie Edwards is leading the team with three pins to his credit. Pledges Cockrell, Fobes, Powell, Kidd and Juengling have also aided materially in downing the campus grunTERS.

The Cleveland Alumni Association is making plans for a bigger and better Founders Day Banquet to be held February 23, 1940. The Chapter has decided to make the affair a chapter function and will initiate Pledge Brother James at the banquet. Blake Womer, president of the A. A., promises that the banquet will be a real novelty. He has decided to do away with the usual speaker's table and instead the members will be seated in a large circle.

Inasmuch as the Betas have won the singing cup at the last three interfraternity song contests, Obeuchain has scheduled practice session for our vocalists and is confident that the Phi Psis can dethrone their rivals. He has chosen "Phi Psis We Are the Men," and "God Bless America," for the two songs to be rendered on the night of the Interfraternity dance. According to contest rules, one fraternity song and one optional song may be sung. After we have learned the above mentioned songs, we intend to tackle the "Marching Song" which the brothers of Ohio Beta sent us. Incidentally, those of the chapter who were guests of Ohio Beta last week were very much impressed with the singing of the chapter.

The coming semester promises to be a full one. With a reasonable amount of luck the Phi Psi intramural teams should take a fourth all-sports cup and the chapter should once again place a good portion of its men in the honor positions on the campus.

● With the J-Hop given by the class of '41 now a matter of history, Michigan Alphans are preparing to start the new semester. On the week-end of the hop, there was a house party attended by some fourteen Brothers and their dates, and having as chaperones Brother Reed Bachman and wife. The party began with a formal dinner Friday night, and lasted until Sunday afternoon. As might be expected, "a good time was had by all."

Michigan Alpha will celebrate Founders Day with a banquet in Detroit with the Detroit Alumni Association. The affair, as has been the custom in the past, is being arranged by the alumni, and undergraduates are looking forward to a repetition of the excellent time enjoyed last year.

In the first meeting of the new year elections were held with the following results: Henry Barnett, G.P.; Dave Corlett, V.G.P.; Brother Loud, P.; Bill Sessions, B.G.; Paul Strickland, Hod.; Dick Bennett, Phu., and Ted McLogan, Hier.

Brothers who recently became alumni will be saddened to hear of the passing of Mrs. Gertrude Shirley, chapter cook for the past few years. Death occurred in the last part of January and was due to a cerebral hemorrhage.

During the past few weeks we have been extremely fortunate in visits from two of the more illustrious Brothers. Edward Everett Horton and Buddy Rogers managed to find time to drop over to the chapter house during their engagements at theatres in Detroit and Ann Arbor, respectively.

● While the exhausted brothers are recovering from the recent batch of finals, they are turning to lighter reading and intramurals as a tonic. To judge from the early reports on these finals the house average should go up.

But meanwhile, intramurals . . . There seems to be some pretty rough competition

afoot, but so far the Red and Green squad has chalked three victories and looks good enough to pick up the league title and points enough to jockey for first position with the Sigs in All-Intramural standings. Max Bartley, George Schaffer, John Murray, Bob Houk, and Baron Johnson are the five who have played most of the time. Others who have contributed plenty of fight are Roy McCormick, Took Winkler, Bob Brown, Stew Lasher, Jack Randolph, and Dave Guthridge. After taking the Phi Gams, the Hall, and the Betas in their winning streak, the lads have only to polish off the Sig Nu quintet to win their league.

The old Debbil Flu hit the DePauw campus hard during final time. Whether or not the exams had anything to do with it is debatable, but the boys were dropping thick as flies. Our chapter missed the quarantine that kept several houses out of the educational and social whirl for a few days, but more than a dozen of the brothers took to bed at one time or another. Most of them came out of it very nicely, thank you.

With the turn of the semester came elections—some new faces in office, some old ones returned. Jack Pearce, president, and George Palmer, vice-president, were unanimously recalled to duty. Stew Lasher is taking over the recording-secretarial work, and Bob Keir the correspondence. Bob Houk, under a new system, was elected apprentice to the treasurer, Bob Brown. He will work along with Brown, learn the ropes, and take over the job next fall.

And so, amid the slush of six extra weeks of winter, we bid ye adieu, brethren.

● With zero weather and final exams terminating at approximately the same time, the boys of Indiana Beta are again settling down to the old grind. However, there were a few carefree fellows whose grades were in such good condition that they could enjoy some lively festivities. Kemp Westfall, Chester Stayton, Budge Alexander, Harry Chenoweth, and John Fox made a trip to New Orleans and attended the Mardi Gras.

The lucky fellows had a sunburn when they came back!

The pledging of James Carter, Indianapolis, and Jerry Girard, Warsaw, gave an impetus to the new semester.

After two years of business life following his freshman year, Wilbur Van Horn of Wabash has again taken up his pencils and books and returned to college.

Northwestern has claimed the two Rose brothers, Steve and Truman, who now reside in Evanston, Ill. Guy Boyd will be attending Butler U. next semester, but we hope to have him back next year.

Coming up soon will be our annual skating party and dance. Some strenuous roller skating all afternoon will be followed by a buffet supper and dancing at night.

New officers for the coming semester are: Marshall Alexander, G.P.; John Fox, V.G.P.; John Zeller, B.G.; James Noland, A.G.; and George Kempf, S.G.

Although official announcements have not been made, it is thought that the scholastic average of the house will be above that of the previous semester.

At present, the ping pong and billiard tournaments are going on with the competitive spirit running high. The three favorites in the billiard tourney are Bud Buck, Bud Simonton and Bob Boughman of "Lazy Acres."

Ben Wilson is seeing varsity action under Billy Thom, wrestling coach, and George Kempf is doing a good job on the swimming team with the back-stroke as his specialty. Ray King and Bob Denny are working out daily to be in good shape for approaching track meets.

The next event of importance is the basketball game with Purdue next Saturday. Several Brothers from Indiana Delta are expected to be down for the game since it will be an important one in the Big Ten race.

Bob Reed '41, succeeded Claude Smith '40, as rush chairman, and under Bob's

direction an extensive rush campaign for the semester was started. Thus far, we have been successful in pledging six fine men. Those men just pledged are: John Nicholson, Richmond, Ind.; Dave Shaffner, Syracuse, N. Y.; Clint Taber, Sterling, Ill.; Ted Johnson, Bellevue, Pa.; John Arnold, Indianapolis, Ind.; Bryant Husted, Waukegan, Ill. At present the rush campaign is still in progress, and we expect to have about four more good men when the campaign is completed.

We are pleased to announce that our chapter scholarship average showed a substantial increase. Almost everyone did well, and in particular, Tom Mumford, John Van Horn, Bill Rider, Bob Hoffer, and Dave Shaffner who were all distinguished students.

Wilson Mossberg was pledged to Catalyst, chemical honorary.

The entertainment committee under John Richardson has planned a full month on the social calendar with Dad's Day, February 17th, and the annual Jefferson Hop with the Phi Gams, February 24th, as the highlights. Our Dads will come down sometime Saturday, stay the week-end and see the Illinois basketball game.

As always, any of you who may be coming through Lafayette on the 24th are welcome to come to the Hop.

● Newsworthy events at Alpha have not been many as the past month has been devoted largely to study for and taking mid-year final examinations. Vague stirrings are heard at present, however, as the chapter begins making plans for activity this spring.

Chase Fannon and Ernie Wieder have been selected as members of Lynx, outstanding honorary on the Northwestern campus for junior men.

Despite a disheartening basketball season in which several games were lost by a small margin, the Chapter is getting well under way in several of the individual sports. Swimming is coming up in a few weeks, and a strenuous training program is now in progress. Several Alphas have advanced well into the upper brackets in the ping-pong tournament.

Shortly before the end of last semester new chapter officers were elected for the

present term. They are: Ted Grefe, G.P.; David Rasco, V.G.P.; Bob Buchan, B.G.; William Kelley, Phu.; and Ernie Wieder, Hier. The positions of A.G. and S.G. remain to be filled.

Illinois Alpha is happy to announce the affiliation of Steve and Truman Rose of Indiana Beta, who transferred to Northwestern at mid-year.

The chapter sponsored its annual costume party this past week-end with a "Ship wreck party." Novel decorations to make the chapter house resemble a desert island were made by the freshman class. Guests applauded the idea and hailed the party as one of the outstanding social events of the year.

The chapter is still talking about the excellent time which all had at the recent Founders Day banquet, sponsored by the Chicago Alumni Association. It is proud that one of our own alumni, Harold Mogg, was selected as president of the organization for the coming year.

ILLINOIS BETA

University of Chicago

● After the successes of last quarter, Illinois Beta has quite a record and reputation to maintain but now with the winter quarter a little more than half over it is obvious that they will keep to their fine standard.

New advances were made in Intramurals when we won first place in billiards and got runner-up in ping-pong to make our score for intramurals to date, four sports, four cups. Basketball is well underway with Phi Psi picked as the class of the hardwoods. We have lost no games as yet and our chances for another championship grow brighter each game. Intramural track and wrestling are next on the calendar and with such shining lights as Em Weis, Bob Hixson, and Al Green to grunt and groan for us we have few worries there. In track our squad is somewhat hampered by having so many men on the varsity team and thus ineligible for Intramurals but with Stier, Hixson, Weis and Wickham carrying our banners, we should be well up in the running.

However, just to prove we aren't a bunch of bonehead athletes as our first place in Intramurals might indicate, we also made a fine showing in scholarship this year, placing third out of fifteen fraternities and pos-

sessing a B-minus average for the house as a whole. This is five places above last year's rating and with our new pledges there is every possibility of our rating taking another jump upwards next year.

While we're on the subject of pledges I might state that we came out on top here as well. Pledging fourteen, we once again followed our policy of getting top notch men in every field. Bud Bates, Tom Evans, Jim Hoatson, and Paul Reynolds are our able representatives in the social whirl and along with Phil Taylor, Fred Zahrn, and Dave Petty make up the joyboys of the house. In the sports there are Bob Monaghan and Stu Palmer who both won their freshman numerals in football; Ed Nelson, the star of the freshman basketball team, Bill Self who is a Junior Davis Cup star in tennis and Ned Munger who is an outstanding possibility for a berth on the track team next year. Rounding out the class we have two of the more serious boys, Went Wilder and Chuck Murrah. Chuck's main hobby is dramatics and he has had the leads in two plays given on the campus. They are all working in some of the major activities of the campus.

Having touched on athletics and scholarship, there is but one field left, social life, and here once again Phi Psi is leading the way. February 21st is the Washington Prom and we have Bob Reynolds, Chairman of the Social Committee on campus, as one of the leaders of prom. Jimmy Dorsey will play and the Phi Psis will lead the dance. While on March 2nd comes the Phi Psi winter formal which according to Social Chairman Bill Caudill, will outdo any and all formals ever given before. The social committee with the aid of all the Brothers are now working on the decorations which will be entirely new this year. The house also is now the proud possessor of a new radio victrola presented to us by our Mothers Club. They have been very generous and we are very grateful to them.

● Before going into the past, present, and future activities of the chapter, we would like to present our invitation to all the alums of this chapter to be present at the Spring Alumni Reunion at the Chapter

house, April 12, 13 and 14. We want to see all of you here, and have started making plans for a marvelous reunion.

Starting the second semester, we find ourselves with two seniors already graduated, and with the return of Gilt Twist and Bob Tittle. Bob de Jonge and Ted Phillips have graduated, and are living in Chicago and Springfield, respectively.

We are looking forward to a successful Intramural season this semester. At present, the Pledge volleyball team is playing for the championship in their division, and it surely looks as if they will bring home the cup. We have entered the basketball team, and have a very good chance there, as we have a few fellows with previous experience. Chances also look good in spring softball, bowling, and golf.

Second semester officers include: Everett Moore, G.P.; Paul Moon, V.G.P.; Bob Rote Jr., A.G.; Jack Webber, B.G.; Jim Littlejohn, S.G.; and Ed Leifer, Hier.

The chapter was glad to see Jim Wingate and Bill Milligan, who dropped in to say hello, and hopes that more of the alums will find time to stop to see us, as they are passing through Champaign.

Social events include a radio dance in the near future, and the Spring Formal, in conjunction with which is held the Spring picnic. With Chuck Bradley at the head of the Social Committee, all of the above mentioned events should be huge successes. No dates have been set for these functions but if you are interested, just drop us a line, and we will let you know as soon as they have been definitely set.

Len Yonaites, who was chosen on the All-Phi Psi football team, has taken over the duties of Pledge advisor for the coming semester.

Pledge Brother Laurent Cloty, Chicago, was chosen as one of the Gymkana troupe to travel to Memphis last semester vacation. Sammy is one of the best tap-dancers to hit this campus for quite a while.

Once again, let us pass the invitation to all of the alums to drop in on us any time, and we are expecting an exceptional turnout for the Spring Reunion.

● Big doings will be held at Tennessee Delta February 17th when Vanderbilt Phi Psis plan to have the biggest celebration of the Fraternity's birthday ever held by the chapter. Alumni will gather from far and near to help celebrate Founders Day. Planned are a formal dinner and dance with the alumni and wives as guests.

Thanks to splendid grades made by an enthusiastic herd of goats plus the return of the "old school" to form, Tennessee Delta launched a drive to regain the high scholastic position formerly held on the campus. The past quarter's examinations found Delta boosting its 1.27 mark to 1.59. Scott George continues to lead the way in "book larnin." George was recently elected president of Vanderbilt Phi Beta Kappas. Howard Ripy won the annual frosh scholarship award.

On January 14th, Sonny Baird, Pineville, Ky.; H. P. Jones, Statesboro, Ga.; Walter Jones, Joliet, Ill.; Warren McLaughlin, Wheaton, Ill.; Howard Ripy, Lawrenceburg, Ky.; Walter Stone, Nashville, Tenn., and Clinton Wright, Chattanooga, Tenn., were initiated into Phi Kappa Psi.

Officers recently elected for the remainder of the school year are: Bill Beach, G.P.; Clark Adams, V.G.P.; Marcus Stubbs, P.; Bob Lodge, A.G.; Edward Coffman, B.G.; Clinton Wright, S.G.; H. P. Jones, Phu.; Walter Stone, Hod.

Phi Psis are taking leading parts in intramurals. George is 155-pound champ of the varsity wrestlers. Sonny Baird is swishing 'em in from a guard position on the freshman cage team. McLaughlin holds a regular berth on the frosh squirmers. Praise is in order to Mac, who recently entered the wrestling tournament virtually an unknown and then proceeded to pull the miracle act before bowing to the champion. W. Jones, captain of the chapter basketball team, is leading his cohorts in regular practise for the coming tourney. With only two varsity men returning for duty in Stubbs and Lodge, Captain Jones plans to mould his team from the following candidates: McLaughlin, Coffman, Edge, Baird, and Williams.

Poochy Coffman and Sucker Lodge will join "bald heads' row" very shortly, having their hair dyed green in preparation for the annual Owl Club, an honorary fraternity, initiation. After the dye has served its purpose, the victims will get a free haircut with fancy trimmings in the latest fashion.

Orchids to Scott George for winning second award in the national O.D.K. contest with his prize winning paper "What It Means to Be An O.D.K." And for passing out "twofers" as the price paid for donating a sweetheart pin to a worthy cause.

● With mid-semester exams over and the new semester well under way, the chapter is pleased to report that ten or twelve of last fall's pledge class will be initiated in the near future.

After last Wednesday's weekly chapter supper, at which were several prospective rushees, Charles (Chuck) Demos, of Beloit, Wis., was formally pledged to the Mississippi Alpha Chapter.

Cliff Leggett, Allen, Miss., walked off with academic honors by making the highest average in the freshman law class.

Last fall, at the end of rush-week a prize of \$5.00 was offered towards the initiation fee of the pledge who made the highest grades of the pledge class and a Phi Psi watch-charm was offered to the freshman who made the highest grades. Harry Wadsworth, West Helena, Ark., will be awarded both prizes.

In January, eleven of the brothers and pledges took out twenty-year life insurance policies. These policies have guaranteed detachable dividend bonds which will amount to approximately \$170 for each policy and which are payable in yearly installments. The dividend bonds are being assigned to the chapter. If this plan is carried out in future years and ten new policies are assigned each year, within twenty years the chapter will have an annual income of about \$1700 from this source alone and will be in a very strong position financially.

Pledges Larroux and Western and Savage and Prendergast have moved into the house for the second semester.

Plans are being made for the celebration of Founders Day on Saturday, February 17th. The date has been moved ahead for the convenience of a large gathering of alumni of this and other chapters who want to attend. The largest alumni gathering ever held on this campus is expected.

The chapter wishes to thank Brother and Mrs. Jesse J. Breeland, Sumner, Miss., for their donation of 200 tulip-bulbs.

Ozzie Nelson and his band are on the campus for the Mid-term Dances. From all reports the dances are a success. Miss. Alpha wishes to announce its spring formal, April 27th. Plans have been made to have a buffet supper at the house the evening of the dance, for visitors, actives, pledges, and their dates. Several Illinois Deltans are expected to come down to the dance. The theme will be "A Night in Hawaii."

In the recent election of chapter officers, Gaston Jones, Gulfport, Miss., was elected G.P.; Glenn Trusty, Minter City, Miss., V. G.P., and James Savage, P.

WISCONSIN GAMMA

Beloit College

● That straggled, sleepy, harassed look has finally disappeared from the faces of the Brothers of Wisconsin Gamma. Examinations are over! It is the same old story each time we face exams, but those that are passed and gone always seem to have been much easier than the ones we face at the moment. This chapter finished the semester with a higher average than ever before, and we are looking forward to leading the rest of the flock on campus.

A few weeks ago the chapter elected these officers for the second semester: Ken Licht, G.P.; Herb Graser, V.G.P.; John Beister, P.; Jim Geister, B.G.; Bill Chadwick, A.G.; Ayres Davies, S.G.; Bruce Duncan, Phu.; John Michael, Hier.; and Reg French, Hod.

Phi Psi is in second place, only a few points out of first, in the race for the supremacy cup, given every year for amassing the most points in intramural competition. The bowling team came through in fine shape to finish in second place, netting the house a round 100 points towards said supremacy. Ken Karcher, John Michael, John Slater, and Bill Chadwick composed our team of pin sluggers. The basketball team is fighting to take its second consecutive championship, with Bruno Virgili, Joe Jernegan, Phil Voland, Jim Geister, Bill Chadwick, George Hartman, Jack Gavin, and Reg French fighting to lead the Chapin Street boys to another victory.

Fred Hoegberg and Bob Zimonick are important cogs in the varsity basketball machine. Albie Morse, Chuck Phalen, Gene

Vogel and "Bruiser" Bruce Duncan are grappling on the varsity wrestling team.

The Pan-Hellenic Ball was held the other night after a house dinner party. Emil Flindt and his orchestra furnished the music.

Some of the boys have been wondering if there isn't a trace of rubber in the composition of the pin: several have been bouncing, causing great chagrin. The great sage, Confucius, say, "He who sticks his neck out, gets head chopped off."

MINNESOTA BETA

● For the past two weeks, Minnesota Beta has been relaxing from the strains of formal rushing, which ended in the pledging of these eight: Bud Higgins, John Schell, Clyde Reedy, Chuck Stewart, Roy Mordaunt, Norm Hanson, Bob Howe, and Bill Steiner. Higgins, Steiner, and Stewart played freshman football, and Steiner is playing with the freshman basketball team. Chuck Stewart is on the freshman wrestling team.

We have recently initiated Fred Curle, Bill Hueffner, Don Schaltz, Dick Hart, John Bolthouse, and Art Owens.

Our intramural athletic situation is still far from its previous standing, although

things are looking up. Our basketball team is in the finals of the academic fraternity division, and we are all keeping our fingers crossed until the game next week. Pile, O'Dell, Jorgens, Foster, and Schultz team up with Pledges Higgins, Schell, Mordaunt, and Steiner, to form one of the strongest teams Phi Psi has claimed in several years. Our hockey team lost in the third round of the elimination tournament, but the badminton and bowling teams are still in the running for trophies.

Bert McKenzie and Pledge John Mariucci are playing on Minnesota's undefeated and untied hockey team that has been bowling over all opponents by top-heavy scores. The team should win the three remaining games on its schedule, thus making a season's record of sixteen consecutive games.

The social program has been active this quarter. The first big event was the White Dragon party. All five White Dragon fraternities and their pledges joined together and a good time was inevitable. The next party is the traditional "Miners" party, February 17th, at the chapter house. Before that date most of us will have a session with the books, as mid-quarter exams are here.

At our last meeting mid-year elections were held, and the results were as follows: Bob Pile, G.P.; John Borchert, V.G.P.; Dave Warner, A.G.; Bill Ogilvie, S.G.; John Robinson, P.

● Despite the hectic football season which weekly left us minus vocal cords and in poor physical shape in general, Iowa Alpha once more topped all fraternities on the campus in grade point for the first semester of the academic year. We did fall off slightly, however, from last year's average and feel that we should have an early visit from Archon Arch Ross to correct this deplorable situation.

The chapter will move *en masse* to Des Moines on Saturday, February 24th, to join with the Brothers from Iowa Beta and the many active alumni throughout the state in the Iowa observance of Founders Day under the skillful guidance of Jim (The Moose) Addison. Principal speakers will be President Charles E. Strickland, of Mason City, and our national footballer, Nile Kinnick of Iowa Alpha. Incidentally, Kinnick has come into his own as a silver-tongued spokesman since the close of the football season, delivering speeches hither and yon with the greatest of ease.

Probation week, during which the pledges were given constructive fraternity education, has once more gone by the boards. As usual, the actives were completely exhausted. Initiation will be Sunday, March 3rd, followed by the annual initiation banquet and by an Iowa interfraternity dinner that night.

Iowa Alpha is happy to announce the pledging of Robert Hyde, of Elkader, and Milton Beal, of Clinton. Mickey Beal is one of the top-notch amateur golfers of the state and should follow in the illustrious footsteps of Dick and Jim Hoak and Dave Foerster, all potent shotmakers on recent Iowa golf teams. Foerster, after three and a half years of loyal service and valor under fire, has decided to transfer to greener pastures and will leave in March to enter the University of North Carolina.

Officers elected to carry on during next semester follow: G.P., John McCambridge; V.G.P., Bill Stuart; B.G., Otis Joiner; P., Jim Bromwell.

John Williams was elected rushing chairman and will appreciate the cooperation of brothers everywhere.

The intramural situation is well in hand with Class A and Class B teams participating in the playoffs for the championship and

with the pledges already in possession of the fraternity freshman title.

Meanwhile, Jim Hoak is polishing his clubs to be in readiness to lead the Iowa golf team through the coming season, and Jim George, Big Ten batting champion the past two years, is limbering up for a big senior year as co-captain of the Iowa baseball team. Russ Conkling is closing a season of freshman basketball. Al Eddy, Dick Brecunier and Ben Trickey will soon be fighting for varsity berths in spring football practise. Lou Lapham is bidding for a place on the track team this spring.

Jim Bromwell was chairman of the Sophomore Cotillion committee, Jim Hoak is busy making plans as chairman of interfraternity week, and Jim George, chairman, and Bob O'Meara, committeeman, have just completed the statement of profit and loss for the Commerce Mart. Nile Kinnick, president of the Senior Liberal Arts class, was recently named head of the Senior Class Presidents' group.

After four and a half years (nine semesters) of outstanding contributions to fraternity and campus life, Claude Lacy Douthett has left for service in the world of business.

● High-lighting Iowa Beta's winter social season, the Jeff Hop, starring Art Kassel and his "Kassels in the Air," was held jointly with Phi Gamma Delta in the South Ballroom of Memorial Union, February 10th. The following week-end, Phi Psis entertained at the chapter house with a formal dinner preceding the Men's Pan Hel.

The next major social event on the calendar is the annual costume party at Club Moulin Rouge. The date for the cabaret revelry is March 2nd, Social Chairman Hughet announces.

Officers to serve for the remainder of the year are: Alvin Bailey, V.G.P.; William Koch, Hod.; Alvin Hammerand, B.G.; Don Peaslee, Phu.; and Rex Puterbaugh, Hier.

Iowa Beta announces the pledging of La Verene Lewis, science sophomore, of Clear Lake, Iowa. La Verene was a guard and

letter winner on the Cyclone football eleven last fall.

On the intramural front, Phi Psi has come through with teams in Class A fraternity competition in the three major sports. The basketball quintet, still undefeated, has scored wins over the D.U.'s, Sig Eps, and Phi Delt. With veterans Koch, Wahl, and Moore in the lineup, Phi Psi will make a strong bid for the fraternity and all-college championships.

Two ping pong teams have survived elimination rounds to qualify for the Class A playoffs. In bowling, the squad, composed of Koch, Bailey, Begtrup, Hammerand, James, Beemer, and Derrer, is battling for the Class A fraternity title.

The pledge cagesters, after dropping their first encounter to the Sig Chis, have bounded into the winning column by crushing the Farmhouse and Theta Delt fives.

In campus activities, Phi Psi is maintaining its prominence with the election of Bill Wagner as president of Iowa State's newly organized Winter Sports Club. Bill Drozdowsky has been recently appointed publicity director of *Sketch*, the college magazine of creative writing.

Final preparations have been completed for holding the annual Founders Day banquet at the Des Moines Club, Des Moines, on Saturday, February 24th. From present indications, Iowa Beta will be represented in toto.

● With a new year and a new semester just begun, MoAlphans have started anew. We got off to a good start by pledging four from Kansas City. We take this opportunity to thank the Kansas City Alumni Association for their aid in rushing these boys. Formal pledging will take place Sunday for Bill Voss, Jack Shortridge, Jim Keyes, and John Newton. We are confident they will uphold Phi Psi traditions and ideals.

Last December 17th, Jim Mason, Jack Landers, John Galbraith, Bob Bogard, and Herb Dennis were initiated into the mysteries of Phi Psi. They proudly display their badges and enjoy the honors and privileges of brotherhood.

We announce the return of Eddie Anderson, Kansas City, who enrolled for the second semester. Jim Crawford, Terre Haute, Ind.,

is back. Jim was graduated last June; he returned to get his Masters, and to serve as chapter advisor.

Recently, Edward Petersen was elected G.P.; John Sicks, V.G.P.; Joe Hughes, P.; and Bob Bogard, A.G.

We were honored recently by a visit from Vance Smith, St. Louis, and Bones Williams, Charley Munger, and E. Petersen, of Kansas City, who attended the Missouri-Oklahoma basketball tilt, during their all too short stay in Columbia.

In intramural sports, we are keeping pace with the leaders. The Phi Psi basketball team, sparked by Benny Crawford and Lefty Glassburn, and bolstered by Eddie Anderson, has an excellent chance to cop the fraternity title. The ping-pong team is leading the pack. Bob Rogers, our champ in the 126-pound class, and Bob Walker, king of the 145-pounders, are eager to defend their laurels against all comers in the approaching boxing tournament. Pledges Gene Rogers and Charley Clark are expected to slug their way into fistic glory.

Pledge Reser upholds Phi Psi's reputation by holding down a starting post on the freshman basketball quintet. Haines and Bogard are practising for the approaching tennis season.

All Greeks on the campus danced to the music of Jimmy Dorsey at the recent Pan-Hellenic Ball. It was a gala affair and to use a shop-worn bromide, "a good time was had by all."

Our social season has been a rainy one due to final exams but now with a promise of spring in the air, we are making plans for our annual spring formal.

● Our fall social season was climaxed by the Christmas formal. Everyone, dates, Brothers, and pledges were unanimous in proclaiming it an overwhelming success. Two weeks of idleness intervened, after which several of the Brothers returned to school with the avowed purpose of learning some book knowledge. When finals were over, most of us discovered that we were deficient in certain respects.

We mourn:

The loss of Duffie, who dropped out of school to make his way in the world.

We rejoice:

In the election of John Wells to Cowboys, honorary service organization and

In the election of Pledge Brian Dillon to Phi Eta Sigma, honorary freshman scholastic fraternity.

Plans are under way for the Founders Day banquet, February 19th. We expect that at least fifty grads will be here.

After a two-year drouth, Austin was covered with a four-inch layer of snow on the first day of final week. The Betas dared to challenge us to a snowball fight. We accepted, and proceeded to raid their establishment, taking it by storm. In the ensuing confusion, we managed to take possession of their wastebasket, which now rests on our mantel with other certain and sundry trophies. However, spring is in the process of arriving, which means swimming at Barton Springs, volleyball practise, tennis, golf, baseball, and general neglect of study.

These chapter officers were elected at the last regular meeting of the first semester: Charles Fyfe, G.P.; Joe Eidson, V.G.P.; Billy Bob Dickens, B.G.; Bill Robinson, Hod.; Holt Malone, Phu.; and Nelson Puett, Hi.

● With the advent of the holiday season and the new year, Kansas Alpha has continued its constant progress toward greater heights. Preceding the Christmas vacation by one day was our annual Christmas dinner dance, the most gala event of our social calendar. With the dinner table spread with everything from turkey to plum pudding, and with the swing music of Matt Benton, Phi Psis and their dates made social history on Mount Oread.

Came the new year and with it our election of these officers: G. P., Larry Winn Jr.; V. G. P., Richard Cary; P., Bob Gilliland; A. G., Seth B. Gray; B. G., Jack Webster; S. G., Cole Leverenz; Hod., Kenneth Nelson; Hier., Doug Miller; and Phu., Bill Hines.

Shortly after our return from the Christmas vacation, examinations were upon us. After a hectic ten days, Kansas Alphans had once again successfully completed the "final week" orgy. Although all grades are not reported, our scholarship chairman has indicated that Kansas Alpha may expect a considerable rise in scholarship. Let us sincerely hope that this trend will continue.

As the mid-winter intramural season progresses, Kansas Alpha finds itself in a favorable position. At present, we stand second in total points earned towards the grand championship intramural cup. If we are able to maintain the interest shown in intramural sports so far this year, we should have a good chance of coming out on top.

With the beginning of the second semester, Kansas Alpha is happy to announce the pledging of John Halberg of Kansas City, Mo. The rushing committee has also been busy making preparations for an extensive spring rushing program. Here in Kansas Alpha, we have found that rushing during the school year is much more valuable than anything that may be done in either the summer or rush week itself. In recognition of this fact, we govern ourselves accordingly. If any of you Phi Psis, alumni and actives alike, hear of promising boys who plan to attend Kansas University in the near future, please drop our rush captain a card. I assure you that every name will be given due consideration.

● This week there is a noticeable air of relief pervading the brothers as they realize that exams are over. Exams have meant a great deal to the freshmen who have had hopes of becoming Brothers. We hope that exams will continue to see Phi Psi near the top in scholarship.

Congratulations go to Byron Yoder, Bob Moose and Dick McClymont upon their graduation from the University. We have heard through underground channels that all three are off to Texas to assume control over several large oil companies.

Intramural sports are in good shape, as always. The water polo team came in third. Our basketball team will be a strong contender for first place in that sport. George Seeman, heavyweight, is now captain of the varsity wrestling team.

Tentative plans are now being laid for a smoker on Founders Day. The chief speaker will be H. L. (Jack) Snyder, of West Virginia Alpha. S.W.G.P., 1934-36.

Nebraska Alpha is looking forward to the time when Archon Arch Ross of Texas Alpha will be visiting us.

The ninth of this month is the date of our formal dinner dance. The big doings will

be held at the Lincoln Hotel. All the brothers in their best bib and tucker will appear for a gala occasion with the lady of their choice. Dinner will be served at 7 o'clock and we will dance into the wee hours to the music of Johnny Cox.

Now that the mad rush of finals is over the brothers are beginning to see which freshmen will be eligible for the biggest initiation Nebraska Alpha has had in many years. The actual initiation will be held in the chapter on Saturday afternoon, March 16th. After the initiation everyone will pull up stakes and move en masse to Omaha by bus. The initiation banquet will be held in the Blackstone Hotel. Among our numerous grads and Brothers will be Win Tate, Director of Fraternity Education, and C. F. Williams, National Secretary.

● During the holidays two Oklahoma Alphans became the husbands of two very charming young ladies (yes, brother, it's Leap Year; you had better watch your step). David Halley married Miss Fae Rogers, and not to be out-done by Dave, Roy Randerson took the sacred vows with Miss Marjorie Daw Yeakle.

Always important news is the election of officers, and we feel that after this election our results should be put on the streets as an Extra. Officers are: G.P., Joseph W. Brindley; V.G.P., Earl Wells Jr.; P., Joe Bateman; A.G., B. A. Larson; B.G., Sturgis Wassam; S.G., Charles Doss; Hod., Alan Cameron; Phu., George Steinmeyer, and Hi., Joseph W. Brindley.

The new semester has just begun at O. U., and to start off with a bang, Brindley and Larson went on an extensive rush tour, covering most of the cities, or should I say towns, of Oklahoma. The tour was a great success, since it enabled our representatives to contact and invite a number of desirable sub-freshmen to our Spring dance, March 2nd. George Black, Henryetta, Okla., of whom we are expecting great things, joined our pledge group recently.

Adding much to our happiness was the return of McClellan at the beginning of the second semester. He was forced to leave school during the first part of the year by illness.

Oklahoma University, for the fourth consecutive year, has been selected as the host college for the District Interfraternity Conference to be held February 9-10, and Oklahoma Alpha is planning royal entertainment for the visiting Phi Psis of whom Arch Ross, our District Archon, will be one.

Planning a huge celebration in honor of our Founders, February 18th, Oklahoma Alpha hopes to entertain a large number of visiting brothers.

● On February 17th, the chapter and its pledges are going to Denver for the annual Founders Day banquet. To make sure that we all get down to Denver we have chartered a bus and we hope to have a goodly share of the chapter and pledges present.

Special elections have been held resulting in these new officers for the chapter: G.P., William Sisson; V.G.P., Paul Dukes; P., John Parker. Dukes was also elected as our Interfraternity Council representative. Further, a correction should be made which appeared in the last issue of *The Shield*: Phu., Vernon Timm; Hod., William Kincaid.

On February 3rd, Colorado Alpha held initiation for Beverly James Hedemark of Honolulu, Hawaii, and John Howard Liedike of Denver, Col. In these two men we feel that we have two fine additions to our chapter.

An annual all-university show, the *Rhythm Circus*, is to be presented this quarter. Hedemark and Pledge Cohenhour have parts in the show. Pledge Cohenhour has one of the leads.

Midterms have come and gone, leaving our ranks still intact. In some cases the sea became a little rough, but no one went overboard. Since our "unusual" winter of the past three weeks, the sun has once more blessed us in its shining glory. There is a warmth in the air which might prove disastrous to the studious life, but the thought of finals five weeks away should keep the Brothers hard on the books.

Freshman Education Week arrives in the near future. From advanced notices we understand that the pledges are going to reciprocate with a dance given in honor of the actives.

● Since the beginning of the quarter, elaborate preparations have been made for our Founders Day banquet. This year Washington Alpha celebrates its twenty-fifth anniversary. As guest speaker, we have secured Robert E. Bundy, Wash. Alpha '23. We hope to have a very large attendance, and the chapter will make arrangements for out-of-town Phi Psis while they are here.

The chapter is active, and we find many men in various fields of endeavor. Pledge Everett Ellis has been named chairman of the Junior Prom, besides belonging to Xi Sigma Pi, forestry honorary, and he was recently elected president of the local chapter of the National Scout honorary. George Hajek has just become the advertising manager of the *Washington Daily*, while Ed Murnen still holds the job of business manager. Ed will soon join Alpha Delta Sigma, an advertising honorary.

Doug Graves has left the presidency of Malamutes, an underclassmen's honorary, while Mal Alexander and Lamont MacDonald have been selected as active and pledge, respectively.

It is our pleasure to announce the pledging of Ed Keblusek of Chicago, and Robert Keever of Yakima, Wash. Ed was a great asset to the frosh football squad last season, and he should go places next year on the varsity.

Don Olson received word a few days ago that he had been selected to go to the Pensacola Naval Air Station. Don will take preliminary training at the Sand Point Naval Air Station, and will leave for Pensacola sometime in March. We wish Don the best of luck, in his flying, and a happy landing every trip.

The internal activities of the chapter are progressing nicely, although we are endeavoring to improve our scholarship standing. Stew Tremaine has been appointed Frosh King.

● The Brothers and pledges are looking forward eagerly to the Founders Day banquet in Portland, February 17th. The House is planning to turn out 100 per cent. for this memorable occasion, and if the Portland Alumni Association has a representation equal to that of last year's celebration, the event cannot help being a howling success.

Sunday, February 11th, is the date set for Oregon Alpha's formal initiation, and ten are eligible to receive the mysteries of the Fraternity. In the list are Pledge Brothers Weaver, Stirwalt, O'Callaghan, Oleson, McMurren, Mullin, Wilcox, Don Hoffman, Elliott and Zarewski. We are pleased to report that such a goodly number made their grades on the first term's work.

Within the last month news came of the marriages of James Ringrose, Robert Sleeter, Edwin Stanton and Robert Swennes, and we wish to take this opportunity to offer them our heartiest congratulations.

Winter term marked the return of two members of the junior class, Max Simmons, who has been down in Texas absorbing a little southern knowledge, and Tom Baldwin, who was working in Portland.

Along the intramural sports front, Phi Psi is going strong. The 'A' and 'B' basketball squads have played several games, and are rated at around 500. Our ping-pong team waxed the Phi Delt in the first encounter of the season. Along with these two activities, the Phi Psi handballers are practising for their coming matches. Pat Keller and Pledge Brother Ralph Stevens are out for varsity swimming, and Pledge Brother Weaver has been selected as one of this sport's sophomore managers.

Pledge Brother Elliott is sophomore manager in basketball and has a good chance of working up to senior manager. Woody Slater has been nominated for the position of Student Body Yell King, and with his excellent reputation as an assistant stands a good chance of being elected.

● With the hectic excitement of rushing a thing of the past, Cal Betans continue in their enthusiasm for the new pledge class. Rushing Chairman Grey Bryan was largely instrumental in forming the nucleus of the class and then building it up to the present size of thirteen freshmen and four sophomores.

Included in the class is Russ Bryan, the third member of the "Beagle" tribe to enter the house. Doug Bryan, now a senior, was prominent in Dramatics last year. After graduating at the end of this quarter, Doug plans an extensive trip through South America. Grey Bryan, a Junior, seems destined to add to the prestige of Cal Beta through his own prominence in student activities. A two-year letterman in soccer, Grey has for the past three months filled the important post of Head of the Lecture Series, is a member of Axe Society (of which our new G.P., Bob Richardson, is president), and was recently appointed chairman of the Junior Prom. Russ won his frosh numerals in soccer and seems headed for high scholastic honors.

Another prominent pledge is Ted Cole, who, after being at Stanford only a few months, assumed the leadership of a movement to organize a crew, which is meeting with great success. Ted stars in workouts with the rugby team, but unfortunately, he is ineligible this year, being a sophomore transfer. Ted's roommate, Jim Wade, has earned at least second spot on the tennis team. Last fall, in an unofficial intra-squad match, Wade trounced Larry Dee, second ranking Junior in the United States and first man at Stanford, 6-0, 6-1.

Pledge Norm Enevold is a promising freshman sprinter. Bill Cunha is playing regular second base on the frosh nine, so that between the frosh and varsity teams, Phi Psis have a corner on all the bases. In the varsity lineup, the portly frame of Sid Lewis "covers" home plate, flashy Hal Costello has been looking very good at first, and veteran "Ike" Boone is a standout at third.

To skim briefly over the rest of the pledges, Ralph Kiewit is a freshman swimmer of no mean ability, and Bruce Howard is an All-City forward from San Francisco. Dick McClure and Bill Weeks were candidates in the recent election of the freshman class president. The appointment of Pledge Harry Morgan to frosh executive committee was announced recently. Little Pepper Sargeant, the sparkplug of the class, is out for

baseball. He expects to make a strong bid for the post of coxswain when the final organization of the crew has been accomplished.

Lack of space prevents any detailed comment on the other pledges, but the list of names includes Fred Albright, Dayton, O.; Hays Busch, Beverly Hills, Calif.; Ernie Gorman, San Francisco; George Hellyer, San Bernardino, Calif.; Ted Petersen, San Mateo, Calif.; and Bob Smith, Los Angeles.

Although the report of the new pledges has occupied the greater part of this letter, the Brothers of Cal Beta have not been idle. The tremendous improvement of Dick Taylor has earned him the post of first-string center on the basketball team. Dick is at present in seventh place among the leading scorers of the Conference. Tiff Denton and Ed DeMoss are also on the casaba squad. Aubrey Austin and George Jedenoff rank as regulars on the rugby fifteen, while Robin Hood and Stan Goode are capable reserves. Jim Lincoln is rounding into shape, having high-jumped 6 feet 3 inches for his best mark this quarter. Bill Nicolls continues as the second best diver on the swimming team, and Dick Cahill and Ray Stahl join Pledge Jim Wade as members of the tennis squad.

The Brothers are looking forward to celebrating Founders Day with a huge dance at Brookdale Lodge, near Santa Cruz.

● Returning to school after our customary month's vacation, Cal Gamma began its regular work for the semester. Under the new officers, Morley Mathewson, G.P.; Warren Anderson, V.G.P.; Dick Kilbourn, B.G.; Bob Binkley, A.G.; Les Still, S.G., we first entered upon the usual matters of straightening up a quickly vacated house of a month before.

At the end of school last term, House Manager Paul Semmens, who had not missed a game for Cal in four years, saw his active football career at the University come to an end. At the annual varsity football banquet, Semmens was elected the most valuable member of the team for 1939, a deserved and merited honor. Ed Bucklin, too, will see collegiate soccer from the benches from now on. But we have our men in athletics for spring: Coach Brutus Hamilton announces

great expectations from Guinn Smith, our tall, agile pole-vaulter from Texas; that also goes for Al Patterson, whose future in discus-tossing looks more than bright.

Johnny Mouser is our representative in boxing, and Gordon Hodgson, runner-up in the Los Angeles city championships, is seeing some afternoon activity in chasing tennis balls this season. Among rather unique activities is Warren Anderson's flying class, which we hope can continue in the vein it now is—that of pure pleasure and instruction!

Of sports for this term, crew outweighs all others, as we have Harold Wise and Warren Anderson rowing Varsity, with Les Still, the boy with Poughkeepsie experience, as the varsity crew stroke.

January 30th saw an open-house for the March of Dimes campaign sponsored by the chapter, the ten-cent-per-person proceeds going to the infantile paralysis prevention fund.

Cal Gamma is proud to announce that its scholarship rating the past semester is above any period for the past six years, and is still on the way up.

Monday, January 29th, we were all pleasantly surprised to find in a box of cigars the announcement of the engagement of last semester's G.P., Harley Leete, to Kappa Alpha Theta Jacqueline Burts. Harley, popular member of honorary societies Skull and Keys and Beta Beta, is a second generation Phi Psi, his father being one of our chapter's founder. We all extend our heartiest congratulations and the best of the best life has to offer to them.

In closing, we can honestly say that we are off to a good start this semester, and plan to end up on top; and we hope to see all our Brothers in the San Francisco Bay Area at our Founders Day banquet.

New officers are: Phil Gaspar, G.P.; Gerry O'Connor, V.G.P.; Frank Bennett, P.; Bob Lee, A.G.; Walt Thompson, B.G.; Pete Guelff and Carl Patton are acting as S.G.; and Carl Benson, Hier.

At present we are rushing and have put the pin on Jack Markett, an outstanding football player from Oklahoma and Phil Shimmin, Edwin's brother. Dean Cromwell, track coach at S. C., has a son in the house, Marshall Cromwell.

Track season is about to start and Delta will be well represented. Bob Peoples will be in the javelin throw; Bob Finch in the two-mile event; Don Hommel in the hurdles; Don Milligan in the 220; Mark Yorston in the discus and shot; Sid Barton in the shot, and several pledges will be on the frosh team.

Golf is again coming to the front as the weather is warm and clear. Fletcher Jones and Rennie Kelly are recognized as the two outstanding golfers in college and will be fighting for the number one and two positions on the varsity team. Bob Hermann, who was captain of the team last year and no longer eligible, will act as manager.

Interfraternity athletics are in progress and the house bowling team is in third spot just a few pins behind the leaders. We should have good baseball and track teams.

● For most of the Brothers the agonies of finals are over. Late hours with the books have been traded for later hours spent forgetting all we have crammed. Looking back over the semester, we find a lot to be proud of, especially in interfraternity athletics where we were runner-up in football, winners in basketball, well up in track and bowling—all totaling enough points to put us well on the way to the top spot. If Archon Morris can hurl enough wins in baseball and our crop of Santa Monica beach boys can splash water fast enough in swimming we will win the coveted all-around athletic trophy for the second time in four years.

Ed Canavan resigned as house dog and Jim Morris, as if being Archon wasn't enough work, took over the job. Frosty Fearon, one of our Brothers in the Naval ROTC, is shooting for Annapolis, hoping

for an appointment in June. Along military lines, our Geep is now Cadet Captain in the local RO unit, and Grover Gauntt is a 2nd. Lt. Clark Shaughnessy, son of Stanford's new football mentor, pulled back into town just before finals began after laying over in Chicago for a semester to hold down a writer's berth on *Variety*.

Exchange dinners with the D.G.'s and Thetas have been the main social events since Christmas. There are several parties being planned for rushing by Soph Class President Bob Alshuler, with ice skating, open houses, tours to fights and basketball games being on the schedule. Bob, incidentally, has played in several games for the Bruin basketball varsity in this, his first year of varsity competition. Jack Perkins

is consistently holding down a spot on the Bruin ice hockey team, being one of the number one defense men.

With a bright past, Epsilon faces the new semester confident that it will be as good. Bill Tanner and Ed Fearon again will be out for crew and Senior Pledge Meadowcroft will be negotiating a 4:25 mile, while the rest of us concentrate on that interfraternity trophy.

The chapter wishes to urge all Los Angeles Phi Psis to come on out to our alumni get-togethers, held regularly on the first Monday night of every month. The numbers of returning old timers is growing fast and Cal Epsilon wants to see even more.

FROM PHI PSI FRONTS

PHILADELPHIA ALUMNI ASSOCIATION

● Plans are about completed for our traditional Founders Day banquet which we'll hold February 19th at the Racquet Club. Invitations are now in the mail. President James H. Little and Treasurer Lester C. Bosler, who are doing most of the work in arranging the affair, are awaiting a deluge of notices from Brothers who expect to attend.

For symposiarch, we'll have Past President Walter Lee Sheppard, Pa. Iota '98. Last year, Brother Sheppard took us back to our college days by giving an impressive lecture on the Fraternity Ritual. As speakers, we'll be honored by Herbert J. Tily, president of Strawbridge and Clothier, and Frederic A. Godcharles, past Librarian for the Commonwealth of Pennsylvania. An orchestra will lead us in popular Phi Psi songs. We'll have a swell time.

With the G. A. C. being held this year so close to Philadelphia, plans are in the making to secure an adequate representation by our Association at this function. We also expect to act in a minor role as host to the many Brothers who will be in our vicinity this year. We invite all and sundry Brothers near Philadelphia on any Thursday to drop in the Adelphia Hotel during the noon hour to meet the gang.

DISTRICT OF COLUMBIA ALUMNI ASSOCIATION

● The Brothers in Washington, D. C., had a special treat at the beginning of February, for Edward Everett Horton, N. Y. Zeta '07 and N. Y. Gamma '08, who was starring here in the play, *Springtime for Henry*, was the guest of honor at our luncheon on Thursday, February 1st, at the La-

fayette Hotel. All thirty-three brothers who attended enjoyed the interesting and amusing anecdotes from Brother Horton's career, which he related in his own informal and winning manner. PITTSBURGH ALUMNI ASSOCIATION

● At the time this will be read, the Pittsburgh Alumni Association will have celebrated Founders Day with a banquet at the University Club on February 16th.

On November 2nd, the noted actor, Edward Everett Horton, N. Y. Gamma '08, entertained the weekly luncheon group with interesting incidents of his career. Needless to say, we felt greatly honored to have Brother Horton with us.

Not content with one celebrity, the Association entertained Lawrence M. Judd, Pa. Iota '06, on January 18th. Brother Judd is a former governor of the Hawaiian Islands, and gave us a particularly instructive and enjoyable talk on Hawaii, its industries, government, and people.

We are glad to see several more of the Pittsburgh alumni coming around to the luncheons every Thursday at the Nixon restaurant. There's still plenty of room for more and for all out-of-town Brothers who are visiting Pittsburgh.

CINCINNATI ALUMNI ASSOCIATION

● On January 26th, exactly twenty-six Brothers assembled in a private dining room at Hotel Gibson to entertain Edward Everett Horton, N. Y. Gamma '08. As it turned out he did the entertaining with a very amusing talk on some of his experiences. It was a pleasure to hear and meet this master performer and the best part is that he is a real fellow personally. Dr. Thomas A. Ratliff, Pa. Iota '06, who was present, knew Brother Horton years ago when they both resided at the Penn. Iota House in Philadelphia. At that time Edward Everett Horton was just beginning his stage career.

We are now working on a Founders Day program. The usual banquet will be held at the University Club. Movies will be shown by Tom McDonald, including those taken of the ball game at last summer's picnic. The night of the banquet will be Monday, February 19th.

CLEVELAND ALUMNI ASSOCIATION

● It is a pleasure to report that all arrangements have been made for our Founders Day banquet to be held February 23rd. From all indications, a large number will be on hand in accordance with the custom of Cleveland alumni and the splendid cooperation of the Ohio Epsilon Chapter at Case.

With spring and the baseball season just around the corner, we take this opportunity to remind visiting alumni, as well as undergraduates, that our regular Monday noon luncheons are held at the Russet cafeteria in the Hippodrome building, located at 720 Euclid avenue. We can definitely promise an interesting hour or so for all visitors.

FINDLAY ALUMNI ASSOCIATION

● Our annual Christmas meeting was well attended. Speeches were few and brief. Singing was good and relatively free of the hot variations so dear to the Ohio Delta brothers. Spike Milligan, Dick Jordan and Ross McClelland were here as usual for the holidays. Dewey Donnell was here from San Francisco with Brown, Cal. Beta.

Many undergraduates and pledges were present and reported successful rushing with several Findlay boys now wearing the gravy bowl.

TOLEDO ALUMNI CLUB

● The Toledo Phi Psi will celebrate Founders Day with a banquet on the evening of February 23rd at the Commodore Perry Hotel. Our nearby Findlay Brothers have been invited to join us and we hope to have a good representation from there.

Attendance at our weekly luncheons on Friday has been very encouraging and we repeat the invitation to any undergraduates or alumni to meet with us at the Commodore Perry when possible.

INDIANAPOLIS ALUMNI ASSOCIATION

● Founding of Phi Kappa Psi and of the Indianapolis Alumni Association will be commemorated jointly at the annual Founders Day Banquet of the Hoosier group, to be held at the Indianapolis Athletic Club, Monday evening, February 19th.

More than fifty Phi Psis, in addition to the Indianapolis Association founders, who will be guests of honor, are expected to be present.

Short speeches by several members of the Association reviewing the history of the fraternity and the facts surrounding its origin will feature the program. Singing and musical numbers will help round out a typical Founders Day meeting.

But the Indianapolis Association will not overlook those who organized the association at Indianapolis in 1900. For several years, it has been the custom to pay annual tribute to these charter members, who not only formed the group but have been loyal and devoted Phi Psis down through the years.

Keen sadness was felt by all Indianapolis Phi Psis at the death, February 5th, of Frank C. Groninger, Ind. Beta '88, one of the Association founders, who had been looking forward with unusual pleasure to attending another of the annual affairs.

CHICAGO ALUMNI ASSOCIATION

● The all-consuming fire right now is, of course, Founders Day. We are planning quite an event to honor our Founders and no small part of the success of this affair will be in turning out three hundred or more loyal brothers. This will include all of the undergraduate members of Illinois Alpha and Beta Chapters, with a small group from Wisconsin Gamma. Of course Indiana Alpha will be represented to receive this Association's award for the highest scholarship in the Fourth District.

We are fortunate in having secured as the speakers of the evening two very prominent and outstanding men—President Charlie Strickland and Nile Kinnick. The presence of these two alone guarantees a memorable evening for all of us. The usual high quality brand of entertainment will also help spark things along.

We wish to compliment Paul Mooney, Illinois Delta, who has, as president, led us

through another successful year. The other officers also assisted in continuing our high standard of activity.

The Goodfellow Fund which we mentioned in our previous letter was the biggest ever with more than \$425.00 collected. This amount, of course, buys quite a few potatoes and other things that are necessary to sustain life and as a result we delivered huge baskets of food, clothing and toys to more than eighty-five families. A good portion of the success of this venture was due to the personal contribution of Brother Edward Everett Horton. He packed 'em in at our Goodfellow Luncheon and then presented a sizable check as a contribution.

Congressman Ralph E. Church, Illinois Alpha, as toastmaster handled that end in a perfect way, also presenting Lev Lyon and Buddy Rogers, whose comments made this luncheon a headliner anywhere.

Ted Crawford, New York Beta, Ned Twerdahl, Wisconsin Gamma, and Gil Stecker, Illinois Alpha, had Christmas or New Years presents in the way of new additions to their families. O Happy Day.

Next time we will give the new slate of officers as well, we hope, of a program of activity that will knock your ears off. Keep posted with us.

Luncheons as usual at the Inter-fraternity Club, Hotel LaSalle, LaSalle and Madison streets, on Mondays at noon. Plan to be with us if you get to town.

O yes—Founders Day banquet is on Tuesday, February 20th, at the Lake Shore Athletic Club.

KANSAS CITY ALUMNI ASSOCIATION

● "Come on, ye loyal Brothers who are filled with old Phi Psi," was the theme song attending the K C A A Founders Day banquet held on February 16th at the University Club where 120 loyal brothers celebrated our 88th anniversary. Brother Joe Gilbert, Kan A, made an excellent toastmaster. The Kansas Chapter attended en masse after holding initiation earlier at Lawrence, Kansas. The group put on a swell musical program that was enjoyed by all. Missouri Alpha was represented but the long distance from Columbia prevented all the boys from attending.

The Association regrets to see Leland Thompson leave K C for Dallas where he will be with Campbell-Taggart Bakeries Inc.

Under the guidance of Mrs. Paul Brinkman, mother of "G P" Phil Toll Brinkman of Mo Alpha, the Mo A mother's club is doing some very fine work. They recently announced that the club was donating a \$100 cash award based on scholarship to the chapter at Columbia. The K C A A wishes to congratulate the club and thank the mothers no end for this fine gift. Funds are being raised through bridge teas and book reviews. On January 16th, Mrs. E. J. Goetze, mother of Jack Goetze, Mo A '28, gave a book review for the benefit of the club which was well attended at the house of Mrs. Peterson, Wis A '14.

Brother Norruth D. Graham and Brother Verne Wilkins, neighbors from Kan A, were cleaning off the recent snow one Sunday morning and another neighbor by the name of William Fred Schmidt pitched in to help these boys. Mr. Schmidt turned out to be none other than a brother from Texas A '22, so now there is a 61st St A starting out. Brother Schmidt is an assistant vice president of the First National Bank.

Dr. Hubert Floersch, Kan A '27, is resident physician at the Kansas University hospital in Kansas City, Kansas.

Bob Glenn, Mo A '35, has left Hall Bros. to take a job with Schermerhorn Bros. of K C Mo.

Brother Robert Campbell, Kan A '10, formerly of the Union National Bank, is now representing the Gast Bank Note & Lithographing Co. of St. Louis, Mo., in this territory.

Brother "Tex" Drew, long lost Mo A '19, recently turned up in K C and informs us that he is manufacturing auto accessories at Miami, Okla.

McDryden Wallace, Okla '26, is with the National Bank Examiner's office at K C, Mo.

Considerable midwinter rushing is going on in the way of taking K C rushees to the basketball games at Columbia and at Lawrence. We can't start too early and we feel that next year will see a large improvement in the pledge classes at K U and at M U.

The Hotel Continental is putting out some very fine Thursday luncheons that are well attended. Systematic telephoning by several of the Brothers' secretaries brings out 15 to 25 men each week. Other A A's might take a tip and get some improved attendance following this custom.

ST. LOUIS ALUMNI ASSOCIATION

● By the time this letter is published, Founders Day will have been observed by many chapters and alumni associations of Phi Kappa Psi. At present we of the St. Louis Alumni Association are anticipating with great interest our annual banquet celebrating the birth of our great Fraternity.

This year we have selected the Gatesworth Hotel as the setting for our activities. Friday night, February 16th, has been selected as the most convenient date for all St. Louis alumni to attend. We will have two private rooms at the Gatesworth—one to eat in and one to have fun in. We anticipate one of the largest groups of Phi Psis ever assembled in St. Louis. We hope to have a representative of the National Fraternity present to speak to us.

We are accepting no more excuses for non-attendance at our regular weekly luncheon meetings. On Friday, January 19th, the largest number of Phi Psis ever to attend a weekly luncheon in St. Louis gathered in our private dining room at Scruggs. The weather outside was below zero, yet 34 St. Louis Phi Psis were present. Yes sir! No more excuses for not coming to our weekly luncheons will be acceptable.

There was a special reason for the large attendance. Edward Everett Horton was in town appearing in his latest play. Brother Horton graciously accepted our invitation to attend a Phi Psi gathering. He proved that the wit and humor which is characteristic of him on the screen is entirely natural to him in real life. Brother Horton spoke to us for perhaps 30 minutes telling of some of his interesting experiences in show work. And believe us, fellows, he is a real Phi Psi and prince of a fellow to meet personally.

After luncheon practically every Phi Psi present secured the autograph of Brother Horton. He was signing everything from starched shirt cuffs to the doilies on the table. Horton's show, *Springtime for Henry*, is really worth seeing. If it hasn't been to your town yet, don't miss it if it comes.

The St. Louis Alumni Association is planning a more extensive social program for the future. Definite plans have not yet been formulated. Quite a few Phi Psis, recently moved to the city, have been dropping in to our weekly luncheons. In addition we are examining the new Grand Catalogue for other Phi Psis in the St. Louis area who are not now on our mailing lists.

NORTHERN IOWA ALUMNI CLUB

● The Northern Iowa Alumni Club, and indeed all Phi Psi, suffered a distinct loss in the passing December 25th of John A. Senneff Jr., Wis Alpha '21, of Mason City, who was a fine man, an able lawyer, and a very loyal brother. John, though only thirty-six, was already an outstanding lawyer, and showed promise of becoming one of the truly great men in his profession. We who knew him feel the loss greatly and know that all Phi Psi tenders its deepest and heartfelt sympathy to his widow and children, and hope that when John III and Tommy go to college that they, too, may be initiated into the mysteries of Phi Kappa Psi as we are sure their father would wish them to be.

This month, we are meeting with the Des Moines Alumni Club in Des Moines for the annual Founders Day dinner, attended by all pledges, actives, and alumni in the State of Iowa. We have enjoyed the privilege of meeting with the Des Moines Alumni Club since we were organized, and always look forward to the observation of Founders Day as the outstanding event of the year. We are starting now to get things lined up for as nearly a 100 per cent. representation as possible.

The January issue of *The Shield*, containing the list of all initiates, has been very well received, and in going through the geographical section several of us have run across Brothers whom we had not contacted for some time and have since been able to renew our contacts with them which is indeed a pleasure, and which brings out the spirit of fellowship which makes us all proud to be Brothers in Phi Kappa Psi.

Rumor has it that Bill Sullivan, Iowa Alpha '37, and Dick Stevens, Iowa Alpha, trekked to Des Moines for New Years. How about it fellows? Dick Hoak dynamited up here from Des Moines about two weeks later.

Yesterday, Martin Cooney from West Union called on the local brothers and during the course of conversation mentioned seeing Dick Romey at Muscatine. Evidently Dick is following the local basketball team.

Harp Joslyn is making preparations to drag out his Cats for the spring road building.

Doug Swale and wife decided this Iowa weather was too much for them so headed south toward the *tropical* climates where it gets down only to freezing.

President Charley Strickland has been running around the country attending to things Phi Psi and to the problems confronting an utilities executive.

The Northern Iowa Alumni Club is already making plans to have a representation at the G. A. C. at Spring Lake, N. J., in June, and hopes to be able to give Charley the support which he deserves.

The local Congressman has appointed Bob Walker, Iowa Beta '39, to the United States Naval Academy at Annapolis.

WESTERN OKLAHOMA ALUMNI CLUB

● Following the December steak fry, at which the Nelson Clabaughs and Bill Shroders were hosts, Phi Psis with their "never-failing" sweethearts and wives gathered again on the night of January 26th at the home of Stanley Catlett when the Catletts and the Steve Holloways entertained more than forty. The group ate, danced, sang and played games and it was unanimously agreed that the monthly get-togethers were a success and should be continued regularly.

At the January monthly luncheon in the Oklahoma Club, Jack (Kiah Rix) Rone was acclaimed the most recently active alumnus and thereby elected President of the group for 1940. Earl Pruet was chosen as vice-president and Nelson Clabaugh was selected as secretary-treasurer. *The Shield* correspondent was retained for active duty under protest.

A good crowd turned out for the monthly luncheon February 9th and plans were made for commemorating Founders Day on the 19th with a stag banquet at the Oklahoma Club. The active members of Oklahoma Alpha chapter will come to the city and join hands with the alumni on this occasion. William O. Coe is scheduled to preside as toastmaster and it is anticipated that Attorney General Henry S. Griffing will lead the tribute to Founders Letterman and Moore.

It has not been the practise of your correspondent to acknowledge the birth of daughters of Phi Psis but Henry S. Griffing and John Henderson Lamb demand that recognition be given to them for their recent additions in this field.

Clabaugh and Boyle have incorporated themselves into the Acorn Amusement Co. and rumor has it that they will soon erect a new motion picture theatre in Oklahoma City. "Big oaks from little acorns grow," says they. "More power to you," says we.

Bill McAllister has set up his own offices as a public accountant in the First National Bldg. Your correspondent recently moved his law offices to the Petroleum building where he is now associated with Mart Brown.

Dan Stuart and C. M. Beckett from the Oklahoma Alpha chapter were additional guests at the February luncheon and brought news of an extensive plan for remodeling the first floor of the Chapter House to include a sun room, new furnishings, etc. It seems that donations are being taken from actives and alumni and that bald-headed Jo-Jo Beckett, an oil operator in East Texas, has started the ball rolling with a \$50 contribution. Jim Hewgley, now an oil well drilling contractor in Kansas, has promised to match Jerry's gift and many others are expected.

With their scholarship definitely on the upward trend the Oklahoma Alpha actives are really putting their shoulders to the wheel on this remodeling proposition and every Brother, whether he is seeking excuses for income tax deductions or not, is cordially invited to contribute to this improvement. Donations may be sent to C. M. Beckett, Phi Kappa Psi House, 720 Elm Ave., Norman, Okla., or to Jack Rone, Moran & Rone Insurance Agency, 221 Braniff Bldg., Oklahoma City, Okla. It is the spirit that counts and any amount will be warmly and enthusiastically received.

NORTHERN CALIFORNIA ALUMNI ASSOCIATION

● Before this issue of *The Shield* is off the press Northern California Alumni will have gathered at the Bal Tabarin in San Francisco to commemorate Founders Day. The Bal, located in the famous North Beach sector, has been the scene of several previous successful Founders Day celebrations. This traditional setting, combined with the proven ability of Ed Gilmore and Tom Coakley, in charge of arrangements, assured Bay Region Alumni of another memorable anniversary.

Southern California Alumni will have the pleasure of welcoming to the circle on Founders Day, two of our Bay Region alumni,—Gene Kindig, Iowa Alpha, who has transferred his insurance work to Los Angeles permanently, and Sims de Veuve, California Beta, who is spending about six months in the southern city.

Ed Dougery, California Gamma, was recently appointed Marine Editor of the *San Francisco Chronicle*. Congratulations, Ed!

Gene Prince was a welcome stranger at a Thursday luncheon meeting a short time ago. We wish we could have the benefit of Gene's constructive ideas more frequently.

In accordance with the annual custom at the Founders Day banquet, a new group of officers will be elected to serve the Northern California Alumni Association. The officers for the past year have asked me to extend their thanks for the fine cooperation which has been accorded them and to wish the incoming officers and the Fraternity every success in the year to come.

WIRT E. HUMPHREY

Ill. Alpha '86

Wirt E. Humphrey, for more than fifty years actively interested in the affairs of his chapter and the Fraternity, and president of the Illinois Alpha House Association since its inception, died January 28th, 1940, at St. Petersburg, Fla., after an illness of several months. Last October, a plaque was un-

WIRT E. HUMPHREY

veiled in the Illinois Alpha chapter house in the presence of 175 alumni and undergraduates, as a tribute to Brother Humphrey. (*The Shield* for January, 1940.)

Brother and Mrs. Humphrey had spent the winter in Florida for many years. Two years ago, when he retired after serving forty-four years as master in chancery of Cook County, Ill., he became a permanent resident of St. Petersburg. He played some golf, read extensively and visited with friends, a number of whom were members of the Fraternity living in St. Petersburg. He was among the

first to become an alumnus Life Subscriber to *The Shield*, which went to his Evanston (Ill.) home during the fall and late spring, and to his Florida address during the winter months.

Brother Humphrey was born January 6th, 1868, in Orlando, Ill. He received his Ph.B. degree from Northwestern University in 1890, his Ph.D. degree from the same university three years later, and his LL.B. degree from Northwestern University law school in 1892. That same year he was admitted to the Illinois bar. His first appointment as master in chancery of the superior court came to him on December 1st, 1893. His forty-four years of service in that court surpassed the record of any judge or master in chancery in the state.

During his years of service he passed upon more than 11,000 cases, and his decisions, many of which appear in the supreme court reports of Illinois, have in nearly all instances been sustained by the courts.

He was a member of the Evanston (Ill.) city council from 1914 to 1918, and president of the Evanston public library and member of its board for nine years. He was a member of the American, Illinois State and Chicago Bar associations, Phi Beta Kappa, and Phi Delta Phi. He was president of the Alumni Association of Northwestern University from 1915 to 1917, was president of the famous Hamilton Club of Chicago from 1922 to 1923.

Judge Humphrey is survived by his widow, Katherine M. Hay Humphrey, whom he married in Indianapolis in 1893. She and one son, Merrill, a brother, John S., and a sister, Mrs. P. A. Meyers, survive him.

WILLIAM W. WINTER

Ind. Delta '34

William W. Winter, twenty-three years old and a 1937 graduate of Purdue University, died Dec. 9, 1939, in a Kenosha (Wis.) hospital of injuries suffered in an automobile crash.

Brother Winter, salesman for the Allis-Chalmers Co., was the son of Mr. and Mrs. Olice Winter of Chicago, where he was born.

DR. WILLIAM W. WHITELOCK

Md. Alpha '92

Dr. William Wallace Whitelock, noted author and educator, died January 28th, 1940, in New York City. Seventy years of age, he was born in Baltimore, the son of the late William Whitelock, Baltimore bank president, a direct descendent of Sir Bulstrode Whitelock, seventeenth century Governor of Windsor Castle. Through his mother, Dr. Whitelock was descended from Richard Stockton, a signer of the Declaration of Independence.

In his youth, Dr. Whitelock was a writer for the *New York Mail and Express* and was associated with Rupert Hughes in editing *The Criterion*. Later, in 1901, Dr. Whitelock went to Europe as a correspondent of the literary section of the *New York Times* and for the following fifteen years, the *Times* printed his interviews with Zola, Kipling, Thomas Hardy, H. G. Wells, George Moore, and other literary celebrities.

In the Spanish-American war, Whitelock served as chief yeoman on the *U. S. S. Gloucester*, commanded a gun crew throughout the battle of Santiago and headed the party that rescued Admiral Cervera, his son and staff officers from the sea after the Spanish flagship had been driven ashore.

From 1918 to 1926, Dr. Whitelock was Professor of German and head of the German department at St. Stephen's Episcopal College, now Bard College, at Annandale-on-Hudson, N. Y., and then, for a brief period, was Professor of Romance Languages at Temple University. During most of this period he was a regular contributor of poems and sketches to *Life*, then one of the country's leading humorous weeklies.

Dr. Whitelock's voluminous and varied writings include: *The Literary Guillotine*, a satire; *The Man Who Told the Truth*, a comedy produced at the Princess Theater (New York), in 1906; *When Kings Go Forth to Battle*, a novel, and *When the Heart Is Young*, a volume of verse. His translations, particularly from the German, were numerous. Of his many poems, contributed to the *New York Times*, his *Bolshevism in Practice*, was reprinted 800 times; *It Happened in Cubeland*, suggested by the painting, *Nude Descending a Staircase*, was reprinted in 1,100 periodicals and books.

In 1901, Dr. Whitelock married the Baroness Mary von Stockhausen of Berlin, who with a son, Otto von Stockhausen Whitelock, survive.

DR. FRANK S. WHITMAN

Ill. Beta '66

Dr. Frank S. Whitman, oldest member of Illinois Beta, and one of the oldest initiates of the Fraternity, died Dec. 10, 1939, at his home in Belvidere, Ill., after a prolonged illness. He was born Sept. 27, 1849, in Boone County, Ill., the son of Hiram and Clarinda (Hanchett) Whitman, pioneer settlers. On Jan. 9, 1875, he married Miss Francis C. Pier of Belvidere. Following his graduation from the old Chicago University and Hahnemann Medical College, he practised medicine and surgery most of his remaining life at Belvidere, where he was active in the civic, political and social affairs of the community. From 1899-1906 he was superintendent of the Northern Hospital for the Insane at Elgin, Ill., and was recognized widely as an authority in mental diseases. After retiring from the active practise of medicine he became president of the Peoples Bank, Belvidere, and the Belvidere Screw & Machine Co. In Dr. Whitman's memory, a presiding officer's badge, similar to those worn in the 1860's, has been presented Illinois Beta Chapter.

BENJAMIN F. HALL

Calif. Alpha '82

Benjamin Fred Hall, seventy-five, one of San Mateo's (Calif.) most widely known and colorful characters, died Dec. 27, 1939.

A tall, grey-bearded figure, he was a familiar sight on San Mateo streets and is remembered by all who attended the 1938 G. A. C.

He was graduated with highest honors from the University of the Pacific. Later he was graduated from the University of California college of pharmacy, in San Francisco.

Before going to San Mateo, Hall was in the drug and real estate business in Palo Alto, Calif., where he was one of the first and most active pioneers in the early development of that city. A member of one of California's earliest families, Hall was keenly interested in California history, genealogy, and in a wide range of scholarly pursuits, which included Egyptology and Masonic history.

He is survived by a daughter, Miss Lucy Hall, and a son, Myron Crawford Hall, Calif. Beta '16, manager of the Santa Cruz (Calif.) Chamber of Commerce.

WILBUR G. NEFF

Ind. Alpha '86

On the evening of December 28, 1939, Wilbur G. Neff quietly laid aside his earthly burdens and stepped across the threshold to join the ranks of the Chapter Eternal. Few men of his age, in their passing, have left a greater feeling of personal loss in the hearts of the undergraduate members of our

WILBUR G. NEFF

fraternity; few Phi Psis have equalled his record of untiring, unselfish, yet unostentatious service to a chapter of Phi Kappa Psi.

To the members of the Ohio Delta Chapter for many years past, "Daddy" Neff was more than a brother and a kindly advisor; he was an institution, a tradition. As one of the incorporators of the Ohio Delta Company in 1912 and as its treasurer from that time on, he had the burden of looking after the affairs of the Company, keeping the chapter house in repair, and devising ways and means of financing such improvements as the chapter desired. It was not an easy task, yet Wilbur Neff performed it not only willingly but enthusiastically for twenty-eight years. His ability to see things from the undergraduate point of view and his inexhaustible patience endeared him to all those in the chapter who had occasion to seek his advice and assistance.

No social gathering of the chapter, no initiation banquet, smoker or Founders Day celebration was complete without "Daddy" Neff's presence. Few initiates entered upon the Ritual without the inspiration of his customary words of congratulation and advice. His love of Phi Kappa Psi was contagious and he welcomed the opportunity of imparting it to others.

He loved the spirit of informality which marked his frequent visits to the chapter house. His unannounced arrival for dinner on a Saturday evening was a regular event and called for no display of "company manners." He was accepted as he felt himself to be,—a member of the chapter—perhaps silver-haired and certainly infinitely wiser, but still a member of the chapter.

Wilbur Neff was born in Milton, Ind., in 1868. Upon entering DePauw University he was pledged to Phi Kappa Psi and was initiated into the mysteries of the Fraternity on Oct. 17, 1886. While an undergraduate he was privileged to serve as a member of the Executive Council as Archon of District III, a fact which attested his early enthusiasm for Phi Kappa Psi. A member of S.C., he had registered at G.A.C.'s in 1890, '92, 1900, '04, '06, '12, '14, '16 and '22, a total of nine.

Upon removing to Columbus forty years ago, he began taking an active interest in the Ohio Delta Chapter, which interest ripened into the close comradeship which he and the members of the chapter enjoyed for so many years.

Few men are endowed by nature with the spirit of eternal youth which characterized "Daddy" Neff. Rare are those who possess so great a spirit of kindness and brotherly love, who devote so large a part of their lives to unselfish and willing service to others. All in all, no man had better exemplified the spirit and precepts of Phi Kappa Psi.

Although the familiar silver-haired figure, erect and youthful despite his seventy-one years, will no longer grace the gatherings of Ohio Delta Phi Psis; although the familiar voice will no longer join in singing the songs of the Fraternity which he loved, the memory of "Daddy" Neff will be enshrined forever in the hearts of those who had the privilege of calling him Friend and Brother.

Surviving are his widow, Mrs. Bertha R. Neff; two daughters, Mrs. Gerald Zeller of Cincinnati, and Mrs. William Ong of Cleveland; two sisters, Miss Josephine Neff and Mrs. Nellie Woodcock, and nine grandchildren.—J. Robert Swartz, Ohio Delta '31.

DR. KARL C. PRICHARD

is survived by his widow and one sister, Miss Lucy E. Prichard.

Brother Prichard was born Jan. 23, 1879, at Catlettsburg, Ky., attended public schools there and college preparatory at Peddie Institute, Hightstown, N. J. He attended Bucknell University, where he joined Penn Gamma. Two and a half years later, he went to Lafayette University, obtaining his A.B. degree there in 1902. He was associated with Penn Theta but seems not to have been officially transferred to its roll. He then took one year of pre-medical work at the University of Virginia and affiliated with Virginia Alpha. His medical course was at Jefferson Medical College in Philadelphia, where he obtained his M.D. in 1906. After one year as interne at the Easton (Pa.) General Hospital, he began general practise at Huntington, July 1, 1907, soon becoming one of the most prominent and popular physicians, and citizens, of that city, and so continued to his death.

He was one of the Brothers who attended and officiated at the funeral of Founder C. P. T. Moore, at the home near Point Pleasant, W. Va., July 9, 1904.

He was married, June 2, 1908, to Miss Elizabeth Anna Morrison, of Easton, Pa., who is a leader in civic and charitable work in Huntington. There are no children.

At Bucknell, Lafayette and Virginia he was a famous football halfback and baseball pitcher and had inducements to enter profes-

sional baseball, but preferred the study of medicine. He was an extremely popular and busy physician, but gave considerable time and energy to civic and charitable work, along with his wife and sister, particularly to the support and management of the Prichard School, a home for destitute orphans, near Huntington, being president for several years of the managing corporation. His widow succeeds him in that position.

He served in the World War as a Captain in the Medical Corps, went overseas in September, 1918, and served briefly with Evacuation Hospital 30 at LeMans, France, occupied chiefly with superintending the construction of hospitals. Shortly after the Armistice he was transferred to the Army of Occupation and served about nine months at Coblenz, Germany, with Evacuation Hospital 49, returning to America for discharge in June, 1919, and resuming promptly his practise.

He was a member of Huntington Post No. 16, American Legion, the Johnson Memorial Methodist Church, the Cabell County Medical Society and the American Medical Association.

Such a combination of manly beauty, athletic prowess, intellectual acumen, friendly temperament, diligent habit, firm purpose and devotion to duty, as possessed Karl Prichard, is rare and widely beloved and correspondingly mourned when it has passed away.—DANIEL DAWSON.

EUGENE A. P. MCGILL

Pa. Iota '39

On Christmas morning of 1939, the Penn Iota Chapter lost one of her sons. At that time death, the result of a kidney condition, came to Eugene A. P. McGill. There is no point in eulogism. Gene would not have countenanced that. If possible, we shall accept his passing philosophically, as Gene was capable of doing. We do not know why this thing must happen, nor why the Creator must choose those He does. But neither do we order the scheme of things.

We are reconciled only in the thought that this experience must come to each of us; that at some future date we may meet Gene McGill and enjoy a Brotherhood everlasting, not to be interrupted by a sorrow such as this.—*George Russell.*

PHI PSI BOYS ON MARCH TO SPRING LAKE, FOR BIGGEST AND BEST GRAND ARCH COUNCIL

GA. C'ING Phi Psis are on the march! They are not, thank God, in company formation.

Whether you are youngish or oldish, now is the time to get ready for your Grand Arch Council, Phi Kappa Psi's Forty-first.

It will be June 26, 27, 28 and 29, at the Monmouth Hotel, Spring Lake, N. J.

The date is fixed by Fraternity law. You couldn't pick a more propitious time to enjoy a brief holiday, to mingle with your Fraternity brothers, to meet a couple of hundred youngsters fresh out of college, or to give your wife and children a real treat.

Monmouth is Famous Hotel

● The Monmouth Hotel is one of the finest resort hotels on the Atlantic seaboard. It is on the ocean, the second largest ocean in the world. Phi Psi delegates and guests will enjoy a pre-season rate of only \$7.00 a day, American plan. Single and twin-bedded rooms, all with bath, are available at that price. Mr. James J. Farrell, manager of the hotel, gladly will make your reservations. No need to worry about accommodations. The Monmouth will resemble a huge chapter house, June 26-29.

Adjacent to New York - Philadelphia

● Spring Lake is an ideal place to hold a fraternity convention. It is almost mid-way between New York City and Philadelphia, a bit closer (58 miles) to the former than to the latter (75 miles). Train service from either New York or Philadelphia to

Spring Lake is frequent. The highways are just about perfect.

Great and Near Great Cited

● President Charles E. Strickland will call the Grand Arch Council to order at 9:30 o'clock, Wednesday morning, June 26th, in ancient manner. A few interesting reports, submissions of the officers, will be read. A number of Great & Near Great among those in attendance will be cited. Committees will be appointed. Committee chairmen will make necessary announcements about time and place of meetings. The Forty-first Grand Arch Council of the Phi Kappa Psi Fraternity (your Fraternity), will get down to work. Much constructive work will be done the succeeding three days and nights.

Phi Phi Delta Petition

● The Phi Phi Delta boys at Hobart College, Geneva, N. Y., home of old New York Delta, 1881-1891, will present a formal petition for a chapter charter. This local fraternity, in existence since 1902, has had its eye on Phi Kappa Psi for many years. A belated petition for a chapter charter was presented in 1938, following an unsuccessful attempt in 1928. The Moore & Letterman boys gave the Hobart group considerable encouragement at Chicago, two years ago. The report and recommendation of the Grand Arch Council Committee on Extension will command the attention of every Brother in attendance.

A Good Time for One and All

● Ever since 1886, when our present form of government was ironed out

Forty-first Grand Arch Council, June 26-29, 1940

by such immortals as Billy Wilson, our Grand Arch Councils have been notable because of their constructive accomplishments. They have been equally famous for their extra-council activities. Founders Moore and Letterman and Young Tom Campbell remembered the copy-book adage: All Work and No Play. . .

There will be wholesome recreation for all in attendance, including Phi Psis and guests. Milady will not be overlooked. Directly in front of the Monmouth Hotel is a private bathing beach, where swimming and surf bathing may be enjoyed. One may go fishing, off-shore or deep-sea, if he wishes. Adjacent to the hotel is a modern swimming pool. On the spacious lawns of the Monmouth are tennis and badminton courts. Spring Lake supports a couple of sporty golf courses and inviting bridle paths. Golf and riding will be available at moderate rates.

Members of the Executive Council are arranging an attractive entertainment program, all of which will be included in the \$5.00 registration fee. Identification badges, carrying the escutcheon of Phi Kappa Psi, will be given to all who register. An informal reception, on the first floor of the Monmouth, will be held Tuesday night, preceding the convening of the Gee A Sec, for early arrivals.

Smoke Up Wednesday Night

● The G. A. C. Smoker, as usual, will be enjoyed Wednesday night in the hotel's ball room. Such Phi Psi favorites as Casey (Lyle) Jones, of Ol' West Virginia Alpha; Jimmy White, Illinois Alpha's youthful president of the St. Louis Alumni Association, and Sam Kirkpatrick, of Pennsylvania Epsilon, promise to be

on hand to spin a few incredible yarns. Other entertainers, some professional, some amateur, are being contacted.

Banquet Thursday Night

● The highlight of the G. A. C. will be the banquet, Thursday night, the 27th. It will be in the ball room. It is not improbable that more than 600 Phi Psis will be in attendance. Nationally prominent Phi Psis are being contacted for the speakers' program. Robert Crawford, Ohio Epsilon '20, the Flying Baritone, who enjoys a nation-wide reputation, and Charles Bunker, N. H. Alpha '32, a prominent concert soloist, have promised to sing at the G. A. C. banquet if they are anywhere near the eastern seaboard.

And, Brother G. A. C'er, don't be a bit surprised if Edward Everett Horton, Buddy Rogers, Elliott Nugent, Jim Thurber and a few other Phi Psi notables, including Nile Kinnick, Iowa's Iron Man, register at the Forty-first.

Ball Friday Night

● The Grand Arch Council Ball will be Friday night, the 28th. A ball is a ball. But, no ball ever is like a Gee A Sec Ball. Dancing will be enjoyed until early yawning. Wives of New York and Philadelphia Phi Psis will act as chaperones to debbs and sub-debs imported for the ball.

S. C'ers Will Convene

● Members of S. C., made up of veterans who have attended seven or more Grand Arch Councils, will hold their biennial initiation and dinner the night of the Ball. More than seventy have qualified for member-

Forty-first Grand Arch Council, June 26-29, 1940

ship in this society, absolutely unique in the annals of college fraternities. Sion B. Smith and Edward H. Knight, each with twenty-four individual stars on his badge, signifying attendance at as many Councils, will be among the first to register. They will be among the last to go to bed and among the first to get up. You'll see 'em down-front, paying attention to every word that is spoken, and thoroughly understanding the viewpoint of youth.

Such perennial G. A. C'ers as Lawrence Fell, Dave Halstead, Walter Sheppard, The Right Rev. Bishop Ernest M. Stires, Ed Bassett, Shirley Meserve, Hal Townsend, Army Williams, Jack Snyder, Tommy Cookson, and Lev Lyon, all past presidents of the Fraternity, have been in communication with Fraternity friends, rounding 'em up for the Spring Lake G. A. C.

World's Fair Will Re-open

● For the edification and pleasure of G. A. C'ing delegations, the New York Worlds' Fair will reopen, and will attract practically all in attendance at the Monmouth Council. Historic Philadelphia similarly will act as a magnet. You can readily see, Brothers, that there will be the usual amount of work and the usual amount of fun.

Historical Exhibit

● For the first time since the Pittsburgh G. A. C. of 1916, an historical exhibit of old Fraternity records, photographs, programs, manuscripts, antique badges, etc. will be on display, under the direction of Bill Fitipoldi, Deputy Archon of District II, who will be aided by Lieut. J. Duncan Campbell, Pa. Epsilon '34.

Brother Campbell has been browsing through the dusty records of some of the older chapters ever since his induction. Through the kindness of Dr. W. Gordon Letterman, Pa. Alpha '02, son of Founder Letterman, of St. Louis, Mo., and Charles F. Van Cleve, Ohio Alpha '14, son of Historian Charles Liggett VanCleve, of Muncie, Ind., the original badges of William H. Letterman and Charles P. T. Moore, probably will be on display. These badges consist merely of the Greek letter Phi imposed upon the Psi, with a star upon the upright standard of the Phi, to indicate the Alpha chapter.

Phi Psi Marches Again

● Can you afford to miss the 1940 G. A. C.?

Not by a jugfull.

If such fellows as Adolph Hitler, Neville Chamberlain, Joseph Stalin, Benito Mussolini, Edouard Daladier, and a few other European sons of Mars could have been packing their grips for a Grand Arch Council a year ago at this time, the European War would not have broken out last September, nor at any other time.

Phi Kappa Psi is on the march—to the Monmouth Hotel, Spring Lake, N. J., for a peaceful, grand and glorious Grand Arch Council, and not, thank God, to the battlefields of Europe, as was the case not so many G. A. C.'s ago.

To be a citizen of the United States of America, at peace with the world, and a member of the Phi Kappa Psi Fraternity, which has taken an active interest in the affairs of the nation during more than half of its existence, indeed should provide sufficient incentive for every son of Letterman & Moore to register at the Monmouth Hotel, Spring Lake, N. J., June 26-29.

The Monmouth Hotel, SPRING LAKE, N. J., JUNE 26-29

PHILIP MORRIS \$500 SCHOLARSHIP AWARD

ATTRACTING MANY FRATERNITY JUNIORS

THE Philip Morris \$500 Scholarship Contest, sponsored for the second consecutive year by Philip Morris & Co., Ltd., Inc., New York, N. Y., manufacturer of cigarets, again is attracting the interest of eligible Fraternity juniors, according to Director of Scholarship Howard L. Hamilton, a member of the contest committee, composed of Past President Leverett S. Lyon, Lester S. Kellogg and himself. The same rules will govern the contest this year that applied to last year's competition. Copies of these rules have been forwarded to each chapter by the committee.

The Philip Morris \$500 award will be divided into two prizes of \$250 each. One prize will be awarded to that third-year Phi Psi in the First, Second or Third District, and the other to that third-year Phi Psi in

the Fourth, Fifth or Sixth District of the Fraternity who has shown the greatest degree of improvement in scholarship over his second year in college. Last year, Joseph P. Conlon, Pa. Gamma '39, and Hugh S. Tremaine, Wash. Alpha '37, were the winners.

The method of weighted ratios again will be used by the contest committee in selecting the winners, thus making it possible for the students whose records on the whole are not so good to compete against those whose records are excellent. Transcripts of competing members must be submitted to Director Howard L. Hamilton, care of the College of Arts and Sciences, The Ohio State University, Columbus, Ohio, during the summer and before September 1st. Transcripts should be prepared by the Registrar of the college.

● On the plate glass door leading into the reception room of Hering, Morris, James & Hitchens, attorneys at law, Delaware Trust Bldg., Wilmington, Del., Editor of the Catalogue, A. C. Zeta '25), all members of the firm, and THOMAS H. WINGATE (Pa. Gamma '28), an associate member. On a reception room table one finds the current issue of *The Shield*. In the firm's library is a copy of the Tom Platt Catalogue.

LIBRARIAN

● RANDOLPH GREENFIELD ADAMS, Pa. Iota '13, is director of William L. Clements Library of American History at the University of Michigan, where he has had a distinguished career and holds the rank of professor. He is the author of several books on American history. After receiving his A. B. degree, Adams studied law, and then entered Pennsylvania's graduate school for his doctor of philosophy degree. He taught history at his alma mater, the University of Chicago and Trinity College, now Duke University. During the Great War he served in France with a hospital unit.

DR. HUGH G. BEATTY, OUTSTANDING MEDICO, BRINGS JOY OF LIVING TO MANY CHILDREN, ADULTS

TWENTY-SEVEN years ago next month, Dr. Hugh Gibson Beatty, Ohio Delta '01, began his practice as a physician in Columbus, Ohio. Today, he is one of the outstanding men in the medical profession in America.

Ohio Delta's Beloved
Dr. Hugh Gibson Beatty

In his special lines of work, otolaryngology and plastic surgery, his interest is three fold—to learn, to practice, and to teach. Always of an inquiring turn of mind, he approaches each new problem from the research angle, and his patients and his students receive the benefits; for not only is he a practicing physician but also Professor of Otolaryngology at Ohio State University.

Recognized as Authority

● In addition to being listed in the *American Medical Directory*, Dr. Beatty's name, with biographical and professional information, is given in *Who's Who in World Medicine*, *Who's Who in America*, and *American Men of Science*.

He was born September 12, 1880, near Washington Court House, Ohio, the son of Talcott and Olga Forrester (Evans) Beatty. His first course in Ohio State University was in pharmaceutical chemistry and was completed in 1904. In 1910, he received the M. D. degree. In 1910, and again in 1926, he engaged in post-graduate studies in Vienna. During the first ten years of his practice he spent various six-months' periods in graduate study in Philadelphia and Chicago. Since 1914, he has been connected with Ohio State University in a teaching capacity, since 1929 as Professor of Otolaryngology.

He is chief of staff of otolaryngology in University, St. Francis, Children's and Mt. Carmel hospitals; member of staff of ear, nose and throat in Grant and White Cross hospitals; head of bronchoscopic and plastic surgery departments in White Cross; and consultant in ear, nose and throat in Columbus State Hospital, all at Columbus.

Member of Leading Societies

● Dr. Beatty is a fellow of the American Medical Association, the American Bronchoscopic Society, the American Laryngological Rhinological and Otolological Society, and the American College of Surgeons. He is a member of the American Academy of Ophthalmology and Otolaryngology and the American Board of Otolaryngology. During the World War he served as

a First Lieutenant in the Medical Corps.

Hugh Beatty was fortunate in being born into a family of high character and fine traditions. His ancestors, paternal and maternal, went to Pennsylvania, Maryland and Virginia during the colonial period. They helped in the peaceful development of those colonies, and they served in the colonial wars. In successive generations they helped to carry the frontier across the Appalachian mountains. They did their full share in the winning of American independence during the Revolutionary War. Some of them were among the early pioneers in the Ohio country, pioneers of the best type, for not only were they thrifty and industrious, land-getting and home-building, but they also worked to improve the communities in which they lived. They helped in the promotion of early turnpikes and railroads; they helped to organize schools and colleges, Sunday-schools and churches; they helped to administer the law. Their rating among their neighbors was expressed by the old biblical words of praise often applied to them, "the salt of the earth".

Mother's Influence Inspirational

● Long ago some one said "Show me the mother and I will show you the man". This might truly be said of Hugh Beatty and his mother, for her influence has been a dynamic force in his life. A woman of high intelligence, she combined to an unusual degree idealism and practicality. To set the goal of attainment exceedingly high—that was her idealism. To expend energy, determination and discrimination in the attainment of that goal—that was her practicality. She was ambitious for her children. For her oldest son her ambitions were indeed high. But her ambitions were not concerned mainly with material things. Honesty, honor, ability, skill, kindness, generosity, usefulness to the world—all of these were to her more

important than wealth. Entirely sincere, she was without ostentation, yet she had a keen appreciation of fineness and beauty, and in her personal possessions and in her home always preferred articles of excellent quality well cared for.

A Doctors' Doctor

● The work of a good doctor and the work of a good teacher cannot be appraised. Both are too far-reaching in their effects and touch the lives of too many people. Some evidence of Dr. Beatty's standing among his colleagues is given by the responsible positions he holds and his membership in learned societies, and by the fact that many of his colleagues come to him as patients. From many of his patients he receives an appreciation that cannot be measured and that is too deeply heartfelt for adequate expression. A layman can scarcely presume to judge the technicalities of a physician's training and work. But a layman can in many instances judge the personality that motivates the work. Dr. Beatty has not only training, knowledge and skill; he has also the disposition to use all these to the limit for the benefit of his patients.

Brings Joy of Living to Many

● So accustomed are we to the thought that a doctor's duties are to save or prolong life and to relieve physical suffering that we sometimes forget that mental suffering may be as acute as physical. We put a high value on life, but we may fail in our valuation of the joy of living. During Dr. Beatty's years of practice he has beyond question saved many lives, but just as certainly he has for many of his patients saved the joy of living.

In his office is a photograph of a lovely young girl who, when she first went to him, had no nose at all. By skillful operation he provided the missing feature and so gave her the opportunity for a happy, normal life. And she is only one of many whom he has enabled to face the world with

normal features. He has developed a very delicate and effective operative technique for remedying the defects of children born with cleft palate or harelip. His files contain hundreds of case records of these little patients, some of them brought to him for operation when they were only a few weeks old.

Children are not the only ones, however, for whom Dr. Beatty has done work that seems truly marvelous. Typical of what he has done for some of his older patients is the case of an elderly man who recently went to him with cancer of the larynx, for whom he performed a laryngectomy, thus removing the cancer, and then made an artificial larynx. He also makes use of his skill in plastic surgery in repairing the damages—sometimes truly awful—caused by accidents. He has removed foreign bodies in large number and wide variety from the bronchial tubes of adults as well as of children, to say nothing of the beans and buttons he has taken from the noses and ears of small children. At any hour of the day or night he may be called to take an open safety pin from some baby's throat. Then there are always tonsils to be removed, and treatments to be given for a great variety of diseases. It is small wonder that Dr. Beatty is an exceedingly busy man.

The Salt of the Earth

● With all his large practice and his teaching he still finds time for other interests. He is an extensive reader, mainly along the lines of his work. He enjoys hunting and fishing. He contributes papers on medical subjects to various journals and has written a book for the use of his college classes, *An Outline for Students on Diseases of the Nose, Throat and Ear*. He holds membership in the Faculty, University and Athletic Clubs, and in the medical fraternity, Alpha Kappa Kappa. He is a member of the Sons of the American Revolution and the Society of Colonial Wars, State of Ohio, and is greatly interested in their work.

Since his initiation in 1901 by the Ohio Delta Chapter of Phi Kappa Psi, he has been a staunch supporter of the chapter and has been active in the affairs of Ohio Delta alumni. He was largely responsible for the success of the Fiftieth Anniversary reunion of Ohio Delta in 1930. His loyalty to the chapter is characteristic, for loyalty is one of his essential qualities—loyalty to his Fraternity, his family and his friends, loyalty to his profession and loyalty to his ideals. To him may well be given the same words of praise that were given to his forbears—"the salt of the earth". C. G. M.

FOUR PHI PSIS IN N. C. A. A. PLAYOFFS; TWO PLACE ON ALL-AMERICA BASKETBALL TEAM

By LARRY WINN, Kans. Alpha '38

Sports Editor, *University Daily Kansan*

ALTHOUGH we are not known as a fraternity of athletes, few comparable Greekletter organizations boast of more great college athletes than Phi Kappa Psi. Whether it be on the gridiron, the courts, the diamond, the fairways and greens, in track or field events, in the water or on the ice, members of Phi Kappa Psi have been able to give a pretty good account of themselves ever since the Fraternity was founded almost 100 years ago.

In one of the most colorful football seasons in years, sons of Moore and Letterman last fall electrified spectators in all parts of the country. To name only a few of the more outstanding, one readily recalls Nile Kinnick, All-America-Everything of Iowa; Alva Kelley, Cornell's scintillating wingman; Baldy Hamilton, of Gettysburg, who has been urged to play professional football next fall; Bob Peoples and Phil Gaspar, Southern Cal's spark plugs. Moreover, most of Phi Psi's football stars are wearing the honor keys of such societies as Phi Beta Kappa, Tau Beta Pi, Phi Kappa Phi or Beta Gamma Sigma.

Shortly after the close of the gridiron season, headline writers were blazing the prowess of basketball players from coast to coast, and particularly in that part of the country covered by the Big Ten and the Big Six, where the natives take basketball in a really serious manner. All kinds of mythical championships are settled each year in that part of the nation.

Phi Psi Dominates Playoffs

● In the N. C. A. A. basketball championship playoffs in the Municipal Auditorium of Kansas City, Mo., March 30th, the University of Kansas met Indiana University for the title. The Jayhawkers of Kansas were the Western N. C. A. A. titlists and the Hoosiers of Indiana were the champions of the east. More than 9,000 wildly enthusiastic spectators saw these two superb teams battle for the championship. The Big Ten representative came out on top, 60-42.

Of the almost 10,000 spectators, only a few realized that there were four Phi Psis playing on the floor at one time! With only ten players representing two of the best court teams in the country, it is truly gratifying to report that four of these are wearers of the old shield of Phi Kappa Psi. One played for the winning Hoosiers, three for the Jayhawkers. And that's not all. When All-America selections were named, Indiana Beta and Kansas Alpha each contributed a member. If our arithmetic is anywhere nearly correct, Phi Kappa Psi furnished forty per cent. of the boys who played in the national basketball championship contest and forty per cent. of the All-America basketball team. That's batting pretty high.

A Fine Reunion, It Was

● At forward for the Hoosiers was Jay McCreary, Ind. Beta '38. On the Kansas five were: Bob Allen, Kans. Alpha '38, at center; Ralph (Cappy)

Forty-first Grand Arch Council, June 26-29, 1940

Miller, Kans. Alpha '38, at one of the forward positions, and John Kline, Kans. Alpha '38, at one of the guard positions—all in the starting lineup.

But that is not the extent of the fame that the Phi Psis reached in this tournament. The Jayhawker coach, "The Dean of American Coaches," is Dr. F. C. Allen, Kans. Alpha '05. At his side, as head trainer for the Kansas team was Dean Nesmith, Kans. Alpha '33. As publicity director of the tournament in Kansas City was George Bowles, Kans. Alpha '08.

But it was the players who won most of the honor for old Phi Psi. It was McCreary who swished 13 points through the basket to tie for the high scoring for the night. It was Bob Allen's 13 points and ball-handling that kept the Jayhawkers

in the ball game. It was John Kline's ability on the rebounds that allowed Kansas the few shots that it had, and it was Ralph Miller's passing that set-up many of the Kansas points.

But Phi Psi was in for still more honors, for when the N.C.A.A. All-America selection was announced over the loud speaker, two wearers of the Red and Green were chosen. Jay McCreary, for his beautiful one-handed shots and his versatile ability, placed as one of the forwards on this highly respected team. Bob Allen, for his outstanding ball-handling, fight, and all-around ability, was put into a guard position on the team.

Only five men on the first All-America team, and two of these are Brothers in the bond of Phi Kappa Psi—What more could we ask?

THE MALE ALUMNA

The Shield knows of no cogent reason why writers should pick the wrong gender and refer to the wrong species about six times out of ten when it comes to alumnus-alumni, alumna-alumnae distinctions. We hesitate to blame this corruption of gender and barbaric confusion on a leading sorority which says it is a fraternity. This possibility may give such puzzled contemporaries as Scoop Wilkinson of Phi Gamma Delta, Chet Cleveland of Sigma Chi and Ossie Hering of Delta Kappa Epsilon, something to ponder over, come bedtime.

Recently, a Cleveland society editor (a college girl), referred in print to *an alumni* of a boys' preparatory school. Because of our high regard for newspaper girls like Helen C. Bower of the *Detroit Free Press*, able editor of *The Key* of Kappa Kappa Gamma, we'll forgive that one, because it might have been worse. The worst came in the succeeding paragraph, in which a prospective Phi Psi bridegroom was described as *an alumna* of Dartmouth College! We decided definitely not to forgive that one. Phi

Kappa Psi is made up exclusively of he-men. We have no *alumnae*! We are reasonably positive about that.

It makes no particular difference to a Chippewa nor to an Ojibwa whether he spells it muskellunge, muskalunge, maskilonge, muskelonge, maskellunge, maskinonge, mascalunge, maccononge or maskanong, because the Indians have at least nine ways to spell most words correctly. If an Indian is meticulous about anything, it is his pediculous spelling. Furthermore, he respects customs and traditions.

It has been a sacred tradition among the Redskins for more than sixty-eight generations to treat their ganders and genders correctly, particularly in public print; never to refer to a squaw as a squawk; and never to call a bedecked college-educated Chieftain *an alumna*, under penalty of immediate and effective plain and fancy scalping.

If Greekletter men are to retain their rugged individualism, they have got to emulate the poor Injun in protecting their cherished gender. Frankly, there should be a law.

CENTRAL RUSHING BUREAU PROGRAM

By JOHN L. HAGUE, Director

WITH five successful years of service behind it, the Central Rushing Bureau begins the 1940-41 rushing campaign with the feeling of having eye teeth cut. The object today is the same as when the service was established by Charlie Strickland and carried on by Sam Givens, to provide a one-stop direct line of contact between Phi Psis generally and all rushing chairmen. As in the past, the C. R. B. (Central Rushing Bureau), will compile a list of all rushing chairmen and G.P.'s and where they may be reached throughout the summer. Again, recommendations will be followed up and recommenders will be notified of what becomes of their prospects.

Although records for the 1939-40 season are as yet incomplete, it is apparent that the results will compare favorably with the previous year when thirty-five chapters were served and more than 150 names handled.

Once again Chapter G. P.'s are exhorted to appoint capable rushing chairmen who will stay on the job all summer, because the work of the C. R. B. has brought home even more

clearly an old established axiom—that successful rushing campaigns are conducted in the summer.

Alumni and undergraduates alike, and pledges too, are urgently requested to send rushing recommendations early and often. Once again may we point out that one name in July is worth five in September. Send names direct to the Central Rushing Bureau and all will be forwarded promptly to the proper rushing chairman and proper follow-up made to see that the name has not been ignored.

It has been the hope of the C. R. B. that eventually it would become a forum for the discussion of rushing problems. As yet too few rushing captains have sent either suggestions or questions to make this a reality. If you have a pet rushing theory, peeve or problem, write the C. R. B.

And now, start names rolling. In Chicago names may be telephoned to Bill Walling, 1 North La Salle St., RAndolph 8440. All other recommendations may be sent direct to the Central Rushing Bureau, c/o John L. Hague, 105 East Third St., Cincinnati, Ohio, telephone East 9486.

G. A. C. Program Through a Knothole!

- Tuesday evening, June 25: Informal reception for early arrivals.
- Wednesday night, June 26: The G. A. C. Smoker.
- Thursday night, June 27: The G. A. C. Banquet.

S. W. G. P. Charles E. Strickland will call the Forty-first Grand Arch Council to order at 9:30 o'clock Wednesday morning, June 26th.

● Committees will make their investigations and recommendations the 27th, 28th and 29th. ● Meantime, an elaborate sports' program, including surf bathing, golf, badminton, horseback riding, tennis, bridge, etc., will keep G. A. C'ers busy. ● In case you desire another reminder: The Forty-first Biennial Grand Arch Council will be at the Monmouth Hotel, Spring Lake, N. J., June 26, 27, 28 and 29, 1940.

LEE H. JOANNES, SUCCESSFUL BUSINESS MAN, IS PRESIDENT OF THE MIGHTY GREEN BAY PACKERS

By **RUSSELL G. WINNIE, Wis. Alpha '24***

IF you have never been in Green Bay, it will be hard for you to understand how completely football dominates this thriving Wisconsin industrial city of less than forty thousand souls. But dominate the city it

Lee H. Joannes, Mich. Alpha '13
his family never misses a game

does, for Green Bay is the home of the mighty Packers, champions of the football world no less than five times. And these are the same Packers who meet the teams of the largest cities in the nation, the New York Giants, the Brooklyn Dodgers, the Chicago Bears and Cardinals, the Washington

Redskins and all the rest. And what's more, they beat these teams more often than they lose. How is this explained? How does it happen that a small mid-western city can produce and support a football team that can play David to the Goliaths of the National Professional Football League? It's a long story, but it can be told in brief, and it is a fascinating story if you like football and people with determination.

Curley Lambeau is Packer's Coach

● In the first place, the story of the Packers is the story of E. L. (Curley) Lambeau, the Packer coach for the past twenty years. Curley had attended Notre Dame University, and had played one year for the immortal Rockne. Then he returned to Green Bay, his home town, and went to work. But football was Curley's first love, and he couldn't give it up, even if he had to work for a living. He persuaded a packing house in Green Bay to permit him to start a team which the Packing house would support and underwrite. It would cost money, but the advertising Curley argued would be great. Curley sold the idea and the Green Bay Packers were born. There were struggles in those first few seasons, when Curley coached the team and starred in the backfield himself, but they weathered the storms, and it wasn't until after the Packers had won three successive championships, a thing no other team in the league has ever done, that the tornado really hit. The depression had set in, and things were pretty dark in the Bay.

Joannes is Wholesale Grocer

● The Packers had been organized as the Green Bay Football Corporation

*Brother Winnie is assistant manager of Radio Station WTMJ, operated by the Milwaukee Journal, and a popular radio announcer and commentator. Managing editor of the Journal, one of the leading papers in the mid-west, is Marvin H. Creager, Kans. Alpha '01.—Ed.

in 1922, but even those ardent enthusiasts who gave so much of their time and effort, and supported the team through their pocketbooks, were worried in the early "thirties". But there were two or three of them who believed in the Packers, who believed in Green Bay, and who refused to give up. One was Lee H. Joannes, Mich. Alpha '13. Lee Joannes is a native of Green Bay. He was raised there, went to school there, and upon completing high school, his family sent him to the University of Michigan. Perhaps the most noteworthy thing that happened to young Mr. Joannes at Michigan was that he proudly wore the Shield. In any case, when he had finished his studies, he returned to Green Bay and there became associated with the family wholesale grocery business, which was then, and certainly is now, one of the outstanding firms of its kind in the State of Wisconsin. Lee was a young fellow filled with ideas, and many of these ideas were sound and found their ways into the routine of running a wholesale grocery. But he had other ideas, too, and they coincided with some of those held by Curley Lambeau.

Lee Joannes immediately took to the idea of the Green Bay Packers. He was among those who in 1922 organized the club when it ceased to be affiliated with the packing house which had given it original impetus. He has been with it ever since. That is one very important reason why the Packers are what they are today. But in those dark days in the early thirties, Lee Joannes and several others in Green Bay refused to give up. They staged a drive to raise the needed money to carry on. The Packers are a non-profit organization, and the citizens of Green Bay are the stockholders. It is strictly a community affair. Everyone in Green Bay is sold on the team, and the players are the city's heroes, and many of them settle down there and go into business when

their football days are over. But any organization needs sound leadership and that is where Brother Joannes really took hold.

President Since 1931

- He became President of the Packers in 1930 and still holds the office, and it won't be surprising if it is made a permanent proposition, for he does the job to perfection.

He and his few close associates, all Green Bay people, steered the Packers through the toughest storm which ever hit them, brought them through with colors flying and sent them on a new course which last fall saw them reach the greatest football heights in the game's history.

Curley Lambeau is a great coach, but Curley will tell you that without the men of Green Bay such as Lee Joannes and a few others, the job he has been able to do would have been almost hopeless. Professional football is big business today, and it is conducted on the highest plane possible. Skeptics may say that this is not true, but after twelve years' close association with the Packers and the League, the writer knows this from personal observation. It takes men like Lee Joannes to keep football on that high plane and he and the rest of them are doing it, and it pays dividends. Where Green Bay started playing on a field that held less than 8,000 fans, the City Stadium today, enlarged a number of times by the Packers, seats more than 24,000, and it has been loaded to capacity on a number of occasions. Yes, football is popular in Green Bay, and you have to drop in on a Sunday in the fall to realize how firm a grip it holds on the city. Lee Joannes devotes a great deal of his time to the Packers, and it's all done, as is the case with all Packer officers, without remuneration. It's done because these men love football and are promoting Green Bay.

Attention, All Rush Captains

● A leader in professional football, a successful business man, Joannes lives now in a beautiful home in De-Pere, a few miles south of Green Bay, on the Fox river. His family is just as Packer-minded as he is, for his wife never misses a game, and his son, who within a year or so will be excellent material for a Phi Psi pledge button, is a chip off the Joannes block. When he isn't busy with his wholesale grocery business or the Packers, Joannes

finds time to shoot an excellent game of golf, and he and his son spend many happy hours hunting in a territory where hunting is at its best. Yes, the Packers are a great team, perhaps the greatest in football, year in-year out, and Lee Joannes has much to be proud of in the work he has done for them and with them. And it should be added that you will have trouble finding a better looking, more personable and friendly man in any branch of sports in the country today. He has really done a great job.

WHO IS THE OLDEST?

● On March 2nd, members of the Fraternity living in Orlando, Fla., went in a group to pay their respects to WALTER HENRY ROBERTSON, Iowa Alpha '69, retired, a resident of that city. He was presented a bouquet of ninety-three sweet peas, in honor of his ninety-third birthday. He and his wife have been married more than sixty-one years.

Phi Psis who enjoyed this unusual pleasure were: DR. ARTHUR DELANO ENYART, Ohio Alpha '03, of Winter Park, Fla.; S. KENDRICK GUERNSEY, Pa. Iota '10; E. ALLEN HALEY, Va. Alpha '17; C. W. "Until proven otherwise," Orlando Phi Psis announce, "we claim the oldest living member of the Fraternity."

Without any great research, *The Shield* presents as its "oldest living member," for the moment only, the REV. MR. THOMAS F. DORNBLASER, D. D., Ohio Beta '69, of Chicago, who will be ninety-nine next June. As recently as late last fall, Brother Dornblaser was hale and hearty. *The Shield* for March reported the death, Dec. 10, 1939 of DR. FRANK S. WHITMAN, Ill. Beta '67, of Belvidere, Ill.

WHITE INSURANCE

● One of the oldest business firms in Fremont, Mich., and one of the most respected insurance companies in that state, is the White Insurance Co., founded in 1873 by the late Amos O. White, a pioneer of the old school, regarded highly for his business acumen, his kindness and his honesty. He was active in the formation of the Fremont Mutual Fire Insurance Co., now listed among the seven largest farm mutual fire insurance companies in Michigan.

Able Mr. White died in 1917. Since that time the affairs of the White Insurance Agency, including the Fremont Mutual have been directed successfully by his son, MILO A. WHITE, Mich. ROBERT LOWRY, PHI PSI'S GRAND OLD MAN, WAS NOTED HYMN WRITER OF NINETEENTH CENTURY

By OLIVER J. DECKER, LL. D.*

BUCKNELL UNIVERSITY, which was his Alma Mater, recently celebrated the seventy-fifth anniversary of the writing of one of the world's most celebrated hymns, *Shall We Gather at the River?*, the work of the late Dr. Robert Lowry (Pa. Gamma '56), who not only was distinguished as a hymn writer but as a scholar and as an orator and who was the second president of the Phi Kappa Psi Fraternity (1888-90).

Studied Under Rev. Bliss

● Rev. Robert Lowry, A. M., D. D., the son of Crozier Lowry, was born in Philadelphia, March 12, 1826. He entered what was then known as the University at Lewisburg, now Bucknell University, in the fall of 1850, to prepare for the christian ministry. At the end of his freshman year, Bucknell held her first commencement and conferred her first academic degrees, on the motion of the Hon. James Buchanan, then a member of the board, and later President of the United States. Lowry became a member of Pennsylvania Gamma Chapter of Phi Kappa Psi, which was the first college fraternity to be established at Bucknell.

Among his teachers at Bucknell was Rev. George R. Bliss, father of

Tasker H. Bliss, one of the few men to reach the rank of a full General of the United States Army, one of the four American Peace Commissioners who helped to formulate and negotiate the Treaty of Versailles, at the end of the World War, and also a member of Pennsylvania Gamma Chapter of Phi Kappa Psi. He was graduated in the class of 1854, with the Degree of Bachelor of Arts, and ranked first in his class in scholarship.

Ordained to the christian ministry, during his senior year at college, immediately after graduation Lowry became pastor of the First Baptist Church, of West Chester, Pa., where he remained four years. In 1858, he was called to the Bloomingdale Baptist Church, in New York City, and three years later accepted a call to the Hanson Place Baptist Church, in Brooklyn, N. Y., where he labored more than eight years.

Was Chancellor Six Years

● In 1869, he became Professor of Belles-Lettres at his Alma Mater, and at the same time served as pastor of the Lewisburg Baptist Church. He performed both these exacting tasks for a period of six years, serving with distinction in both positions. When he retired in 1875, Bucknell University conferred upon him the Honorary Degree of Doctor of Divinity. He was Chancellor of the University from 1876 to 1882. He died in 1899.

In 1864, while he was pastor of the Hanson Place Baptist Church, in Brooklyn, he composed the hymn which was to make him famous, one of the best known and best loved hymns in the English language,— *Shall We Gather at the River?* How popu-

*The Shield is deeply indebted to Mr. Decker, Secretary of the Board of Trustees of Bucknell University, a Past President and currently National Historian of Kappa Sigma Fraternity, for this intimate account of Dr. Lowry, known to Fraternity associates and G. A. O's as "The Grand Old Man of Phi Kappa Psi." His position as one of the most outstanding hymn writers of the past century, as the Editor of the first Song Book of Phi Kappa Psi (1892), and as the author of numerous Fraternity songs some of which are still popular, is well known to older wearers of the shield. Publication of the four catalog numbers of The Shield precluded earlier presentation in full of Mr. Decker's valuable contribution. Readers will agree that his Lowry story is too interesting to have been reduced in any manner. —Ed.

Shall we gather ar the river
 Where bright angel feet have trod,
 Whose crystal tide forever
 Flowing from the throne of God?

Yes, we'll gather ar the river,
 The beautiful, the beautiful river,
 Gather with the saints ar the river
 That flows from the throne of God.

Mainfield, N.J.,
 March 1, 1892.

Robert Lowry.

Two verses of the famous hymn by Robert Lowry in his own handwriting, offered through courtesy of Robert L. Stone, N. H. Alpha '05, and originally reproduced in the April, 1913, issue of *The Shield*.

lar this hymn became almost immediately may be gathered from the following comment made upon it by the eminent musician, Mr. Hubert P. Main, in the *Christian Herald*:

"In the spring of 1865, forty thousand children sang this hymn on their May anniversary parade and in their churches. Then it went everywhere. It was sung in conventions, in churches, in Sunday Schools and at the bedside of the dying. It crossed the ocean and became known in Great Britain and on the Continent. At some of the most distant missionary stations in Asia it was translated and sung. It found its way to the Sandwich Islands and soon encircled the globe."

There have been a number of different accounts of how Dr. Lowry came to write this famous hymn, but the following is said to have been given by Dr. Lowry himself:

"One afternoon in July, 1864, when I was Pastor of Hanson Place Baptist Church, Brooklyn, New York, the weather was oppressively hot and I was lying on a lounge in a state of physical exhaustion. I was almost incapable of bodily exertion, and my imagination began to take to itself wings. Visions of the future passed before me with startling vividness. The imagery of the Apocalypse took the form of a tableau. Brightest of all were the throne, the heavenly river and the gathering of the saints. My

soul seemed to take new life from that celestial outlook. I began to wonder why the hymn writers had said so much about the River of Death, and so little about the pure water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. As I mused, the words began to construct themselves. They came first as a question of Christian inquiry,—Shall we gather? Then they broke out in chorus, as an answer of Christian faith,—Yes, we'll gather. On this question and answer the hymn developed itself. The music came with the words."

One of Greatest Hymn Writers

● He subsequently wrote many other well known hymns, among which were: *Shall We Know Each Other There?*, 1864; *Weeping Will Not Save Me*, 1867; *We're Marching to Zion*, 1867; *They Are Going Down the Valley*, 1869; *My Life Flows On in Endless Song*, 1869; *The Rifted Rock*, 1871; *Blessed River*, 1871; *Something For Jesus*, 1871; *The Mistakes of My Life Are Many*, 1871; *I Need Thee Every Hour*, 1872; *One More Day's Work for Jesus*, 1873; *Bless Me Now*, 1873; *All the Way My Savior Leads Me*, 1875; *When The Comforter Came*, 1875; *Where Is My Boy Tonight?*, 1877; *Jesus Is My Savior*, 1878; and *Follow On*, 1880. Many of these hymns were written while he was a professor at Bucknell.

He was without question one of the greatest hymn writers of the past century. There is scarcely a church hymnal today which does not contain a number of his hymns, although he died forty years ago. He once said of himself: "My brain seems to be a sort of spinning wheel; there is music running through it all the time." But he was not only a great hymn writer. He was also a remarkably able scholar and a highly gifted orator.

As a fitting memorial to one of her most able and distinguished sons, who came to her halls at almost the time

of her very beginning and there received the inspiration of mind and soul which flowered in these beautiful songs, Bucknell University in her Chapel, at Lewisburg, Pa., on Thursday, January 19, 1939, and again in New York City, over Radio Station WABC and the Columbia Broadcasting System, on Saturday, January 21, 1939, from 3:00 to 3:30 o'clock P. M., rendered a program of his most famous hymns. In addition, Dr. Arnaud C. Marts, LL. D., President of Bucknell University, spoke briefly concerning Lowry's career. In the course of his remarks, in referring to the reasons why Bucknell sponsored this program, Dr. Marts said:—

"But there is another and a deeper reason why Bucknell University is sponsoring this seventy-fifth anniversary program of Robert Lowry hymns. It is that we may remind ourselves, and you who listen, of the triumphant Christian faith of a happier day in America. These phrases of adoration for a living and a loving God which Dr. Lowry used in his hymns may seem naive to the sophisticated minds of our generation and some of us may be disposed to smile indulgently at them. I wonder if such indulgence is justified. Can it be possible that our fathers and mothers who sang these Lowry hymns with brimming hearts were nearer the eternal truth of life than are we, their frightened children? Can it be possible that we who have brought God patronizingly down to our level and re-made Him in our own little image, might find again the happiness which now eludes us if we should, in a spirit of Lowry's hymn, say out of humble hearts:

*'I need Thee every hour, most
gracious Lord,
No tender voice like Thine, can
peace afford.
I need Thee, O I need Thee,
Every hour I need Thee,
Oh bless me now, my Savior, I
come to Thee.'*"

ON PARADE

NINETEEN THIRTY-NINE-FORTY

By C. F. WILLIAMS, Secretary

FOR the second consecutive year, annual statistical submissions of Chapter A. G.'s showed a slight decline in undergraduate personnel and initiates, for the year March 1, 1939—March 1, 1940. Personnel dropped from 1729 to 1715; initiates, from 724 to 712. Not including transfers of membership for the two years involved, initiates dropped from 713 to 689, a decrease of 24. These slight decreases had not been unexpected.

The Fraternity sustained its greatest loss in recent years when Wisconsin Alpha at the University of Wisconsin, with 595 on its chapter roster, surrendered its charter just before the end of 1939 (*The Shield* for January, 1940). The Fraternity now claims 51 chapters, with 23 chapters on the inactive list. The total membership of our active and inactive chapters is 28,575, about three times as many as were listed at the end of our first 50 years of existence. It was not until 1906 that our membership passed the 10,000 mark.

Nineteen Claim More Than 600

● Currently, 19 chapters have more than 600 on their rosters. Indiana Beta, with 842, is the only chapter claiming more than 800 initiates. These six chapters have more than 700 each: Pennsylvania Beta, our oldest group in continuous existence, 785; Ohio Alpha, 746; Indiana Alpha, 746; New Hampshire Alpha, 726; Pennsylvania Gamma, 723; Pennsylvania Iota, 712.

These twelve chapters have initiated between 600-700: New York Beta, 697; Pennsylvania Alpha, 695;

Illinois Alpha, 683; Kansas Alpha, 679; Virginia Alpha, 675; New York Alpha, 666; New York Epsilon, 651; Pennsylvania Zeta, 639; Indiana Delta, 639; Ohio Beta, 626; Ohio Delta, 614; Michigan Alpha, 604.

Membership Costs

● Through an informal questionnaire sent to Chapter treasurers early this year, much valuable information covering costs of chapter membership was obtained. Forty-one of the 51 chapters returned these questionnaires. These chapters charge from as low as \$6.00 to as high as \$21.50 per month for room, the average being about \$15 per month. Board runs from \$21 to \$40 per month, the average being about \$28. Monthly bills of most chapters include all social assessments and Fraternity taxes. With few exceptions, our chapters offer accommodations on a lower price basis than college dormitories. It is interesting to note that 10 of the 41 chapters reporting employ the pro rata system of distributing unpaid obligations of members. These ten chapters are in good financial condition, as might be expected. Some chapters provide employment on a partial basis for as many as from 10 to 13 members. Generally, not more than two members are compensated for service. Two chapters reported that they provide board and room for tutors, and 14 chapters are employing housemothers, at from \$225 to \$770 a year. In most instances, housemothers receive about \$500 per year. Some of them have complete charge of the commissary departments; others act merely as chaperones.

Initiates for Year

● Since 1920, initiates for any given year have passed the 700 mark only a half-dozen times. The record is: 1920-21, 499; 1921-22, 583; 1922-23, 524; 1923-24, 554; 1924-25, 601; 1925-26, 481; 1926-27, 542; 1927-28, 661; 1928-29, 704; 1929-30, 647; 1930-31, 642; 1931-32, 626; 1932-33, 508; 1933-34, 734; 1934-35, 690; 1935-36, 757; 1936-37, 683; 1937-38, 761; 1938-39, 729; 1939-40, 712. In the last two decades we have inducted more initiates than were listed in the first 50 years of our existence.

New Hampshire Alpha, with 28, initiated more in the year under review than any other chapter. Five other chapters initiated between 20 and 30. They are: Pennsylvania Gamma, 23; Indiana Beta, 22; Illinois Alpha, 22; Ohio Delta, 21; Pennsylvania Alpha, 20.

As was the case a year ago, 36 chapters initiated between 10 and 19 each: New York Epsilon, 19; Pennsylvania Iota, 19; Iowa Beta, 19; New York Beta, 18; Pennsylvania Beta, 18; Ohio Alpha, 18; Minnesota Beta, 18; Virginia Beta, 17; Pennsylvania Lambda, 17; Illinois Beta, 17; California Epsilon, 17; Rhode Island Alpha, 16; New York Alpha, 16; Wisconsin Gamma, 16; Massachusetts Alpha, 15; West Virginia Alpha, 15; Illinois Delta, 15; Colorado Alpha, 15; Oregon Alpha, 15; California Beta, 15; California Delta, 15; Pennsylvania Kappa, 14; Indiana Alpha, 14; Indiana Delta, 14; Pennsylvania Zeta, 13; Virginia Alpha, 13; Texas Alpha, 13; Ohio Epsilon, 12; Kansas Alpha, 12; Pennsylvania Epsilon, 11; Tennessee Delta, 11; Missouri Alpha, 11; Washington Alpha, 11; New York Gamma, 10; Pennsylvania Theta, 10; North Carolina Alpha, 10.

These eight initiated between 1-9: Michigan Alpha, 9; Nebraska Alpha, 9; Ohio Beta, 8; California Gamma, 7; Oklahoma Alpha, 6; Pennsylvania Eta, 5; Mississippi Alpha, 2; Iowa Alpha, 1.

Maryland Alpha is the only chapter which reported no initiations. Our chapter at Johns Hopkins inducted 5 several days after the year was ended. Iowa Alpha, which reported only one initiate, was preparing to lead 10 or 11 neophytes to the sacred altar, March 10.

Chapter Membership

● If the 689 who were inducted in 1939-40 had been equally distributed among our 51 chapters, each chapter would have initiated 13.5. If the 1715 members reported as of March 1, 1940, had been equally distributed, each chapter would have claimed 33.6. The average size of chapters by districts in 1939-40 was: I, 42.1; III, 39.4; V, 31.1; II, 30.6; IV, 30.5. and VI, 30.5.

In 1938-39, three chapters reported 50 or more members each. Last year, New Hampshire Alpha, 53, and Massachusetts Alpha, 52, were the only chapters to list more than 50. These 15 chapters reported between 40-49 members: Illinois Alpha, 49; Pennsylvania Beta, 48; Rhode Island Alpha, 47; Ohio Alpha, 47; Ohio Delta, 47; Virginia Beta, 45; Wisconsin Gamma, 45; Pennsylvania Gamma, 44; Kansas Alpha, 44; West Virginia Alpha, 43; California Delta, 42; Pennsylvania Kappa, 41; Colorado Alpha, 41; Iowa Beta, 40; Texas Alpha, 40.

Nineteen chapters had between 30-39 members: New York Beta, 39; New York Epsilon, 39; Ohio Epsilon, 39; Virginia Alpha, 36; Pennsylvania Lambda, 36; New York Alpha, 35; Illinois Beta, 35; California Beta, 35; Michigan Alpha, 34; North Carolina Alpha, 32; Indiana Delta, 32; Pennsylvania Zeta, 31; Indiana Alpha, 31; New York Gamma, 30; Pennsylvania Iota, 30; Pennsylvania Alpha, 30; Indiana Beta, 30; Minnesota Beta, 30; Oregon Alpha, 30.

These nine chapters claimed between 20-29: Illinois Delta, 28; Pennsylvania Epsilon, 27; California Gam-

ma, 27; Washington Alpha, 26; Pennsylvania Theta, 25; Ohio Beta, 25; Oklahoma Alpha, 25; Iowa Alpha, 23; California Epsilon, 23.

These five reported between 10-19 members: Missouri Alpha, 19; Nebraska Alpha 17; Pennsylvania Eta, 16; Tennessee Delta, 15; Maryland Alpha, 10.

Only one chapter, Mississippi Alpha, with 7, listed less than 10.

Petitioning Group

● At District Council meetings a year ago, considerable talk was heard with reference to possible expansion, particularly in the south and the northwest. No formal petitions for chapter charters are on file currently with the Secretary, although Phi Phi Delta, a local fraternity at Hobart College, which submitted a belated petition to the 1938 G. A. C., has taken preliminary steps to repetition at the Spring Lake (N. J.) Council. This local, which has been in existence since 1902, and which claims a prominent personnel among its alumni and undergraduate members, has conducted a dignified campaign to have New York Delta restored at Hobart College. It is receiving the support of our Chapters at Cornell, Syracuse and Colgate and other chapters in District I. One of the most active sponsors of this petition is Bishop Edwin J. Randall, N. Y. Delta '89, of Chicago, a prominent alumnus of Hobart College and an active member of the Chicago Alumni Association.

Academic Achievement Awarded

● Following a custom of long standing, the Fraternity in 1939-40, continued to award all members elected to such honor societies as Phi Beta Kap-

pa, Tau Beta Pi, Sigma Xi, Phi Kappa Phi, Order of the Coif and Beta Gamma Sigma. Despite an unsatisfactory scholarship standing for the Fraternity, as reported by Director of Scholarship Howard L. Hamilton, in *The Shield* for January, chapters reported an increase in the number of members elected to honor societies in the year just ended. Phi Beta Kappa claimed 30 and Tau Beta Pi inducted 12. The Philip Morris & Co. Ltd., Inc. scholarship award of \$500, divided equally between Joseph P. Conlon, Pennsylvania Gamma, and Hugh S. Tremaine, Washington Alpha in 1938-39 was renewed for 1939-40 by the manufacturer of cigarettes. The Foreign Student Exchange Plan, in effect several years, was dropped last fall because of the war in Europe.

Value of Houses

● All but two chapters, Virginia Beta and North Carolina Alpha, own chapter house properties, which continue to be listed at a value of about \$2,000-000. At Washington and Lee our chapter leases an attractive house from the university, on a 99-year basis. At Duke University, fraternities are not permitted to own property.

Undergraduates serving as A. G.'s, with a few notable exceptions, are to be commended for the painstaking manner in which their annual submissions were prepared, making possible the annual report of the Secretary, submitted in accordance with constitutional requirements (Article IV, Section 4, Clause 4, sub-clause E), and brought to a close by offering a summary of the A. G. reports for the year ending March 1, 1940:

Phi Psi Department: On a recent sojourn in Italy, Al Snyder entered a barber shop. "Haircut," he said, and indicated clippers with his fingers. It was a warm day, so he drowsed off in the chair. Half an hour later the barber woke him. Al got up and looked in the mirror. There was one little knot of hair left on top. The rest had been shaved off. Al got mad. "Who the hell ever saw a haircut like that?" he yelled, to nobody in particular. A gentleman who had been sitting in the back of the shop got up. "I did," he said. Al was startled. "Where," he asked, "did you see a haircut like this one?" "It was in Arkansas," the gentleman said. "Seven years ago. Exactly like that one."

NEW HAMPSHIRE ALPHA

Dartmouth College

● New Hampshire Alpha has been saddened by the recent departure for war duty in France of retiring G. P. Malcolm de Sieyes. Diz has proved invaluable to the fraternity in the several offices he has held, and as a real friend will be greatly missed by all the Brothers. We wish Diz every bit of luck.

New officers for next fall are: Peter C. T. Glenn, G.P.; George Wrisley, V.G.P.; Cameron Hosmer, B.G.; Chester Jones, P.; Ben Page, A.G.; Dick Bolton, S.G.; Bob Gorman, Hod.; Jim Doerr, Phu., and John de la Montagne, Hier. The chairman of the Rushing Committee is Chester K. Jones, whose summer address is 9 2nd St., New Castle, Delaware. To the new officers, congratulations and good luck, and to the old, a vote of appreciation for taking us over a difficult mid-winter slump.

Congratulations are also due Pete Glenn, new vice-president of Casque and Gauntlet, senior society, and Elmer Browne, who was recently awarded a Phi Beta Kappa key.

With spring definitely here, we find baseball looming on the sports horizon. Bob Dewey is set in a varsity shortstop position, and Chet Jones is still battling for an outfield berth. Cam Hosmer is expected to be a mainstay at center of the varsity lacrosse team. To close up the winter activities, Diet Lamade, a sophomore, was elected captain of next year's gym team. George Liskow and John Storrs, two more sophomores, were awarded their 'D's' in swimming. Though a swimmer, Liskow also placed first in the parallel bars event in the Interclass Gym Meet. Along the

managerial line, Eben Cockley closed his career as swimming manager by being ducked in the pool, and then passed his duties on to his successor, Jim Eckels. Doug Atwood, manager of baseball, went south with his team during the spring vacation. Pete Peterson, the assistant manager, is now working with Doug in the regular practises.

Beezie Smallwood, Bate Ewart, and John de la Montagne, the Phi Psi songbirds, went with the College Glee Club on its annual spring tour which took them into the Middle West. Beezie is also the conductor of our own glee club, which is getting set for the interfraternity hum to be held in several weeks.

Now that the snow has at last gone, and the ice has left the river, New Hampshire Alpha is whipping together a baseball team for the interfraternity league competition, and a crew for the sailing regatta. Plans are in the making for the big spring weekend, Green Key, the first of May. Kearney Kallander will play at the house-dance the first night, and Glenn Miller is to hold forth at the Prom the following evening.

Though it is still undecided just who will attend, it is sure that New Hampshire Alpha will be represented at the G.A.C. at Spring Lake, N. J. in June.

● With vacation over, Mass Alpha is back in the swing of things with a new drive

An appreciative Editor will tell the Grand Arch Council Committee on The Shield that for the twenty-eight consecutive issues our Chapter A. G's have come through on a 100 per cent basis, accounting for 1453 newsletters during the last seven years, without a single omission. That's really a record in any league.

that is appropriate to the spring season. The last snow disappeared only a few days ago, after an unusually prolonged winter and now spring clothes are coming out and our fresh lawn is beginning to suffer under the first softball warmups. Somehow there is a new lilt in the air and Phi Psi is not behind in reacting to it.

Undoubtedly, much of the excitement is due to the prospect of house dance coming up soon, for who would not feel good with the double attraction of spring and a good house dance? Committees have met, plans have been laid and indications are that on April 20th the new term is going to start off with a bang. Mass Alpha has never been behind in social activities and this is going to be one of the best dances on campus.

As for other activities, the Brothers can well turn their attention to lighter things for the moment, for Phi Psi's position on the top of the heap is quite secure. Baseball is in the air, and when Amherst opens its season two days before the major leagues open theirs, Hal Partenheimer will be the big stick in the hitting. Jim Ozanne will be passing out the balls and the water, as head manager, and Bob Bravo will be cleaning up behind him, as a competitor. Denny Collins has his worries in the track team. Joe Fall is manager of golf, and tennis is being taken care of by Harry Trautman, Craig Daub and Bill Marberger. Bill Ripley plays golf and Messenger is a weight man in track, completing a rather imposing list.

In the house itself, studying goes on apace, of course, although the atmosphere is thickened perceptibly by our three new Phi Betes. McKitterick, Main, and Leslie are making the Masquers big production *Peer Gynt* a hit. The show is being managed mainly by Ralph Smith.

Many of the brothers find recreation in the new game room which is a tremendous success. Neither Phi Psi's high campus activities record, nor its scholastic standing, is going to fall this year.

Finally, the time has come again when the leadership of the house is about to pass to a new delegation. Mass Alpha has no fears for the future, confident that the present junior class will maintain Phi Psi's top position at Amherst. Our intramural team is leading the campus race, our marks are going up, Phi Psis are winning top posts in extracurricular activities, and house dance is coming up.

● The calendar shows that there is left less than a month of classes in the academic year so it is with a trembling hand and a fevered brow that we turn to the spring events. However, the Red and Green softball team suffers no worries as it draws closer to the championship with three wins and no losses. This year's aggregation, led by Brains Emery, is the smartest Phi Psi team in years. Boosting the house's athletic standing are Horton and Smith, slated to win the Interfraternity tennis championship.

John Benn is the undisputed number-one man on the tennis team. Sam (Quincy) Anderson also holds a position on the racket swingers union. On the golf team is Big Bill Payne with Joe Burton a possible candidate. Spring football finds our husky co-captain, Duesing, leading the Bear eleven while co-captain Stepczyk is in the infirmary recovering from a serious shoulder operation. Phi Psi supplies other worthy talent for the team through Gene Coughlin, Jugger Joyce, Clip Cotter, Russ Hall, Bud Boyan, Monk Myer, and Deacon Gibson. Freshman Bud McKone is a star second baseman on the frosh baseball team; his classmates Bumpus and Cassidy are competing on the freshman tennis team. Monk Myer won the Clark Cup, awarded annually to the best athlete in the freshman class. Ted Wilcox and Joe Howell are continuing their fine work in the managerial competition. Frank Meyers was recently appointed to the post of swimming team manager.

On the academic side Rhode Island Alpha is drawing towards the close of an extremely successful year. Richard Struble and Lloyd Ohlin were elected to Phi Beta Kappa, and Bob Smith made Sigma Xi. The average of the house has registered improvement under the guiding hand of scholarship chairman Stepczyk, which reflects Rhode Island Alpha's determination to regain the District I scholarship plaque.

The three under-classes of Rhode Island Alpha wish to congratulate the nine seniors for their fine work for Phi Psi in the last four years. They gave much, and we have profited by their example. The fact of their worthiness is proven by their ability to procure positions in the outside world. At this early date all have been offered several jobs. It is with a note of sadness that we bid them a fond farewell and the best of luck; nine true Phi Psis, well groomed in the art of life and worthy of her name.

NEW YORK ALPHA

Cornell University

● Despite a long and cold winter during which the Brothers at Cornell lived like Eskimos, New York Alpha has been steadily maintaining its position as one of the outstanding Greekletter fraternities on the campus. With many campus elections and competitions coming to a climax, the white house on Thurston Avenue is rapidly filling up with men who are making names for themselves in the varied extracurricular activities here.

On March 10 the chapter inducted seven freshmen and one sophomore into the mysteries of the Fraternity. The yearlings who are now proudly wearing badges are: Bill Bucher, Bob Dinegar, Al Egger, Johnny Furrow, Trev Wright, Bob Hughes and Dave Taylor. Sophomore Jack Routh completes the list of new brothers.

The annual initiation banquet was held in the Dutch Kitchen of the Ithaca Hotel, March 15th. Proud was New York Alpha to have as the main speaker of the evening C. F. (Dab) Williams, our national secretary. The whole evening was a great success for everyone concerned.

In our first paragraph we spoke of many campus honors. To back up this statement we will list them. Al Kelley recently was elected to Tau Beta Pi, national engineering honor society and the writer was elected Assistant Editorial Director of the *Cornell Daily Sun* and gained a place on the Navy Day Ball Committee. Dick Thomas copped the basketball managership competition while Bud McLaughlin did the same thing with the boxing team managership. Millard Brown was elected to Kappa Tau Chi and Colby Dill won membership in Retort and Beaker. Bill Kleppinger, our sophomore transfer from Illinois Delta, has shown himself to be quite capable in being appointed, along with Ward Wannop, to the interclass Relations committee. Ward's twin brother, Wilbur, recently was appointed to the University's Freshman Disciplinary Committee. Among the aspiring managers in the house we have George Bannister, crew; Jack Routh, baseball; and Walt Gamble, lacrosse. Yearling Trev Wright showed ability in politics by being elected to the Freshman Cap Burning Committee.

And we do have our share of athletes! Crew season will be with us shortly and in the shells New York Alpha will have Bill Hagar and Millard Brown, 150 pounders, and Bob Gundlach, Dave Barton and George Malby, heavyweights. Al Kelley and Bill Mogk are on the baseball squad. Norm

Moody has won his letter in junior varsity basketball. In the class of 1943, Bob Dinegar won his boxing numerals and is now out for baseball. Bob Hughes is pounding the cinder oval with the track team. Along with Bill Bucher, Hughes is showing the old militaristic spirit by representing the house on the Pershing Rifle drill unit.

The usual business of electing officers for the coming year was attended to recently and when the smoke of the battle had blown away the following had been elected: Bill Hagar, G. P.; Colby Dill, V. G. P.; Bud Graham, A. G.; Bill Middleton, S. G.; George Springer, Phu.; Al Kelley, P.; Millard Brown, B. G.; Bill Crichton, Hod, and Nick Hunter, Hier. May we do as good a job as the men who have left these offices to us.

We extend our thanks to New York Epsilon, New York Beta and Rhode Island Alpha chapters for sending delegates to our initiation banquet. Their presence added greatly to the success of the occasion. Best of luck to all you brothers. If you're ever in Ithaca be sure to look us up.

● Syracuse Phi Psis are looking forward to a big spring weekend which will include a formal dance, Friday, April 26th, and an old-fashioned barn dance the following evening as the climax to our colorful social program under the direction of Charles Langgaard.

With spring really beginning to blossom out on the campus, some of our budding athletes are starting to get in form. Sophomore Merle Asher is competing for a starting pitcher's position on the baseball team and Thomas Kendrick is keeping his eye on the second baseman's slot. Thomas Auer is out for the senior managership.

Sophomore hurdler Charles Kelly is getting in trim for the spring track season and John Metz, junior commodore of the crew, is assisting coach Ned Ten Eyck in preparing the Syracuse navy for another heavy rowing schedule. Out on the lacrosse field Junior John Morison and Sophomore Raymond Jacobus are competing for starting positions.

In the intramural division we are trying to win the first leg on the new trophy. Last year, we received permanent possession of the cup for winning it three times. Al-

though we are now in third place, we hope to win the trophy because of our strong hardball, softball, golf, and tennis teams. Freshman Jack Potter and Morison are expected to be our chief tennis point winners.

Richard Reeves, junior illustrator in the College of Fine Arts, was recently awarded a watch for winning a nation-wide advertisement contest. Russel Bayley, sophomore wrestling scrub, was busy at the annual intercollegiate wrestling matches here on March 8-9. Lake Giles, assistant manager of boxing, accompanied the team to Penn State on the same weekend for the intercollegiates.

Because of the excellent leadership of Senior Donald Clark, our chapter will compete in the semi-finals of the annual interfraternity singing contest. We advanced to this position after defeating the Phi Gams and the Sig Eps in the preliminary round.

Although we initiated Willard Westover March 5th, the regular initiation ceremonies for freshmen will be held April 12 in the University club. We also wish to thank the first-year class for giving us a victrola dance March 23rd at the house.

After successfully recovering from an abdominal operation, our house father, Clarence A. (Pop) Lonergon is back with us. It is certainly great to have the grand old man with us again. During his absence, Robert Gouldin, G. P., has acted as steward, and has done an excellent job.

● With the advent of spring presaging the end of another school year, Gamma is planning to remember its twelve seniors at the annual Spring Formal. The House is in the process of a thorough spring cleaning, and Brother Don Janellis' Columbia Lions have been contracted to assure the success of the affair.

This weekend Phi Psi and seven other Greekletter houses are playing host to the entire campus in what Chairman George Ambrose terms, "an open house dance designed to promote more cordial interfraternity relations." As this is the most auspicious attempt at such a get-together that Columbia has had in many a year, we are all hoping for a rousing success to start off the spring social season.

We are happy to announce the initiation of two new brothers as a result of

the spring rush drive: Bill Liccione, one of the stars of the freshman wrestling squad, and Jim O'Connor, a mainstay of our debating society and a star in the recent varsity show, "Life Begins at Forty."

As a result of a second place in the Interfraternity basketball tournament, Phi Psi picked up many needed points in her quest for the Dean's trophy. Bob Liesenbien, a recent initiate, was honored by being chosen a member of the all-fraternity team, and Pledge Bud Dillon was chosen for the second squad.

The campus is seething with activity because class and Student Board elections take place within the next ten days. Joe Brady and Tom McIntyre are running for vice-president and president of the Senior class, respectively, Pledge Friou is the fusion nominee for Kings Crown and your correspondent is aspiring to a *Student Board* position. Elections for the editorship of *Spectator* take place this evening and Phi Psi is pulling for the election of Scoop Beaudouin.

Phi Psi is unusually strong in campus activities with Art Wellington representing the house in varsity baseball, Pledges Sammon and Dillon on the freshman nine, Chuck Webster rowing in the first boat, Tom McIntyre going exceptionally well in spring football practise, and scads of the boys running for class offices. Phi Psi showed her strength on the swimming team when Jim Shanley and Joe Brady were elected to president and vice-president, respectively, of the honorary swimming society, the Dolphins.

Gamma wishes to take this opportunity to wish the Phi Psi class of '40, our own class of graduates, and especially our four graduating ex-presidents, Bob Huey, Nick McManus, George Ambrose, and Chuck Webster, all the luck in the world. In closing, we wish to suggest that Brothers in this vicinity for the G. A. C. drop in on Gamma, if opportunity presents itself.

● Yesterday, the Brothers at Colgate returned from spring vacation to find that most of the snow had at last gone from the Chenango Valley. To take its place was an overflowing Taylor Lake.

The intramural boxing, wrestling, and dueling tournaments took place last month

and Phi Psi came out on top to win the Scalp and Blade trophy for the second consecutive year. Bob Harbison and Jim Henry were again the primary factors in winning the trophy for the house. Bob won two fencing championships and Jim took one fencing championship and reached the finals in the 155-lb. boxing class. Bill Worden won the 135-lb. wrestling championship and went to the finals in boxing. Fred Albrecht won the 155-lb. wrestling championship.

Track will begin soon and Jack Rourke's prospects look fair. Phi Psi's "One-Man-Track-Team," Vic Hazard, will be doing herculean service for the team. He plans to take part in six events. Bob Sutton will be an assistant manager of the team.

In golf, Phi Psi will be well represented on the team by such men as Bill Wells, last year's junior captain, Jim Henry, Lou Rich and Brud Perkins. Tom Adams and Bob Sherman are working for positions on Coach Eppie Barnes' baseball team.

Scholastically, Phi Psi, for the first time in a number of years, had two initiated in-

to Phi Beta Kappa. Bill Newcomb and Will Perlee attained this honor.

Our delegation to the initiation banquet of New York Alpha reported that they had a very enjoyable evening and wish to express their sincere appreciation for the hospitality extended to them.

The Brothers would like to take this opportunity to thank Dab Williams for taking the time to come down into the heavily snow covered Chenango and spend an afternoon and evening with us.

We are glad to announce the initiation of Raymond C. Ingham on March 20th.

Tomorrow, the onerous duties of rushing start and will last for several days. It is expected that the splendid work done by Bud Gerson '41, as rushing chairman, will be climaxed by the pledging of a fine delegation.

As this will be the last issue of the *Shield* of the year we wish good luck to all of the brothers all over the country who are graduating, and a happy summer vacation to the rest.

● Let's turn back Time! Let's turn back the clock to the beginning of the school year when Penn Gamma started on a great year of achievement. In this, the last newsletter of the school year, let's review the past accomplishments of Phi Psi on the Bucknell campus.

Highspots of last Fall:

1. Fourteen four star freshmen pledged to Penn Gamma chapter;
2. The administration of Bucknell announced that Phi Psi had the highest fraternity scholastic average for the spring semester of '39;
3. A gala Pledge Dance started off the social season;

4. The big celebrations for Fathers Day and Homecoming brought back many grads for weekends of social activity and reminiscence;
5. The victorious Phi Psi soccer team captured the Intramural trophy;
6. Phi Psis were placed on varsity boxing and basketball teams;
7. Phi Psis were called to join honoraries: Theta Alpha Phi; Torch and Scroll; Alpha Chi Sigma;
8. The Annual Winter Formal Dance closed the first semester.

Then came the second semester, and Penn Gamma marched down the home stretch with banners flying.

Remember when:

1. Penn Gamma won the scholarship trophy from the chapters of District II;

2. The banquet celebrating Founders Day again brought back our loyal alumni;
3. The pledges gave the chapter a novel Shipwreck Dance;
4. Our volleyball squad forged ahead in grand style in the Intramural contest?

Now a look at the near future. Spring Festival Week will soon arrive at Bucknell. In track and field, the main event, Phi Psi plans to make a great showing. Following that, on the weekend of May 3-4, House Party will be held. That news ought to be enticing to most of you. And if it isn't, then we should see you on June 7th for initiation and on June 8 for Symposium.

The news for the year is just about concluded. The oldest fraternity on the Bucknell campus has now added another glorious year to her eighty-four years of history, which has, incidentally, been compiled by Dr. William C. Bartol '68. There is a big surprise in store for Penn Gamma on this point!

We would like to announce the name and summer address of our Rushing Chairman for next year: William R. Brown, 358 Edgewood Ave., New Haven, Conn.

● Spring is here and Bean McClenaghan has completed plans for the Spring House parties, May 17-18. Chairman Bull Stoner is busy planning for the spring Pan-Hellenic dance.

Election results for the next semester is the most recent news. Joe Bratten is G. P.; John Hall, V.G.P.; Jarve Schaffer, S. G.; Joe Stock, Phu.; Fiscus, Hod.; Mindy Gilbert, Hier.

Baseball is here again and Joe Bratten and Baldy Hamilton are playing on the varsity. Baldy Hamilton won the honored Beachman Athletic Award for the outstanding scholar and athlete of the class of 1940. Baldy was also elected to the Gettysburg Honor Society for participation in activities and scholastic excellence.

We finally completed our interfraternity basketball season without a defeat and with plenty of headaches and interesting games. The team traveled to Dickinson to play its interfraternity winner and won by a wide margin. Our second string played the

whole last quarter. A new trophy graces our mantel for this effort and another for the efforts of Mindy Gilbert Sr., for composing the winning skit for the entertainment on interfraternity weekend. We came in a wet third in the swimming meet the other night. Jarve Schaffer is trying to bat a mush ball team together for a try at another trophy in the remaining weeks of school.

Mindy Gilbert Jr., our only pre-ministerial student for many a year, was recently elected president of the Student Christian Association, an outstanding honor.

On March 9th we initiated Joe Stock, Walter Freed, Byron Miller and Tom Miller, son of Dr. Miller '16. The house will be greatly strengthened by their membership.

With spring comes golf and Ed Todd, Ed Allen and Bill Neinstiel will soon become members of the school golf team and spend their afternoons at Caledonia course.

Pennsylvania Epsilon is planning on a large delegation to the G.A.C. since it's so close to home. We're looking forward to meeting our other brothers.

● Penn Zeta is pleased to announce that she has initiated ten new members, all of whom are in the class of '43. On Wednesday, February 21st, Fred Cadmus, Fred Dautel, Larry Houck, Francis Melcher, Walt Marshall, Norm Olewiler, Val Saeffer and Horace Jacobs III were taken into our brotherhood. On March 18th, Austin Grugan took our serious oath. It is interesting to note that Horace (Rusty) Jacobs has followed the footsteps of his father (H. L. Jacobs Jr. '09) and grandfather (the late H. L. Jacobs, '78) both of whom were initiated by the Fraternity. Franny Melcher claims that his grandfather, C. W. Hellman '69, of Montclair, N. J., is one of the oldest living Phi Psis.

We are looking forward to our activities with much eagerness. Intramural mushball starts soon, and we will be in there banging away to capture the trophy for the third consecutive year. If we win the cup this spring, it will be ours permanently.

We are going to have a stag picnic soon and we are already laying plans for it. We are going to have our usual Symposium in June. Our purpose in this is chiefly to get acquainted with our alumni. I would like

to extend an informal invitation to all Zetans and I hope as many of you as possible will be in attendance.

Penn Zeta is anticipating meeting all of you at the G.A.C. in June. Many of us will be at Spring Lake doing our best to make it a successful convention.

● Spring is supposed to be here and with it the Penn Etans are renewing their enthusiasm for baseball. Coach Joe Zettler is whipping his team into shape. Positions haven't been assigned as yet, but there is an abundance of utility men.

The Psis will be well represented in spring varsity sports. Bridenbaugh, Steed, Vail, Heller, and Todd are aspiring track men. Knier and Perrine are golf enthusiasts. Capt. Bob Butler is a good possibility for the chess team.

We are all looking forward to the G.A.C. Numerous plans have been made, and, as Spring Lake is near to home, we expect to be well represented.

The College holds intramural matches of all sorts in the near future, and no doubt Bridenbaugh will do well in the track events, while Knier and Wint will represent us to the fullest of their accomplished ability in the wrestling bouts. We can well use the word "accomplished," because the two have practised different holds and grips till they are blue in the face; Knier has a nasty gash on his cheek from some miscalculated dive.

In addition to all these activities, we are all waiting breathlessly for Bridenbaugh to make his first solo flight. He has been participating in the recent move by the good old U. S. A. for bigger and better pilots. We wish him all the luck in the world; he'll need it.

The Interfraternity Ball went off with a bang, the biggest bang being that Richard Himber flunked out on us; in short, he didn't show up. However, the majority were unaware of the circumstances and had an enjoyable evening. I can frankly say that the Psis had the best representation of beautiful girls on the campus, as usual.

I would like to repeat our invitation to the alumni; there have been no visitations since I last extended the invitation.

● With the first touch of spring in the air, Penn Theta, just returning now from a short holiday, is taking stock of itself for the last half of the spring term.

Our intramural baseball season opens this week and we hope that with the support of the whole house we can make it three championships in a row in this sport. Reed Recknagle, our intramural manager, is getting the boys together in back of the house for a workout every chance he gets.

Bill Volk, Archon of our District, was elected manager of basketball, following Henry Cox, and Reed Recknagle is coming along as junior manager of this sport; so, with a little luck and some good work we ought to be well represented in this field next year.

We are honoring our alumni this Saturday evening with a dance to be held in the house. We are hoping that a goodly number of them will return for this affair.

Four of our seniors took a short trip south over the spring vacation, John West, Hunter Jaggard, Allan Slocum and Bill Budke, and they report that there is no place like Miami Beach for sun and relaxation, along with some other things that are necessary to a good vacation.

Hunter Jaggard was inducted into K.R.T., campus honor society the other day, bringing the number of Phi Psi members up to three, the others being Archie Sparks and Henry Cox.

Jack Quinn and Bob Stuehler went south over the spring vacation with the tennis team. Although the fun was more plentiful than the victories the trip was counted a success.

We have not yet appointed a rushing chairman but any mail sent to Mason Parke, 118 Hamilton Ave., S. I., New York City will be forwarded to the proper person.

The G.A.C. is coming and a number of the fellows are planning to attend it. Of course Archon Bill Volk will be there and the chapter will probably send one or two representatives.

Since the last newsletter we have a new set of chapter officers. They are: Allan Slocum, G. P.; Archie Sparks, V. G. P.; Henry Cox, P.; Mason Parke, A. G.; William Sloan, B. G.; William Budke, S. G.; William Haight, Hod.; Charles Ellis, Phu.; and Hiroshi Kondo, Hier.

PENNSYLVANIA IOTA

University of Pennsylvania

● Oh! to be in England now that April's here. While we can't agree with Mr. Browning about the spot we would remove to, he expresses well the general idea; with the snow that April 12th brought us, if our collective heart isn't in the "highlands," we certainly wish our body were!

But don't view this meteorological report with misgivings; here at Iota, we are very much alive and enjoying existence. The *raisons d'être*, if we may coin a phrase, are two. The first is the fact that, with the passing of the weekend, initiation has been completed. The ten Brothers welcomed to the mysteries of Phi Kappa Psi are: Charles Bradbury, Ed Campbell, Steve Cope, John Dowling, Art Eastburn, Win Edge, John Feeley, Ed Foster, Al Russell, and Jim Spangler.

The second of these reasons (a sort of "negative interest," economically speaking) is that Easter vacation has passed with much pleasure for most of us. Moock had a bit of difficulty in Miami-sunburn, I believe. Hatfield, Bermudaing, has located himself a little "lydy"—(nice, too); rumor has it that she enjoys poetry. O, thou Muses!

Bill Owen continues to achieve prominence in campus activities, with his appointment to the business board of the *Daily Pennsylvanian*. Mike Waris has done a creditable job in winning an alternate assistant's position in the wrestling managerial competition. Sam Cohn and Curt Lewis are heeling still, for the crew and track managers.

In interfraternity athletics our basketball team was a hot ball club. The quintet completed six games successfully, but faltered in the semi-final round. The fellows played like real champions: Dick Fox, Ralph Gamley, and all the rest should be praised.

Golf, softball, tennis and track should keep us busy the rest of the term, golf at least.

In a short time the G.A.C. will occupy our time. Since Spring Lake is in our "back yard," we will be there in huge numbers, busy little men, all of us. Drop in on your way through Philadelphia.

● Spring finds the brothers busily engaged in many activities, but sports seem to be in first place at the moment. On the Garnet nine are Cope, Huhn, and Ramsey, Huhn catching with Ramsey subbing for him and Cope playing regularly at second. Woodward is playing first string for the yearlings.

Phi Psi is represented on the tennis team by Capt. Robbins, Buckman, Braden and Lax. Blanchard has earned a position on the frosh team. In track, we are represented by crack hurdler Clinchy on the varsity and Miler Slocum on the freshman team.

The Brotherhood makes a fine showing on the lacrosse team with Broomell, Haycock and Beers showing lots of good stickwork for the freshmen and McCormack, Jones, Beck, Smith and Griffin seeing lots of action for the varsity. Captain McCormack, the goalie, has one shutout to his credit this season.

Jones, Beck, Smith and Griffin, sophomores, promise to keep the Flatties well represented on the Lacrosse team the next two years. Some who don't understand the fine points of this game call it "murder with a snowshoe." On the golf team are par busters Rice and Huganir.

The Spring Formal is just around the corner. On the night of May 18th, Bill Hall will play and the Brothers with a number of the local queens will enjoy a bit of relaxation before the rapidly approaching exams take all the joy out of life. Other social functions, such as a combination picnic and hayride, will lend to take minds off the books these enticing spring nights.

Turning their thoughts to the rushing problems of next year, the local Junior G-Men have selected a rushing committee headed by chairman Pierce Raynor whose summer address is 3502 30th St., N. W., Washington, D. C. Any tips or leads on good prospects of course will be greatly appreciated.

Your correspondent recently visited the chapter at Washington and Lee and was much pleased by the hospitality and friendliness of the brothers there. They are true southern gentlemen.

● Spring is here, and Hopkins men have begun to cheer. Their cheers are mainly for the Phi Psis who dominate the varsity lacrosse team, and these cheers are well founded as our brothers have proven to be efficient sportsmen.

Hopkins thus far has run up large scores in trouncing: The Baltimore Athletic Club, Swarthmore, Haverford, City College of New York, The Washington Club, and Loyola of Maryland.

It makes us feel proud to relate that Nance, Spilman, Nicholson and Smith have tallied more than half of Hopkins' total scores in the first part of the season; while John Tolson and freshman Buddy Kaestner make up two-thirds of our stalwart defense.

I am sure that most of you brothers have not participated or watched a lacrosse game, but we of the lacrosse state of Maryland feel that this rapidly spreading game is the fastest, and roughest game before the American spectator.

Our basketball team came through just as I anticipated, beating the Kappa Sigmas with ease to secure the school basketball trophy for our trophy room. Wish us luck for if we place fairly high in the softball league we will be the proud possessors of the Turbeyville Trophy given annually to the best athletic fraternity on the campus.

Our Mothers' Club recently held a successful bridge party in honor of Mrs. Dick, Mrs. Kaestner, Mrs. Crites, Mrs. Wallace, Mrs. Hobbs, and Mrs. McRoberts, the charming mothers of our newly initiated freshmen.

This Saturday a tea-dance will be held at the house after the Hopkins-Army lacrosse game and this will be followed by the Junior Prom featuring Charlie Barnett and his orchestra.

VIRGINIA ALPHA

University of Virginia

● Virginia Alpha is proud to report that she is well maintaining her customary high place among the other fraternities at the University of Virginia.

First of all, the Phi Psi boxing team garnered chief laurels in the intramural boxing tournament. In the 165-pound di-

vision, Tom (One Punch) Kessing walked off with the crown. Phil Weems, the Phlailing Phantom of Phi Psi, waded through his opposition in the 175-pound class with equal ease. Killer Woltz, Virginia Alpha's diminutive slugger, finished third in a classy field of 120-pounders.

Virginia Alpha has contented herself not only with fistic honors, but has forged strongly to the front in the social and political world. In politics, we, as well as the rest of the University, are fortunate in having so competent a leader as Pleasant-an Conquest. His fine work is winning recognition and fame for both Virginia Alpha and his candidates.

Six Virginia Alphans were recently honored by their admittance to either Lambda Pi or Skull and Keys. Newly elected brothers to Lambda Pi are: Edward N. Cheek Jr., John Roberts, Bobby Walker, Phillie Weems, and Bobby Woltz. Bryan Banker received a similar honor by his bid to Skull and Keys.

When the elections were held for editorships on *College Topics*, the student newspaper of the University, Phi Psi again came through triumphant. John Roberts was promoted to the second highest position on the paper, that of business manager. At the same time, Edward N. Cheek was elected associate feature editor, and Phil Hoyt advanced to assistant advertising manager.

The Phi Psi house will be the scene of much gaiety on the weekend of April 18th, for this is the date when Easter Week, the highlight of the social season at the University of Virginia, becomes a reality.

VIRGINIA BETA

● Al Snyder probably will be president of the Washington and Lee student body by the time this newsletter finds its way into print. The election is set for Friday, April 12th, and as yet nobody has come out against the former G. P. although firing in the annual campus warfare began three weeks ago. The chapter is all set for the best possible opposition, however, so we can say that all's well on the political front.

Washington and Lee has long been recognized as tops in Southern wrestling circles, and Phi Psis are now the undisputed rulers of the school's mat ranks. Tommy Fuller,

135-pound sophomore, was elected captain of next year's varsity team after going through the season undefeated, and Bud Robb and Sammy Graham were named co-captains of the freshman team. Then, to celebrate their election, the three went to Richmond as the better part of W&L's four-man entry in the State A.A.U. tournament, and all came home with championships: Graham in the 121-pound class, Fuller in the 135, and Robb in the 145. Not to be forgotten, either, are Bob Schellenberg, heavy-weight, who won his varsity monogram, and Bobb Wagg, 135-pounder who won his freshman numerals.

Following the example set by the varsity and freshman grapplers, Virginia Beta's intramural mat team garnered top honors in the recent University tournament, scoring a total of 54 points to take the team title. Three brothers, Jug Nelson, Larry Himes and Arch Puddington, annexed individual titles. The points collected by the wrestlers, incidentally, put the chapter near the top in the I-M ladder.

Winter sports honors have come to others, too. Bob Wilson won his varsity insignia in swimming. Lyn Murdock, Ross Beason, Don Crawford and Tom Dodd won numerals as members of the yearling tank squad, and Jug Nelson won his for freshman basketball.

Other brothers are traveling all over the country in connection with various University activities. Al Overton recently returned from a northern swing as a member of a four-man debate team, having played no little part in an undefeated campaign which included meets with Johns Hopkins, Princeton, Fordham, Columbia and M.I.T. Player Bob Cavanna and Sophomore Manager Art Koontz spent the just-concluded spring vacation with the baseball team in its annual jaunt through Virginia and North Carolina, and Doug House spent his vacation in Florida with the varsity crew.

Bud Yeomans, Lou Robinson, Lyn Murdock, Dusty Millar, Ross Beason and Bob Hancock, glee club members, will leave this week on a seven-day tour which will include a theatre engagement in Washington and a broadcast from Radio City, New York. Yeomans and Charlie Gilbert will get their share of traveling as members of the varsity track team, too.

Fourteen freshmen were initiated on February 18. The annual Founders Day banquet followed the ceremonies.

And a couple of social notes: The chapter held a highly-successful house party on March 16th, and the next thing in line is the spring dance set, which is listed for

April 19 and 20. Woody Herman and Gene Krupa are to furnish the weekend's music.

Rushing tips will be greatly appreciated. Just drop a line to Bill Fittipoldi, 215 Ocean Road, Ocean City, N. J. And speaking of the Jersey shore—we'll see you at the G.A.C.!

● With the closing of the spring vacation, brothers have returned from Florida and points north to resume their way along the path of knowledge. Not all is study, however, for plans are finished for the annual formal in honor of the newly pledged, and the brothers are looking forward to more of the enjoyable cabin parties held before vacation.

The results of our deferred spring period of rushing, and soon to be initiated are: Howard Ahara, Evanston, Ill.; Irvine Donahue, Merchantville, N. J.; Warren Gardner, New York, N. Y.; Douglas Henshaw, Elizabeth, N. J.; Sherrick Kernoll, Wilmington, Del.; James Laros, Easton, Pa.; Philip Messenkopf, Erie, Pa.; Tom Read, West Pittston, Pa.; Lee Swope, Harrisburg, Pa.; Dick Thomas, Washington, D. C., and Joe Walker, Coral Gables, Fla.

Of the above, Tom Read and Lee Swope have recently qualified for Phi Eta Sigma, freshman honorary.

Plans have been completed for an innovation in alumni-chapter relationships. A bureau of alumni information has been established with its aim that of enabling alumni to become better acquainted with the doings and whereabouts of each other, largely by means of a mimeographed newsletter issued at frequent intervals with sections devoted to both alumni and chapter affairs.

We are pleased to welcome William Reid Andrews, a recent transfer to this chapter from Pennsylvania Iota.

The last days of school are rapidly approaching, so we take this opportunity to wish all of the brothers a pleasant vacation. Any recommendations for rushing should be sent to Robert L. ● The brothers at Pennsylvania Alpha received an unexpected send-off just before the Easter holiday when fire broke out in the chapter house the day school let out. The fire did some damage on the first floor and in the basement, and smoke went throughout the house. However, when we returned from our vacation, the house had been restored to good repair through the efforts of Mac Weaver of the local alumni club, and Bill Haver, Ray Provost, and Bob Campbell. Unable to see the shining new floors go to waste, the entertainment committee is planning an informal house-dance.

A much happier event took place earlier this semester when Joseph R. Risher, class of '42, of Huntington, W. Va., was pledged by the chapter.

Phi Psi has again achieved number one scholastic rating on the campus. We not only have this record of the chapter as a whole to be proud of, but in addition five of the brothers were rated scholastically in the first ten students of their classes. They are: Ned Doscher, John Glaser, Ray Lockwood, Jim Faran, and Max Hunter, the first three of whom had perfect averages.

Again Pennsylvania Alpha has the editor of the College yearbook among her members. Ed Wallace has been appointed editor of the *Pandora* for next year, to succeed Brother John Glaser, and Speck Norton has been appointed a sophomore assistant.

Dick Watson is a member of the Junior-Senior Prom Committee. The dance, which culminates the social season of the College, will be held May 4th.

Bill Montgomery, at present traveling in the east with the College glee club, has been chosen as delegate of the College Church to the spring meeting of Presbytery. Bill is an elder in the church.

Harry Vallery, District Archon, visited the chapter before Easter, at which time he conferred with College officials in regard

● The focal point of Penn Beta for the month of February, came on Saturday the 17th, when these thirteen were initiated into the mysteries of Phi Kappa Psi: Thomas Grow, '42, Bradford, Pa.; and the following of the class of '43, James Barnes, Charles Johnston, F. Nova MacMillian, all of Meadville, Pa.; Joseph Baldwin, Washington, D. C.; Richard Madtes, Youngstown, O.; Thomas Boyd, Punxsutawney, Pa.; Archiebald Currie Jr., Arlington, N. J.; Stanley Johnson, San Diego, Calif.; Grover Foster, Shaker Heights, O.; William Chapman, Warren, Pa.; John Foster, Fredonia, N. Y.; and Harold August, Titusville, Pa.

We announce the pledging on March 10th of Robert MacPhearson '43, of Avalon, Pa., whose first semester at Allegheny placed him first in scholarship in the freshman class.

Another event which I am glad to report is our scholastic advancement from fifth to third place among the seven fraternities on the hill. The gnashing of teeth came when we discovered that we missed second place by 16/100 of a point. The scholastic honors for the past semester went to, Robert A. Sherman, Thomas Cort, William Beckfield, Lawrence Frost, Alton Kuhl, Russell Sipe, and Charles Liggett, whose names appeared on the Dean's List, under-rating an average of eighty-five or better for the semester.

The results of the elections of officers on February 19th are: R. Clark Saylor, G. P.; Robert T. Sherman, V.G.P.; Russell Sipe, P.; Alton Kuhl, A. G.; Richard Madtes, B. G.; Samuel Lord, S. G.; Glen

Peiffer, Hod.; Ray Weller, Phu.; and William Beckfield, Hi.

Among the 'Unforgetables' is the Chapter Party, held last Saturday evening. The blowout took the form of a "Bowery Brawl." The costumes were the results of extensive search through musty attics and forgotten rag bags. The house was expertly decorated, complete even to the "bar." Bill DeArment '36, acted as head "bartender." Dinner was served at six and dancing began at eight. The whole shebang was under the supervision of Gill Brown '41.

Thomas Cort has been reappointed as Rush Chairman for the coming year. His summer address is 222 Depot St., Latrobe, Pa. Tom was elected to the Allegheny Undergraduate Council.

● With spring in the air, Pennsylvania Lambda is turning out-of-doors. Ed Bastian is again number one pitcher for varsity baseball. Ralph Ervin is an outfielder for the frosh, and Roy MacDonald is a promising candidate for assistant manager of next year's team. Bill Garrett is high jumping for the track team and George Leydie is managing it. Maynard Bloom is assistant manager of golf. John Strand and Jim Smith are managerial candidates for lacrosse and tennis, respectively.

Bob Hoffer was recently appointed assistant manager of next year's hockey team. Blue Key, junior activities honorary, will extend him a bid the end of this month.

Bill Salberg and Ben Kline have been appointed associate managers of boxing and swimming.

Next fall, Frank Gleason will lead our wrestling team. Phi Psi should be well represented with Frank as captain and John Hunsicker and Charlie Parkin as prospective teammates. Recently, Charlie won the 165-lb. wrestling championship of Penn State.

The spring social season is now almost completed. Fletch Byrom was co-chairman of Interfraternity Ball. By the time this is printed, Junior Prom and the dance at the house the following night will be memories. We will all be looking forward to our Spring House Party, June 7-8, and hope that we shall see many alumni and friends in attendance.

Turning now to more serious things, the whole house has been cooperating on a plan to construct a new chapter room and to refurnish the house. The fellows, all working voluntarily, have dug a new room under the house, thus greatly reducing expenses. We are now ready for the contractor to take over. To date, we have received several contributions from alumni which will be necessary to complete our plan. We hope that by next September we may complete our project.

Our rushing chairman, John Strand, is preparing a list of potential rushees for next year. He can be reached all summer at his home, 640 Napoleon St., Johnstown, Pa., and would welcome any suggestions or recommendations you might have for September rushing.

Don't forget the G. A. C., June 26-29 at Spring Lake, N. J. Our chapter will be well represented and we are looking forward to meeting friends both old and new.

● With the advent of spring, the interest of the members turns toward thoughts of beautification of the new house and grounds as well as toward the feminine angle. Plans for the leveling, draining and planting of a beautiful lawn are under way and actives and pledges alike intend to get a little sun tan via the rake, shovel and wheelbarrow.

Our Spring Formal went over with the proverbial bang. The usual procedure of holding both the dinner and dance at the hotel was changed. A buffet dinner was served to approximately 120 persons at the beautifully decorated house. Following this, the guests proceeded to the ballroom of the Hotel Morgan for the dance.

We are pleased to announce that the chapter has gained fourth place among the fifteen other fraternities on the campus in intramural sports. Under the capable management of Joe Heatherman, our teams have brought the standing from last year's eighth place to the present one.

Initiate Charley Reitz, music major, was appointed our sing master for the annual Interfraternity Sing Contest. Charley's ability to arrange music and direct the singing is remarkable and his talent will certainly help make good our threat to take

the cup. The contest is held every year on Mothers' Day and is one of the most colorful events of the year.

The custom of having a monthly meeting and dinner for alumni at the house has been revived. This arrangement is a valuable one for maintaining contact between alumni and the chapter. We are more than pleased to have the older members with us and hope that these "get togethers" will continue indefinitely.

New pledges for the second semester include Earl Wilkison '41, Parkersburg, W. Va., Jim Long '43, Oil City, Pa., and Tom Lanahan, '43, Princeton, N. J. Those who were repledged are Ralph Weekly '43, Fairmont, W. Va., and Charles Caudill '43, Wheeling, W. Va.

A few of our members have announced their intentions of attending the Grand Arch Council. Judging by advance information and from those held in the past, it will be an occasion that we can well afford to miss. We hope to see every one there.

Our new pledgemaster for next fall's incoming freshmen will be Harry Gillis.

Just as important as the new officers are the new initiates who became members of Ohio Alpha in February. We are proud to announce the names of these sixteen Brothers and bid them welcome to the ideals and fellowship of our Fraternity: Bud Geitgey, Elyria, Ohio; Art Sansom, East Cleveland, Ohio; Hillis Schieber, Bucyrus, Ohio; Bill Watkins, Delaware, Ohio; John Shelton, Portsmouth, Ohio; Asahel Bryan, Cleveland Heights, Ohio; Donald Tahsler, Lakewood, Ohio; Donald Snyder, Clyde, Ohio; Dick Snider, Yuma, Ariz.; Bill Trutner, Freeport, N. Dick Patten '42, was named Junior Class President in the recent Ohio Wesleyan University elections. Dick is actively engaged in varsity baseball and has been prominent on University committees, and busy in oratory, debate, and dramatics.

Gordy Dale has wound up a brilliant record of pool achievement and has come out on top as high-point man on this year's varsity swimming team. Adding more laurels to already conquered fields, Gordy is winding up his senior year in fine style being one of the outstanding men on the campus in athletics, music, and leadership.

On April 20th we will have the pleasure of serenading Miss Ruth Driggs who proudly wears the pin of Herb Whiting. That same weekend will find us entering the interfraternity song contest and hoping that we may win first place for Phi Kappa Psi.

Bill Conger is our new rush chairman and will appreciate the names of all boys who will be good Phi Psi material. Address all correspondence to Bill Conger, 49 Forest Ave., Delaware, Ohio.

Looking ahead to the last weekend in June, I am frankly very happy to be one of those planning to attend the G. A. C. In varsity baseball, Chesrown will again be pitching for Wittenberg. Fred Elsea and Martin Rini are representing Phi Psi on the track team and a large number of our freshmen are out for the freshman track team. Spring football practise saw Gray, Daugherty, Edington and Slavin fighting hard for first-team berths.

Dick Chesrown, editor of the *Wittenberger*, the college annual, has done a fine job and will have it out early this year. He has been ably assisted by Keck, Elsea and Evans.

The Phi Psi Mothers' Club has planned a cookie shower for us. We are looking forward to the event with great anticipation.

Dick Finkel, our social chairman, has completed the plans for our Spring Formal, May 10th. We also have several smokers and informal dances on our calendar.

Bob Sealock, Jack Plank and Frank Evans are doing fine work on the freshman debate squad. We are sure they will be on the varsity squad next year.

The following new officers were elected: Dick Chesrown, G. P.; Bill Fraylick V. G. P.; John Orebaugh, B. G.; Jack Berg, Hod.; Orsino Bosca, Phu.; and Dale Koblenzer, Hier. John E. Orebaugh was put in charge of rushing for the summer. His address is Norwalk, Ohio.

OHIO DELTA

Ohio State University

● With our new library completed, another cup on the mantle, spring rushing plans under way, Ohio Delta now looks forward to its 60th anniversary.

The chapter designated the weekend of May 19th for the anniversary celebration and hopes to have a fine turnout of alumni. Former G. P., B. M. O. C., George Packer is handling details for the occasion.

Converted from the old garage, the library already has begun to accumulate books, many of them donated by alumni. The Mothers' Club recently finished a set of draw curtains for the partially furnished, paneled library. Alumni Advisor Howard Hamilton has prepared a suitable list of books for the shelves. Sturdy, comfortable furniture is being purchased by the Ohio Delta Co. at intervals.

Dick Kelting has been named on the All-America cheerleaders' team, and was one of twelve chosen by Gamma Sigma, national cheerleader honorary. He was instrumental in organizing and directing the student cheering section at football games and was head cheerleader in 1939.

Past President H. L. Snyder, W. Va. Alpha '20, was guest speaker at the Founders Day dinner, held jointly with Ohio Alpha, Ohio Beta and Ohio Delta. National Secretary, C. F. (Dab) Williams, was an honored guest and spoke briefly to 200 alumni and undergraduates present.

With the first rushing party set for April 7th, new Chairman Bob Neese expects a

fine year, has sent out questionnaires on high school seniors, hopes for cooperation with alumni in getting more names.

The Jefferson Duo, held with Phi Gamma Delta and almost practically the only good social event of winter quarter, was a welcome relief from routine studies.

With a flair for athletics, the sophomores will bring recognition to Ohio Delta. Bill Young is a member of the varsity baseball team. He looks promising. Bill Gilbert, Cincinnati, who set a new course record, is on the varsity golf team and Dick Grieser, Bob Fite, George Pfeifer, all numeral winners, will enter varsity tennis competition. Rated three goals, Pledge Bower Corwin is outstanding on the polo team. Pledge John Robinson, Toledo, is a teammate.

With a fair per cent of the pledge class eligible for spring initiation, Ohio Delta is pleased, looks forward to raising its under-par scholastic standing, hopes to further embed its foundation on the campus as an A-1 fraternity.

OHIO EPSILON

Case School of Applied Science

● The brothers of Ohio Epsilon were very fortunate in having James T. Pardee as a luncheon guest one day last semester. Brother Pardee, who was one of the founders of our chapter and a founder of Dow Chemical Corp, was given an honorary degree of Doctor of Commercial Science by Case School of Applied Science at the recent Convocation. We are proud of Dr. Pardee as an alumnus of Case and as a Phi Psi.

Dab Williams, who is a frequent visitor at our chapter meetings, has informed us that a noteworthy Phi Psi will be visiting Cleveland the week of April 29th and it is the hope of every member that Brother Edward Everett Horton will be our guest while he is in town.

In intramurals, Ohio Epsilon is not enjoying the usual clean sweep. The athletes have, however, taken a tight grip on second place and with the discovery of a new hurler for the baseball team, we still have a fine chance for a fourth consecutive all-sports cup.

The Case Home Concert was as usual a huge success. The custom of open fraternity houses on the campus was maintained. As a result, the Phi Psi house was

filled with visitors long after the neighboring Greeks had closed their doors. Much credit is due to House Manager Fritz Thompson who was responsible for the fine appearance of our house.

With finals only a jump away, we are looking forward to a high chapter scho-

lastic average. The brothers seem to be well on the way and improvement should be a certainty. After finals, many of the brothers intend to start the much awaited vacation by taking in the coming G.A.C.

● The fifty-fourth annual initiation banquet was held at the chapter house, Saturday, March 16th. Ten initiates received the badge of Phi Kappa Psi at the formal initiation immediately preceding the banquet. They included William Candler, Robert Fife, and James Funk of Detroit; Frank Curto, Chicago; John Fauver, Birmingham, Mich.; James Hoff, Howell, Mich.; Richard James, Flint, Mich.; Peter Olmsted, Ann Arbor, Mich.; Thomas Matthews, Ludington, Mich.; Ray Pittman, Toledo, Ohio. Jim Adams, Mich. Alpha '35, attending Law School on campus, acted as toastmaster, and Brothers Howard Calderwood of the University faculty and Harry W. Fauver, of Detroit, addressed the group. Speaking for the chapter were G. P. Henry Barnett and Neophyte Bob Fife.

Phi Psi has been maintaining her position in intramural athletics, and the house now stands sixth in a group of forty fraternities. Among the more recent chapter victories, the 'B' basketball team won the league championship, and the hockey team went to the finals in the fraternity league, where we were defeated by the Dekes. However, DKE and Phi Psi joined forces the following night and defeated the Independent champions in the all-campus finals. The Phi Psi squash team, composed of Phil Newman, Rob Barnes, and Howard Weber, won its event, and the chapter took both first and second places in the relay races held in conjunction with the annual Ice Carnival at the Coliseum.

Getting back to more serious business, Ann Arbor actives are planning a spring

rushing party for some weekend in the near future. Any alumni suggestions of suitable Phi Psi material would be very much appreciated.

The chapter is proud to announce that Bill Sessions '41 has been invited to membership in Phi Beta Kappa. Also to be honored is Ellis Wunsch '40, editor of the *Gargoyle*, campus humor magazine, by initiation into Phi Kappa Phi.

Dormant in a social respect since J-Hop time, the chapter dived into the social swim once again with a dance on March 13th. Arrangements were in the hands of Dirk van der Burch '40, chairman of the social committee.

INDIANA ALPHA

DePauw University

● Indiana Alpha cracked through once more in the scholarship field to win the District IV scholarship chair and place third among fraternities on the DePauw campus. Outstanding achievement in the scholarship field was recognized recently when G. P. Jack Pearce and Donald Matthias were elected to Phi Beta Kappa. Pearce, like his predecessor in office, Joe Barr, received a \$1250 anonymous scholarship from the University to be used in study either in America or abroad. He plans to attend an eastern law school.

Eight freshmen were recently initiated into Indiana Alpha. They are: Russell Downey, Richard Schaffer, James Lesch,

Ray Palmer, Donald Peterson, Richard Schaffer, Jordon Sheperd, and Claude Winkler.

The DePauw swimming team ended a very successful season, dropping only one meet of the entire schedule. Responsible for piling up many points were Jim Erdman, 220 and 440 free style; Tom Cook, 100 and 220 free style, and Warren Brown, diving. At the State meet held at Indiana University, Jim Erdman took a fourth in the 440-yard free style event.

The soft-ball section of intramurals is about ready to swing into action. From the pre-season practise record, the house should be able to put up a team that will give all comers some stiff competition.

Rushing will hit its peak for the spring at the annual informal dance to be held April 27th. Rush prospects have been good this spring, presaging an excellent class of freshmen. Rush is in the capable hands of its chairman, John C. McNaughton.

A toucher of the lighter side of DePauw: the chapter gave its first spring serenade April 6th, following the Junior Prom. After an evening of Woody Herman's swing, the brothers were in top form and presented a few choice numbers for several of the campus sororities.

George Schaffer '40, and Dave Guthridge '41, have been elected delegates to the G.A.C. and look forward to a great conference.

● The first day of spring found Indiana Beta with eleven pledges being initiated into Phi Kappa Psi. They are: Richard Land, Richmond, Ind.; William Fox, and Herbert Cramer, South Bend, Ind.; William Simmerman, Lapel, Ind.; Max Miller, William Bannon, Richard Ellis, and Robert McClure, Kokomo, Ind.; William Price, Darl Miller, and Robert Anderson, Marion, Ind.

Following the initiation, a serenade was held under the leadership of Wade Free, and despite the cold weather, the serenade was judged one of the best held in years.

Hard luck seems to be dogging us with Sam Mitchell having fallen out of a third story window on to the second floor poop-deck; and Paul Miller having been caught by a loose rope trailing from a car and dragged for thirty feet by his neck. Both

recovered nicely, but still bear the marks of their misfortunes.

A rush party for town-boys and students on the campus started Indiana Beta's rushing under the leadership of Dick Davis, Charlie Feeger, and John Springer. Much good material was in evidence and it looks like a successful spring rush.

Our annual spring rush dance was held April 20th, followed by a breakfast and baseball game at Brown County State Park in honor of the guests.

Wilbur Van Horn is ranking high on the varsity golf team and is turning in some creditable performances in competition. Ben Wilson won the Big Ten wrestling championship in the 135-pound class. Charles Feeger and Glen Marshall are sophomore managers on the baseball team. Feeger was also recently elected to Delta Sigma Pi, national business honorary. Robert Anderson and Robert McClure made Phi Eta Sigma, national scholastic honorary for freshmen. William Bannon and Robert Anderson were selected for membership in Skull and Crescent.

The name of any man who is good material will be appreciated by the rush committee. The summer address of the rush chairman will be: Richard Davis, 723 Euclid Ave., Marion, Ind.

● After a wonderful spring vacation, the chapter has again settled down to hard work, and it seems to most of us as though we had never had a holiday.

After a long wait which left even the most optimistic rather dubious, spring finally came, and with it a renewed whirl of events. Many a brother has been out picnicking and the baseball-minded brothers have oiled up their gloves. Interfraternity hardball has started and Indiana Delta seems to have a lot in common with Dizzy Dean. The chapter has played two practise games, losing one and tying the other. Dick Renn has done most of the hurling, with Wolff, Carlson, Keenan, Fraser, Duncan, Shively, Hoffer, Graf, and Pledge Gates supporting.

Initiation was held Sunday, March 17th, for the following: Bill Decker, George Duncan and Hal Schornstein, all of '42; and Ewell O'Bryan, Jim Fraser, Bill Lewis,

John Shively, John Osborne, Bill Rider, Wirt Farley, Bob Moss, Tom Baldwin and Bud Hoffer, of the class of '43.

Since the chapter received the new record-playing machine, neither it nor the machine has had much rest.

Bill Keenan, M.E. '41, was chosen to lead Indiana Delta next year as G.P. and John Van Horn, Ch.E. '41 was elected V.G.P. Both have proven their capability in the past, Keenan as P. and Van Horn as A.G. and chairman of the scholarship committee, and we are looking forward to a good year in 1940-41 under their guidance. Other officers for the coming year are: B. G., Bob Ehmer; A.G., Al Graf; S.G., Gordon Belles; P., Dick Shadford; Hod., Jim Fraser; Phu., Ewell O'Bryan; Hier., John Osborne. Able Bob Reed will continue as Rush Chairman for next semester. His summer address will be Phi Kappa Psi House, West Lafayette, Indiana.

Ewell O'Bryan '43, is making a good name for himself in spring football. Larry Brodd, Union Vice-Presy, and Johnny Van Horn, *Debris* business manager, were pledged Gimlet, bringing the total number of Gimlets in the house to six. In the recent intramural carnival, Indiana Delta emerged the Silver Derby champions.

You can bet your boots, that Indiana Delta will be well represented at the G.A.C. this June, and we'll see you there!

● Brothers are still drifting back from prolonged Easter vacations in Florida, while we suckers who remained at Evanston have had the job of planning the spring formal. It's to be another all-day affair up at Lake Nippersink, with no holds barred.

Alpha's frosh have come through in every way. With the wrestling and swimming season closed, we've added six more numeral winners to last fall's football crop. Myles Taylor, Bud Davis, and Bill Walker grappled for theirs; Arnie McMillan came through in basketball, Bill Widdup in swimming, and Dick Wilkinson in fencing.

Cager Duck Turner was awarded his 'N' for basketball and similar recognition went to Doyle Grey and Fil Kriessl for swimming. Phi Psi always manages to squeeze into wrestling and the season veteran Pinky Ferguson, Bob Barton, and your corre-

spondent gave their all for N.U. in the 155 and 165-pound divisions.

Bill Kelley, Dick Wernecke, and the rest of the golfing team, are stumbling in their overshoes around the course, following the 1940 conference champ, Chase Fannon, trying to win back some of their money. Spring softball starts next week, and with some of the local Evanston boys bolstering the house team, we hope to clip the Sigs in Friday's game.

Chet Kellogg, in spite of a five-weeks' illness, got back on his feet to learn that he had been elected Phi Beta Kappa. G.P. Ted Grefe and ex-G.P. Bob Daly are collaborating in pushing the house's activity in the campus-wide mock-convention. The fact that some Phi Psis are on every committee gives tangible evidence of their success.

Alpha was proud to pledge Bob Boehm last week.

Everyone is holding his breath waiting to see if Edward Everett Horton's protege, Dick Coyle, will succeed in the Guild production, *French Without Tears*.

● With all the harbingers of spring filling the air we enter the final stretch in the academic year. Studies are foremost in the mind of the brothers but not withstanding, social life and other activities do go on.

Our winter formal last month was a tremendous success and all hail Caudill whose tireless efforts were mainly responsible. The walls were decorated with a series of murals done in life-size by Brother Hankla and these were very effectively illuminated as was the room through a series of indirect lights installed by Pledge Monaghan. Our next dance will be an open party following Blackfriars. The Brothers will first attend the Blackfriars show to see the excellent work done by Charles O'Donnell who is Prior of Blackfriars and by Chuck Banfe who, for the third year, takes a major lead in the show. Many of the other brothers will also be representing us in some of the minor roles and working in the different departments of the organization.

Hellweek is over and the freshmen and Brothers feel that it was one of the most successful we've had in the last few years. Bill Lovell and Chuck Banfe were in charge and the whole affair was well organ-

ized and well conducted. Initiation was held last Sunday and Bud Bates, Jim Hoatson, Ned Munger, Chuck Murrah, Ed Nelson, Stu Palmer, Bill Self, Phil Taylor, and Went Wilder joined the brotherhood.

With spring vacation intervening and a new quarter beginning, very little progress has been made on intramurals. We maintain our rank of second place with confidence that it is merely a matter of time until we will again be leading the pack. In softball, the first sport on the spring calendar, we have many veterans as well as a first class bunch of recruits to fill in for last year's graduating players. Flashy Bob Reynolds will again be covering short stop while Wally Beatty holds down third base. George Stier will handle the major pitching assignments and will be ably caught by Bob Hixson. Al Green is here again to pole out those homers. The team is looking strong.

In outdoor track the men have been working out and with Bob Hixson a sure winner in the shot, discus and javelin, Al Green in the sprints, Ned Munger in the middle distance and Alf Gentzler and Corky Wickham to cover the longer routes, our chances for placing if not winning are assured. In golf and tennis, the players have not been selected as yet, because we have so much material it is difficult to name a team.

In varsity sports, we have Ed Davidson, Maury Abrahamson, and Wally Beatty leading the University of Chicago track team to victories. Ed Davidson and Wally Beatty have been consistent winners in the dual meets and should both perform well in the outdoor season.

We are looking forward to the G.A.C. and expect to see a lot of our Brothers from all over the nation and to meet all our Fraternity officers. Here's to Spring Lake and the 1940 G.A.C.

● In the previous letter to *The Shield*, we extended an invitation to all our alums to return to their old stamping grounds for their annual reunion. In this submission we want to thank all who took part in the get-together, and to tell the rest that we missed them very much. Really, fellows, you missed a swell time! Many of your classmates were here, and were asking about

you. We surely hope that you will be able to make it next year, and we are counting on seeing you then, if not sooner.

Congratulations are in order for Frank Trobough, our latest Phi Beta Kappa. Frank was elected recently, and we all are proud of him for making the grade. He is majoring in chemistry, and that is not one of the easiest courses in the university.

We would appreciate help from any of our Brothers in summer rushing. The rushing chairman for the summer has not been appointed, but prospective rushees' names may be forwarded to the Chapter house, and they will get proper attention. During the summer, all names may be turned in to Jim Littlejohn, Robinson, Ill., and he will see that they reach the rushing chairman. We hope that our alums and others will be able to refer many good prospects to Illinois Delta.

The Chapter's delegates to the G.A.C. are Jack Webber, of Kansas City, Mo., and Bob Rote Jr. of Monroe, Wis.

The intramural season is well under way with Phi Psi having teams entered in all events, and with good prospects of bringing home some of the treasured trophies. We have started the season with the winning of bridge tournament by Mel Colwel, Moore, and Yonaite. Gus Huber is managing the teams in efficient manner, and is promising many winners.

In two weeks, the Chapter is having its annual picnic and spring formal dance. As usual, a good time is planned, and we feel positive that under the direction of Chuck Bradley, social chairman, that the events will be successful. Mothers' Day will be observed in the near future by the Chapter, with a dinner for our mothers.

TENNESSEE DELTA

● Tennessee Delta is busily preparing for exams, scheduled to begin March 14th. The brothers are hittin' the books with much enthusiasm in an endeavor to place Phi Psi's name on top in scholarship on the campus. We raised our 1.29 average of last year to 1.59 at the end of last quarter, and we expect to better even that. Scholarship Chairman Adams has announced that Ripy won the annual pledge award in scholarship.

Vanderbilt Phi Psis went in for Founders Day celebration in a big way. Almost 100

alumni, their wives, and other guests attended a formal dance and buffet supper on February 17th. Fort Flowers '09, of Findlay, Ohio, was the principal speaker.

Baird and McLaughlin are the proud wearers of "43's" as winners of frosh numerals. Baird was guard and leading scorer on the frosh basketball team, which Coach Buford terms, "the best in Vanderbilt history." Mac won his as 145-pound star on the frosh wrestling team. George won his varsity letter in wrestling for the third consecutive year.

Spring athletics are holding the interest of several. Coffman and Lodge are out for varsity track. Lodge is also making a bid for a position on the golf team. Baird and McLaughlin, both distance runners, are making strong bids for slots on the frosh track team.

Despite the heroic efforts of Captain Jones and Baird, Phi Psi suffered defeat in the opening round of the intramural basketball tournament held recently. However, we expect to make a better showing in softball. Regular members back for another fling are Edge, George, Lodge, Coffman, Adams, and Beach.

Tennessee Delta is continuing its great work in extracurricular activities. Lodge and Coffman are sporting bald heads as the result of an Owl Club initiation. The Owl Club is an organization for sophomores. McLaughlin was named as the fraternity's representative to the Ace Club, which is the highest honor a freshman can achieve. Coffman is now head of the circulation department of the *Masquerader*, which is edited by George.

The brothers are looking forward to the spring holidays which will follow exams, and expect to return with the same high spirit which has "made" the chapter this year. Thanks to the splendid work of Stubbs, the house is running in grand fashion.

Delta was recently visited by Archon Alfred R. Mueller, Illinois Delta, who discussed the fraternity's problems with us. We were honored by the Archon's visit and are looking forward to his return.

● March was an eventful month for Mississippi Alpha. The chapter initiated the largest group in its present history. The

eleven new brothers are: DeWitt Shivers, Bogalusa, La.; Griffin Ladner, Ripley, Miss.; James L. Haney, Pontotoc, Miss.; Lucius Wilson, Brookhaven, Miss.; Jim Hailey, Memphis, Tenn.; Willard Allred, Hazelhurst, Miss.; Warren Larroux, Bay St. Louis, Miss.; Herman Taylor, Oxford, Miss.; Ben Lyford and Harry Wadsworth, West Helena, Ark., and Cliff Leggett, Allen, Miss. Hermit Jones, Houston, Texas, a transfer student from Loyola University in New Orleans, was formally pledged last month.

Last Thursday, April 4th, marked the last day of spring football, celebrated with the annual inter-squad game and a banquet that evening. Pledge Western played on the winning Blue team and Pledges Hapes and Jones played on the losing Red team. Both Wright and Pledge Demos are down with knee injuries and were not able to play. Now that spring football is over, Wright works out for track. Pledges Hapes and Whitaker are on the varsity baseball team. Hapes catches and Whitaker pitches. In a recent game with Bradley Tech of Peoria, Ill., both pledges finished the game as the winning battery for Ole Miss. Today, in a game with Mississippi College, Merle Hapes got one of the two home-runs of contest.

Bud Mueller, Archon of the Fourth District, recently came down to Ole Miss for his annual inspection and visit. After the business session we all had an enjoyable time. Last Saturday and Sunday, April 6-7, T. S. Crockett, Va. Beta '22, of Toledo, Ohio, installed a chapter of Scabbard and Blade on the Ole Miss campus. Herman Taylor is a charter member of this order. Crockett is a Captain in the U. S. Army Reserve and a Major in Scabbard and Blade. He paid the house a visit during his short stay on the campus.

William Lane Austin, newly appointed chief of the Federal Census Bureau, is a Phi Psi of this chapter. He was initiated in 1895.

Delegates to represent Miss. Alpha at the G.A.C. are Jones, G.P., Trusty, V.G.P. and Savage, P., with Schultz and Fant as alternates.

Savage, Hailey and Wadsworth are on the Ole Miss varsity debating team and represented the school in the debate with Arkansas State.

Final plans are being made for our annual dance April 27th. Jones is making arrangements for palmetto palms to be sent from the Gulf coast, and the chapter is going to take a day off to cut cane for dance decorations. As mentioned previous-

ly, the theme of the dance will be "A Night in Hawaii."

Glenn Trusty has been elected Rush Captain for the coming year. All rushing correspondence is to be addressed to Glenn's home, Minter City, Miss.

Jim Haney and Pledge Brother Ed Harper have definitely decided that light travels faster than sound. Last Sunday, they saw the *light*? when they were initiated into the M.O.A.K.'s, a senior organization composed of two men from each chapter.

Every Wednesday night before pledge and active meeting, the chapter eats supper in a body in one of the dining-rooms of the cafeteria.

● With spring in the air, everything is looking just a little bit better around the campus. On heading into the last stretch of the school year we can look back with gratification and forward with optimistic anticipation.

It has been a good year for Phi Psi on this campus. Academically, we boast two members of Phi Beta Kappa: Louie Toepfer and Herb Graser; and the chapter as a whole, ranked second among all fraternities on campus.

The college paper's staff is composed mostly of Phi Psis. Louie Toepfer and Vic Gurholt are the editors, and the advertising manager is Bill Chadwick. We have a majority on the Student Council over all other fraternities and sororities.

John Michael has been our leading thespian this year, carrying the lead in two of the three plays. Eight out of the ten Phi Psis out for football earned monograms and both the co-captains were from the house, Bruno Virgili and Bob Zimonick. In basketball, Bob Zimonick and Fred Hoegberg were starters, Bob again being elected one of the co-captains. Roy Thomas, Gene Vogel, Albie Morse, and Chuck Phalen were all regular varsity wrestlers.

Bruno Virgili, Bruce Duncan, Bob Atterberry, Bob Zimonick, and Don Smith went to Florida during vacation and came back with swell tans and plenty of stories, interesting if not credible. They say they could stand as much of that "southern hospitality" as anybody wants to dish out. I don't understand it!

Fraternity parties are being held this week and we are making ours a novel casino party. Each arrival is going to be given a certain amount of stage money to gamble as he or she cares, and at the end of the evening, prizes are going to be auctioned.

The summer address of our Rushing Chairman, Reg. French, is 531 Hill Ave., Glen Ellyn, Ill.

We hope to see everyone at the G.A.C. in Spring Lake, N. J., in June.

● About this time of the year, all thoughts turn toward the coming vacation, and Phi Psis at Minnesota Beta are not exceptions. But the foremost thought in the older fellows' minds is the G.A.C. in June. Even at this early date, Minnesota Beta promises to be well represented.

The athletic schedule hasn't started for spring quarter, but Phi Psi is entered in nearly all events. The big entry is the diamondball team that hopes to bring home its eighth straight cup. Some of the boys have organized a hardball team, prospects for which seem bright. We have entries in golf and tennis. The basketball team won the academic fraternity championship, but lost a heartbreaker by one point in the all-fraternity game.

Currently, the highlight of our social program is the White Dragon party, scheduled for April 27th. The real social event of the year is still a long way off. That is our annual house party, set for the first weekend after finals next June. Mixed in between these two main parties are a lot of the informal get-togethers that Minnesota Beta is so well known for, and which the brothers enjoy so well.

The other day, we were surprised by a visit from Archon Bud Mueller who dropped in and stayed for a while to look over records, etc.

Initiation is set for this coming Saturday, and four will be inducted.

Our rushing chairman is John Borchert, and his newest additions are Bill Rohan, Minneapolis, and Leroy Nelson, Virginia, Minn. Our summer rushing chairman will be Robert Pile, 4741 Clinton Ave. S., Minneapolis, Minn.

● The brothers long will remember one of the most successful Founders Day banquets that local banqueters have experienced. About thirty went to Des Moines and met at the Des Moines Club with most of the Iowa Beta chapter and many Phi Psi alumni from the state. Jim Addison, chairman; Claude McBroom, toastmaster; Nile Kinnick, speaker; Laddie Swisher, song leader, and others who contributed to its success, deserve heartiest congratulations.

We enjoyed a call last month from Mrs. Charles E. Strickland, who is almost as ardent a Phi Psi as her husband, our national president. She was in Iowa City to follow a great Mason City high school basketball team in its successful bid for the Iowa championship. President Strickland was forced by the press of business to stay at home, but we are looking forward to a visit from him later this spring.

The pledge basketball team copped the interfraternity title while the old men of our Class 'A' squad had to settle for the championship of their section. Versatile Bill (Superman) Humphrey won the interfraternity 175-pound wrestling crown after capturing the all-university boxing title of that class last year. The squash, handball, and fencing teams are now in action with the softball team preparing to take all-comers.

Iowa Alpha initiated the following Sunday, March 3rd: Russell Conkling, Des Moines; Albert Eddy, Cedar Rapids; Jack Hertzler and Arnold Klein, Burlington; Robert Hyde and George Schmidt, Elkader; Dick Brecunier, Waterloo; Lewis Lapham, Charles City; Robert Tripp, Mapleton and Lauren York, Grinnell. Dick Stevens welcomed the new men into the chapter at the initiation banquet and Brother G. W. Stewart, head of the physics department at the University of Iowa, gave an address which was a source of inspiration.

Al Eddy and Dick Brecunier are tearing up the sod at spring football practise and

are among the best of the new prospects for the 1940 Hawkeye eleven. Jim Hoak, Mickey Beal, Stu Dudley, and Charlie Maplethorpe, are also tearing up sod but their locale is the University golf course. Captain Hoak will lead an Iowa golf squad which includes Maplethorpe. Beal is an outstanding freshman prospect with Dudley close on his heels. Meanwhile, Jack Hertzler, the Don Budge of the frosh tennis team, is pounding the baselines at a terrific clip these warm afternoons. Jim George, twice Big Ten batting champ and the 1938 most valuable Conference player, is again one of the leading men at the plate and afield for Iowa's nine, which has won nine consecutive games to date. Russ Conkling has finished freshman basketball. Lou Lapham is burning up the cinder pathways. Dick Stevens was recently elected to Beta Gamma Sigma, commerce honorary fraternity, and we are expecting a Phi Bete or two when selections are announced.

On Wednesday, April 17, a number of Cedar Rapids and Iowa City alumni will break bread for the last time in our old chapter house, since we are preparing to occupy our new house across the river in the fall. This occasion will also serve as an organization meeting for the proposed Cedar Rapids Alumni Association. The same group has extended an invitation to attend a supper party for Brother Edward Everett Horton in Cedar Rapids, April 23rd.

Archon Arch Ross made the long journey from Austin, Texas, about a month ago. In addition to checking the condition of the chapter and chatting with the Dean of Men, he inspected our new house and a number of other campus highspots before taking off for Kansas Alpha.

Among alumni to visit the chapter recently are Ted Ashford, now a flight superintendent with TWA at Chicago; Neil McGarvey of Western Reserve Medical School in Cleveland; Dick Hoak and Dick Lozier, prominent Des Moines explosives magnate and florist, respectively; Whit Hemingway and Bill Burnquist, outstand-

ing members of the Iowa bar; and Claude Douthett, Waterloo meatpacker.

The spring drive is well underway according to the latest word released by G. P. Jack McCambridge and some of the brothers who will survive are looking forward to the Spring Lake G. A. C. in June.

IOWA BETA

Iowa State College

● With spring definitely here and another school year about to be filled with memories, Iowa Beta begins to look forward to the year to come. At its helm will be Bill Wagner, of Mason City, Iowa, named G.P. at the annual election on April 1st.

The newest pledge of Iowa Beta is Charles Tschirgi, engineering freshman from Cedar Rapids. Don Evans, who received his degree in agricultural engineering, was lost to the chapter through graduation in March.

Departing from the usual practise of holding a spring formal, this year we are introducing a new variety of entertainment. The innovation will be a gala picnic and dance at the Ames Country Club, May 17th. According to social chairman Keith Hughet, a staunch almanac fan, "the rustic, secluded surroundings were chosen so that the brothers might take full advantage of the full moon promised for the 17th."

Carrying Phi Psi banners into campus publications, Clair Parker is business manager, Bob Eby assistant business manager and Pledge John McKleven assistant publicity manager, on the newly appointed *Sketch* staff. Bill Drozdowsky has now taken over the duties of advertising manager for the *Daily Student*. Your correspondent is associate editor of the *Iowa Engineer* and circulation manager of the *Green Gander*.

Spring football practise, now under full speed, claims Phi Psis Larry Owens, a half-back, and LaVerene Lewis, a guard, both assured places in the Cyclone starting lineup next fall.

Defending its all-college volleyball title, the Phi Psi sextet has again qualified for the championship flight by winning its league crown. Victims were the Kappa Sigs and Tekes, each dropping two straight without winning a game. Veterans Koch, Wahl, Peaslee, and Kacena are back from last year's team, and Gitz, Begtrup, and Clapper complete the squad.

R.O.T.C. men Paul, Parker, and Hughet will spend six weeks of their summer vacation brushing up on military tactics at summer camp in Fort Riley, Kans.

Our candidate for the brain trust, Curt Walseth, was recently initiated into Tau Beta Pi. Equally outstanding is Byron Molstedt who came through fall quarter with a straight 'A' average, and followed last quarter with only one 'B' to mar a perfect record.

Iowa Beta is planning a delegation to represent the chapter at the G.A.C. in June. We look forward to this opportunity of meeting brothers from distant states.

Newly elected rush chairman for the coming year is James Clapper, whose address will be 5103 Cass St., Omaha, Neb., where he will welcome any suggestions or recommendations for rushing next fall.

● Spring has definitely made her 1940 debut, although it seemed that she had missed her cue. Of course she brought along her old playmate, the whatever-it-is to which a young man's fancy lightly turns, ho, hum!

Stacy Haines holds the No. 2 position on the tennis team. Landers and Sisicka are practising daily for the 1940 edition of the Tiger football team. Jim Mason, our intramural golf champ, is out on the links getting in a few practise rounds, and Pledge Barry spends his afternoons with the baseball team.

Due to our fine showing in the ping-pong and basketball tournaments, we now rank second to the league-leading Betas in intramurals. Our volleyball team is undefeated to date in league competition while our baseball team, although untried in actual competition, looks unbeatable. Bob Rogers boxed his way to the championship of the 120-pounders for the second consecutive year. Pledge Reser was awarded his frosh numerals and is hailed as one of the best prospects for next year's varsity quintet.

Dave Barry of Racine, Wis., now wears the gravy bowl and we added another brother recently when Gene Rogers was initiated. Initiation will be held some time in the near future for three more pledges who are eligible.

Spring is also the time for campus politics and Hauserman and Crawford are shaking hands and kissing babies (usually

18-23 years of age). Hauserman is the "people's choice" for senator in the Arts and Science School while Boss Crawford pussyfoots around, politicking and pulling strings.

With the advent of spring comes social activity ranging from picnics on the Hinkston to dances. Plans are being made for our annual spring dance, May 4th. The alums have been invited, and we look forward to a big affair. Another event on the social calendar is our traditional alumni weekend, May 11-12.

Haines, Hauserman and Sicks turned out the *MoAlphan*, the official publication of Missouri Phi Psis, and promise that another edition will be forthcoming soon.

April 13th, we are to be honored by a visit from Johnny (Scat) Davis of radio and screen fame.

The membership committee and Rush Chairman Mackay have started in earnest to build up the rush lists for next semester and any information concerning desirable rushees would be greatly appreciated. Communications should be addressed to Jack Mackay, 5845 McGee, Kansas City, Mo.

Although this is the last letter of the year it is by no means as final as all that, as the G.A.C. is in the near future and many old friends and new acquaintances will be gathering. So until June 26 at Spring Lake, so long ———

● We on the deep southern front have not been attacked up to now. Same old college whirl: spring formals, open houses, baseball, tennis, horseshoes—practically no time for study. And final exams are only five short weeks away.

Speaking of social functions, first of all came our quadrennial leap-year party, which, to put it mildly, took the campus by storm. The idea is to ask most of the campus pretties to come as stags, get the rest as dates, then sit back and watch the fun roll by. Most people outside of our house reluctantly conceded that it was the best party of the year; we know it was.

Last week Edward Everett Horton honored the chapter with a visit and every one of us was delighted to meet this famous Brother of the stage, screen and radio. He is twice as fine a fellow as his most ardent admirer might claim. As many of the

brothers as could beg, borrow, or steal the money went to see his play, which is currently touring this part of the country on one night stands, and it was funny enough to keep Buddy Thompson rolling in the isles for two acts.

Our spring formal comes April 19th, and since we have only been waiting twelve months for it, it should prove something to talk about for the next twelve at least.

Three were pledged at the start of the second semester: Albert Summers, of Palestine, Lum Twilliger of Houston, and C. B. White, of Monterey, Mexico.

If you know of any prospective rushees for Texas Alpha, please send full particulars to Bill Bryant, 1710 Colorado St., Austin. As our rush captain, he will be stationed at that address all summer.

Texas Alpha's country boys are making a determined bid for the intramural horse-shoe championship. Captain John Peterson is chewing tobacco and throwing ringers like a veteran, and ought to win.

We plan to send a delegation of at least eight to the Grand Arch Council at Spring Lake, N. J., so reserve a triple suite for us, and prepare to have fun.

KANSAS ALPHA

University of Kansas

● A lot of water has passed under the bridge since publication of the March issue and big things have been happening to Kansas Alpha. First semester grades showed a scholarship rise to a 1.45 average for the chapter. Bill Gray, scholarship chairman, set a fine example by recently being elected to Beta Gamma Sigma. Tom Arbuckle has been taken into Tau Beta Pi and elected to the presidency of Sigma Tau. Larry Winn, G. P., is holding down a new position of sports editor of the *University Daily Kansan*.

And speaking of sports, we are mighty proud of the success of K.U. in the Western N.C.A.A. basketball playoffs. Cappy Miller, Bob Allen, and John Kline, all regulars with the varsity cagers, came through magnificently to help defeat U.S.C., 43-42. At the national playoffs in Kansas City, along with McCreary, of Indiana Beta, Allen (son of Coach "Phog" Allen, Kans. Alpha, '05), was elected to the N.C.A.A. tournament All-America basketball team. Phi Psis seem to be doing unusually well in nationwide athletics this year.

In intramural basketball, Phi Psi walked off with both 'B' and 'C' team championships. With the advent of the spring sport season we show great promise in intramural tennis, horseshoes, golf, and baseball. Representing us on the varsity golf squad is Bill Gray. Bob Hunt is in there batting for us in varsity baseball.

In spite of spring fever, the boys are wearily plunging into the last half of the second semester. With the campus spring election only a few days away, Seth Gray, president of Pachaamac party, is rushing madly to and fro in campaign confusion. Otto Kiehl and Bob Trump, both recent initiates, are active these days, too. Otto soloed last week as a student in the Civilian Pilot's Training Corps. Bob works overtime daily as foreign news editor of the *Daily Kansan*.

Elaborate plans are being made for rushing and social activities on the weekend of April 19-20. Our regular spring formal is scheduled for the nineteenth, and the eighteenth annual Kansas Relays for the twentieth. Larry Winn, member of the Relays Committee, promises a busy day for all.

The house has acquired a dog. Appropriately enough, he has been named "Psi." However, the newly instituted house-breaking program has made some dubious as to whether it's worth it all.

NEBRASKA ALPHA

University of Nebraska

● Nebraska Alpha proudly presents to its alumni and other Phi Psi brothers the nineteen who were initiated into the Brotherhood on March 16th. The first three were repledges while the other sixteen were pledged last fall.

The new Brothers are: Daniel Moravec, St. Paul, Neb.; Delbert Smith, Auburn, Neb.; Chester Bowers, Council Bluffs, Ia.; Charles Eggert, Aurora, Neb.; Richard Harnsberger, Ashland, Neb.; Tom Dredla, Crete, Neb.; James Price, Jack Zimmer, Carl Rohmans, Ben Brooks, Bob Osborne, Lyle Wilson, Miles Phelps, and Bob Guenzel, of Lincoln, Neb.; Hugh Sawyer, Pawnee City, Neb.; George Liggett, Utica, Neb.; Norris Swan, Kearney, Neb.; Bob Rydman, Omaha, Neb., and Jack Senften, Genoa, Neb. The majority were initiated with an average of 80 per cent and higher. Bob Guenzel takes the scholastic awards for an average of 94.2 per cent.

The evening of initiation the new and old brothers joined with alumni for a rousing initiation banquet in Omaha. Bill Wright, Ward Powell, and Archon Arch Ross were the chief speakers.

As the year draws to a close we look back with pride upon the accomplishments of the chapter and its individuals. We have always looked upon our scholarship record with pride. This year has not been an exception. Phi Psi, with the exception of one other fraternity, is the only large fraternity that can boast of high scholarship on the campus.

The chapter experiences great pride when it studies the enviable records of the graduating senior class. Each of these men has been a leader in his chosen field of activity. Phi Psi regrets the passing of these men from the chapter: Lee Liggett, Richard Joyce, Fred Stiner, Robert Miller, Louis Ball, and Harold Swan. May they continue as successfully in life as they have with Phi Psi.

Fortunately for Nebraska Alpha there are equally capable men ready to fill their shoes. Carl Harnsberger is a member of Korn Kobs, Kosmet Klub, and is a potential candidate for the Innocents Society. Bob O'Connell is a student councilor and the assistant business manager of the 1940 Cornhusker yearbook. James Selzer is editor of the fraternity section of the *Cornhusker*. Both Jim and Bert Smith are working for membership in Kosmet Klub. Another special monopoly of Phi Psi is football managerships. This year Monk Meyer is the senior manager while Jack Judy and George Yetter are junior managers. Stan Southwick is expected to do big things next year on the gymnastics team.

Preparations for next fall's rushing are in full swing. James Selzer is the summer and fall rushing chairman. His address is 2412 Third Ave., Scottsbluff, Neb. If you have any potential Phi Psis in mind, kindly notify Jim. Nebraska Alpha will follow its usual plan of being the early bird by organizing numerous rushing parties in the various Nebraska cities. They will be held at the homes of brothers and alumni. A rushing pamphlet will be issued some time in August for fall rushing. Motion pictures of the chapter and outstanding events of the year will be shown at the rush parties.

Nebraska Alpha will be very grateful to brothers in other chapters and to the alumni of this chapter for all the aid that can be given us in our fall rushing.

● On March 17th, seven new members were initiated into the mysteries of Phi Kappa Psi by Oklahoma Alpha. They are in order of initiation: Joe Francis, Tom Bartlett, G. V. Labadie, Carl Welch, Jack Abrams, Melvin Dodson, and Jim Richardson.

April 2nd saw the chapter house become the center of attraction on the campus, as we were honored by our well-known comedian of stage and screen, Brother Edward Everett Horton, N. Y. Gamma '08, with whom we spent a delightful afternoon, being entertained for the better part of three hours, by jokes and the humorous experiences which had befallen our famous brother. The next evening, a group of the brothers were honored with an invitation by Brother Horton to view his stage success, *Spring Time for Henry*, from the wings of the theater. After the show these brothers entertained Mr. Horton and two of the lovely ladies in his cast, Marjorie Lord, and Sally McMorrow.

Allowing us only thirty minutes in which to recuperate from the pangs of laughter inflicted by the inimitable Horton, the members of Pi Beta Phi requested that we be their guests at a party in our honor. On our acceptance, the Pi Phi misses (from whom we got no kisses), escorted us to their lovely home and there entertained us as royalty.

On March 6th, Phi Psi again took the spot light at O. U. The event was the Annual Poverty Ball, which is said to have been the best dance within the memory of anyone present, not excluding senior lawyers.

Okla. Alpha with glory in her past and with plans of even greater glory in her future, will be represented by a large group of outstanding graduates and undergraduates at the Grand Arch Council at beautiful Spring Lake, New Jersey, on June 26th, from which we hope to obtain valuable knowledge, worthwhile experience and constructive suggestions.

In the spirit of fellowship and with generosity in their hearts this year's freshman class paid for the construction of a beautiful new front loggie for the chapter house, an improvement which is amazing to behold. This gesture is one that can not be commended too highly and shows an accomplishment which can be attained by a well organized freshman class.

The Phi Psi baseball team is a leading contender on the O. U. campus to win the intramural tournament having lost only one

game so far, by the very close margin of 5-4.

Summer rush activities will be in the hands of Co-captains Stanley D. Whitehurst, 617 N. W. 32nd, Oklahoma City, and Joseph W. Brindley, 182 Pine Bluff, Paris, Texas. They have planned an extensive rush campaign which includes the printing and distribution of a rush phamplet describing varied chapter activities and the glories of Phi Kappa Psi.

COLORADO ALPHA

University of Colorado

● No April Foolin', Colorado Alpha promises to have the best baseball team in intramural sports this spring. All of last year's men are back with the exception of pitcher and shortstop. Moon Mullins promises that, as a moundsman, he can't be beaten, so our prospects look pretty good.

With Weston Wolcott, former champion, backed by William Sloan and Robert and Shelton Enochs, intramural tennis laurels seem to be practically in the bag.

Swelling the ranks of the Brotherhood we are pleased to announce the initiation, on February 17th, of Raymond Baker, Severin Buschmann, William Cohenour, William Dobbs, Russell Evans, Lealand Knapp, Leslie Nelson, Howard Piper, Thomas Sisson, and Charles Varner. Rusty Evans has the distinction of being the tenth member of his family to be a Phi Psi. Can anyone beat this record?

Elections held April 1st resulted in the election of Paul Dukes as G.P.; Phillip O'Rourke, V.G.P.; John Parker, P.; Leslie Nelson, A.G.; Franklin Layher, B.G.; Howard Piper, S.G.; William Dobbs, Hod.; Thomas Sisson, Phu.; and Beverly Hedemark, Hier.

It is with pleasure that we report the pledging of Robert St. John of Powell, Wyo.

At present, the whole house has turned amateur detective in an attempt to recover our dinner bell (once probably the property of a locomotive). The bell was stolen after it had been loaned to the Rhythm Circus, campus revue. In the near future there undoubtedly will be an early morning expedition to recover our property.

Plans are progressing rapidly for our spring formal, May 18th. Things are being kept more or less under cover but Everett Bush, chairman of the entertainment com-

mittee, promises that it really will be an event to remember.

We are already beginning to prepare for fall rushing activities. A number of dinners and parties have been planned for the

near future. All rushing information should be sent to Paul Dukes, 1333 University, Boulder, Colo.

● Midquarter exams have almost arrived. Spring quarter activities keep the brothers busy, but they do not come before studies, due to the efforts of study co-chairman Don Raymond and Leonard Fines.

We report the initiation of these eight: Bob Anderson, Charles Gilmur, Everett Ellis, Lamont McDonald, John Harris, Wayne Garber, Charles Herald and Kenneth Wilson.

Everett Ellis recently was elected vice-president of the senior class, his majority being partly accounted for by the successful Junior Prom which he put across during winter quarter.

I find it hard to pinch-hit for Bill Brown, our former A. G., who did such a swell job as correspondent. Bill received his appointment to Annapolis and is basking in Hawaiian sunshine until June, when he will leave for the Naval Academy.

Another to answer Uncle Sam's roll call is Les Rein, who will take preliminary flying training at Sand Point Naval Air Station in Seattle before departing for Pensacola Naval Air Station.

Chuck Gilmur is exhibiting numerals received for centering the frosh basketball team through a successful season. The Sigma Chis, Chi Psis, and other touch football opponents will vouch for Charley's ability to snag passes out of the air.

Big Bob Anderson, letterman broadjumper, is out again this spring. Ralph Cummings is twirling fine ball for the Husky club.

We won the intramural league tennis championship through the playing of Kenny Wilson and Len Fines. In football we did not do so well, suffering a loss and a tie in five starts. Baseball seems to be the house

game and we are determined to recover the cup lost last year. We won our first game from the Newmon Club and are looking forward to a victory against the Sig Eps next week.

Washington Alpha is preparing for its Spring Informal at the Seattle Yacht Club, May 10th and the Sophomore Carnival, a week later. While resting, the chapter indulges in pursuing high school seniors for next fall's pledging. We announce the pledging of Welkes Hawn, Kennewick, Wash.

● Nineteen-forty's spring term always will be a highspot in Oregon Alpha's history. With a new house in prospect, members are now holding forth in a boarding house. The old chapter house stands deserted, awaiting the wrecker's tools.

Under boarding house conditions, we can't always have many things we are accustomed to having. Members are taking their new quarters with good spirit, realizing that the discomfort is but a price we must pay for our fine new home.

The boarding house has one distinct advantage. It is directly across the street from the Side, favorite undergrad hangout.

Phi Psis are right up in the front lines of the campus political wars. Clark Weaver, sophomore, is a nominee for class treasurer. Pat Keller, big gun in politics, is slated to head the rally committee next fall.

Terry Mullin and Cliff Wilcox are on the frosh tennis squad. Paul Livesay, pledge,

has carved a niche on the varsity net squad.

University of Oregon takes its baseball seriously. Herb Hamer, junior Phi Psi, will be playing first base as the Ducks defend their northern division Pacific coast championship this spring.

Russ Rohwer, pledge and younger brother of Eggert Rohwer, G. P. is battling for a place in the frosh outfield.

Election of officers has been held. Eggert Rohwer was unanimously reelected G. P. Marsh E. Hoffman was reelected V. G. P. Pat Keller remains as P.

Other officers are: B. G., Leroy Elliott; A. G., Jerry O'Callaghan; S. G., Kenneth Hankins; Hod., Clark Weaver; Phu., Craig Olson; Hi., Harry Stirwalt.

CALIFORNIA BETA

Stanford University

● The Brothers of Cal Beta have just returned from a vacation corresponding roughly to a time out for Easter and also serving as a ten-day layoff between quarters at Stanford.

A southern branch of the Mothers Club of Cal Beta has recently been formed. Mrs. Ethel Copp, mother of Newt Copp, has been doing effective work in organizing their activities. The Mothers Club aids the chapter greatly by means of an annual gift which is used, under their supervision upon the recommendation of the Brothers, for general house improvement.

In the baseball picture, Phi Psis continue to dominate three positions on the varsity nine. Although backstop Sid Lewis has been enjoying an enforced layoff because of a badly split finger on his throwing hand, Elton Boone and Hal Costello still constitute the third-to-first base infield combination. Varsity letterman Bob Ditlevsen is back in school, although not eligible to patrol the outfield this quarter. Tiff Denton turned out at the conclusion of the basketball season and is rapidly working his way up to a starting assignment as a curve-ball artist in the mound corps.

Center Colin McClintock turned out for spring football practise which began April 3rd under our new coach Clark Shaughnessy, father of Clark Shaughnessy Jr., of Cal Epsilon. Lennie McClintock prizes the fact that he went "straight A" last quarter more than the black "S" he won playing football last fall.

At the time of writing it has not yet been determined who among the Brothers will make the trip to the G.A.C. in June. However, considerable enthusiasm has been stimulated by glowing reports about past conventions by alumni who are close to the chapter.

The scholastic reports of the pledges for the past quarter were exceedingly gratifying. Jim (Pepper) Sargeant, who was recommended to us by Eddie Mathias, our loyal and cooperative Seattle alumnus, topped the field with a straight 'A' average. Several other pledges were close behind with surprisingly high averages, indicating a probable great improvement of the scholastic standing of Cal Beta in the near future.

The assistance of alumni who have sent in names and recommendations of coming Stanford students has proven beneficial and is always greatly appreciated. We are counting on continued cooperation to help maintain the upward trend of Cal Beta. Information regarding prospective rushes for next year should be mailed (during the summer) to Grey Bryan, 1429 Ocean Front Blvd., Santa Monica, Calif.

This spring quarter writes *finis* to the undergraduate careers of eight of the Brothers of Cal Beta: Bob Richardson, Jerry Sparling, George Jedenoff, Merritt Prewett, Sid Lewis, Bill Boyd, Robin Hoon, and Aubrey Austin, all of whom will be graduated. We hate to see them go.

CALIFORNIA GAMMA

University of California

● As most other chapters are now settling down to mid-semester boredom, we at Cal Gamma are busily preparing for the last round-up. But, before we close our calendar for the year, we would like to let you all in on our accomplishments.

As to members, ours have certainly done their utmost for the Fraternity. Guinn Smith and Al Patterson are getting ready for the annual trek east for the track nationals, Guinn's prospects in pole-vaulting being the best, and Al putting that discus out one notch ahead of the others. Spring practise saw a good crop of our men out, veteran end Morley Mathewson, our G.P., and last year's frosh Ken Ables, with our track and football star, Jim Jurkovich. Along the honor lines are Ed Saunders, secretary of Winged Helmet and the new

senior manager for basketball, with Bob Buckles as his left hand man as a basketball junior manager. Phi Psi also has a new member in the junior honor society, Winged Helmet, in Bob Binkley, the new editor of the *Gamma Quarterly*.

Since the last newsletter, we have been having a little activity socially. March 2nd saw Phi Kappa Psi entering a float of "Petty Girls" in the Big 'C' Sirkus Parade, and having a cigaret wheel concession that made the tops so far as financial return is concerned in the Sirkus. And the 20th of April will see us sponsoring an old custom, a Phi Psi Kid Party, with fellows in short pants riding kiddie cars and girls in gingham dresses and big red bows playing musical chairs.

On March 4th, Cal Gamma had the honor to admit three more to the mysteries of Phi Kappa Psi. Leighton McGinty, Jim Jurkovich, and Bob Baxter are now on the permanent house roll as full-fledged members, now doing their parts to further the progress of old Phi Psi.

In the new junior-senior Interfraternity Honor Society, in which only twenty-five men out of fifty-two houses are admitted, whose membership is based upon scholarship, athletics, outside activities, and being an all-around good sport, Phi Psi's Ed Bucklin was admitted unanimously. It is with due pride that we feel honored at having one of our men as the first enrolled charter members of this newly-founded order.

At this time it seems not out of place to remark about the splendid work of Editor Dick Kilbourn, the *Gamma Quarterly* founder and first author. We feel that as the pioneer in this journalistic field in Cal Gamma he has done a fine piece of work, and congratulations are certainly in order.

As concerns members, we have had a very good season. As is always true, there is room for improvement. If any readers have any names in mind, please forward them with some general information as to nature, finances, and prospects of the fellows, to Charles Yerxa, Colusa, Calif., and we'll do our best to add them to our ever-growing list.

Cal Gamma has spent an enjoyable and profitable year at Berkeley. We have had our work, but we've also had some fun; the two together make the real Phi Psi on and off the campus. We know that our representatives, Dick Jones and Al Patterson, at Spring Lake, N. J., at the Grand Arch Council, can present an excellent record for our chapter, showing vast advances in scholarship, activities, and athletics, giving a balance to a house that any national

chapter would certainly be proud of, and that very ably represents the true Phi Kappa Psi chapter from east to west.

● Beach weather is here at last. Of course it would come just as we are finishing our ten weeks' exams. However, every afternoon one can find the beach boys riding the waves and their surf boards. We have two brothers who have become very expert on their surf boards, Mark Yorston and Tom Call, and every day they seem to find time to enjoy this sport. Others who spend a great deal of time on the sand are Bob Finch, Bob Herrmann, Bill Simpson, Eddie Heizman, and Phil Gaspar.

Elections for the school are over. Tom Call was elected senior class president and Frank Swirles is president of the School of Commerce. Harry Call has been named manager of the football team for the coming year.

U. S. C. is now in the middle of the spring practise session and it looks as though several of the brothers are going to play important parts in the defence of our Pacific Coast championship. Bob Peoples, who has gained much recognition through his playing at fullback, is now playing first string quarterback. Carl Benson has been outstanding in his work at tackle and seems in line for the starting position. Frank Swirles has been doing well at quarterback and will see a lot of action next fall. Frank Bennitt and Ash Norris, who was outstanding for the freshmen last year, will probably see a great deal of action in the line.

Several are out for track and hope to add points for S. C. when we defend our national championship. Bob Peoples, national javelin champion, is throwing well and expects to take many first places. Jim Lytle is running on the relay team and has turned in several good times this season. Mark Yorston, in the discus, Don Hummel and Howard Utman, in the hurdles, Marsh Cromwell, in the broad jump, Bob Finch, in the distant races, are all out to win points for U. S. C.

Three weeks ago, we welcomed nine new brothers to the house. They are: Kenny Westlund, Chuck Bleick, Howard Utman,

Charles Kennedy, Chuck Carter, Lenord Andrews, Ash Norris, Joe Zerboni, and Ken Jones. They are all swell fellows and will do the house a lot of good.

The rush chairman for this summer will be Bob Peoples, 642 W. 28th St., Los Angeles, Calif. If any brothers know of good men coming here to school we will appreciate being told of them.

● Starting off with a novel pledge presentation, California Epsilon has had a busy social calendar thus far this semester. The pledge presentation, at least new for this campus, was fostered under the spirit of Leap Year. As is the custom, the sororities all present their new pledges every semester. Cal Epsilon, not to be outdone, dressed the protesting, prospective Phi Kappa Psi members in Tux coats, blue jeans and vegetable corsages. The affair was quite a success if success can be measured by attendance. Some 500 lads and lassies turned out to see our pledges, Charles Carey, Douglas Christenson, Bob Coates, Gene McConahy, Harrison Negley, Bill O'Brien, Bill O'Neil, Bill Reid, Joe Seward, and Hugh Walter.

A house dance and a Kappa Kappa Gamma exchange dinner have entertained the members. Another house dance is being planned in the near future by our social chairman Ed Fearon. An exchange dinner with the Alpha Phis has April 17th checked on our calendar. Plans for our spring formal are being completed with the event scheduled early in May. However, due to Brother John Cole's suggestion, we shall wait till the weather is *warm*.

Athletics are taking the spotlight this week as the all-around interfraternity athletic contest is drawing to a close. Only baseball and swimming are to be finished. Our beach boys let us down somewhat in volley ball but we still came in as runner-up in our league. Our chances in baseball are good and swimming should be our victory. The house is counting on Don James to take the diving event. Jack Lamberson, Ed Fearon, Jack Power, Sheldon Craddock, Paul Sims, Morgan McNeely, and Pledge Jack Quig will make up the backbone of the swimming team. With house manager and District Archon Jim (Economy) Morris to manage the team, we stand to splash the other houses out of the pool. One of the main contributing factors to our luck in athletics has been the untiring leadership of G. P. Morgan Barndollar McNeely.

In University sports, we have Bill Tanner pulling an oar in the J. V. boat. Lynn (Buck) Compton is first baseman on the freshman team. Clark Shaughnessy is throwing the javelin for the track team, and doing a very nice job of it, too. So far, he has taken two meets at 191 and 194 feet, beating out Alumni Brother Reitz of the S.C.A.A. in the last meet. Pledges Hugh Walters and Bill O'Neil are out for freshman swimming and baseball, respectively.

John Cole, as president of the senior class, and Bob Alshuler, as president of the sophomore class, are winding up a successful year. Alshuler, by the way, is Rush Chairman and will be home this summer at 8030 W. Norton, Los Angeles.

A successful orientation week and impressive initiation was completed in March. The new initiates are John Beckler, Lynn Compton, Malcolm Edmiston, Burrett Foster, George Grassmuck, Don James, Bill Marsh, Jack Power and Jack Simons.

● Let's show this grand Fraternity of ours that we in Rochester are not to be forgotten. Although we have been inactive the past year, we expect soon to be able to boast of our accomplishments.

We have had several bowling parties this winter and they have been successful. We are indeed happy to announce that Rochester Phi Psis now meet every Monday noon for luncheon at the Chamber of Commerce. The luncheon is a social affair. All Brothers are invited.

This summer, we plan to hold one or two outings, and we are hopeful that every Phi Psi in this vicinity will take part in these events. Let's all gather 'round to prove that our Brotherhood doesn't end with college; that it has something to offer after we leave our alma maters.

Now that the Phi Phi Delta local fraternity at Hobart College is petitioning for a chapter charter, we really have something to fight for. We all want to see old New York Delta reestablished. It is our suggestion that we all go to Geneva some day soon to see the Phi Phi Delta group.

● Founders Day was again a huge success this year with an excellent turnout notwithstanding the prevalence of sickness among the brothers at the time.

To be sure that the Capital was represented 100 per cent, James E. Watson, Ind. Alpha '81, former Senator from Indiana sent a special messenger, his son as well as a brother, Captain Edwin G. Watson, Ind. Alpha '14, to rout Hubert D. Steph-

Robert F. Rich, Pa. Zeta '03, Representative from Pennsylvania and Judge Ernest H. Van Fossan, N. Y. Gamma '10, of the Board of Tax Appeals, were also in attendance.

Senator Ellison D. (Cotton Ed) Smith, S. C. Alpha '85, of South Carolina presented a very interesting discussion on the present trends in our government. Senator Watson performed notably as toastmaster. Maurice Crass, Fred Riepma and Lieut. Eugene B. McKinney went to a lot of trouble to make the party a success. Thanks fellows.

An election of officers left Frank Miller in charge as president, and placed Maurice Crass as vice-president, Fred Riepma as treasurer and Alfred C. Body as scribe. Lieutenant McKinney, U. S. N. was elected secretary but was forced to decline and Riepma has taken over the job.

Luncheons are still being held Tuesdays, at 12:30 o'clock at the Lafayette Hotel. Those of you who haven't been coming should make a point of getting out and keeping up that old Phi Psi spirit.

Spring is late in Washington this year but as the trees now begin to turn, so do our thoughts to travel, vacation and the G. A. C. in Spring Lake, N. J. this June, not far from Washington. Many of the brothers are planning on attending.

● Our annual business meeting has just been concluded and the Association chose to retain its present officers for the ensuing year. They are: President, James H. Little; 1st Vice President and Shield Correspondent, Alfred W. Hesse Jr.; 2nd Vice President, Harry S. Tily II; Secretary, Henry R. Dowdy Jr.; Treasurer, Lester C. Bosler.

It was decided to move our weekly luncheon to the Art Club, South Broad Street, where we will meet each Thursday. Visitors please note.

Having tried both a spring and fall outing last year, we decided that the convenience of more members would be suited by a fall outing. This we expect to hold in late September at the Overbrook Country Club. At that time, the Halstead and the Tily cups will be awarded the winners of the golfing tournament. At present these cups are in the possession of Frank Lombar and John Batdorf, respectively.

The Association assumed the trusteeship of a trust, created by our late Brother, A. W. (Beef) Cummins, Pa. Theta '84, the purpose of which is to provide perpetual payment of his dues to the Association. Brother Cummins' wishes will be carefully observed.

The proximity of the approaching G. A. C. to Philadelphia naturally insures our Association of a representative delegation at the function. Moreover, we sincerely hope to be able to meet a large number of visiting brothers at our Thursday luncheon. Don't fail us—at the Art Club, South Broad Street.

A change in location has resulted in increased attendance at the weekly luncheons. We are now meeting in the Grill Room of the William Penn Hotel, and will be glad to see all the brothers there every Thursday.

INDIANAPOLIS ALUMNI ASSOCIATION

● Participation of representatives of Indianapolis Alumni Association in the Grand Arch Council at Spring Lake, N. J., June 26-29 will be planned at the regular April dinner meeting of the group.

Edward H. Knight, Ind. Gamma '93, of Indianapolis, and the city's corporation counsel, who hasn't missed a session within the memory of the oldest alumnus is a certain delegate.

William L. Taylor, Ind. Beta '74, former Indiana attorney-general and one of the state's most widely known attorneys and whose record for attendance approaches that of Eddie Knight, also is laying plans to be present when President Charles E. Strickland raps for order at the Monmouth Hotel.

Grief over the deaths of two of the Association's most loyal members, Frank C. Groninger, Ind. Beta '88, on February 4th, and William Ray Adams, Ind. Delta '07, on April 5th, fills the minds of Indianapolis Phi Psis. It is appreciated that their places in the ranks of the Fraternity can not be filled easily.

Steps to carry out plans for a statewide organization of Phi Kappa Psi alumni were taken at the March dinner meeting. Under the consolidation resolution adopted at the Thanksgiving Eve banquet in 1939 which became effective February 20th, the former state alumni organization has been merged with the Indianapolis association. By the

The Monmouth Hotel, SPRING LAKE, N. J., JUNE 26-29

terms of the consolidation, officers elected at the Founders Day banquet will appoint members of a statewide advisory committee, selected according to geographic and other considerations. One of the principal functions of this committee will be to assist in preparing for the traditional Hoosier Thanksgiving Eve banquets. Incidentally, too, the committee may be of assistance to the chapters in other directions.

The Founders Day banquet of the Indianapolis Association held February 19th at the Indianapolis Athletic Club was one of the most successful in the long history of such affairs at the Hoosier capital. Founders of the Fraternity and thirty-nine charter members who formed the Indianapolis association in 1900 were honored. Edward H. Knight, who organized the group, sketched the history of the Fraternity, of the alumni organizations, and of the chapters generally. He stressed the importance of friendships formed in undergraduate days, and cited examples, in the lives of Phi Psis, of the value of the principles on which the Fraternity is founded. Reports of the retiring officers indicated a steady progress in the affairs of the Indianapolis association. Walter C. Hiser, Ind. Delta '18, presided at the meeting.

Officers for the year 1940-41 elected at the Founders Day meeting include: John A. Alexander, Ind. Delta '30, president; Herman B. Gray, Ind. Beta '17, vice-president; Quentin D. Wert, Ind. KANSAS CITY ALUMNI ASSOCIATION

● I suppose you will read in other parts of this magazine where Phog Allen, Kansas Alpha, surprised the athletic world by bringing his Kansas basketball team through the NCAA tournament to the finals with Indiana University. Son Bob Allen, Kansas Alpha, was largely responsible for victories over Oklahoma A & M, Rice, and Southern California, only to lose the final to Indiana. There were only two other Phi Psis on the team, Ralph Muller and John Kline.

The 1940 K.C.A.A. officers are hitting the ball with a bang. Our first "Phi Psi Rag" edition, put out by Marshall Giescke, met with the immediate approval of all Phi Psis in this vicinity. Later editions will follow, providing some of the delinquent brothers send their dues to Bones Williams, 515 City Bank Building (new address) right away.

President Verne Wilkins has named his committees and the coming year should see a golf tournament, beer bust, and a long-deferred visit to Rees Turpin's ranch.

Frank E. Bolin, Kansas Alpha '12, has started the Frank E. Bolin Real Estate Co. with offices at 21 W. 63rd Street. Good luck, Budge. We hope your sales are all big ones.

Bob Dungan, Mo. Alpha '34, has been made branch manager for Schermerhorn Bros. & Co. at Oklahoma City.

The luncheons are dropping off in attendance to the point where March 28th saw only one Missouri man present. How come, ye Tigers? That will never do.

George Davidson and Norruth Graham, the wallboard twins, are looking for more Phi Psi buyers.

Newt Campbell, Kans. Alpha '04, one of the greatest guys to ever wear a badge, has been ill the past two years at his home, 637 W. 59th Terrace, with a heart ailment. Nevertheless, he managed to make a fine trip through the southern part of the U. S. in a car especially fitted. I know that Newt would enjoy seeing more of his friends, so let's surprise him with a visit now and then.

We were pleased to receive a check from Sidney Linscott, the Kansas Alpha banker, from Erie, Kans. You suburban brothers could do likewise. How about it?

William Lengeman, Kans. Alpha '17, with the Union Sign Mfg. Co., Kansas City, presented the Kansas Chapter a Phi Kappa Psi neon sign at our Founders Day party.

Needless to say, the boys were overcome with this gift.

Word has been received that Dr. John O'Conner, Mo. Alpha '29, is now teaching at the Yale Medical School, c/o William-Wirt-Winchester Hospital, Westhaven, Conn.

Ted O'Leary, Kans. Alpha, of basketball fame, is fighting for the handball championship of Kansas City and will play in the finals this week at the K.C.A.C. He came in second but has an excellent chance to take the doubles honor with Harvey Jeanette, Mo. Alpha.

R. H. Hawley, Colo. Alpha '21, K. C. branch manager for Travelers Insurance, pleased the brothers with his presence at the Founders Day Banquet as well as several luncheons.

M. W. Borders, Ill. Gamma '84, passed away on March 12.

L. E. (Swede) Olson, has gone with the Prudential Life Insurance Co. agency here.

Leon Lees has accepted a position with the Wheeling Corrugating Co. of North Kansas City.

We note Jim King, Mississippi Alpha, has turned up in Kansas City although we do not have his present occupation.

The brothers are still talking of Joe Gilbert's wonderful job as toastmaster at our Founders Day Banquet. Ask Charley Strickland. He will tell you that Joe stole the whole show. Therefore, we strongly recommend Joe for any Phi Psi gatherings in this part of the country.

It looks as if the G.A.C. caravan might reach a fair size from brothers indicating their intentions to make Spring Lake, New Jersey.

ST. LOUIS ALUMNI ASSOCIATION

● I can see right now that this is going to be one of those cart-before-the-horse type of letters but who cares about the whereabouts of one quadruped as long as Phi Psis are holding reins? Anyway you look at it still has the same unforgettable meaning: New Jersey, Spring Lake, Monmouth Hotel, June 26-29, the Forty-first Grand Arch Council, the epitome of Phi Psi plans and spirit for 1940.

The St. Louis Alumni Association plans on having as one of its delegates our new president, James David White Jr. Next

to attending the G.A.C. ourselves, we can think of no finer way to learn about what went on there than from Jim. In addition to the more serious stuff, we are counting on Jim to supplement his repertoire of humorous stories at Spring Lake. Our other worthy delegates have not as yet been chosen.

"Hats off to the past and coats off to the future" is an old adage that seems extremely appropos at the moment. The entire Association's collective topper is off to the retiring officers. It is an enviable job in the promotion of group good they have done here: an up-to-date directory, increased meeting attendance, closer contact with our brothers at Missouri Alpha, the pleasure of Edward Everett Horton's company at one of our luncheons are among the highlights of the old regime. It is easy to see why the new officers face the coming year with the realization that there is a standard to uphold.

As one of our earliest moves, we plan a get-together at Jim White's over steak and beverage to map plans for further activity. Our luncheons are well attended, both on the first of the month Big Push Days and at the smaller, regular weekly meetings. Among the comparative newcomers at lunch are Gil Stecker of Chicago who is spending considerable time here on business, Jim Schuttleworth, Austin Rust and Doug DeHoney.

Outstanding in our memory of the fine Founders Day Banquet at which there were thirty-six brothers, is a telegram from Charles E. Strickland and one from Bill Brown, now affiliated with the Kansas City Association. Their gain is definitely our loss insofar as Bill is concerned. Short speeches, good food, songs and long conversation brought us to the realization again that "they builded better than they knew." Here endeth the aforesaid horse.

NORTH TEXAS ALUMNI ASSOCIATION

● At an enthusiastic meeting of the North Texas Alumni Association held on Founders Day at Melrose Court in Dallas the following officers were elected for the coming year: President, Sam R. Harwell; Vice-president, Ramsey Moore; Vice-president, Frank R. Bass; Secretary-treasurer, Theo. E. Jones.

A stirring address by Carl B. Callaway, Texas Alpha '15, on closer relations between the alumni and the active chapters, was followed by appointing a committee to make definite plans for assisting the local chapters in this area. The committee is composed of the past presidents of this Association including Joe W. Riley, Will R. Wilson Jr., John D. Neuhoﬀ, and Preston H. Oglesby in addition to the current officers of the organization.

WESTERN OKLAHOMA ALUMNI CLUB

● A Hollywood celebrity, Edward Everett Horton, spotlighted Phi Psi activities in these parts since the March issue of *The Shield*. When Oklahoma City alumni awakened to the fact that this top-notch comedian would be here April 3rd for an appearance in the Broadway stage hit *Springtime for Henry*, they got busy trying to arrange for an interview with Brother Horton. They soon discovered that the undergraduates from Oklahoma Alpha had stolen the march and arranged with the famous laugh-getter to come to Oklahoma City a day early and to be their guest for a tour of inspection of the University of Oklahoma campus at Norman and a visit to the Chapter house.

City alumni did manage to monopolize the genial Brother Horton for a luncheon at the Oklahoma Club at which some twenty-four brothers appeared in response to a telephonic emergency invitation. It is obvious now what it takes to get the brothers out for these luncheon meetings!

Everyone found Brother Horton to be not only personally witty and entertaining but loyally interested in the Fraternity and

his visit was refreshing to all with whom he came in contact. Local brothers are looking forward to the star's promised return for a personal appearance when the Boyle-Clabaugh theatre opens next month.

Another recent highlight was the mixed party on April 5th when the Tom Haywards and Jimmie Fellers were hosts at a steak fry in the Club House at Will Rogers Park. In addition to sizzling Sooner Select Sirloin Steaks and songs ranging from *Oh Tell Me Now to Sweet Adeline*, a Bingo game and group participation in "Put Your Little Foot" were on the program. When Tom Hayward called the Virginia Reel, everyone joined in and John Lamb won the honors with his interpretation of a Russian Cossack dancer.

David Blue, Mich. Alpha '36, of Bartlesville, who is doing graduate work at the University, was a welcome guest at this night party, as was Tommy Miller, Okla. Alpha '33, who has moved here from Sand Springs and joined the forces of General Exchange Insurance Corp.

Another newly discovered Phi Psi in the Oklahoma City area is A. J. Bullard, Mo. Alpha '25, of the Dorsey Douglas organization. Your correspondent will vouch for Bullard's ability when it comes to decorating and furnishing offices as he has just completed the new law offices which this writer will occupy at 2305 Ramsey Tower.

A few scant rumors are circulating in Oklahoma that Tulsa maintains some sort of alumni group and that a few of them got together on Founders Day. The 56 brothers who commemorated this event in Oklahoma City are glad to know that there is some sign of activity in our sister city and trust that before long we may read of some further development in the pages of *The Shield*.

ENDOWMENT FUND CORPORATION NOTICE

Notice is hereby given that the biennial meeting of the Endowment Fund of the Phi Kappa Psi Fraternity will be held during the meeting of the Forty-first Grand Arch Council at the Monmouth Hotel, Spring Lake, N. J., June 26-29, 1940, for the purpose of electing a trustee and transacting business as required at said meeting.

Harold G. Townsend,
Secretary-Treasurer

TUCSON, ARIZONA, CLUB

● On Saturday evening, February 17th, a group of Phi Psis from southern and central Arizona gathered to honor the Founders of our Fraternity. An informal dinner was held at the San Carlos Cafe in Tucson, and the main attraction of the evening was good old Phi Psi fellowship. However, the most important result of the get-together was the decision to organize two Alumni Clubs in Arizona, one in Phoenix and one in Tucson, so that Phi Kappa Psi would be well represented in the baby state of the Union, and so that all members of Phi Kappa Psi in Arizona would have a more active bond to the Fraternity at large.

In attendance at the dinner, were the following, the first group of which drove from Phoenix, over 125 miles away: Ralph E. Beatty, Ohio Delta '13; David M. Downey, Mich. Alpha '11; Julian B. Downey, Ind. Alpha '89; and C. H. W. Smith, Ill. Delta '06.

The second group present was composed of Phi Psis who live or who were wintering in Tucson: C. M. d'Autremont, N. Y. Alpha '11; Hubert H. d'Autremont, N. Y. Alpha '11; Fred Buck, Minn. Beta '15; Holger Lollesgard, Ill. Beta '12; Homer D. Lininger, N. Y. Gamma '15; Charles Kibler, Ohio Delta '08; and Norman (Pete) Laffer, Pa. Beta '26.

So remember this, Phi Psis, whenever you arrive in the sunny southwest, look up one of the Brothers and give us an opportunity to show you some Phi Psi hospitality. The Tucson Alumni Club of the Phi Kappa Psi Fraternity hopes soon to have its charter and to take its place among the Clubs and Associations of our fraternity. That last statement goes for the group from Phoenix and vicinity who joined us and who went home enthusiastic about starting an alumni club in Phoenix.

SOUTHERN CALIFORNIA ALUMNI ASSOCIATION

● Members of the Southern California Alumni Association and brothers from the two local chapters at the University of Southern California and the University of California at Los Angeles, met on February 19th for the Association's annual celebration of Founders Day. Some two hundred

brothers were in attendance, representing twenty-two chapters of the Fraternity.

As is usual on such occasions, the evening was replete with reminiscences, railery and good Phi Psi speeches. Scott Moon, our retiring president, presided, and called upon various members of the Association for impromptu remarks. Past President Shirley E. Meserve justified his position as the Association's treasurer by making a logical explanation of the annual deficit. A. C. (Tom) Platt was much in evidence, getting everyone signed up on the attendance roster. Dixon Kelley hammered the piano with gusto in aid of fraternity songs. Charles Hickman Titus keynoted the evening with one of his characteristically interesting talks; and to give the occasion a thoroughly fraternal air, Oregon Alpha Alumni Ken Stevenson, Roy L. Herndon, *et al.* passed out blanks for contributions to the new Oregon house.

U. C. L. A. actives made much of speaking to members of the University of Southern California's national championship (others to the contrary notwithstanding) football team about purported cuts in players' salaries, and of course, the usual election of officers was held. Genial Hugo M. Burgwald will do our presiding for the coming year. Edwin W. Potter will back him up as vice president. William (Bill) Currer will continue as chaplain. Perennial officers Tom Platt and Shirley E. Meserve were reelected as secretary and treasurer, respectively, and your correspondent was ensconced as corresponding secretary.

The next big event on our Association calendar will be our spring get-together, which is conducted in a somewhat lighter vein, and is devoted primarily to golf, baseball, weight lifting, and similar events. Ed Potter will be in charge, and full particulars will be forthcoming in the immediate future. All brothers passing through California are cordially invited. In addition, of course, we have our weekly luncheons at the Stock Exchange Club on the sixth floor of the Stock Exchange building, where many newly resident brothers make the acquaintance of the old-timers.

Your correspondent will endeavor to brush up on his keyhole peeking propensities before his next letter, and will attempt to report on the personal activities of some of the brothers. In the meantime, however, all Phi Psis will be glad to know that Ellis A. Eagan has resumed his place as a judge of our municipal court after a long illness.

Many of the brothers are laying plans to attend the G.A.C., and will look forward to renewing old acquaintances and making new ones. In conclusion may we urge that any brother coming to California to see our blue skies, flowers, and movie studios, drop by at one of our luncheons and permit us to give him what help we can toward making his stay enjoyable.

NORTHERN CALIFORNIA ALUMNI ASSOCIATION

● Our Founders Day Banquet, at the Bal Tabarin, was one of the most successful ever held. A suggestion by Gene Prince to ask a few of the alumni to partially underwrite the affair was acted upon which enabled more of the active chapter members to attend. Morley Mathewson, G. P. of California Gamma, proudly remarked that the chapter was very nearly 100 per cent in attendance and a similar report came from Cal Beta's G. P., Bob Richardson. Those present at the dinner will remember seeing Fred Tredway with several of the younger brothers gathered about him. Ferd Marwedel, Barney Long, a long lost brother, and Husky Hall from Santa Cruz, were all there, as well as Joseph Henry Jackson.

We all want to tender a warm vote of thanks to our officers of the past year, especially to Tom Coakley for his untiring efforts in making the banquet a success. The new officers elected at the banquet to serve the Northern California Alumni Association for the coming year are: William G. Deal, President; Carl Brown Jr., Vice-President; Thomas F. Saunders, Sec-

retary-Treasurer; and Phil Merrill, Shield Correspondent.

An unusually large number of alumni attended the Cal Gamma Jeffersonian Duo with the Phi G's. Among them were Herby Moore and Frank Donant, of the class of '36, Lawry Arpin, Dick Biggs, Bob Steers and Phil Merrill. Matt Little, who is now associated with his father in the contracting business, was there as well as Mr. and Mrs. Henry Turner, who came up from Modesto to attend.

Milt Rowley, now working for W. P. Fuller Co., and Marabelle Rodier have recently announced their engagement.

Lieut. Ham Lawrence attended a luncheon while in town for a few days before returning to the United States Marine Air Corps Station at Quantico, Va. Others who have attended recently are Charley St. Goar, Ham Lawrence Sr. and Major J. A. Habegger, whom we are glad to have with us again after his recent illness. Bud Kinney, who is connected with Dean Witter and Co. in Oakland, is a regular attendant at the Oakland luncheons. Frank Tremaine, Cal. Beta '36, who was recently married to the former Catherine Newlin of Pasadena, has been transferred to the San Francisco office of the United Press after more than a year in New York. He expects to remain here until June when he will leave for Southern California for a month's vacation and then on to the Honolulu office.

Bud Williams is in town for the badminton tournament. He is entered in the men's singles, doubles and mixed doubles.

We again ask that whenever any of you are able you will join us at lunch at the Engineers' Club, 206 Sansome Street, San Francisco, on Thursdays.

WILLIAM RAY ADAMS

Ind. Delta '07

● When death came April 5th to William Ray Adams, of Indianapolis, one of Indiana's outstanding citizens and most loyal and beloved Phi Psis was lost to the state and to the Fraternity he served so well.

William Ray Adams

Industrial, civic and social circles joined Phi Kappa Psi in Indianapolis as a group in mourning his death which occurred at Los Angeles, Calif. He was president of the widely known J. D. Adams Mfg. Co., of Indianapolis, of which his brother Roy E. Adams, Ind. Delta '01, is chairman of the board.

Brother Adams, who was vacationing in the coast state, was stricken three weeks before his death and underwent an emergency operation.

Mrs. Adams, daughters, Miss Jane Adams and Mrs. Louis McClennen, and Mr. McClennen, the son-in-law, were with Mr. Adams until the end.

The son of J. D. Adams and Anna Elder Adams, Mr. Adams was a life-long resident of Indianapolis. He was graduated from Emmerich Manual Training high school in Indianapolis and matriculated at Purdue University. He was initiated in Phi Kappa Psi in the spring of 1907 and became one of the most active members of

Indiana Delta Chapter and an outstanding student and leader in university student affairs. After receiving his degree in mechanical engineering at Purdue in 1910, he became associated with the family firm, which manufactures road-building machinery. He worked up through various positions in the company to the presidency. He appreciated the situation of the young engineer and took pride in the careers of many young men whom he had assisted, among them a number of Phi Psis.

He was always interested in things mechanical. His company was his shop; his hobbies were golf and sailing. Active in civic and social affairs, he was a member of the Indianapolis Chamber of Commerce, Indianapolis Athletic Club, Columbia Club, Woodstock Club, Rotary Club and the Indianapolis Alumni Association of Phi Kappa Psi. He also was a member of the First Presbyterian church. Burial was in Indianapolis.—H. B. G.

CRESTED GIFTS

Your coat of arms mounted on a fine gift adds the distinction which only the fraternity man or woman may enjoy.

GRADUATION GIFTS — Select a Balfour gift to present to the Seniors in your chapter. Many fraternity men prefer the fine autograph leather bill fold shown on Page 38 of the 1940 BLUE BOOK. The gold locket fob shown on page 19 makes a very fine gift for sorority women.

MOTHER'S DAY GIFTS—One of the finest ways of showing your appreciation of your mother is to send her a remembrance on Mother's Day — a fine crested gift. Select a shining gold locket, a mesh bag, or a beautiful pearl pendant from the 1940 BLUE BOOK.

Write for your free copy.
